

The Building Department performs 5 major functions: permitting, plan review, inspections, verifying active contractor licenses and verifying all licensed contractors have the required insurance. The Building Department is responsible to administer and enforce all Building and licensing related laws along with local codes and regulations intended to protect the health, safety and welfare of the public and to provide the highest level of customer service by a fully-trained team dedicated to serving the public.

Alan Alligood, Building Official, Phyllis Breen and Dralynn Swick, Permit Technicians, are here to help, and answer any questions you may have. Please don't hesitate to contact us anytime.
