**Addendum to Request for Qualifications (RFQ)
City of High Springs, Florida
Engineering Services for CDBG Project**

This addendum is issued to provide clarification and additional information regarding the Request for Qualifications (RFQ) for Engineering Services related to the Community Development Block Grant (CDBG) project referenced in the original solicitation.

Additional Information:

The City of High Springs, Florida is requesting qualifications from qualified individuals or firms to provide **Engineering Services** specifically related to the aforementioned **CDBG grant**.

In addition to services related to the CDBG program, the City may also negotiate separate contracts for **ongoing engineering services** or for services associated with **other grant and loan programs**, as needed. These programs may include, but are not limited to:

- **USDA Rural Development (RD)**
- **Florida Department of Environmental Protection (FDEP) Springs Projects**
- **Alternative Water Supply (AWS) Programs**
- **State Revolving Fund (SRF)**
- **Water Management District Projects**
- **Florida Department of Transportation (FDOT)**
- **Water and Wastewater Collection, Pumping, and Wastewater Treatment Facility (WWTF) Projects**

Any such additional contracts shall be **independent of the CDBG contract** and negotiated at the discretion of the City based on qualifications and project needs.

All other terms and conditions of the original RFQ remain unchanged.

A handwritten signature in blue ink, appearing to read "J Marshall", is written over the printed name of the City Manager.

Jeremy Marshall, City Manager
