FILING INSTRUCTIONS:

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location. To determine what category your position falls under, see page 3 of instructions.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.) Form 1 filers who file with the Supervisor of Elections may file by mail or email. Contact your Supervisor of Elections for the mailing address or email address to use. Do not email your form to the Commission on Ethics, it will be returned.

State officers or specified state employees who file with the Commission on Ethics may file by mail or email. To file by mail, send the completed form to P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Rd, Bldg E, Ste 200, Tallahassee, FL 32303. To file with the Commission by email, scan your completed form and any attachments as a pdf (do not use any other format), send it to CEForm1@leg.state.fl.us and retain a copy for your records. Do not file by both mail and email. Choose only one filing method. Form 6s will not be accepted via email.

Candidates file this form together with their filing papers.

MULTIPLE FILING UNNECESSARY: A candidate who files a Form 1 with a qualifying officer is not required to file with the Commission or Supervisor of Elections.

WHEN TO FILE: Initially, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates must file at the same time they file their qualifying papers.

Thereafter, file by July 1 following each calendar year in which they hold their positions.

Finally, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2022.

NOTICE

Annual Statements of Financial Interests are due July 1. If the annual form is not filed or postmarked by September 1, an automatic fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500. In addition, failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal or suspension from office or employment, demotion, reduction in salary, reprimand, or a civil penalty not exceeding \$10,000. INSTRUCTIONS FOR COMPLETING FORM 1:

INTRODUCTORY INFORMATION (Top of Form): If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, and contact your agency's financial disclosure coordinator. You can find your coordinator on the Commission on Ethics website: www.ethics.state.fl.us.

NAME OF AGENCY: The name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

DISCLOSURE PERIOD: The "disclosure period" for your report is the calendar year ending December 31, 2022.

OFFICE OR POSITION HELD OR SOUGHT: The title of the office or position you hold, are seeking, or held during the disclosure period even if you have since left that position. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

PUBLIC RECORD: The disclosure form and everything attached to it is a public record. Your social security number, bank account, debit, charge, and credit card numbers are not required and you should redact them from any documents you file. If you are an active or former officer or employee listed in Section 119.071, F.S., whose home address is exempt from disclosure, the Commission will maintain that confidentiality if you submit a written and notarized request.

MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on either thresholds that are comparative (usually, based on percentage values) or thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. You must use the type of threshold you have chosen for each part of the form. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable

or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**,

- (2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies; utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure

period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s), but income from these public sources should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and

bonds, list each individual company from which you derived more than 5% of your gross income. Do not aggregate all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**
- (2) You received more than 10% of your gross income from that business entity; **and,**
- (3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

FLORIDA VOLUNTARY CODE OF FAIR CAMPAIGN PRACTICES

A charter framed by the Collins Center for Public Policy reflecting some conclusions reached by a convening of citizens at Tallahassee in October 1991.

To refresh the people's participation in their democratic process, Florida's citizens should expect their candidates for public office at all levels to observe and uphold standards of fairness and honesty during election campaigns so as to give voters a clear look at the personal values that motivate their candidacies and a clean choice on the political issues that define their differences. Along with the candidates, the news media and the general public play their own parts in the self-governing process. This voluntary code addresses all three and invites all to subscribe.

THE CANDIDATES

As I seek public office in Florida, I honor the following principles as a guide to conduct which the public is entitled to expect of me:

1. I will address valid issues in my campaign, will tell the truth as to my intentions if I am elected, and will fight fairly in any contest with my opponent(s).
2. I will shun demagoguery that seeks to deflect the public's attention to sham issues that obscure real concerns of the electorate.
3. I will limit my attacks on an opponent to legitimate challenges to that person's record, qualifications, and positions.
4. I will neither use nor permit the use of malicious untruths or scurrilous innuendos about an opponent's personal life nor make or condone unfounded accusations discrediting that person's integrity.
5. I will take personal responsibility for approving or disavowing the substance of attacks on my opponent that may come from third parties supporting my candidacy.
6. I will not use or permit the use of campaign material that falsifies, distorts, or misrepresents facts.
7. I will neither use nor permit the use of appeals to bigotry in any form, and specifically to prejudice based on race, sex, sexual orientation, religion, or national origin.
8. I will neither use nor permit the use of last-minute charges made without giving my opponent reasonable time in which to respond before Election Day.
9. I will demand that persons or organizations supporting me maintain these standards of fairness.
10. I will repudiate any abuses of this code.

THE NEWS MEDIA

As a journalist, free under the First Amendment to report to the people on their election process, I honor the following principles as a guide to my professional conduct, which the public should reasonably expect of me:

1. I will report the campaigns of all candidates fairly and will ensure their access to equitable coverage. While editorial expression of preferences in spaces reserved for opinion is an expected part of a robust press in a free society, the news presentation of political debate presupposes fair access to the public ear for the messages of all candidates.
2. I will emphasize coverage of candidates' stands on substantive issues and I will not allow my coverage to be distracted by images that some candidates seek to substitute for substance.
3. I will listen to the citizens and convey their concerns to the candidates through my questioning as a reporter, and in turn I will persist in efforts to elicit the candidates' responses to those concerns.

4. While offering news space or time to candidates who seek to state positions on serious issues, I have a like duty to draw the public's attention to the means by which less-than-honest campaigners may seek to mislead, distort, or falsify.
5. When accepting campaign advertising, I will require the identity of the person or organization buying the ad to appear with the ad. If the advertisement (including television commercial) in behalf of a candidate attacks an opponent, I will ask the candidate to state personally as a part of the ad itself whether the candidate approves or disapproves of it. I will keep a watch on campaign advertising so as to monitor and consistently publicize misrepresentations or untruths that may appear in advertisements in any of the news media including my own channel, frequency or publication.

THE PUBLIC

As the 20th century closes, people all over the world are casting off failed authoritarian rule and are laying down their lives, their fortunes and their sacred honor in a reach for the free democratic process which my American forebears won through revolution and which I now accept as a routine part of my life. Surely it is a time for me to join with all voters and renew our pride in participating in the majesty of self-government, to demand the cleansing of its unswept corners, and to demonstrate by our interest and our vote that we care about the political process that keeps this land free for ourselves and our posterity.

AFFIDAVIT OF UNDUE BURDEN

(Section 99.097(4), Florida Statutes)

IMPORTANT: (1) Paying signature gatherers will preclude or invalidate the filing of an undue burden oath. Section 99.097(6), Florida Statutes, provides: (a) If any person is paid to solicit signatures on a petition, an undue burden oath may not subsequently be filed in lieu of paying the fee to have signatures verified for that petition. (b) If an undue burden oath has been filed and payment is subsequently made to any person to solicit signatures on a petition, the undue burden oath is no longer valid and a fee for all signatures previously submitted to the supervisor of elections and any submitted thereafter shall be paid by the candidate, person, or organization that submitted the undue burden oath. If contributions as defined in s. 106.011 are received, any monetary contributions must first be used to reimburse the supervisor of elections for any signature verification fees that were not paid because of the filing of the undue burden oath. [Note: The second sentence in (b) applies only when payment is made to a signature gatherer after an undue burden oath had been filed.]

(2) Upon a candidate terminating the campaign, any candidate who qualified by the petition process and who has surplus funds, must first apply the surplus funds to the reimbursement of the signature verification fee (if applicable). See s. 106.141(7), Florida Statutes.

I certify under oath that I intend to qualify as a candidate for the office of

_____ and that I am
unable to pay the fee for verification of petition signatures for that office
without imposing an undue burden on my personal resources or on
resources otherwise available to me.

DECLARACIÓN JURADA DE CARGA EXCESIVA

(Sección 99.097(4), Estatutos de Florida)

IMPORTANTE: (1) El pago a los recolectores de firmas excluirá o invalidará la presentación de un juramento de carga excesiva. La Sección 99.097(6) de los Estatutos de Florida establece que: (a) Si una persona recibe un pago por solicitar firmas para una postulación, posteriormente no podrá presentar un juramento de carga excesiva en lugar de pagar la tarifa para verificar las firmas correspondientes a esa postulación.. (b) Si se presentó un juramento de carga excesiva y posteriormente se realiza un pago a una persona con el objetivo de solicitar firmas para una postulación, el juramento de carga excesiva dejará de ser válido, y el candidato, la persona u organización que presentó el juramento de carga excesiva deberá pagar una tasa por todas las firmas presentadas anteriormente al supervisor de elecciones y por cualquier otra firma presentada posteriormente. Si se reciben contribuciones como las que se definen en la Sección 106.011 de los Estatutos de Florida, toda contribución monetaria deberá utilizarse primero para reembolsar al supervisor de elecciones cualquier tasa de verificación de firmas que no se haya pagado debido a la presentación del juramento de carga excesiva. [Nota: La segunda oración en (b) se aplica solamente cuando el pago se realiza a un recolector de firmas después de que se presentó un juramento de carga excesiva].

(2) Una vez que un candidato finaliza la campaña, cualquier candidato que se haya presentado según el proceso de postulación y que tenga fondos excedentes deberá primero destinar los fondos excedentes al reembolso de la tasa de verificación de firmas (si corresponde). Ver Sección 106.141(7) de los Estatutos de Florida.

Certifico bajo juramento que tengo la intención de presentarme como candidato/a para el cargo de _____ y que no puedo pagar la tasa correspondiente a la verificación de las firmas de la postulación para ese cargo sin que eso represente una carga excesiva para mis recursos personales o para los recursos que tengo a mi disposición.

This method of unique identification is required for responding to requests from the filing officer and for reporting amendments.
For example, a M1 report having 75 contributions would use sequence numbers 1 through 75. The next report (M2), comprised of 40 contributions would use sequence numbers 1 through 40. Contributions on amended M1 reports would begin with sequence number 76 and on amended M2 reports would begin with sequence number 41. See the *Amendment Type* instructions below.

The style and requirements of such form shall be specified by ordinance. The beginning date of any petition drive shall commence upon the date of approval by the City Clerk of the form on which signatures will be affixed, and said drive shall terminate one hundred eighty (180) days after that date. In the event sufficient signatures are not acquired and submitted to the supervisor of elections during that one hundred eighty (180) day period, the petition initiative shall be rendered null and void and none of the signatures may be carried over onto another identical or similar petition. The sponsor shall submit signed and dated forms to the supervisor of elections and upon submission shall pay all fees as required by general law. The supervisor of elections shall within forty-five (45) days verify the signatures thereon.

(c) Within sixty (60) days after the requisite number of names have been verified by the supervisor of elections and reported to the City Commission, the City Commission shall notice and hold a public hearing on the proposed ordinance according to law and vote on it. If the City Commission fails to adopt the proposed ordinance, it shall, by resolution, call a referendum on the question of the adoption of the proposed ordinance to be held at the next general election occurring at least forty-five (45) days after the adoption of such resolution. If the question of the adoption of the proposed ordinance is approved by a majority of those registered electors voting on the question, the proposed ordinance shall be declared by resolution of the City Commission to be enacted and shall become effective on the date specified in the ordinance, or, if not so specified, on January 1 of the succeeding year. The City Commission shall not amend or repeal an ordinance adopted by initiative for a period of three (3) years after the effective date of such ordinance; except that during the second through third years, such an ordinance may be amended or repealed by the City Commission by an affirmative vote of at least four (4) of the five (5) City Commissioners.

(d) The right to initiate City ordinances shall not include ordinances establishing, amending or repealing the City budget, existing debt obligations, the comprehensive plan of the City, or the zoning or re-zoning of land.

106.011 Definitions.—As used in this chapter, the following terms have the following meanings unless the context clearly indicates otherwise:

- (1) "Campaign fund raiser" means an affair held to raise funds to be used in a campaign for public office.
- (2) "Campaign treasurer" means an individual appointed by a candidate or political committee as provided in this chapter.
- (3) "Candidate" means a person to whom any of the following applies:
 - (a) A person who seeks to qualify for nomination or election by means of the petitioning process.
 - (b) A person who seeks to qualify for election as a write-in candidate.
 - (c) A person who receives contributions or makes expenditures, or consents for any other person to receive contributions or make expenditures, with a view to bring about his or her nomination or election to, or retention in, public office.
 - (d) A person who appoints a treasurer and designates a primary depository.
 - (e) A person who files qualification papers and subscribes to a candidate's oath as required by law.

However, this definition does not include any candidate for a political party executive committee. Expenditures related to potential candidate polls as provided in s. 106.17 are not contributions or expenditures for purposes of this subsection.

(4) "Communications media" means broadcasting stations, newspapers, magazines, outdoor advertising facilities, printers, direct mail, advertising agencies, the Internet, and telephone companies; but with respect to telephones, an expenditure is deemed to be an expenditure for the use of communications media only if made for the costs of telephones, paid telephonists, or automatic telephone equipment to be used by a candidate or a political committee to communicate with potential voters but excluding the costs of telephones incurred by a volunteer for use of telephones by such volunteer; however, with respect to the Internet, an expenditure is deemed an expenditure for use of communications media only if made for the cost of creating or disseminating a message on a computer information system accessible by more than one person but excluding internal communications of a campaign or of any group.

(5) "Contribution" means:

(a) A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election or making an electioneering communication.

(b) A transfer of funds between political committees, between electioneering communications organizations, or between any combination of these groups.

(c) The payment, by a person other than a candidate or political committee, of compensation for the personal services of another person which are rendered to a candidate or political committee without charge to the candidate or committee for such services.

(d) The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, and the term includes interest earned on such account or certificate.

Notwithstanding the foregoing meanings of "contribution," the term may not be construed to include services, including, but not limited to, legal and accounting services, provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee or editorial endorsements.

(6) "Division" means the Division of Elections of the Department of State.

(7) "Election" means a primary election, special primary election, general election, special election, or municipal election held in this state for the purpose of nominating or electing candidates to public office, choosing delegates to the national nominating conventions of political parties, selecting a member of a political party executive committee, or submitting an issue to the electors for their approval or rejection.

(8)(a) "Electioneering communication" means a text message or communication that is publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone which:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;

2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and

3. Is targeted to the relevant electorate in the geographic area the candidate would represent if elected.

(b) The term "electioneering communication" does not include:

1. A communication disseminated through a means of communication other than a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, telephone, or statement or depiction by an organization, in existence before the time during which a candidate named or depicted qualifies for that election, made in that organization's newsletter, which newsletter is distributed only to members of that organization.

2. A communication in a news story, commentary, or editorial distributed through the facilities of a radio station, television station, cable television system, or satellite system, unless the facilities are owned or controlled by a political party, political committee, or candidate. A news story distributed through the facilities owned or controlled by a political party, political committee, or candidate may nevertheless be exempt if it represents a bona fide news account communicated through a licensed broadcasting facility and the communication is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the area.

3. A communication that constitutes a public debate or forum that includes at least two opposing candidates for an office or one advocate and one opponent of an issue, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum, provided that:

a. The staging organization is either:

(I) A charitable organization that does not make other electioneering communications and does not otherwise support or oppose any political candidate or political party; or

(II) A newspaper, radio station, television station, or other recognized news medium; and

b. The staging organization does not structure the debate to promote or advance one candidate or issue position over another.

(c) For purposes of this chapter, an expenditure made for, or in furtherance of, an electioneering communication is not considered a contribution to or on behalf of any candidate.

(d) For purposes of this chapter, an electioneering communication does not constitute an independent expenditure and is not subject to the limitations applicable to independent expenditures.

(9) "Electioneering communications organization" means any group, other than a political party, affiliated party committee, or political committee, whose election-related activities are limited to making expenditures for electioneering communications or accepting contributions for the purpose of making electioneering communications and whose activities would not otherwise require the group to register as a political party or political committee under this chapter.

(10)(a) "Expenditure" means a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication. However, "expenditure" does not include a purchase, payment, distribution, loan, advance, or gift of money or anything of value made for the purpose of influencing the results of an election when made by an organization, in existence before the time during which a candidate qualifies or an issue is placed on the ballot for that election, for the purpose of printing or distributing such organization's newsletter, containing a statement by such organization in support of or opposition to a candidate or issue, which newsletter is distributed only to members of such organization.

(b) As used in this chapter, an "expenditure" for an electioneering communication is made when the earliest of the following occurs:

1. A person enters into a contract for applicable goods or services;

2. A person makes payment, in whole or in part, for the production or public dissemination of applicable goods or services; or

3. The electioneering communication is publicly disseminated.

(11) "Filing officer" means the person before whom a candidate qualifies or the agency or officer with whom a political committee or an electioneering communications organization registers.

(12)(a) "Independent expenditure" means an expenditure by a person for the purpose of expressly advocating the election or defeat of a candidate or the approval or rejection of an issue, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate, political committee, or agent of such candidate or committee. An expenditure for such purpose by a person having a contract with the candidate, political committee, or agent of such candidate or committee in a given election period is not an independent expenditure.

(b) An expenditure for the purpose of expressly advocating the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of the political party, an affiliated party committee, a political committee, or any other person is not considered an independent expenditure if the committee or person:

1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member, concerning the preparation of, use of, or payment for, the specific expenditure or advertising campaign at issue;
2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to a general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue;
3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of a broadcast or a written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member;
4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or an agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue;
5. After the last day of the qualifying period prescribed for the candidate, consults about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign, with:
 - a. An officer, director, employee, or agent of a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate; or
 - b. A person whose professional services have been retained by a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate;
6. After the last day of the qualifying period prescribed for the candidate, retains the professional services of a person also providing those services to the candidate in connection with the candidate's pursuit of election to office; or
7. Arranges, coordinates, or directs the expenditure, in any way, with the candidate or an agent of the candidate.

(13) "Issue" means a proposition that is required by the State Constitution, by law or resolution of the Legislature, or by the charter, ordinance, or resolution of a political subdivision of this state to be submitted to the electors for their approval or rejection at an election, or a proposition for which a petition is circulated in order to have such proposition placed on the ballot at an election.

(14) "Person" means an individual or a corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term includes a political party, affiliated party committee, or political committee.

(15) "Political advertisement" means a paid expression in a communications medium prescribed in subsection (4), whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue. However, political advertisement does not include:

(a) A statement by an organization, in existence before the time during which a candidate qualifies or an issue is placed on the ballot for that election, in support of or opposition to a candidate or issue, in that organization's newsletter, which newsletter is distributed only to the members of that organization.

(b) Editorial endorsements by a newspaper, a radio or television station, or any other recognized news medium.

(16)(a) "Political committee" means:

1. A combination of two or more individuals, or a person other than an individual, that, in an aggregate amount in excess of \$500 during a single calendar year:

- a. Accepts contributions for the purpose of making contributions to any candidate, political committee, affiliated party committee, or political party;
 - b. Accepts contributions for the purpose of expressly advocating the election or defeat of a candidate or the passage or defeat of an issue;
 - c. Makes expenditures that expressly advocate the election or defeat of a candidate or the passage or defeat of an issue; or
 - d. Makes contributions to a common fund, other than a joint checking account between spouses, from which contributions are made to any candidate, political committee, affiliated party committee, or political party;
2. The sponsor of a proposed constitutional amendment by initiative who intends to seek the signatures of registered electors.

(b) Notwithstanding paragraph (a), the following entities are not considered political committees for purposes of this chapter:

1. National political parties, the state and county executive committees of political parties, and affiliated party committees regulated by chapter 103.
2. Corporations regulated by chapter 607 or chapter 617 or other business entities formed for purposes other than to support or oppose issues or candidates, if their political activities are limited to contributions to candidates, political parties, affiliated party committees, or political committees or expenditures in support of or opposition to an issue from corporate or business funds and if no contributions are received by such corporations or business entities.
3. Electioneering communications organizations as defined in subsection (9).

(17) “Public office” means a state, county, municipal, or school or other district office or position that is filled by vote of the electors.

(18) “Unopposed candidate” means a candidate for nomination or election to an office who, after the last day on which a person, including a write-in candidate, may qualify, is without opposition in the election at which the office is to be filled or who is without such opposition after such date as a result of a primary election or of withdrawal by other candidates seeking the same office. A candidate is not an unopposed candidate if there is a vacancy to be filled under s. 100.111(3), if there is a legal proceeding pending regarding the right to a ballot position for the office sought by the candidate, or if the candidate is seeking retention as a justice or judge.

106.021 Campaign treasurers; deputies; primary and secondary depositories.—

(1)(a) Each candidate for nomination or election to office and each political committee shall appoint a campaign treasurer. Each person who seeks to qualify for nomination or election to, or retention in, office shall appoint a campaign treasurer and designate a primary campaign depository before qualifying for office. Any person who seeks to qualify for election or nomination to any office by means of the petitioning process shall appoint a treasurer and designate a primary depository on or before the date he or she obtains the petitions. At the same time a candidate designates a campaign depository and appoints a treasurer, the candidate shall also designate the office for which he or she is a candidate. If the candidate is running for an office that will be grouped on the ballot with two or more similar offices to be filled at the same election, the candidate must indicate for which group or district office he or she is running. This subsection does not prohibit a candidate, at a later date, from changing the designation of the office for which he or she is a candidate. However, if a candidate changes the designated office for which he or she is a candidate, the candidate must notify all contributors in writing of the intent to seek a different office and offer to return pro rata, upon their request, those contributions given in support of the original office sought. This notification shall be given within 15 days after the filing of the change of designation and shall include a standard form developed by the Division of Elections for requesting the return of contributions.

The notice requirement does not apply to any change in a numerical designation resulting solely from redistricting. If, within 30 days after being notified by the candidate of the intent to seek a different office, the contributor notifies the candidate in writing that the contributor wishes his or her contribution to be returned, the candidate shall return the contribution, on a pro rata basis, calculated as of the date the change of designation is filed. Up to a maximum of the contribution limits specified in s. 106.08, a candidate who runs for an office other than the office originally designated may use any contribution that a donor does not request be returned within the 30-day period for the newly designated office, provided the candidate disposes of any amount exceeding the contribution limit pursuant to the options in s. 106.11(5)(b) and (c) or s. 106.141(4)(a)1., 2., or 4.; notwithstanding, the full amount of the contribution for the original office shall count toward the contribution limits specified in s. 106.08 for the newly designated office. A person may not accept any contribution or make any expenditure with a view to bringing about his or her nomination, election, or retention in public office, or authorize another to accept such contributions or make such expenditure on the person's behalf, unless such person has appointed a campaign treasurer and designated a primary campaign depository. A candidate for an office voted upon statewide may appoint not more than 15 deputy campaign treasurers, and any other candidate or political committee may appoint not more than 3 deputy campaign treasurers. The names and addresses of the campaign treasurer and deputy campaign treasurers so appointed shall be filed with the officer before whom such candidate is required to qualify or with whom such political committee is required to register pursuant to s. 106.03.

(b) Except as provided in paragraph (d), each candidate and each political committee shall also designate one primary campaign depository for the purpose of depositing all contributions received, and disbursing all expenditures made, by the candidate or political committee. The candidate or political committee may also designate one secondary depository in each county in which an election is held in which the candidate or committee participates. Secondary depositories shall be for the sole purpose of depositing contributions and forwarding the deposits to the primary campaign depository. Any bank, savings and loan association, or credit union authorized to transact business in this state may be designated as a campaign depository. The candidate or political committee shall file the name and address of each primary and secondary depository so designated at the same time that, and with the same officer with whom, the candidate or committee files the name of his, her, or its campaign treasurer pursuant to paragraph (a). In addition, the campaign treasurer or a deputy campaign treasurer may deposit any funds which are in the primary campaign depository and which are not then currently needed for the disbursement of expenditures into a separate interest-bearing account in any bank, savings and loan association, or credit union authorized to transact business in this state. The separate interest-bearing account shall be designated “_(name of candidate or committee)_ separate interest-bearing campaign account.” In lieu thereof, the campaign treasurer or deputy campaign treasurer may purchase a certificate of deposit with such unneeded funds in such bank, savings and loan association, or credit union. The separate interest-bearing account or certificate of deposit shall be separate from any personal or other account or certificate of deposit. Any withdrawal of the principal or earned interest or any part thereof shall only be made from the separate interest-bearing account or certificate of deposit for the purpose of transferring funds to the primary account and shall be reported as a contribution.

(c) Any campaign treasurer or deputy treasurer appointed pursuant to this section shall, before such appointment may become effective, have accepted appointment to such position in writing and filed such acceptance with the officer before whom the candidate is required to qualify or with the officer with whom the political committee is required to file reports. An individual may be appointed and serve as campaign treasurer of a candidate and a political committee or two or more candidates and political committees. A candidate may appoint herself or himself as campaign treasurer.

(d) Any political committee which deposits all contributions received in a national depository from which the political committee receives funds to contribute to state and local candidates shall not be required to designate a campaign depository in the state.

(2) A candidate or political committee may remove his, her, or its campaign treasurer or any deputy treasurer. In case of the death, resignation, or removal of a campaign treasurer before compliance with all obligations of a campaign treasurer under this chapter, the candidate or political committee shall appoint a successor and certify

the name and address of the successor in the manner provided in the case of an original appointment. No resignation shall be effective until it has been submitted to the candidate or committee in writing and a copy thereof has been filed with the officer before whom the candidate is required to qualify or the officer with whom the political committee is required to file reports. No treasurer or deputy treasurer shall be deemed removed by a candidate or political committee until written notice of such removal has been given to such treasurer or deputy treasurer and has been filed with the officer before whom such candidate is required to qualify or with the officer with whom such committee is required to file reports.

(3) No contribution or expenditure, including contributions or expenditures of a candidate or of the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person for nomination or election to political office in the state or on behalf of any political committee except through the duly appointed campaign treasurer of the candidate or political committee, subject to the following exceptions:

- (a) Independent expenditures;
- (b) Reimbursements to a candidate or any other individual for expenses incurred in connection with the campaign or activities of the political committee by a check drawn upon the campaign account and reported pursuant to s. 106.07(4). The full name of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to s. 106.07(4), together with the purpose of such payment;
- (c) Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditure and reported pursuant to s. 106.07(4)(a)13.; or
- (d) Expenditures made directly by any affiliated party committee or political party regulated by chapter 103 for obtaining time, space, or services in or by any communications medium for the purpose of jointly endorsing three or more candidates, and any such expenditure may not be considered a contribution or expenditure to or on behalf of any such candidates for the purposes of this chapter.

(4) A deputy campaign treasurer may exercise any of the powers and duties of a campaign treasurer as set forth in this chapter when specifically authorized to do so by the campaign treasurer and the candidate, in the case of a candidate, or the campaign treasurer and chair of the political committee, in the case of a political committee.

(5) For purposes of appointing a campaign treasurer and designating a campaign depository, candidates for the offices of Governor and Lieutenant Governor on the same ticket shall be considered a single candidate.

Except as provided in paragraphs (a) and (b), reports shall be filed on the 10th day following the end of each calendar month from the time the campaign treasurer is appointed, except that, if the 10th day following the end of a calendar month occurs on a Saturday, Sunday, or legal holiday, the report shall be filed on the next following day that is not a Saturday, Sunday, or legal holiday. Monthly reports shall include all contributions received and expenditures made during the calendar month which have not otherwise been reported pursuant to this section.

(a) A statewide candidate or a political committee required to file reports with the division must file reports:

1. On the 60th day immediately preceding the primary election, and each week thereafter, with the last weekly report being filed on the 4th day immediately preceding the general election.
2. On the 10th day immediately preceding the general election, and each day thereafter, with the last daily report being filed the 5th day immediately preceding the general election.

(b) Any other candidate or a political committee required to file reports with a filing officer other than the division must file reports on the 60th day immediately preceding the primary election, and biweekly on each Friday thereafter through and including the 4th day immediately preceding the general election, with additional reports due on the 25th and 11th days before the primary election and the general election.

(c) Following the last day of qualifying for office, any unopposed candidate need only file a report within 90 days after the date such candidate became unopposed. Such report shall contain all previously unreported contributions and expenditures as required by this section and shall reflect disposition of funds as required by s. 106.141.

(d)1. When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of such special election or the preceding special primary election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

2. When an election is called for an issue to appear on the ballot at a time when no candidates are scheduled to appear on the ballot, all political committees making contributions or expenditures in support of or in opposition to such issue shall file reports on the 18th and 4th days before such election.

(e) The filing officer shall provide each candidate with a schedule designating the beginning and end of reporting periods as well as the corresponding designated due dates.

designated is deemed to have been filed in a timely manner. Any report received by the filing officer within 5 days after the designated due date that was delivered by the United States Postal Service is deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, suffices as proof of mailing in a timely manner. Reports other than daily reports must contain information on all previously unreported contributions received and expenditures made as of the preceding Friday, except that the report filed on the Friday immediately preceding the election must contain information on all previously unreported contributions received and expenditures made as of the day preceding that designated due date; daily reports must contain information on all previously unreported contributions received as of the preceding day. All such reports are open to public inspection.

2. This subsection does not prohibit the governing body of a political subdivision, by ordinance or resolution, from imposing upon its own officers and candidates electronic filing requirements not in conflict with s. 106.0705. Expenditure of public funds for such purpose is deemed to be for a valid public purpose.

(b)1. Any report that is deemed to be incomplete by the officer with whom the candidate qualifies must be accepted on a conditional basis. The campaign treasurer shall be notified by certified mail or by another method using a common carrier that provides a proof of delivery of the notice as to why the report is incomplete and within 7 days after receipt of such notice must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed complete upon proof of delivery of a written notice to the mailing or street address of the campaign treasurer or registered agent of record with the filing officer.

(3) Reports required of a political committee shall be filed with the agency or officer before whom such committee registers pursuant to s. 106.03(3) and shall be subject to the same filing conditions as established for candidates' reports. Incomplete reports by political committees shall be treated in the manner provided for incomplete reports by candidates in subsection (2).

(4)(a) Except for daily reports, to which only the contributions provisions below apply, and except as provided in paragraph (b), each report required by this section must contain:

1. The full name, address, and occupation, if any, of each person who has made one or more contributions to or for such committee or candidate within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less or is from a relative, as defined in s. 112.312, provided that the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which the reporting committee or the candidate received, or to which the reporting committee or candidate made, any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for campaign purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations, and principal places of business, if any, of the lender and endorsers, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1. through 3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such committee or candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the committee or candidate within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. However, expenditures made from the petty cash fund provided by s. 106.12 need not be reported individually.

7. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for authorized expenses as provided in s. 106.021(3) has been made and which is not otherwise reported, including the amount, date, and purpose of such expenditure. However, expenditures made from the petty cash fund provided for in s. 106.12 need not be reported individually. Receipts for reimbursement for authorized expenditures shall be retained by the treasurer along with the records for the campaign account.

8. The total amount withdrawn and the total amount spent for petty cash purposes pursuant to this chapter during the reporting period.

9. The total sum of expenditures made by such committee or candidate during the reporting period.

10. The amount and nature of debts and obligations owed by or to the committee or candidate, which relate to the conduct of any political campaign.

11. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the treasurer with the records for the campaign account.

12. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

13. The primary purposes of an expenditure made indirectly through a campaign treasurer pursuant to s. 106.021(3) for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

(b) Multiple uniform contributions from the same person, aggregating no more than \$250 per calendar year, collected by an organization that is the affiliated sponsor of a political committee, may be reported by the political committee in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer as provided in subparagraph (a)1. by July 1 of each calendar year, or, in a general election year, no later than the 60th day immediately preceding the primary election.

(c) The filing officer shall make available to any candidate or committee a reporting form which the candidate or committee may use to indicate contributions received by the candidate or committee but returned to the contributor before deposit.

(5) The candidate and his or her campaign treasurer, in the case of a candidate, or the political committee chair and campaign treasurer of the committee, in the case of a political committee, shall certify as to the correctness of each report; and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer, candidate, or political committee chair who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(6) The records maintained by the campaign depository with respect to any campaign account regulated by this chapter are subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any of such records to the Division of Elections or Florida Elections Commission upon request.

(7) Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

(8)(a) Any candidate or political committee failing to file a report on the designated due date is subject to a fine as provided in paragraph (b) for each late day, and, in the case of a candidate, such fine shall be paid only from personal funds of the candidate. The fine shall be assessed by the filing officer and the moneys collected shall be deposited:

1. In the General Revenue Fund, in the case of a candidate for state office or a political committee that registers with the Division of Elections; or
2. In the general revenue fund of the political subdivision, in the case of a candidate for an office of a political subdivision or a political committee that registers with an officer of a political subdivision.

No separate fine shall be assessed for failure to file a copy of any report required by this section.

(b) Upon determining that a report is late, the filing officer shall immediately notify the candidate or chair of the political committee as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine is \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each special primary election, special election, primary election, and general election, the fine is \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For reports required under s. 106.141(8), the fine is \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the candidate or chair or registered agent of the political committee. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 or other electronic filing system authorized in this section is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the filing officer. In the case of a candidate, such fine is not an allowable campaign expenditure and shall be paid only from personal funds of the candidate. An officer or member of a political committee is not personally liable for such fine.

(c) Any candidate or chair of a political committee may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(2) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the candidate or chair of the political committee shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by a candidate or political committee, the failure of a candidate or political committee to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the filing officer and as set forth in the notification. Any other alleged violations must be separately stated and reported by the division to the commission under s. 106.25(2).

(1) The Governor, Lieutenant Governor, members of the Cabinet, state legislators, or candidates for such offices who directly or indirectly solicit, cause to be solicited, or accept any contribution on behalf of an organization that is exempt from taxation under s. 527 or s. 501(c)(4) of the Internal Revenue Code, which such individuals, in whole or in part, establish, maintain, or control, shall file a statement with the division within 5 days after commencing such activity on behalf of the organization. The statement shall contain the following information:

- (a) The name of the person acting on behalf of the organization.
- (b) The name and type of the organization.
- (c) A description of the relationship between the person and the organization.

106.0702 Reporting; political party executive committee candidates.—

(1) An individual seeking a publicly elected position on a political party executive committee who receives a contribution or makes an expenditure shall file a report of all contributions received and all expenditures made. The report shall be filed on the 4th day immediately preceding the primary election.

(2)(a) The report shall be filed with the supervisor of elections of the appropriate county. Reports shall be filed no later than 5 p.m. of the day designated; however, any report postmarked by the United States Postal Service by the day designated shall be deemed to have been filed in a timely manner. Any report received by the filing officer within 5 days after the designated due date shall be deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due is proof of mailing in a timely manner. The report filed must contain information of all contributions received and expenditures made as of the day preceding the designated due date. All such reports must be open to public inspection.

(b) A reporting individual may submit the report required under this section through an electronic filing system, if used by the supervisor for other candidates, in order to satisfy the filing requirement. Such reports shall be completed and filed through the electronic filing system not later than midnight on the 4th day immediately preceding the primary election.

(3)(a) A report that is deemed to be incomplete by the supervisor shall be accepted on a conditional basis. The supervisor shall send a notice to the reporting individual by certified mail or by another method using a common carrier that provides proof of delivery as to why the report is incomplete. Within 7 days after receipt of such notice, the reporting individual must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

(b) Notice is deemed complete upon proof of delivery of a written notice to the mailing or street address that is on record with the supervisor.

(4)(a) Each report required by this section must contain:

1. The full name, address, and occupation of each person who has made one or more contributions to or for the reporting individual within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporations. However, if the contribution is \$100 or less or is from a relative, as defined in s. 112.312, provided that the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which the reporting individual has received, or to which the reporting individual has made, any transfer of funds within the reporting period, together with the amounts and dates of all transfers.

3. Each loan for campaign purposes from any person or political committee within the reporting period, together with the full name, address, and occupation, and principal place of business, if any, of the lender and endorser, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1.-3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such reporting individual during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the reporting individual within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each reporting individual on whose behalf such expenditure was made.

7. The amount and nature of debts and obligations owed by or to the reporting individual which relate to the conduct of any political campaign.

8. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the reporting individual.

9. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

(b) The supervisor shall make available to any reporting individual a reporting form that the reporting individual may use to indicate contributions received by the reporting individual but returned to the contributor before deposit.

(5) The reporting individual shall certify as to the correctness of the report and shall bear the responsibility for the accuracy and veracity of each report. Any reporting individual who willfully certifies the correctness of the report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(6) Notwithstanding any other provisions of this chapter, the filing of the required report is waived if the reporting individual has not received contributions or expended any reportable funds.

(7)(a) A reporting individual who fails to file a report on the designated due date is subject to a fine, and such fine shall be paid only from personal funds of the reporting individual. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater. The fine shall be assessed by the supervisor, and the moneys collected shall be deposited into the general revenue fund of the political subdivision.

(b) The supervisor shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by the supervisor;
2. When the report is postmarked;
3. When the certificate of mailing is dated;
4. When the receipt from an established courier company is dated; or
5. When the report is completed and filed through the electronic filing system, if applicable.

Such fine shall be paid to the supervisor within 20 days after receipt of the notice of payment due unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the supervisor. Such fine may not be an allowable campaign expenditure and shall be paid only from personal funds of the reporting individual.

(c) A reporting individual may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and is entitled to a hearing before the Florida Elections Commission, which has the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(2) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the reporting individual must, within 20 days after receipt of the notice, notify the supervisor in writing of his or her intention to bring the matter before the commission.

(d) The appropriate supervisor shall notify the Florida Elections Commission of the late filing by a reporting individual, the failure of a reporting individual to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the supervisor and as set forth in the notification. Any other alleged violations must be separately stated and reported by the division to the commission under s. 106.25(2).

History.—s. 10, ch. 2013-37.

106.0703 Electioneering communications organizations; reporting requirements; certification and filing; penalties.—

(1)(a) Each electioneering communications organization shall file regular reports of all contributions received and all expenditures made by or on behalf of the organization. Except as provided in paragraphs (b) and (c), reports must be filed on the 10th day following the end of each calendar month from the time the organization is registered. However, if the 10th day following the end of a calendar month occurs on a Saturday, Sunday, or legal holiday, the report must be filed on the next following day that is not a Saturday, Sunday, or legal holiday. Monthly reports must include all contributions received and expenditures made during the calendar month that have not otherwise been reported pursuant to this section.

(b) For an electioneering communications organization required to file reports with the division, reports must be filed:

1. On the 60th day immediately preceding the primary election, and each week thereafter, with the last weekly report being filed on the 4th day immediately preceding the general election.
2. On the 10th day immediately preceding the general election, and every day thereafter excluding the 4th day immediately preceding the general election, with the last daily report being filed the day before the general election.

(c) For an electioneering communications organization required to file reports with a filing officer other than the division, reports must be filed on the 60th day immediately preceding the primary election, and biweekly on each Friday thereafter through and including the 4th day immediately preceding the general election, with additional reports due on the 25th and 11th days before the primary election and the general election.

(d) When a special election is called to fill a vacancy in office, all electioneering communications organizations making contributions or expenditures to influence the results of the special election shall file reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

(e) In addition to the reports required by paragraph (a), an electioneering communications organization that is registered with the Department of State and that makes a contribution or expenditure to influence the results of a county or municipal election that is not being held at the same time as a state or federal election must file reports with the county or municipal filing officer on the same dates as county or municipal candidates or committees for that election. The electioneering communications organization must also include the expenditure in the next report filed with the Division of Elections pursuant to this section following the county or municipal election.

(f) The filing officer shall make available to each electioneering communications organization a schedule designating the beginning and end of reporting periods as well as the corresponding designated due dates.

(2)(a) Except as provided in s. 106.0705, the reports required of an electioneering communications organization shall be filed with the filing officer not later than 5 p.m. of the day designated. However, any report postmarked by the United States Postal Service no later than midnight of the day designated is deemed to have been filed in a timely manner. Any report received by the filing officer within 5 days after the designated due date that was delivered by the United States Postal Service is deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, suffices as proof of mailing in a timely manner. Reports other than daily reports must contain information on all previously unreported contributions received and expenditures made as of the preceding Friday, except that the report filed on the Friday immediately preceding the election must contain information on all previously unreported contributions received and expenditures made as of the day preceding the designated due date; daily reports must contain information on all previously unreported contributions received as of the preceding day. All such reports are open to public inspection.

(b)1. Any report that is deemed to be incomplete by the officer with whom the electioneering communications organization files shall be accepted on a conditional basis. The treasurer of the electioneering communications organization shall be notified, by certified mail or other common carrier that can establish proof of delivery for the notice, as to why the report is incomplete. Within 7 days after receipt of such notice, the treasurer must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed sufficient upon proof of delivery of written notice to the mailing or street address of the treasurer or registered agent of the electioneering communication organization on record with the filing officer.

(3)(a) Except for daily reports, to which only the contribution provisions below apply, each report required by this section must contain:

1. The full name, address, and occupation, if any, of each person who has made one or more contributions to or for such electioneering communications organization within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which or to which the reporting electioneering communications organization made any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for electioneering communication purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations and principal places of business, if any, of the lender and endorsers, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1.-3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such electioneering communications organization during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the electioneering communications organization within the reporting period and the amount, date, and purpose of each expenditure.

7. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for expenses has been made and that is not otherwise reported, including the amount, date, and purpose of the expenditure.

8. The total sum of expenditures made by the electioneering communications organization during the reporting period.

9. The amount and nature of debts and obligations owed by or to the electioneering communications organization that relate to the conduct of any electioneering communication.

10. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the electioneering communications organization.

11. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

12. The primary purposes of an expenditure made indirectly through an electioneering communications organization for goods and services, such as communications media placement or procurement services and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

(b) The filing officer shall make available to any electioneering communications organization a reporting form which the electioneering communications organization may use to indicate contributions received by the electioneering communications organization but returned to the contributor before deposit.

(4) The treasurer of the electioneering communications organization shall certify as to the correctness of each report, and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any treasurer who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(5) The electioneering communications organization depository shall provide statements reflecting deposits and expenditures from the account to the treasurer, who shall retain the records pursuant to s. 106.06. The records maintained by the depository with respect to the account shall be subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any such records to the Division of Elections or the Florida Elections Commission upon request.

(6) Notwithstanding any other provisions of this chapter, in any reporting period during which an electioneering communications organization has not received funds, made any contributions, or expended any reportable funds, the treasurer shall file a written report with the filing officer by the prescribed reporting date that no reportable contributions or expenditures were made during the reporting period.

(7)(a) Any electioneering communications organization failing to file a report on the designated due date shall be subject to a fine as provided in paragraph (b) for each late day. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited:

1. In the General Revenue Fund, in the case of an electioneering communications organization that registers with the Division of Elections; or

2. In the general revenue fund of the political subdivision, in the case of an electioneering communications organization that registers with an officer of a political subdivision.

No separate fine shall be assessed for failure to file a copy of any report required by this section.

(b) Upon determining that a report is late, the filing officer shall immediately notify the electioneering communications organization as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the electioneering communications organization. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.

4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 or other electronic filing system authorized in this section is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed sufficient upon proof of delivery of written notice to the mailing or street address on record with the filing officer. An officer or member of an electioneering communications organization shall not be personally liable for such fine.

(c) The treasurer of an electioneering communications organization may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(2) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the treasurer of the electioneering communications organization shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by an electioneering communications organization, the failure of an electioneering communications organization to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the filing officer and as set forth in the notification. Any other alleged violations must be stated separately and reported by the division to the commission under s. 106.25(2).

(8) Electioneering communications organizations shall not use credit cards.

(1) A person who is elected to office must report all loans, exceeding \$500 in value, made to him or her and used for campaign purposes, and made in the 12 months preceding his or her election to office, to the filing officer. The report must be made, in the manner prescribed by the Department of State, within 10 days after being elected to office.

(2) Any person who makes a contribution to an individual to pay all or part of a loan incurred, in the 12 months preceding the election, to be used for the individual's campaign, may not contribute more than the amount which is allowed in s. 106.08(1).

History.—s. 11, ch. 89-256; s. 32, ch. 90-315; s. 12, ch. 91-107; s. 641, ch. 95-147; s. 34, ch. 2013-37.

106.08 Contributions; limitations on.—

(1)(a) Except for political parties or affiliated party committees, no person or political committee may, in any election, make contributions in excess of the following amounts:

1. To a candidate for statewide office or for retention as a justice of the Supreme Court, \$3,000. Candidates for the offices of Governor and Lieutenant Governor on the same ticket are considered a single candidate for the purpose of this subparagraph.

2. To a political committee that is the sponsor of or is in opposition to a constitutional amendment proposed by initiative, \$3,000. This limitation applies only to persons who are not residents of the state and to political committees that have not registered an office under this chapter using a street address located within the state. However, the limitation on contributions to such political committees no longer applies once the Secretary of State has issued a certificate of ballot position and a designating number for the proposed amendment that the political committee is sponsoring or opposing.

3. To a candidate for retention as a judge of a district court of appeal; a candidate for legislative office; a candidate for multicounty office; a candidate for countywide office or in any election conducted on less than a countywide basis; or a candidate for county court judge or circuit judge, \$1,000.

(b) The contribution limits provided in this subsection do not apply to contributions made by a state or county executive committee of a political party or affiliated party committee regulated by chapter 103 or to amounts contributed by a candidate to his or her own campaign.

(c) The contribution limits of this subsection apply to each election. For purposes of this subsection, the primary election and general election are separate elections so long as the candidate is not an unopposed candidate as defined in s. 106.011. However, for the purpose of contribution limits with respect to candidates for retention as a justice or judge, there is only one election, which is the general election.

(2)(a) A candidate may not accept contributions from a county executive committee of a political party whose contributions in the aggregate exceed \$50,000, or from the national or state executive committees of a political party, including any subordinate committee of such political party or affiliated party committees, whose contributions in the aggregate exceed \$50,000.

(b) A candidate for statewide office may not accept contributions from national, state, or county executive committees of a political party, including any subordinate committee of the political party, or affiliated party committees, which contributions in the aggregate exceed \$250,000. Polling services, research services, costs for campaign staff, professional consulting services, and telephone calls are not contributions to be counted toward the contribution limits of paragraph (a) or this paragraph. Any item not expressly identified in this paragraph as nonallocable is a contribution in an amount equal to the fair market value of the item and must be counted as allocable toward the contribution limits of paragraph (a) or this paragraph. Nonallocable, in-kind contributions must be reported by the candidate under s. 106.07 and by the political party or affiliated party committee under s. 106.29.

(3)(a) Any contribution received by a candidate with opposition in an election or by the campaign treasurer or a deputy campaign treasurer of such a candidate on the day of that election or less than 5 days before the day of that election must be returned by him or her to the person or committee contributing it and may not be used or expended by or on behalf of the candidate.

(b) Any contribution received by a candidate or by the campaign treasurer or a deputy campaign treasurer of a candidate after the date at which the candidate withdraws his or her candidacy, or after the date the candidate is defeated, becomes unopposed, or is elected to office must be returned to the person or committee contributing it and may not be used or expended by or on behalf of the candidate.

(4) Any contribution received by the chair, campaign treasurer, or deputy campaign treasurer of a political committee supporting or opposing a candidate with opposition in an election or supporting or opposing an issue on the ballot in an election on the day of that election or less than 5 days before the day of that election may not be obligated or expended by the committee until after the date of the election.

(5)(a) A person may not make any contribution through or in the name of another, directly or indirectly, in any election.

(b) Candidates, political committees, affiliated party committees, and political parties may not solicit contributions from any religious, charitable, civic, or other causes or organizations established primarily for the public good.

(c) Candidates, political committees, affiliated party committees, and political parties may not make contributions, in exchange for political support, to any religious, charitable, civic, or other cause or organization established primarily for the public good. It is not a violation of this paragraph for:

1. A candidate, political committee, affiliated party committee, or political party executive committee to make gifts of money in lieu of flowers in memory of a deceased person;
2. A candidate to continue membership in, or make regular donations from personal or business funds to, religious, political party, affiliated party committee, civic, or charitable groups of which the candidate is a member or to which the candidate has been a regular donor for more than 6 months; or
3. A candidate to purchase, with campaign funds, tickets, admission to events, or advertisements from religious, civic, political party, affiliated party committee, or charitable groups.

(6)(a) A political party or affiliated party committee may not accept any contribution that has been specifically designated for the partial or exclusive use of a particular candidate. Any contribution so designated must be returned to the contributor and may not be used or expended by or on behalf of the candidate. Funds contributed to an affiliated party committee may not be designated for the partial or exclusive use of a leader as defined in s. 103.092.

(b)1. A political party or affiliated party committee may not accept any in-kind contribution that fails to provide a direct benefit to the political party or affiliated party committee. A "direct benefit" includes, but is not limited to, fundraising or furthering the objectives of the political party or affiliated party committee.

2.a. An in-kind contribution to a state political party may be accepted only by the chairperson of the state political party or by the chairperson's designee or designees whose names are on file with the division in a form acceptable to the division before the date of the written notice required in sub-subparagraph b. An in-kind contribution to a county political party may be accepted only by the chairperson of the county political party or by the county chairperson's designee or designees whose names are on file with the supervisor of elections of the

respective county before the date of the written notice required in sub-subparagraph b. An in-kind contribution to an affiliated party committee may be accepted only by the leader of the affiliated party committee as defined in s. 103.092 or by the leader's designee or designees whose names are on file with the division in a form acceptable to the division before the date of the written notice required in sub-subparagraph b.

b. A person making an in-kind contribution to a state or county political party or affiliated party committee must provide prior written notice of the contribution to a person described in sub-subparagraph a. The prior written notice must be signed and dated and may be provided by an electronic or facsimile message. However, prior written notice is not required for an in-kind contribution that consists of food and beverage in an aggregate amount not exceeding \$1,500 which is consumed at a single sitting or event if such in-kind contribution is accepted in advance by a person specified in sub-subparagraph a.

c. A person described in sub-subparagraph a. may accept an in-kind contribution requiring prior written notice only in a writing that is dated before the in-kind contribution is made. Failure to obtain the required written acceptance of an in-kind contribution to a state or county political party or affiliated party committee constitutes a refusal of the contribution.

d. A copy of each prior written acceptance required under sub-subparagraph c. must be filed at the time the regular reports of contributions and expenditures required under s. 106.29 are filed by the state executive committee, county executive committee, and affiliated party committee. A state executive committee and an affiliated party committee must file with the division. A county executive committee must file with the county's supervisor of elections.

e. An in-kind contribution may not be given to a state or county political party or affiliated party committee unless the in-kind contribution is made as provided in this subparagraph.

(7)(a) Any person who knowingly and willfully makes or accepts no more than one contribution in violation of subsection (1) or subsection (5), or any person who knowingly and willfully fails or refuses to return any contribution as required in subsection (3), commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. If any corporation, partnership, or other business entity or any political party, affiliated party committee, political committee, or electioneering communications organization is convicted of knowingly and willfully violating any provision punishable under this paragraph, it shall be fined not less than \$1,000 and not more than \$10,000. If it is a domestic entity, it may be ordered dissolved by a court of competent jurisdiction; if it is a foreign or nonresident business entity, its right to do business in this state may be forfeited. Any officer, partner, agent, attorney, or other representative of a corporation, partnership, or other business entity, or of a political party, affiliated party committee, political committee, electioneering communications organization, or organization exempt from taxation under s. 527 or s. 501(c)(4) of the Internal Revenue Code, who aids, abets, advises, or participates in a violation of any provision punishable under this paragraph commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(b) Any person who knowingly and willfully makes or accepts two or more contributions in violation of subsection (1) or subsection (5) commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084. If any corporation, partnership, or other business entity or any political party, affiliated party committee, political committee, or electioneering communications organization is convicted of knowingly and willfully violating any provision punishable under this paragraph, it shall be fined not less than \$10,000 and not more than \$50,000. If it is a domestic entity, it may be ordered dissolved by a court of competent jurisdiction; if it is a foreign or nonresident business entity, its right to do business in this state may be forfeited. Any officer, partner, agent, attorney, or other representative of a corporation, partnership, or other business entity, or of a political committee, political party, affiliated party committee, or electioneering communications organization, or organization exempt from taxation under s. 527 or s. 501(c)(4) of the Internal Revenue Code, who aids, abets, advises, or participates in a violation of any provision punishable under this paragraph commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(8) Except when otherwise provided in subsection (7), any person who knowingly and willfully violates any provision of this section shall, in addition to any other penalty prescribed by this chapter, pay to the state a sum

equal to twice the amount contributed in violation of this chapter. Each campaign treasurer shall pay all amounts contributed in violation of this section to the state for deposit in the General Revenue Fund.

(9) This section does not apply to the transfer of funds between a primary campaign depository and a savings account or certificate of deposit or to any interest earned on such account or certificate.

(10) Contributions to a political committee may be received by an affiliated organization and transferred to the bank account of the political committee via check written from the affiliated organization if such contributions are specifically identified as intended to be contributed to the political committee. All contributions received in this manner shall be reported pursuant to s. 106.07 by the political committee as having been made by the original contributor.

(11)(a) A county, a municipality, or any other local governmental entity is expressly preempted from enacting or adopting:

1. Contribution limits that differ from the limitations established in subsection (1);
2. Any limitation or restriction involving contributions to a political committee or an electioneering communications organization; or
3. Any limitation or restriction on expenditures for an electioneering communication or an independent expenditure.

(b) Any existing or future limitation or restriction enacted or adopted by a county, a municipality, or any other local governmental entity which is in conflict with this subsection is void.

 - (II) All decisions concerning donations and disbursements used toward a contribution or an expenditure are made by individuals who either hold United States citizenship or are permanent residents of the United States. For purposes of this sub-sub-subparagraph, decisions concerning donations and disbursements do not include decisions regarding the subsidiary’s overall budget for contributions or expenditures in connection with an election.

(b) A foreign national may not make or offer to make, directly or indirectly, a contribution or expenditure in connection with any election held in the state.

However, an expense may be incurred for the purchase of goods or services if there are sufficient funds on deposit in the primary depository account to pay the full amount of the incurred expense, to honor all checks drawn on such account, which checks are outstanding, and to meet all other expenses previously authorized but not yet paid, provided that payment for such goods or services is made upon final delivery and acceptance of the goods or services; and an expenditure from petty cash pursuant to the provisions of s. 106.12 may be authorized, if there is a sufficient amount of money in the petty cash fund to pay for such expenditure. (5) Each statement rendered by the issuer of a credit card shall be paid upon receipt.

(6) Campaign travel-related expenditures shall include transportation, lodging, meals, and other expenses incurred in connection with traveling for campaign purposes.

This section shall not be deemed to preclude the use of advance payments by a check drawn on the primary depository account for travel-related expenses. The treasurer shall require an accounting of actual expenses and reconcile any overpayment or underpayment to the original payee.

106.1405 Use of campaign funds.—A candidate or the spouse of a candidate may not use funds on deposit in a campaign account of such candidate to defray normal living expenses for the candidate or the candidate's family, other than expenses actually incurred for transportation, meals, and lodging by the candidate or a family member during travel in the course of the campaign.

History.—s. 49, ch. 77-175; s. 53, ch. 81-259; s. 644, ch. 95-147; s. 10, ch. 97-13.

106.141 Disposition of surplus funds by candidates.—

(1) Except as provided in subsection (6), each candidate who withdraws his or her candidacy, becomes an unopposed candidate, or is eliminated as a candidate or elected to office shall, within 90 days, dispose of the funds on deposit in his or her campaign account and file a report reflecting the disposition of all remaining funds. Such candidate may not accept any contributions, nor may any person accept contributions on behalf of such candidate, after the candidate withdraws his or her candidacy, becomes unopposed, or is eliminated or elected. However, if a candidate receives a refund check after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of under this section. An amended report must be filed showing the refund and subsequent disposition.

(2) Any candidate required to dispose of funds pursuant to this section may, before such disposition, be reimbursed by the campaign, in full or in part, for any reported contributions by the candidate to the campaign.

(3) The campaign treasurer of a candidate who withdraws his or her candidacy, becomes unopposed, or is eliminated as a candidate or elected to office and who has funds on deposit in a separate interest-bearing account or certificate of deposit shall, within 7 days after the date of becoming unopposed or the date of such withdrawal, elimination, or election, transfer such funds and the accumulated interest earned thereon to the campaign account of the candidate for disposal under this section. However, if the funds are in an account in which penalties will apply for withdrawal within the 7-day period, the campaign treasurer shall transfer such funds and the accumulated interest earned thereon as soon as the funds can be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws his or her candidacy, or is eliminated or elected, whichever comes first.

(4)(a) Except as provided in paragraph (b), any candidate required to dispose of funds pursuant to this section shall, at the option of the candidate, dispose of such funds by any of the following means, or any combination thereof:

1. Return pro rata to each contributor the funds that have not been spent or obligated.
2. Donate the funds that have not been spent or obligated to a charitable organization or organizations that meet the qualifications of s. 501(c)(3) of the Internal Revenue Code, except that the candidate may not be employed by the charitable organization to which he or she donates the funds.
3. Give not more than \$25,000 of the funds that have not been spent or obligated to the affiliated party committee or political party of which such candidate is a member.
4. Give the funds that have not been spent or obligated:
 - a. To the state, to be deposited in either the ¹Election Campaign Financing Trust Fund or the General Revenue Fund, as designated by the candidate; or

- b. To a political subdivision, to be deposited in the general fund thereof.
- (b) Any candidate required to dispose of funds pursuant to this section who has received contributions pursuant to the Florida Election Campaign Financing Act shall, after all monetary commitments pursuant to s. 106.11(5)(b) and (c) have been met, return all surplus campaign funds to the General Revenue Fund.
- (5) A candidate elected to office or a candidate who will be elected to office by virtue of his or her being unopposed may, in addition to the disposition methods provided in subsection (4), transfer from the campaign account to an office account any amount of the funds on deposit in such campaign account up to:
 - (a) Fifty thousand dollars, for a candidate for statewide office. The Governor and Lieutenant Governor shall be considered separate candidates for the purpose of this section.
 - (b) Ten thousand dollars, for a candidate for multicounty office.
 - (c) Ten thousand dollars multiplied by the number of years in the term of office for which elected, for a candidate for legislative office.
 - (d) Five thousand dollars multiplied by the number of years in the term of office for which elected, for a candidate for county office or for a candidate in any election conducted on less than a countywide basis.
 - (e) Six thousand dollars, for a candidate for retention as a justice of the Supreme Court.
 - (f) Three thousand dollars, for a candidate for retention as a judge of a district court of appeal.
 - (g) Three thousand dollars, for a candidate for county court judge or circuit judge.

The office account established pursuant to this subsection shall be separate from any personal or other account. Any funds so transferred by a candidate shall be used only for legitimate expenses in connection with the candidate's public office. Such expenses may include travel expenses incurred by the officer or a staff member; personal taxes payable on office account funds by the candidate or elected public official; professional services provided by a certified public accountant or attorney for preparation of the elected public official's financial disclosure filing pursuant to s. 112.3144 or s. 112.3145; costs to prepare, print, produce, and mail holiday cards or newsletters about the elected public official's public business to constituents if such correspondence does not constitute a political advertisement, independent expenditure, or electioneering communication as provided in s. 106.011; fees or dues to religious, civic, or charitable organizations of which the elected public official is a member; items of modest value such as flowers, greeting cards, or personal notes given as a substitute for, or in association with, an elected public official's personal attendance at a constituent's special event or family occasion, such as the birth of a child, graduation, wedding, or funeral; personal expenses incurred by the elected public official in connection with attending a constituent meeting or event where public policy is discussed, if such meetings or events are limited to no more than once a week; or expenses incurred in the operation of the elected public official's office, including the employment of additional staff. The funds may be deposited in a savings account; however, all deposits, withdrawals, and interest earned thereon shall be reported at the appropriate reporting period. If a candidate is reelected to office or elected to another office and has funds remaining in his or her office account, he or she may transfer surplus campaign funds to the office account. At no time may the funds in the office account exceed the limitation imposed by this subsection. Upon leaving public office, any person who has funds in an office account pursuant to this subsection remaining on deposit shall use such funds to pay for professional services provided by a certified public accountant or attorney for preparation of the elected public official's final financial disclosure filing pursuant to s. 112.3144 or s. 112.3145, or give such funds to a charitable organization that meets the requirements of s. 501(c)(3) of the Internal Revenue Code or, in the case of a state officer, to the state to be deposited in the General Revenue Fund or, in the case of an officer of a political subdivision, to the political subdivision to be deposited in the general fund thereof.

- (6)(a) For purposes of this subsection, the term "same office" with respect to legislative office means an office in the same legislative body, irrespective of district number or designation or geographic boundary.
- (b) A candidate elected to state office or a candidate who will be elected to state office by virtue of his or her being unopposed after candidate qualifying ends, may retain up to \$20,000 in his or her campaign account, or in an interest-bearing account or certificate of deposit, for use in his or her next campaign for the same office, in addition to the disposition methods provided in subsections (4) and (5). All requirements applicable to candidate

campaign accounts under this chapter, including disclosure requirements applicable to candidate campaign accounts, limitations on expenditures, and limitations on contributions, apply to any retained funds.

(c) If a candidate who has retained funds under this subsection does not qualify as a candidate for reelection to the same office, all retained funds shall be disposed of as otherwise required by this section or s. 106.11(5) within 90 days after the last day of candidate qualifying for that office. Requirements in this section applicable to the disposal of surplus funds, including reporting requirements, are applicable to the disposal of retained funds.

(7) Before disposing of funds pursuant to subsection (4), transferring funds into an office account pursuant to subsection (5), or retaining funds for reelection pursuant to subsection (6), any candidate who filed an oath stating that he or she was unable to pay the fee for verification of petition signatures without imposing an undue burden on his or her personal resources or on resources otherwise available to him or her shall reimburse the state or local governmental entity, whichever is applicable, for such waived fee. If there are insufficient funds in the account to pay the full amount of the fee, the remaining funds shall be disbursed in the above manner until no funds remain. All funds disbursed pursuant to this subsection shall be remitted to the qualifying officer. Any reimbursement for petition verification costs which are reimbursable by the state shall be forwarded by the qualifying officer to the state for deposit in the General Revenue Fund.

(8)(a) Any candidate required to dispose of campaign funds pursuant to this section shall do so within the time required by this section and, on or before the date by which such disposition is to have been made, shall file with the officer with whom reports are required to be filed pursuant to s. 106.07 a form prescribed by the Division of Elections listing:

1. The name and address of each person or unit of government to whom any of the funds were distributed and the amounts thereof;
2. The name and address of each person to whom an expenditure was made, together with the amount thereof and purpose therefor;
3. The amount of such funds transferred to an office account by the candidate, together with the name and address of the bank, savings and loan association, or credit union in which the office account is located; and
4. The amount of such funds retained pursuant to subsection (6), together with the name and address of the bank, savings and loan association, or credit union in which the retained funds are located.

Such report shall be signed by the candidate and the campaign treasurer and certified as true and correct pursuant to s. 106.07.

(b) The filing officer shall notify each candidate at least 14 days before the date the report is due.

(c) Any candidate failing to file a report on the designated due date shall be subject to a fine as provided in s. 106.07 for submitting late termination reports.

(9) Any candidate elected to office who transfers surplus campaign funds into an office account pursuant to subsection (5) shall file a report on the 10th day following the end of each calendar quarter until the account is closed. Such reports shall contain the name and address of each person to whom any disbursement of funds was made, together with the amount thereof and the purpose therefor, and the name and address of any person from whom the elected candidate received any refund or reimbursement and the amount thereof. Such reports shall be on forms prescribed by the Division of Elections, signed by the elected candidate, certified as true and correct, and filed with the officer with whom campaign reports were filed pursuant to s. 106.07(2).

(10) Any candidate, or any person on behalf of a candidate, who accepts contributions after such candidate has withdrawn his or her candidacy, after the candidate has become an unopposed candidate, or after the candidate has been eliminated as a candidate or elected to office commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(11) Any candidate who is required by the provisions of this section to dispose of funds in his or her campaign account and who fails to dispose of the funds in the manner provided in this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

106.143 Political advertisements circulated prior to election; requirements.—

(1)(a) Any political advertisement that is paid for by a candidate, except a write-in candidate, and that is published, displayed, or circulated before, or on the day of, any election must prominently state:

1. “Political advertisement paid for and approved by _(name of candidate)_, _(party affiliation)_, for _(office sought)_”; or
2. “Paid by _(name of candidate)_, _(party affiliation)_, for _(office sought)_.”

(b) Any political advertisement that is paid for by a write-in candidate and that is published, displayed, or circulated before, or on the day of, any election must prominently state:

1. “Political advertisement paid for and approved by _(name of candidate)_, write-in candidate, for _(office sought)_”; or
2. “Paid by _(name of candidate)_, write-in candidate, for _(office sought)_.”

(c) Any other political advertisement published, displayed, or circulated before, or on the day of, any election must prominently:

1. Be marked “paid political advertisement” or with the abbreviation “pd. pol. adv.”
2. State the name and address of the persons paying for the advertisement.
3. State whether the advertisement and the cost of production is paid for or provided in kind by or at the expense of the entity publishing, displaying, broadcasting, or circulating the political advertisement.

(d) Any political advertisement made pursuant to s. 106.021(3)(d) must prominently state the name and address of the political committee or political party paying for the advertisement.

(2) Political advertisements made as in-kind contributions from a political party must prominently state: “Paid political advertisement paid for in-kind by _(name of political party)_. Approved by _(name of person, party affiliation, and office sought in the political advertisement)_.”

(3) Any political advertisement of a candidate running for partisan office shall express the name of the political party of which the candidate is seeking nomination or is the nominee. If the candidate for partisan office is running as a candidate with no party affiliation, any political advertisement of the candidate must state that the candidate has no party affiliation. A political advertisement of a candidate running for nonpartisan office may not state the candidate’s political party affiliation. This section does not prohibit a political advertisement from stating the candidate’s partisan-related experience. A candidate for nonpartisan office is prohibited from campaigning based on party affiliation.

(4) It is unlawful for any candidate or person on behalf of a candidate to represent that any person or organization supports such candidate, unless the person or organization so represented has given specific approval in writing to the candidate to make such representation. However, this subsection does not apply to:

- (a) Editorial endorsement by any newspaper, radio or television station, or other recognized news medium.
- (b) Publication by a party committee advocating the candidacy of its nominees.

(5)(a) Any political advertisement not paid for by a candidate, including those paid for by a political party or affiliated party committee, other than an independent expenditure, offered on behalf of a candidate must be approved in advance by the candidate. Such political advertisement must expressly state that the content of the advertisement was approved by the candidate, unless the political advertisement is published, displayed, or circulated in compliance with subparagraph (1)(a)2., and must state who paid for the advertisement. The candidate shall provide a written statement of authorization to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution.

(b) Any person who makes an independent expenditure for a political advertisement shall provide a written statement that no candidate has approved the advertisement to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution. The advertisement must also contain a statement that no candidate has approved the advertisement.

(6) No political advertisement of a candidate who is not an incumbent of the office for which the candidate is running shall use the word “re-elect.” Additionally, such advertisement must include the word “for” between the candidate’s name and the office for which the candidate is running, in order that incumbency is not implied. This subsection does not apply to bumper stickers or items designed to be worn by a person.

(7) Political advertisements paid for by a political party or an affiliated party committee may use names and abbreviations as registered under s. 103.081 in the disclaimer.

(8) This section does not apply to novelty items having a retail value of \$10 or less which support, but do not oppose, a candidate or issue.

(9) Any political advertisement which is published, displayed, or produced in a language other than English may provide the information required by this section in the language used in the advertisement.

(10) This section does not apply to any campaign message or political advertisement used by a candidate and the candidate’s supporters or by a political committee if the message or advertisement is:

(a) Designed to be worn by a person.

(b) Placed as a paid link on an Internet website, provided the message or advertisement is no more than 200 characters in length and the link directs the user to another Internet website that complies with subsection (1).

(c) Placed as a graphic or picture link where compliance with the requirements of this section is not reasonably practical due to the size of the graphic or picture link and the link directs the user to another Internet website that complies with subsection (1).

(d) Placed at no cost on an Internet website for which there is no cost to post content for public users.

(e) Placed or distributed on an unpaid profile or account which is available to the public without charge or on a social networking Internet website, as long as the source of the message or advertisement is patently clear from the content or format of the message or advertisement. A candidate or political committee may prominently display a statement indicating that the website or account is an official website or account of the candidate or political committee and is approved by the candidate or political committee. A website or account may not be marked as official without prior approval by the candidate or political committee.

(f) Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with subsection (1).

(g) Sent by a third-party user from or through a campaign or committee’s website, provided the website complies with subsection (1).

(h) Contained in or distributed through any other technology-related item, service, or device for which compliance with subsection (1) is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with subsection (1) impracticable.

(11) Any person who willfully violates any provision of this section is subject to the civil penalties prescribed in s. 106.265.

106.1435 Usage and removal of political campaign advertisements.—

(1) Each candidate, whether for a federal, state, county, or district office, shall make a good faith effort to remove all of his or her political campaign advertisements within 30 days after:

(a) Withdrawal of his or her candidacy;

(b) Having been eliminated as a candidate; or

(c) Being elected to office.

However, a candidate is not expected to remove those political campaign advertisements which are in the form of signs used by an outdoor advertising business as provided in chapter 479. The provisions herein do not apply to political campaign advertisements placed on motor vehicles or to campaign messages designed to be worn by persons.

(2) If political campaign advertisements are not removed within the specified period, the political subdivision or governmental entity has the authority to remove such advertisements and may charge the candidate the actual cost for such removal. Funds collected for removing such advertisements shall be deposited to the general revenue of the political subdivision.

(3) Pursuant to chapter 479, no political campaign advertisements shall be erected, posted, painted, tacked, nailed, or otherwise displayed, placed, or located on or above any state or county road right-of-way.

(4) The officer before whom a candidate qualifies for office shall notify the candidate, in writing, of the provisions in this section.

(5) This provision does not preclude municipalities from imposing additional or more stringent requirements on the usage and removal of political campaign advertisements.

History.—s. 1, ch. 84-221; s. 20, ch. 84-302; s. 14, ch. 87-224; s. 647, ch. 95-147.

106.1437 Miscellaneous advertisements.—Any advertisement, other than a political advertisement, independent expenditure, or electioneering communication, on billboards, bumper stickers, radio, or television, or in a newspaper, a magazine, or a periodical, intended to influence public policy or the vote of a public official, shall clearly designate the sponsor of such advertisement by including a clearly readable statement of sponsorship. If the advertisement is broadcast on television, the advertisement shall also contain a verbal statement of sponsorship. This section does not apply to an editorial endorsement. For purposes of this chapter, an expenditure made for, or in furtherance of, a miscellaneous advertisement is not considered to be a contribution to or on behalf of a candidate, and does not constitute an independent expenditure. Such expenditures are not subject to the limitations applicable to independent expenditures.

106.1439 Electioneering communications; disclaimers.—

(1) Any electioneering communication, other than a text message or a telephone call, must prominently state: “Paid electioneering communication paid for by (Name and address of person paying for the communication).”

(2) Any person who fails to include the disclaimer prescribed in this section in any electioneering communication that is required to contain such disclaimer commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

History.—s. 7, ch. 2004-252; s. 28, ch. 2010-167; ss. 19, 30, ch. 2011-6; HJR 7105, 2011 Regular Session; s. 4, ch. 2021-49.

106.147 Text message and telephone solicitation; disclosure requirements; prohibitions; exemptions; penalties.—

(1)(a) Any text message or telephone call supporting or opposing a candidate, an elected public official, or a ballot measure, and any electioneering text message or telephone call, must include the phrase “Paid for by,” followed by the name of the persons or organizations sponsoring the message or call or, in the case of a text message, a working hyperlink or a uniform resource locator (URL) to a website containing the required disclosure.

(b) A candidate’s text message or telephone call must include the phrase “Paid for by,” followed by the name of the candidate, then followed by the word “For,” and the name of the elective office sought.

(c) A website that is hyperlinked, or identified by URL, in a text message must remain online and available to the public for at least 30 days after the date of the election in which the candidate or ballot measure that the advertisement supported or opposed was voted on.

(d)1. If an exchange consists of a sequence of multiple text messages sent on the same day, the sponsorship disclaimer is only required to be included with the first text message.

2. A person or an organization is deemed to be in compliance with this subsection if the sponsorship disclaimer required by this subsection is included in the text message in the form in which the person or organization intended it to be sent, regardless of the form the carrier relayed it to the recipient.

3. If a person or an organization includes a working hyperlink or URL in the text message as part of the required disclaimer, the person or organization is deemed to be in compliance with this subsection even if the recipient's device is incapable of accessing the referenced website.

(e) This subsection does not apply to any:

1. Telephone call:

a. In which both the individual making the call is not being paid and the individuals participating in the call know each other before the call; or

b. That is a part of a series of like telephone calls consisting of fewer than 1,000 completed calls averaging more than 2 minutes in duration which are conducted for the purpose of polling respondents regarding a candidate or an elected public official.

2. Text message:

a. In which both the individual sending the text message is not being paid and the text is individually sent without the assistance of mass distribution technology, including a text messaging platform; or

b. That requires the recipient to sign up or opt in to receive it.

(2) A text message or a telephone call may not state or imply that the caller:

(a) Represents any person or organization unless the person or organization so represented has given specific approval in writing to make such representation; or

(b) Represents a nonexistent person or organization.

(3) Any text message or telephone call, not conducted by independent expenditure, which expressly advocates for or against a candidate or ballot measure requires prior written authorization by the candidate or sponsor of the ballot measure that the text message or telephone call supports. A copy of such written authorization must be placed on file with the qualifying officer by the candidate or sponsor of the ballot measure before the time the text messages or telephone calls commence.

(4)(a) Any person who willfully violates this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(b) For purposes of paragraph (a), the term "person" includes any individual or organization making an independent expenditure; any candidate; any officer of any political committee, affiliated party committee, or political party executive committee; any officer, partner, attorney, or other representative of a corporation, partnership, or other business entity; and any agent or other person acting on behalf of any candidate, political committee, affiliated party committee, political party executive committee, or corporation, partnership, or other business entity.

106.1475 Text message and telephone solicitation; registered agent requirements; penalty.—

(1) Any person or organization that conducts business in this state consisting of sending text messages or placing telephone calls that are subject to the disclaimer requirements in s. 106.147 must, prior to conducting such business, have and continuously maintain, for at least 180 days following the cessation of such business activities in the state, a registered agent for the purpose of any service of process, notice, or demand required or authorized by law and must file with the division a notice of such registered agent. Such registered agent must be an individual who is a resident of this state, a domestic corporation, or a foreign corporation authorized to do business in this state. However, this subsection does not apply to any person or organization already lawfully registered to conduct business in this state.

(2) For purposes of this section, conducting business in this state as specified in subsection (1) includes both sending text messages or placing telephone calls from a location in this state and sending text messages or placing telephone calls from a location outside this state to individuals located in this state.

(2) No candidate, in the furtherance of his or her candidacy for nomination or election to public office in any election, shall use any state-owned aircraft or motor vehicle, as provided in chapter 287, solely for the purpose of furthering his or her candidacy. However, in the event a candidate uses any state-owned aircraft or motor vehicle to conduct official state business and while on such trip performs any function in the furtherance of his or her candidacy for nomination or election to public office in any election, the candidate shall prorate the expenses incurred and reimburse the appropriate agency for any trip not exclusively for state business and shall pay either a prorated share of all fixed and variable expenses related to the ownership, operation, and use of such aircraft or one-half of the total fixed and variable expenses related to the ownership, operation, and use of such aircraft, whichever is greater. The reimbursement shall be made from the campaign account of the candidate.

(3) A candidate may not, in the furtherance of his or her candidacy for nomination or election to public office in any election, use the services of any state, county, municipal, or district officer or employee during working hours.

(4) No person shall make and no person shall solicit or knowingly accept any political contribution in a building owned by a governmental entity. For purposes of this subsection, “accept” means to receive a contribution by personal hand delivery from a contributor or the contributor’s agent. This subsection shall not apply when a government-owned building or any portion thereof is rented for the specific purpose of holding a campaign fund raiser.

State and county executive committees of a political party or an affiliated party committee may authorize and conduct political polls for the purpose of determining the viability of potential candidates. If the disqualification of such candidate results in a vacancy in nomination, such vacancy shall be filled by a person other than such candidate in the manner provided by law.

(3) No certificate of election shall be granted to any candidate until all preelection reports required by s. 106.07 have been filed in accordance with the provisions of such section. However, any signature gathered on or after the effective date of this act is subject to the provisions of this act and, if payment is made to any person to solicit signatures after the effective date of this act, an undue burden oath may not be filed in lieu of paying the fee to have signatures verified. In addition, any initiative petition form approved by the Secretary of State prior to the effective date of this act may continue to be circulated.

106.23 Powers of the Division of Elections.—

(1) In order to carry out the responsibilities prescribed by s. 106.22, the Division of Elections is empowered to subpoena and bring before its duly authorized representatives any person in the state, or any person doing business in the state, or any person who has filed or is required to have filed any application, document, papers, or other information with an office or agency of this state or a political subdivision thereof and to require the production of any papers, books, or other records relevant to any investigation, including the records and accounts of any bank or trust company doing business in this state. Duly authorized representatives of the division are empowered to administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear before them concerning any relevant matter. Should any witness fail to respond to the lawful subpoena of the division or, having responded, fail to answer all lawful inquiries or to turn over evidence that has been subpoenaed, the division may file a complaint before any circuit court of the state setting up such failure on the part of the witness. On the filing of such complaint, the court shall take jurisdiction of the witness and the subject matter of said complaint and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in the witness's possession which is lawfully demanded. The failure of any witness to comply with such order of the court shall constitute a direct and criminal contempt of court, and the court shall punish said witness accordingly. However, the refusal by a witness to answer inquiries or turn over evidence on the basis that such testimony or material will tend to incriminate such witness shall not be deemed refusal to comply with the provisions of this chapter.

(2) The Division of Elections shall provide advisory opinions when requested by any supervisor of elections, candidate, local officer having election-related duties, political party, affiliated party committee, political committee, or other person or organization engaged in political activity, relating to any provisions or possible violations of Florida election laws with respect to actions such supervisor, candidate, local officer having election-related duties, political party, affiliated party committee, committee, person, or organization has taken or proposes to take. Requests for advisory opinions must be submitted in accordance with rules adopted by the Department of State. A written record of all such opinions issued by the division, sequentially numbered, dated, and indexed by subject matter, shall be retained. A copy shall be sent to said person or organization upon request. Any such person or organization, acting in good faith upon such an advisory opinion, shall not be subject to any criminal penalty provided for in this chapter. The opinion, until amended or revoked, shall be binding on any person or organization who sought the opinion or with reference to whom the opinion was sought, unless material facts were omitted or misstated in the request for the advisory opinion.

106.24 Florida Elections Commission; membership; powers; duties.—

(1)(a) There is created within the Department of Legal Affairs, Office of the Attorney General, a Florida Elections Commission, hereinafter referred to as the commission. The commission shall be a separate budget entity and the agency head for all purposes. The commission shall not be subject to control, supervision, or direction by the Department of Legal Affairs or the Attorney General in the performance of its duties, including, but not limited to, personnel, purchasing transactions involving real or personal property, and budgetary matters.

(b) The commission shall be composed of nine members. The President of the Senate, the Speaker of the House of Representatives, the minority leader of the Senate, and the minority leader of the House of Representatives shall each provide a list of six nominees to the Governor for initial appointment to the commission. The Governor may appoint two members to the commission from each list. If the Governor refuses to appoint two members from any of the respective lists, the Governor shall so inform the nominating officer and the nominating officer shall submit a new list of six nominees within 30 days. The new list must contain at least three nominees not included on the prior nominating list. The ninth commission member, who shall serve as chair of the commission, shall be appointed by the Governor. Each member of the commission is subject to confirmation by the Senate. The chair of the commission shall serve for a maximum term of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed. Other members of the commission shall serve for 4-year terms and until their successors are appointed. An individual who is a lobbyist at the state or local government

level may not serve as a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term. A member of the commission is prohibited from lobbying state or local government while he or she is a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term.

(c) As the terms of members expire, excluding the chair, successors shall be appointed to 4-year terms and shall serve until their successors are appointed. Six months prior to the expiration of a commission member's term, the ranking officer of the political party in the respective house originally nominating the commission member shall submit a list of three nominees to the Governor. The Governor may appoint one of the listed nominees to the commission. If no nominee is selected from the list, the Governor shall so inform the nominating officer, who shall submit a list of three different nominees to the Governor within 30 days. Vacancies on the commission shall expeditiously be filled for the unexpired terms in the same manner.

(d) As the term of the chair of the commission expires or becomes vacant, a successor shall be appointed in the manner of the original appointment, and shall serve for a maximum of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed.

(e) In no event may any member of the commission serve more than two full terms. Members of the commission shall be paid travel and per diem as provided in s. 112.061 while in performance of their duties and in traveling to, from, and upon same. Of the nine members of the commission, no more than five members shall be from the same political party at any one time.

(2) No member of the commission shall be a member of any county, state, or national committee of a political party; be an officer in any partisan political club or organization; or hold, or be a candidate for, any other public office. No person shall be appointed as a member of the commission who has held an elective public office or office in a political party within the year immediately preceding his or her appointment.

(3) The commission shall convene at the call of its chair or at the request of a majority of the members of the commission. The presence of five members is required to constitute a quorum, and the affirmative vote of the majority of the members present is required for any action or recommendation by the commission. The commission may meet in any city of the state.

(4) The commission shall appoint an executive director, who shall serve under the direction, supervision, and control of the commission. The executive director, with the consent of the commission, shall employ such staff as are necessary to adequately perform the functions of the commission, within budgetary limitations. All employees, except the executive director and attorneys, are subject to part II of chapter 110. The executive director shall serve at the pleasure of the commission and be subject to part III of chapter 110, except that the commission shall have complete authority for setting the executive director's salary. Attorneys employed by the commission shall be subject to part V of chapter 110.

(5) Hearings shall be held before the commission, except that the chair may direct that any hearing be held before one member of the commission or a panel of less than the full commission. The commission shall adopt rules to provide for the filing of a report when hearings are held by a single commissioner or a panel, which rules shall prescribe the time for filing the report and the contents of the report.

(6) There is established in the State Treasury an Elections Commission Trust Fund to be used by the Florida Elections Commission in order to carry out its duties pursuant to ss. 106.24-106.28. The trust fund may also be used by the Secretary of State, pursuant to his or her authority under s. 97.012(15), to provide rewards for information leading to criminal convictions related to voter registration fraud, voter fraud, and vote scams.

(7) The commission shall develop a budget request pursuant to chapter 216 annually. The budget is not subject to change by the Department of Legal Affairs or the Attorney General, but it shall be submitted by the Department of Legal Affairs to the Governor for transmittal to the Legislature.

(8) The commission is authorized to contract or consult with appropriate agencies of state government for such professional assistance as may be needed in the discharge of its duties.

106.25 Reports of alleged violations to Florida Elections Commission; disposition of findings.—

(1) Jurisdiction to investigate and determine violations of this chapter and chapter 104 is vested in the Florida Elections Commission; however, nothing in this section limits the jurisdiction of any other officers or agencies of government empowered by law to investigate, act upon, or dispose of alleged violations of this code.

(2) The commission shall investigate all violations of this chapter and chapter 104, but only after having received either a sworn complaint or information reported to it under this subsection by the Division of Elections. Such sworn complaint must be based upon personal information or information other than hearsay. Any person, other than the division, having information of any violation of this chapter or chapter 104 shall file a sworn complaint with the commission. The commission shall investigate only those alleged violations specifically contained within the sworn complaint. If any complainant fails to allege all violations that arise from the facts or allegations alleged in a complaint, the commission shall be barred from investigating a subsequent complaint from such complainant that is based upon such facts or allegations that were raised or could have been raised in the first complaint. If the complaint includes allegations of violations relating to expense items reimbursed by a candidate, committee, or organization to the campaign account before a sworn complaint is filed, the commission shall be barred from investigating such allegations. Such sworn complaint shall state whether a complaint of the same violation has been made to any state attorney. Within 5 days after receipt of a sworn complaint, the commission shall transmit a copy of the complaint to the alleged violator. The respondent shall have 14 days after receipt of the complaint to file an initial response, and the executive director may not determine the legal sufficiency of the complaint during that time period. If the executive director finds that the complaint is legally sufficient, the respondent shall be notified of such finding by letter, which sets forth the statutory provisions alleged to have been violated and the alleged factual basis that supports the finding. All sworn complaints alleging violations of the Florida Election Code over which the commission has jurisdiction shall be filed with the commission within 2 years after the alleged violations. The period of limitations is tolled on the day a sworn complaint is filed with the commission. The complainant may withdraw the sworn complaint at any time prior to a probable cause hearing if good cause is shown. Withdrawal shall be requested in writing, signed by the complainant, and witnessed by a notary public, stating the facts and circumstances constituting good cause. The executive director shall prepare a written recommendation regarding disposition of the request which shall be given to the commission together with the request. “Good cause” shall be determined based upon the legal sufficiency or insufficiency of the complaint to allege a violation and the reasons given by the complainant for wishing to withdraw the complaint. If withdrawal is permitted, the commission must close the investigation and the case. No further action may be taken. The complaint will become a public record at the time of withdrawal.

(3) For the purposes of commission jurisdiction, a violation shall mean the willful performance of an act prohibited by this chapter or chapter 104 or the willful failure to perform an act required by this chapter or chapter 104. The commission may not by rule determine what constitutes willfulness or further define the term “willful” for purposes of this chapter or chapter 104. Willfulness is a determination of fact; however, at the request of the respondent at any time after probable cause is found, willfulness may be considered and determined in an informal hearing before the commission.

(4) The commission shall undertake a preliminary investigation to determine if the facts alleged in a sworn complaint or a matter initiated by the division constitute probable cause to believe that a violation has occurred.

(a) When the investigator’s report is completed, the executive director shall notify the respondent that the report is completed and shall send to the respondent a copy of the investigator’s report. The investigatory file and main complaint file shall be open for inspection by the respondent and the respondent’s counsel at that time, and copies may be obtained at no more than cost.

(b) The respondent shall be given not less than 14 days from the date of mailing of the investigator’s report to file with the commission a written response to the investigator’s report. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could

reasonably be expected to render moot the ultimate disposition of the matter by the commission so long as reasonable notice under the circumstances is given.

(c) Counsel for the commission shall review the investigator's report and shall make a written recommendation to the commission for the disposition of the complaint. If the counsel for the commission recommends that the commission find probable cause, the recommendation shall include a statement of what charges shall be at issue. A copy of the recommendation shall be furnished to the respondent. The respondent shall be given not less than 14 days from the date of mailing of the recommendation of counsel for the commission to file with the commission a written response to the recommendation. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission, so long as the recommendation is furnished to the respondent within a reasonable period of time under the circumstances.

(d) The respondent and each complainant, their counsel, and the counsel for the commission shall be permitted to attend the hearing at which the probable cause determination is made. Notice of the hearing shall be sent to the respondent, each complainant, and counsel for the commission at least 14 days before the hearing. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission, so long as the notice is furnished within a reasonable period of time under the circumstances.

(e) The probable cause determination is the conclusion of the preliminary investigation. The respondent and the counsel for the commission shall be permitted to make brief oral statements in the nature of oral argument to the commission, based on the investigator's report, before the probable cause determination. The commission's determination shall be based upon the investigator's report, the recommendation of counsel for the commission, the complaint, and staff recommendations, as well as any written statements submitted by the respondent and any oral statements made at the hearing. No testimony or other evidence will be accepted at the hearing.

(f) At its meeting to determine probable cause, the commission may continue its determination to allow further investigation; may order the issuance of a public report of its investigation if it finds no probable cause to believe that there has been a violation of this chapter or chapter 104, concluding the matter before it; may order a final, public hearing of the complaint if it finds probable cause to believe that there has been a violation of this chapter or chapter 104; or may take such other action as it deems necessary to resolve the complaint, consistent with due process of law. In making its determination, the commission may consider:

1. The sufficiency of the evidence against the respondent, as contained in the investigator's report;
2. The admissions and other stipulations of the respondent, if any;
3. The nature and circumstances of the respondent's actions;
4. The expense of further proceedings; and
5. Such other factors as it deems material to its decision.

If the commission finds probable cause, the commission shall determine what charges shall be at issue.

(g) If no probable cause is found, the commission shall dismiss the case and the case shall become a matter of public record, except as otherwise provided in this section, together with a written statement of the findings of the preliminary investigation and a summary of the facts which the commission shall send to the complainant and the alleged violator. A finding of no probable cause by the commission is a full adjudication of all such matters. The commission may not charge a respondent in a subsequent complaint alleging violations based upon the same actions, nonactions, or circumstances wherein the commission found no probable cause.

(h) If probable cause is found, the commission shall so notify the complainant and the alleged violator in writing. All documents made or received in the disposition of the complaint shall become public records upon a finding by the commission.

(i)1. Upon a commission finding of probable cause, the counsel for the commission shall attempt to reach a consent agreement with the respondent. At any time, the commission may enter into a consent order with a respondent without requiring the respondent to admit to a violation of law within the jurisdiction of the commission.

2. A consent agreement is not binding upon either party unless and until it is signed by the respondent and by counsel for the commission upon approval by the commission.

3. Nothing herein shall be construed to prevent the commission from entering into a consent agreement with a respondent prior to a commission finding of probable cause if a respondent indicates in writing a desire to enter into negotiations directed towards reaching such a consent agreement. Any consent agreement reached under this subparagraph is subject to the provisions of subparagraph 2. and shall have the same force and effect as a consent agreement reached after the commission finding of probable cause.

(j) If a consent agreement is reached between the commission and the respondent, counsel for the commission shall send a copy of the signed agreement to both complainant and respondent.

In a case where probable cause is found, the commission shall make a preliminary determination to consider the matter or to refer the matter to the state attorney for the judicial circuit in which the alleged violation occurred. Notwithstanding any other provisions of this section, the commission may, at its discretion, dismiss any complaint at any stage of disposition if it determines that the public interest would not be served by proceeding further, in which case the commission shall issue a public report stating with particularity its reasons for the dismissal.

(5) A person alleged by the Elections Commission to have committed a violation of this chapter or chapter 104 may elect, as a matter of right, within 30 days after the date of the filing of the commission's allegations, to have a formal administrative hearing conducted by an administrative law judge in the Division of Administrative Hearings. The administrative law judge in such proceedings shall enter a final order, which may include the imposition of civil penalties, subject to appeal as provided in s. 120.68. If the person does not elect to have a hearing by an administrative law judge and does not elect to resolve the complaint by a consent order, the person is entitled to a formal or informal hearing conducted before the commission.

(6) It is the duty of a state attorney receiving a complaint referred by the commission to investigate the complaint promptly and thoroughly; to undertake such criminal or civil actions as are justified by law; and to report to the commission the results of such investigation, the action taken, and the disposition thereof. The failure or refusal of a state attorney to prosecute or to initiate action upon a complaint or a referral by the commission shall not bar further action by the commission under this chapter.

(7) Every sworn complaint filed pursuant to this chapter with the commission, every investigation and investigative report or other paper of the commission with respect to a violation of this chapter or chapter 104, and every proceeding of the commission with respect to a violation of this chapter or chapter 104 is confidential, is exempt from the provisions of ss. 119.07(1) and 286.011, and is exempt from publication in the Florida Administrative Register of any notice or agenda with respect to any proceeding relating to such violation, except under the following circumstances:

- (a) As provided in subsection (6);
- (b) Upon a determination of probable cause or no probable cause by the commission; or
- (c) For proceedings conducted with respect to appeals of fines levied by filing officers for the late filing of reports required by this chapter.

However, a complainant is not bound by the confidentiality provisions of this section. In addition, confidentiality may be waived in writing by the person against whom the complaint has been filed or the investigation has been initiated. If a finding of probable cause in a case is entered within 30 days prior to the date of the election with respect to which the alleged violation occurred, such finding and the proceedings and records relating to such case shall not become public until noon of the day following such election. When two or more persons are being investigated by the commission with respect to an alleged violation of this chapter or chapter 104, the commission may not publicly enter a finding of probable cause or no probable cause in the case until a finding of probable cause or no probable cause for the entire case has been determined. However, once the confidentiality of any case has been breached, the person or persons under investigation have the right to waive the confidentiality of the case, thereby opening up the proceedings and records to the public. Any person who discloses any information or

matter made confidential by the provisions of this subsection commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(8) Any person who files a complaint pursuant to this section while knowing that the allegations contained in such complaint are false or without merit commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(9) The commission shall maintain a database of all final orders and agency actions. Such database shall be available to the public and shall be maintained in such a manner as to be searchable, at a minimum, by issue, statutes, individuals, or entities referenced.

106.26 Powers of commission; rights and responsibilities of parties; findings by commission.—

(1) The commission shall, pursuant to rules adopted and published in accordance with chapter 120, consider all sworn complaints filed with it and all matters reported to it by the Division of Elections. In order to carry out the responsibilities prescribed by this chapter, the commission is empowered to subpoena and bring before it, or its duly authorized representatives, any person in the state, or any person doing business in the state, or any person who has filed or is required to have filed any application, document, papers, or other information with an office or agency of this state or a political subdivision thereof and to require the production of any papers, books, or other records relevant to any investigation, including the records and accounts of any bank or trust company doing business in this state. Duly authorized representatives of the commission are empowered to administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear before them concerning any relevant matter. Should any witness fail to respond to the lawful subpoena of the commission or, having responded, fail to answer all lawful inquiries or to turn over evidence that has been subpoenaed, the commission may file a complaint in the circuit court where the witness resides setting up such failure on the part of the witness. On the filing of such complaint, the court shall take jurisdiction of the witness and the subject matter of said complaint and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in the witness's possession which is lawfully demanded. The failure of any witness to comply with such order of the court shall constitute a direct and criminal contempt of court, and the court shall punish said witness accordingly. However, the refusal by a witness to answer inquiries or turn over evidence on the basis that such testimony or material will tend to incriminate such witness shall not be deemed refusal to comply with the provisions of this chapter. The sheriffs in the several counties shall make such service and execute all process or orders when required by the commission. Sheriffs shall be paid for these services by the commission as provided for in s. 30.231. Any person who is served with a subpoena to attend a hearing of the commission also shall be served with a general statement informing him or her of the subject matter of the commission's investigation or inquiry and a notice that he or she may be accompanied at the hearing by counsel of his or her own choosing.

(2) All witnesses summoned before the commission, other than on the request of the subject of a hearing, shall receive reimbursement for travel expenses and per diem at the rates provided in s. 112.061. However, the fact that such reimbursement is not tendered at the time the subpoena is served shall not excuse the witness from appearing as directed therein.

(3) Upon request of any person having business before the commission, and with the approval of a majority of the commission, the chair or, in the chair's absence, the vice chair shall instruct all witnesses to leave the hearing room and retire to a designated place. The witness will be instructed by the chair or, in the chair's absence, the vice chair not to discuss his or her testimony or the testimony of any other person with anyone until the hearing has been adjourned and the witness discharged by the chair. The witness shall be further instructed that should any person discuss or attempt to discuss the matter under investigation with him or her after receiving such instructions the witness shall bring such matter to the attention of the commission. No member of the commission or representative thereof may discuss any matter or matters pertinent to the subject matter under investigation

with witnesses to be called before the commission from the time that these instructions are given until the hearing has been adjourned and the witness discharged by the chair.

(4) The commission, when interrogating witnesses as provided herein, shall cause a record to be made of all proceedings in which testimony or other evidence is demanded or adduced. This record shall include rulings of the chair, questions of the commission and its counsel, testimony or responses of witnesses, sworn written statements submitted to the commission, and all other pertinent matters. A witness at a hearing, upon his or her advance request and at his or her own expense, shall be furnished a certified transcript of all testimony taken at the hearing.

(5) Before or during a hearing, any person noticed to appear before the commission, or the person's counsel, may file with the commission, for incorporation into the record of the hearing, sworn written statements relevant to the purpose, subject matter, and scope of the commission's investigation or inquiry. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(6) Any person whose name is mentioned or who is otherwise identified during a hearing being conducted by the commission and who, in the opinion of the commission, may be adversely affected thereby may, upon his or her request or upon the request of any member of the commission, appear personally before the commission and testify on his or her own behalf or, with the commission's consent, file a sworn written statement of facts or other documentary evidence for incorporation into the record of the hearing. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(7) Upon the consent of a majority of its members, the commission may permit any other person to appear and testify at a hearing or submit a sworn written statement of facts or other documentary evidence for incorporation into the record thereof. No request to appear, appearance, or submission shall limit in any way the commission's power of subpoena. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(8) Any person who appears before the commission pursuant to this section shall have all the rights, privileges, and responsibilities of a witness appearing before a court of competent jurisdiction.

(9) If the commission fails in any material respect to comply with the requirements of this section, any person subject to subpoena or subpoena duces tecum who is injured by such failure shall be relieved of any requirement to attend the hearing for which the subpoena was issued or, if present, to testify or produce evidence therein; and such failure shall be a complete defense in any proceeding against such person for contempt or other punishment.

(10) Whoever willfully affirms or swears falsely in regard to any material matter or thing before the commission shall be guilty of a felony of the third degree and punished as provided by s. 775.082, s. 775.083, or s. 775.084.

(11) At the conclusion of its hearings concerning an alleged violation, the commission shall immediately begin deliberations on the evidence presented at such hearings and shall proceed to determine by affirmative vote of a majority of the members present whether a violation of this chapter or chapter 104 has occurred. Such determination shall promptly be made public. The order shall contain a finding of violation or no violation, together with brief findings of pertinent facts, and the assessment of such civil penalties as are permitted by this chapter or no such assessment and shall bear the signature or facsimile signature of the chair or vice chair.

(12) The commission by rule may determine violations which constitute minor offenses that can be resolved without further investigation by means of a plea of nolo contendere and payment of a fine.

(13) The commission may not issue advisory opinions and must, in all its deliberations and decisions, adhere to statutory law and advisory opinions of the division.

106.265 Civil penalties.—

(1) The commission or, in cases referred to the Division of Administrative Hearings pursuant to s. 106.25(5), the administrative law judge is authorized upon the finding of a violation of this chapter or chapter 104 to impose civil

penalties in the form of fines not to exceed \$1,000 per count, or, if applicable, to impose a civil penalty as provided in s. 104.271 or s. 106.19.

(2) In determining the amount of such civil penalties, the commission or administrative law judge shall consider, among other mitigating and aggravating circumstances:

- (a) The gravity of the act or omission;
- (b) Any previous history of similar acts or omissions;
- (c) The appropriateness of such penalty to the financial resources of the person, political committee, affiliated party committee, electioneering communications organization, or political party; and
- (d) Whether the person, political committee, affiliated party committee, electioneering communications organization, or political party has shown good faith in attempting to comply with the provisions of this chapter or chapter 104.

(3) If any person, political committee, affiliated party committee, electioneering communications organization, or political party fails or refuses to pay to the commission any civil penalties assessed pursuant to the provisions of this section, the commission shall be responsible for collecting the civil penalties resulting from such action.

(4) Any civil penalty collected pursuant to the provisions of this section shall be deposited into the General Revenue Fund.

(5) Any fine assessed pursuant to this chapter shall be deposited into the General Revenue Fund.

(6) In any case in which the commission determines that a person has filed a complaint against another person with a malicious intent to injure the reputation of the person complained against by filing the complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations of fact material to a violation of this chapter or chapter 104, the complainant shall be liable for costs and reasonable attorney's fees incurred in the defense of the person complained against, including the costs and reasonable attorney's fees incurred in proving entitlement to and the amount of costs and fees. If the complainant fails to pay such costs and fees voluntarily within 30 days following such finding by the commission, the commission shall forward such information to the Department of Legal Affairs, which shall bring a civil action in a court of competent jurisdiction to recover the amount of such costs and fees awarded by the commission.

Upon a proper showing that such person, political committee, affiliated party committee, or political party has engaged, or is about to engage, in prohibited acts or practices, a permanent or temporary injunction, restraining order, or other order shall be granted without bond by such court, and the civil fines provided by this chapter may be imposed.

(3) Civil actions may be brought to enjoin temporarily the issuance of certificates of election to successful candidates who are alleged to have violated the provisions of this chapter or chapter 104. 106.29 Reports by political parties and affiliated party committees; restrictions on contributions and expenditures; penalties.—

(1) The state executive committee and each county executive committee of each political party and any affiliated party committee regulated by chapter 103 shall file regular reports of all contributions received and all expenditures made by such committee. However, the reports shall not include contributions and expenditures that are reported to the Federal Election Commission. In addition, when a special election is called to fill a vacancy in office, each state executive committee, each affiliated party committee, and each county executive committee making contributions or expenditures to influence the results of the special election or the preceding special primary election must file campaign treasurers' reports on the dates set by the Department of State pursuant to s. 100.111. Such reports shall contain the same information as do reports required of candidates by s. 106.07 and shall be filed on the 10th day following the end of each calendar quarter, except that, during the period from the last day for candidate qualifying until the general election, such reports shall be filed on the Friday immediately preceding each special primary election, special election, primary election, and general election. In addition to the reports filed under this section, the state executive committee, each county executive committee, and each affiliated party committee shall file a copy of each prior written acceptance of an in-kind contribution given by the committee during the preceding calendar quarter as required under s. 106.08(6). Each state executive committee and affiliated party committee shall file its reports with the Division of Elections. Each county executive committee shall file its reports with the supervisor of elections in the county in which such committee exists. Any state or county executive committee or affiliated party committee failing to file a report on the designated due date shall be subject to a fine as provided in subsection (3). No separate fine shall be assessed for failure to file a copy of any report required by this section.

(2) The chair and treasurer of each state or county executive committee shall certify as to the correctness of each report filed by them on behalf of such committee. The leader and treasurer of each affiliated party committee under s. 103.092 shall certify as to the correctness of each report filed by them on behalf of such committee. Any committee chair, leader, or treasurer who certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(3)(a) Any state or county executive committee or affiliated party committee failing to file a report on the designated due date shall be subject to a fine as provided in paragraph (b) for each late day. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited in the General Revenue Fund.

(b) Upon determining that a report is late, the filing officer shall immediately notify the chair of the executive committee or the leader of the affiliated party committee as defined in s. 103.092 as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine shall be \$1,000 for a state executive committee, \$1,000 for an affiliated party committee, and \$50 for a county executive committee, per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, if an executive committee or an affiliated party committee fails to file a report on the Friday immediately preceding the special election or general election, the fine shall be \$10,000 per day for each day a state executive committee is late, \$10,000 per day for each day an affiliated party committee is late, and \$500 per day for each day a county executive committee is late. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the chair or leader as defined in s. 103.092. Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the filing officer. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.

3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). An officer or member of an executive committee shall not be personally liable for such fine.

(c) The chair of an executive committee or the leader of an affiliated party committee as defined in s. 103.092 may appeal or dispute the fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the chair of the executive committee or the leader of the affiliated party committee as defined in s. 103.092 shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by an executive committee or affiliated party committee, the failure of an executive committee or affiliated party committee to file a report after notice, or the failure to pay the fine imposed.

(4) Any contribution received by a state or county executive committee or affiliated party committee less than 5 days before an election shall not be used or expended in behalf of any candidate, issue, affiliated party committee, or political party participating in such election.

(5) No state or county executive committee or affiliated party committee, in the furtherance of any candidate or political party, directly or indirectly, shall give, pay, or expend any money, give or pay anything of value, authorize any expenditure, or become pecuniarily liable for any expenditure prohibited by this chapter. However, the contribution of funds by one executive committee to another or to established party organizations for legitimate party or campaign purposes is not prohibited, but all such contributions shall be recorded and accounted for in the reports of the contributor and recipient.

(6)(a) The national, state, and county executive committees of a political party and affiliated party committees may not contribute to any candidate any amount in excess of the limits contained in s. 106.08(2), and all contributions required to be reported under s. 106.08(2) by the national executive committee of a political party shall be reported by the state executive committee of that political party.

(b) A violation of the contribution limits contained in s. 106.08(2) is a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. A civil penalty equal to three times the amount in excess of the limits contained in s. 106.08(2) shall be assessed against any executive committee found in violation thereof.

106.295 Leadership fund.—

(1) For purposes of this section:

(a) “Leadership fund” means accounts comprised of any moneys contributed to a political party, directly or indirectly, which are designated to be used at the partial or total discretion of a leader.

(b) “Leader” means the President of the Senate, the Speaker of the House of Representatives, the majority leader and the minority leader of each house, and any person designated by a political caucus of members of either house to succeed to any such position.

(2) Leadership funds are prohibited in this state. No leader shall accept any leadership funds.

(3) This section applies to leadership funds in existence on or after January 1, 1990.

History.—s. 24, ch. 89-256.

106.30 Short title.—Sections 106.30-106.36 may be cited as the “Florida Election Campaign Financing Act.”

History.—s. 1, ch. 86-276.

106.31 Legislative intent.—The Legislature finds that the costs of running an effective campaign for statewide office have reached a level which tends to discourage persons from becoming candidates and to limit the persons who run for such office to those who are independently wealthy, who are supported by political committees representing special interests which are able to generate substantial campaign contributions, or who must appeal to special interest groups for campaign contributions. The Legislature further finds that campaign contributions generated by such political committees are having a disproportionate impact vis-a-vis contributions from unaffiliated individuals, which leads to the misperception of government officials unduly influenced by those special interests to the detriment of the public interest. Furthermore, it is the intent of the Legislature that the purpose of public campaign financing is to make candidates more responsive to the voters of the State of Florida and as insulated as possible from special interest groups. The Legislature intends ss. 106.30-106.36 to alleviate these factors, dispel the misperception, and encourage qualified persons to seek statewide elective office who would not, or could not otherwise do so and to protect the effective competition by a candidate who uses public funding.

History.—s. 1, ch. 86-276; s. 67, ch. 2001-40.

106.32 ¹Election Campaign Financing Trust Fund.—

(1) There is hereby established in the State Treasury an ¹Election Campaign Financing Trust Fund to be utilized by the Department of State as provided in ss. 106.30-106.36. If necessary, each year in which a general election is to be held for the election of the Governor and Cabinet, additional funds shall be transferred to the ¹Election Campaign Financing Trust Fund from general revenue in an amount sufficient to fund qualifying candidates pursuant to the provisions of ss. 106.30-106.36.

(2) Proceeds from filing fees pursuant to ss. 99.092, 99.093, and 105.031 shall be deposited into the ¹Election Campaign Financing Trust Fund as designated in those sections.

(3) Proceeds from assessments pursuant to ss. 106.07 and 106.29 shall be deposited into the ¹Election Campaign Financing Trust Fund as designated in those sections.

History.—s. 1, ch. 86-276; s. 19, ch. 91-107; s. 26, ch. 2013-37.

106.33 Election campaign financing; eligibility.—Each candidate for the office of Governor or member of the Cabinet who desires to receive contributions from the ¹Election Campaign Financing Trust Fund, upon qualifying for office, shall file a request for such contributions with the filing officer on forms provided by the Division of Elections. If a candidate requesting contributions from the fund desires to have such funds distributed by electronic fund transfers, the request shall include information necessary to implement that procedure. For the purposes of ss. 106.30-106.36, the respective candidates running for Governor and Lieutenant Governor on the same ticket shall be considered as a single candidate. To be eligible to receive contributions from the fund, a candidate may not be an unopposed candidate as defined in s. 106.011 and must:

(1) Agree to abide by the expenditure limits provided in s. 106.34.

(2)(a) Raise contributions as follows:

1. One hundred fifty thousand dollars for a candidate for Governor.

2. One hundred thousand dollars for a candidate for Cabinet office.

(b) Contributions from individuals who at the time of contributing are not state residents may not be used to meet the threshold amounts in paragraph (a). For purposes of this paragraph, any person validly registered to vote in this state shall be considered a state resident.

(3) Limit loans or contributions from the candidate's personal funds to \$25,000 and contributions from national, state, and county executive committees of a political party to \$250,000 in the aggregate, which loans or contributions do not qualify for meeting the threshold amounts in subsection (2).

(4) Submit to a postelection audit of the campaign account by the division.

History.—s. 1, ch. 86-276; s. 40, ch. 90-315; s. 20, ch. 91-107; s. 68, ch. 2001-40; s. 47, ch. 2005-278; s. 27, ch. 2013-37.

¹**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.34 Expenditure limits.—

(1) Any candidate for Governor and Lieutenant Governor or Cabinet officer who requests contributions from the ¹Election Campaign Financing Trust Fund shall limit his or her total expenditures as follows:

- (a) Governor and Lieutenant Governor: \$2.00 for each Florida-registered voter.
- (b) Cabinet officer: \$1.00 for each Florida-registered voter.

(2) The expenditure limit for any candidate with primary election opposition only shall be 60 percent of the limit provided in subsection (1).

(3) For purposes of this section, “Florida-registered voter” means a voter who is registered to vote in Florida as of June 30 of each odd-numbered year. The Division of Elections shall certify the total number of Florida-registered voters no later than July 31 of each odd-numbered year. Such total number shall be calculated by adding the number of registered voters in each county as of June 30 in the year of the certification date.

(4) For the purposes of this section, the term “expenditure” does not include the payment of compensation for legal and accounting services rendered on behalf of a candidate.

History.—s. 1, ch. 86-276; s. 41, ch. 90-315; s. 21, ch. 91-107; s. 654, ch. 95-147; s. 48, ch. 2005-278; s. 7, ch. 2018-110.

¹**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.35 Distribution of funds.—

(1) The division shall review each request for contributions from the ¹Election Campaign Financing Trust Fund and certify whether the candidate is eligible for such contributions. Notice of the certification decision shall be provided to the candidate. An adverse decision may be appealed to the Florida Elections Commission. The division shall adopt rules providing a procedure for such appeals.

(2)(a) Each candidate who has been certified to receive contributions from the ¹Election Campaign Financing Trust Fund shall be entitled to distribution of funds as follows:

- 1. For qualifying matching contributions making up all or any portion of the threshold amounts specified in s. 106.33(2), distribution shall be on a two-to-one basis.
- 2. For all other qualifying matching contributions, distribution shall be on a one-to-one basis.

(b) Qualifying matching contributions are those of \$250 or less from an individual, made after September 1 of the calendar year prior to the election. Any contribution received from an individual who is not a state resident at the time the contribution is made shall not be considered a qualifying matching contribution. For purposes of this paragraph, any person validly registered to vote in this state shall be considered a state resident. Aggregate contributions from an individual in excess of \$250 will be matched only up to \$250. A contribution from an individual, if made by check, must be drawn on the personal bank account of the individual making the contribution, as opposed to any form of business account, regardless of whether the business account is for a corporation, partnership, sole proprietorship, trust, or other form of business arrangement. For contributions made by check from a personal joint account, the match shall only be for the individual who actually signs the check.

(3)(a) Certification and distribution of funds shall be based on contributions to the candidate reported to the division for such purpose. The division shall review each report and verify the amount of funds to be distributed prior to authorizing the release of funds. The division may prescribe separate reporting forms for candidates for Governor and Cabinet officer.

(b) Notwithstanding the provisions of s. 106.11, a candidate who is eligible for a distribution of funds based upon qualifying matching contributions received and certified to the division on the report due on the 4th day prior to the election, may obligate funds not to exceed the amount which the campaign treasurer’s report shows the candidate is eligible to receive from the ¹Election Campaign Financing Trust Fund without the funds actually being on deposit in the campaign account.

(4) Distribution of funds shall be made beginning on the 32nd day prior to the primary and every 7 days thereafter.

(5) The division shall adopt rules providing for the weekly reports and certification and distribution of funds pursuant thereto required by this section. Such rules shall, at a minimum, provide specifications for electronically

transmitted campaign treasurer's reports outlining communication parameters and protocol, data record formats, and provisions for ensuring security of data and transmission.

106.353 Candidates voluntarily abiding by election campaign financing limits but not requesting public funds; irrevocable statement required; penalty.—

(1) Not later than qualifying for office, each candidate for the office of Governor or member of the Cabinet who has not made a request to receive contributions from the ¹Election Campaign Financing Trust Fund, but who wishes to voluntarily abide by the applicable expenditure limit set forth in s. 106.34 and the contribution limits on personal and party funds set forth in s. 106.33, shall file an irrevocable statement to that effect with the Secretary of State.

(2) Any candidate who files such a statement and subsequently exceeds such limits shall pay to the ¹Election Campaign Financing Trust Fund an amount equal to the amount of the excess contributions or expenditures. Such penalty shall not be an allowable campaign expense and shall be paid from personal funds of the candidate. However, if a nonparticipating candidate exceeds the expenditure limit as described in s. 106.355, a candidate signing the statement pursuant to this section may exceed the applicable expenditure limit to the extent the nonparticipating candidate exceeded the limit without being subject to a penalty.

History.—s. 23, ch. 91-107.

¹**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.355 Nonparticipating candidate exceeding limits.—Whenever a candidate for the office of Governor or member of the Cabinet who has elected not to participate in election campaign financing under the provisions of ss. 106.30-106.36 exceeds the applicable expenditure limit provided in s. 106.34, all opposing candidates participating in such election campaign financing are, notwithstanding the provisions of s. 106.33 or any other provision requiring adherence to such limit, released from such expenditure limit to the extent the nonparticipating candidate exceeded the limit, are still eligible for matching contributions up to such limit, and shall not be required to reimburse any matching funds provided pursuant thereto. In addition, the Department of State shall, within 7 days after a request by a participating candidate, provide such candidate with funds from the ¹Election Campaign Financing Trust Fund equal to the amount by which the nonparticipating candidate exceeded the expenditure limit, not to exceed twice the amount of the maximum expenditure limits specified in s. 106.34(1)(a) and (b), which funds shall not be considered matching funds.

History.—s. 24, ch. 91-107.

¹**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.36 Penalties; fines.—In addition to any other penalties which may be applicable under the election code, any candidate who receives contributions from the ¹Election Campaign Financing Trust Fund and who exceeds the applicable expenditure limit, except as authorized in ss. 106.353 and 106.355, or falsely reports qualifying matching contributions and thereby receives contributions from the ¹Election Campaign Financing Trust Fund to which the candidate was not entitled shall be fined an amount equal to three times the amount at issue, which shall be deposited in the ¹Election Campaign Financing Trust Fund.

History.—s. 1, ch. 86-276; s. 11, ch. 90-338; s. 25, ch. 91-107; s. 655, ch. 95-147.

I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may be lobbyists, or hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

In 2018, Florida's Constitutional Revision Commission proposed, and the voters adopted, changes to Article II, Section 8. The earliest of the changes will take effect December 31, 2020, and will prohibit officials from abusing their position to obtain a disproportionate benefit for themselves

or their spouse, child, or employer, or for a business with which the official contracts or is an officer, partner, director, sole proprietor, or in which the official owns an interest. Other changes made to the Constitution place restrictions on lobbying by certain officeholders and employees, and put additional limits on lobbying by former public officers and employees. These changes will become effective December 31, 2022.

II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use by Supervisors of Elections and the Commission in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees; and,
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure.

III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified in an effort to provide notice of their requirements. Therefore, we suggest that you also review the wording of the actual law. Citations to the appropriate laws are in brackets.

The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission (PSC) members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(26), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.].

A. PROHIBITED ACTIONS OR CONDUCT

1. Solicitation and Acceptance of Gifts

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** any gift from a political committee, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist or from a vendor doing business with the official's agency. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or vendor doing business with their agency. [Sec. 112.3148, Fla. Stat.]

However, notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] Typically, this would include gifts valued at less than \$100 that formerly were permitted under Section 112.3148, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

Also, persons required to file Form 1 or Form 6, and state procurement employees and members of their immediate families, are prohibited from accepting any gift from a political committee. [Sec. 112.31485, Fla. Stat.]

2. Unauthorized Compensation

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

3. Misuse of Public Position

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions or the resources thereof to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

4. Abuse of Public Position

Public officers and employees are prohibited from abusing their public positions in order to obtain a disproportionate benefit for themselves or certain others. [Article II, Section 8(h), Florida Constitution.]

5. *Disclosure or Use of Certain Information*

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public position, for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

6. *Solicitation or Acceptance of Honoraria*

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist, or from a vendor doing business with the official's agency. However, they may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and vendors, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] This may include honorarium event related expenses that formerly were permitted under Sec. 112.3149, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

B. PROHIBITED EMPLOYMENT AND BUSINESS RELATIONSHIPS

1. *Doing Business With One's Agency*

(a) A public employee acting as a purchasing agent, or public officer acting in an official capacity, is prohibited from purchasing, renting, or leasing any realty, goods, or services for his or her agency from a business entity in which the officer or employee or his or her spouse or child owns more than a 5% interest. [Sec. 112.313(3), Fla. Stat.]

(b) A public officer or employee, acting in a private capacity, also is prohibited from renting, leasing, or selling any realty, goods, or services to his or her own agency if the officer or employee is a state officer or employee, or, if he or she is an officer or employee of a political subdivision, to that subdivision or any of its agencies. [Sec. 112.313(3), Fla. Stat.]

2. *Conflicting Employment or Contractual Relationship*

(a) A public officer or employee is prohibited from holding any employment or contract with any business entity or agency regulated by or doing business with his or her public agency. [Sec. 112.313(7), Fla. Stat.]

(b) A public officer or employee also is prohibited from holding any employment or having a contractual relationship which will pose a frequently recurring conflict between the official's private interests and public duties or which will impede the full and faithful discharge of the official's public duties. [Sec. 112.313(7), Fla. Stat.]

(c) Limited exceptions to this prohibition have been created in the law for legislative bodies, certain special tax districts, drainage districts, and persons whose professions or occupations qualify them to hold their public positions. [Sec. 112.313(7)(a) and (b), Fla. Stat.]

3. Exemptions—Pursuant to Sec. 112.313(12), Fla. Stat., the prohibitions against doing business with one's agency and having conflicting employment may not apply:

- (a) When the business is rotated among all qualified suppliers in a city or county.
- (b) When the business is awarded by sealed, competitive bidding and neither the official nor his or her spouse or child have attempted to persuade agency personnel to enter the contract.
NOTE: Disclosure of the interest of the official, spouse, or child and the nature of the business must be filed prior to or at the time of submission of the bid on Commission FORM 3A with the Commission on Ethics or Supervisor of Elections, depending on whether the official serves at the state or local level.
- (c) When the purchase or sale is for legal advertising, utilities service, or for passage on a common carrier.
- (d) When an emergency purchase must be made to protect the public health, safety, or welfare.
- (e) When the business entity is the only source of supply within the political subdivision and there is full disclosure of the official's interest to the governing body on Commission FORM 4A.
- (f) When the aggregate of any such transactions does not exceed \$500 in a calendar year.
- (g) When the business transacted is the deposit of agency funds in a bank of which a county, city, or district official is an officer, director, or stockholder, so long as agency records show that the governing body has determined that the member did not favor his or her bank over other qualified banks.
- (h) When the prohibitions are waived in the case of ADVISORY BOARD MEMBERS by the appointing person or by a two-thirds vote of the appointing body (after disclosure on Commission FORM 4A).
- (i) When the public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.

(j) When the public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency where the price and terms of the transaction are available to similarly situated members of the general public and the officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

4. *Additional Exemptions*

No elected public officer is in violation of the conflicting employment prohibition when employed by a tax exempt organization contracting with his or her agency so long as the officer is not directly or indirectly compensated as a result of the contract, does not participate in any way in the decision to enter into the contract, abstains from voting on any matter involving the employer, and makes certain disclosures. [Sec. 112.313(15), Fla. Stat.]

5. *Legislators Lobbying State Agencies*

A member of the Legislature is prohibited from representing another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals. [Art. II, Sec. 8(e), Fla. Const., and Sec. 112.313(9), Fla. Stat.]

6. *Additional Lobbying Restrictions for Certain Public Officers and Employees*

A statewide elected officer; a member of the legislature; a county commissioner; a county officer pursuant to Article VIII or county charter; a school board member; a superintendent of schools; an elected municipal officer; an elected special district officer in a special district with ad valorem taxing authority; or a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the federal government, the legislature, any state government body or agency, or any political subdivision of this state, during his or her term of office. [Art. II Sec 8(f)(2), Fla. Const. and Sec. 112.3121, Fla. Stat.]

7. *Employees Holding Office*

A public employee is prohibited from being a member of the governing body which serves as his or her employer. [Sec. 112.313(10), Fla. Stat.]

8. *Professional and Occupational Licensing Board Members*

An officer, director, or administrator of a state, county, or regional professional or occupational organization or association, while holding such position, may not serve as a member of a state examining or licensing board for the profession or occupation. [Sec. 112.313(11), Fla. Stat.]

9. *Contractual Services: Prohibited Employment*

A state employee of the executive or judicial branch who participates in the decision-making process involving a purchase request, who influences the content of any specification or procurement standard, or who renders advice, investigation, or auditing, regarding his or her agency's contract for services, is prohibited from being employed with a person holding such a contract with his or her agency. [Sec. 112.3185(2), Fla. Stat.]

10. *Local Government Attorneys*

Local government attorneys, such as the city attorney or county attorney, and their law firms are prohibited from representing private individuals and entities before the unit of local government which they serve. A local government attorney cannot recommend or otherwise refer to his or her firm legal work involving the local government unit unless the attorney's contract authorizes or mandates the use of that firm. [Sec. 112.313(16), Fla. Stat.]

11. *Dual Public Employment*

Candidates and elected officers are prohibited from accepting public employment if they know or should know it is being offered for the purpose of influence. Further, public employment may not be accepted unless the position was already in existence or was created without the

anticipation of the official's interest, was publicly advertised, and the officer had to meet the same qualifications and go through the same hiring process as other applicants. For elected public officers already holding public employment, no promotion given for the purpose of influence may be accepted, nor may promotions that are inconsistent with those given other similarly situated employees. [Sec. 112.3125, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. *Anti-Nepotism Law*

A public official is prohibited from seeking for a relative any appointment, employment, promotion, or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. Stat.), community colleges and state universities, or to appointments of boards, other than those with land-planning or zoning responsibilities, in municipalities of fewer than 35,000 residents. Also, the approval of budgets does not constitute "jurisdiction or control" for the purposes of this prohibition. This provision does not apply to volunteer emergency medical, firefighting, or police service providers. [Sec. 112.3135, Fla. Stat.]

2. *Additional Restrictions*

A state employee of the executive or judicial branch or the PSC is prohibited from directly or indirectly procuring contractual services for his or her agency from a business entity of which a relative is an officer, partner, director, or proprietor, or in which the employee, or his or her spouse, or children own more than a 5% interest. [Sec. 112.3185(6), Fla. Stat.]

D. POST OFFICE HOLDING AND EMPLOYMENT (REVOLVING DOOR) RESTRICTIONS

1. *Lobbying by Former Legislators, Statewide Elected Officers, and Appointed State Officers*

A member of the Legislature or a statewide elected or appointed state official is prohibited for two years following vacation of office from representing another person or entity for compensation before the government body or agency of which the individual was an officer or member. Former members of the Legislature are also prohibited for two years from lobbying the executive branch. [Art. II, Sec. 8(e), Fla. Const. and Sec. 112.313(9), Fla. Stat.]

2. *Lobbying by Former State Employees*

Certain employees of the executive and legislative branches of state government are prohibited from personally representing another person or entity for compensation before the agency with which they were employed for a period of two years after leaving their positions, unless employed by another agency of state government. [Sec. 112.313(9), Fla. Stat.] These employees include the following:

(a) Executive and legislative branch employees serving in the Senior Management Service and Selected Exempt Service, as well as any person employed by the Department of the Lottery having authority over policy or procurement.

(b) Persons serving in the following position classifications: the Auditor General; the director of the Office of Program Policy Analysis and Government Accountability (OPPAGA); the Sergeant at Arms and Secretary of the Senate; the Sergeant at Arms and Clerk of the House of Representatives; the executive director and deputy executive director of the Commission on Ethics; an executive director, staff director, or deputy staff director of each joint committee, standing committee, or select committee of the Legislature; an executive director, staff director, executive assistant, legislative analyst, or attorney serving in the Office of the President of the Senate, the Office of the Speaker of the House of Representatives, the Senate Majority Party Office, the Senate Minority Party Office, the House Majority Party Office, or the House Minority Party Office; the Chancellor and Vice-Chancellors of the State University System; the general counsel to the Board of Regents; the

president, vice presidents, and deans of each state university; any person hired on a contractual basis and having the power normally conferred upon such persons, by whatever title; and any person having the power normally conferred upon the above positions.

This prohibition does not apply to a person who was employed by the Legislature or other agency prior to July 1, 1989; who was a defined employee of the State University System or the Public Service Commission who held such employment on December 31, 1994; or who reached normal retirement age and retired by July 1, 1991. It does apply to OPS employees.

PENALTIES: Persons found in violation of this section are subject to the penalties contained in the Code (see PENALTIES, Part V) as well as a civil penalty in an amount equal to the compensation which the person received for the prohibited conduct. [Sec. 112.313(9)(a)5, Fla. Stat.]

3. 6-Year Lobbying Ban

For a period of six years after vacation of public position occurring on or after December 31, 2022, a statewide elected officer or member of the legislature shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature or any state government body or agency. [Art. II Sec 8(f)(3)a., Fla. Const. and Sec. 112.3121, Fla. Stat.]

For a period of six years after vacation of public position occurring on or after December 31, 2022, a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature, the governor, the executive office of the governor, members of the cabinet, a department that is headed by a member of the cabinet, or his or her former department. [Art. II Sec 8(f)(3)b., Fla. Const. and Sec. 112.3121, Fla. Stat.]

For a period of six years after vacation of public position occurring on or after December 31, 2022, a county commissioner, a county officer pursuant to Article VIII or county charter, a school board member, a superintendent of schools, an elected municipal officer, or an elected special district officer in a special district with ad valorem taxing authority shall not lobby for compensation on issues

of policy, appropriations, or procurement before his or her former agency or governing body. [Art. II Sec 8(f)(3)c., Fla. Const. and Sec. 112.3121, Fla. Stat.]

4. *Additional Restrictions on Former State Employees*

A former executive or judicial branch employee or PSC employee is prohibited from having employment or a contractual relationship, at any time after retirement or termination of employment, with any business entity (other than a public agency) in connection with a contract in which the employee participated personally and substantially by recommendation or decision while a public employee. [Sec. 112.3185(3), Fla. Stat.]

A former executive or judicial branch employee or PSC employee who has retired or terminated employment is prohibited from having any employment or contractual relationship for two years with any business entity (other than a public agency) in connection with a contract for services which was within his or her responsibility while serving as a state employee. [Sec.112.3185(4), Fla. Stat.]

Unless waived by the agency head, a former executive or judicial branch employee or PSC employee may not be paid more for contractual services provided by him or her to the former agency during the first year after leaving the agency than his or her annual salary before leaving. [Sec. 112.3185(5), Fla. Stat.]

These prohibitions do not apply to PSC employees who were so employed on or before Dec. 31, 1994.

5. *Lobbying by Former Local Government Officers and Employees*

A person elected to county, municipal, school district, or special district office is prohibited from representing another person or entity for compensation before the government body or agency of which he or she was an officer for two years after leaving office. Appointed officers and employees of counties, municipalities, school districts, and special districts may be subject to a similar restriction by local ordinance or resolution. [Sec. 112.313(13) and (14), Fla. Stat.]

E. VOTING CONFLICTS OF INTEREST

State public officers are prohibited from voting in an official capacity on any measure which they know would inure to their own special private gain or loss. A state public officer who abstains, or who votes on a measure which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, must make every reasonable effort to file a memorandum of voting conflict with the recording secretary in advance of the vote. If that is not possible, it must be filed within 15 days after the vote occurs. The memorandum must disclose the nature of the officer's interest in the matter.

No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter. However, members of community redevelopment agencies and district officers elected on a one-acre, one-vote basis are not required to abstain when voting in that capacity.

No appointed state or local officer shall participate in any matter which would inure to the officer's special private gain or loss, the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, without first disclosing the nature of his or her interest in the matter. The memorandum of voting conflict (Commission Form 8A or 8B) must be filed with the meeting's recording officer, be provided to the other members of the agency, and be read publicly at the next meeting.

If the conflict is unknown or not disclosed prior to the meeting, the appointed official must orally disclose the conflict at the meeting when the conflict becomes known. Also, a written memorandum of voting conflict must be filed with the meeting's recording officer within 15 days of

the disclosure being made and must be provided to the other members of the agency, with the disclosure being read publicly at the next scheduled meeting. [Sec. 112.3143, Fla. Stat.]

F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

The following forms are described below to set forth the requirements of the various disclosures and the steps for correctly providing the information in a timely manner.

Each person required to file FORM 1 or FORM 6, and each state procurement employee, must file a FORM 9, Quarterly Gift Disclosure, with the Commission on Ethics on the last day of any calendar quarter following the calendar quarter in which he or she received a gift worth more than \$100, other than gifts from relatives, gifts prohibited from being accepted, gifts primarily associated with his or her business or employment, and gifts otherwise required to be disclosed. FORM 9 NEED NOT BE FILED if no such gift was received during the calendar quarter.

Information to be disclosed includes a description of the gift and its value, the name and address of the donor, the date of the gift, and a copy of any receipt for the gift provided by the donor. [Sec. 112.3148, Fla. Stat.]

7. *FORM 10 - Annual Disclosure of Gifts from Government Agencies and Direct-Support Organizations and Honorarium Event Related Expenses*

State government entities, airport authorities, counties, municipalities, school boards, water management districts, and the South Florida Regional Transportation Authority, may give a gift worth more than \$100 to a person required to file FORM 1 or FORM 6, and to state procurement employees, if a public purpose can be shown for the gift. Also, a direct-support organization for a governmental entity may give such a gift to a person who is an officer or employee of that entity. These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3148, Fla. Stat.]

In addition, a person required to file FORM 1 or FORM 6, or a state procurement employee, who receives expenses or payment of expenses related to an honorarium event from someone who

is prohibited from giving him or her an honorarium, must disclose annually the name, address, and affiliation of the donor, the amount of the expenses, the date of the event, a description of the expenses paid or provided, and the total value of the expenses on FORM 10. The disclosure must be filed by July 1, for expenses received during the previous calendar year, with the officer's or employee's FORM 1 or FORM 6. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

Stat., no executive branch or legislative lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. This may include gifts or honorarium event related expenses that formerly were permitted under Sections 112.3148 and 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts, which include anything not primarily related to political activities authorized under ch. 106, are prohibited from political committees. [Sec. 112.31485 Fla. Stat.]

If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. If the gift was made to an individual in the legislative branch, FORM 30 should be filed with the Lobbyist Registrar. [See page 35 for address.] If the gift was to any other reporting individual or state procurement employee, FORM 30 should be filed with the Commission on Ethics.

However, notwithstanding Section 112.3148, Fla. Stat., no executive branch lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts from political committees are prohibited. [Sec. 112.31485, Fla. Stat.]

VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

A. Who Can Request an Opinion

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

B. How to Request an Opinion

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names; however, the request and all information pertaining to it is a public record, made available to the Commission and to members of the public in advance of the Commission's consideration of the question.

C. How to Obtain Published Opinions

All of the Commission's opinions are available for viewing or download at its website:
www.ethics.state.fl.us.

VII. COMPLAINTS

A. Citizen Involvement

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred, or a referral is received, as discussed below.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at www.ethics.state.fl.us. The Commission is unable to take action based on learning of such misdeeds through newspaper reports, telephone calls, or letters.

You can download a complaint form (FORM 50) from the Commission's website: www.ethics.state.fl.us, or contact the Commission office at the address or phone number shown on the inside front cover of this booklet.

B. Referrals

The Commission may accept referrals from: the Governor, the Florida Department of Law Enforcement, a State Attorney, or a U.S. Attorney. A vote of six of the Commission's nine members is required to proceed on such a referral.

C. Confidentiality

The complaint or referral, as well as all proceedings and records relating thereto, is confidential until the accused requests that such records be made public or until the matter reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint or referral to members of the public or press, so long as the complaint or referral remains in a confidential stage.

A COMPLAINT OR REFERRAL MAY NOT BE FILED WITH RESPECT TO A CANDIDATE ON THE DAY OF THE ELECTION, OR WITHIN THE 30 CALENDAR DAYS PRECEDING THE ELECTION DATE, UNLESS IT IS BASED ON PERSONAL INFORMATION OR INFORMATION OTHER THAN HEARSAY.

D. How the Complaint Process Works

Complaints which allege a matter within the Commission's jurisdiction are assigned a tracking number and Commission staff forwards a copy of the original sworn complaint to the accused within five working days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five working days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient: that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

In cases of very minor financial disclosure violations, the official will be allowed an opportunity to correct or amend his or her disclosure form. Otherwise, if the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented, or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

E. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(12), Fla. Stat.]

F. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report

with the Commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or principal can make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water management districts are prohibited from using public funds to retain an executive branch (or legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec. 11.062, Fla. Stat.]

Online registration and filing is available at www.floridalobbyist.gov. Additional information about the executive branch lobbyist registration system may be obtained by contacting the Lobbyist Registrar at the following address:

Executive Branch Lobbyist Registration

Phone: 850/922-4987

IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies and government contractors from adverse personnel actions in retaliation for disclosing information in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has revised this law to afford greater protection to these employees.

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in The Florida Administrative Law Reports, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at www.ethics.state.fl.us.

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

XI. TRAINING

Constitutional officers, elected municipal officers, and commissioners of community redevelopment agencies (CRAs) are required to receive a total of four hours training, per calendar year, in the area of ethics, public records, and open meetings. The Commission on Ethics does not

track compliance or certify providers. Officials indicate their compliance with the training requirement when they file their annual Form 1 or Form 6.

Visit the training page on the Commission's website for up-to-date rules, opinions, audio/video training, and opportunities for live training conducted by Commission staff.

This definition does **not** include an individual seeking a publicly elected position for a political party executive committee.

(Sections [97.021\(6\)](#) and [106.011\(3\)](#), Fla. Stat.)

When and What to File

[Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates](#), is the first document that must be filed with the filing officer to become a candidate. At the same time, the candidate must designate the office for which they are running. A candidate can appoint a campaign treasurer and designate a campaign depository at any time, but **no later** than the date the candidate qualifies for office, and **before** any contributions are received, any expenditures are made, and any signatures are obtained on a candidate petition. Nothing prohibits a person from announcing their intention to become a candidate prior to filing [Form DS-DE 9](#), ***as long as no contributions are received, no expenditures are made, and no signatures are obtained on a candidate petition.*** (See [Chapter 7: Campaign Treasurers](#).)

[Form DS-DE 9](#) must be filed with the filing officer:

- **Prior** to opening the campaign account.
- **Prior** to the candidate accepting any contributions or making any expenditures, or authorizing another to accept contributions or make expenditures on the person's behalf.
- **Prior** to obtaining signatures on a [DS-DE 104](#), Candidate Petition.

Note: The form is considered "filed" only when the filing officer receives the form (not upon mailing) **and** determines that the form is complete.

[Form DS-DE 84, Statement of Candidate](#), must be filed with the filing officer within **ten days** after filing [Form DS-DE 9](#). This form states that the candidate has been provided access to read and understand the requirements of [Chapter 106](#), Florida Statutes. The execution and filing of the statement of candidate does not in and of itself create a presumption that any violation of [Chapter 106](#), Florida Statutes, or [Chapter 104](#), Florida Statutes, is a willful violation. An individual seeking election to a political party executive committee is **not** required to file [Form DS-DE 84](#).

[Form DS-DE 83, Statement of Candidate for Judicial Office](#), must be filed by each candidate for judicial office, including an incumbent judge, within **ten days** after filing [Form DS-DE 9](#).

This form states that the judicial candidate has received, read, and understands the requirements of the Florida Code of Judicial Conduct.

(Sections [105.031](#), [106.021](#), and [106.023](#), Fla. Stat.)

Filing Officer

The filing officer is the person before whom a candidate qualifies:

- **Division:** State, multi-county district, and judicial offices (except county court judge)
- **Supervisor of Elections:** County court judge, countywide, and district offices (except multi-county offices)
- **Municipal Clerk:** Municipal offices

(Section [106.011\(11\)](#), Fla. Stat.)

Resign-to-Run

No officer may qualify as a candidate for another state, district, county, municipal public office or federal office if the terms or any part thereof run concurrently with each other, without resigning from the office they presently hold. The resignation is irrevocable.

The written resignation must be submitted at least **ten days** prior to the first day of qualifying for the office. The resignation must be effective no later than the earlier of the following dates:

- The date the officer would take office, if elected; or
- The date the officer's successor is required to take office.

(Section [99.012\(3\)](#) and [\(4\)](#), Fla. Stat.)

A person who is a subordinate officer, deputy sheriff, or police officer must resign effective upon qualifying pursuant to [Chapter 99](#), Florida Statutes, if the person is seeking to qualify for a public office that is currently held by an officer who has authority to appoint, employ, promote, or otherwise supervise that person and who has qualified as a candidate for re-election to that office.

(Section [99.012\(5\)](#), Fla. Stat.)

The Resign-to-Run Law does not apply to political party offices, persons serving without salary as members of an appointive board or authority, and persons holding federal office.

(Sections [99.012\(6\)](#) and [\(7\)](#), Fla. Stat.)

Federal Hatch Act for Federal, State and Local Employees

Although a person may not have to resign, under Florida's Resign-to-Run Law, the person may be precluded by the federal Hatch Act (5 U.S.C. §§ 1501 – 1508) from holding their current job and becoming a candidate in a partisan election.

The Hatch Act restricts the political activity of individuals employed by the state, county, or municipality if the employee's salary is paid for completely by federal funds. Please note, however, that pursuant to 5 U.S.C. § 1502(c), governors, lieutenant governors, mayors, elected heads of executive departments, and individuals holding elective office are exempt from the prohibition against being a candidate for public office. The Hatch Act prohibits state, county and municipal employees seeking public office in a partisan election, not an elected officer seeking re-election or election to another office.

The Hatch Act also limits certain political activities of federal employees under certain circumstances.

The Division has no authority to advise individuals on the applicability of the Hatch Act. For information and questions about the Hatch Act, contact:

Changing Parties for Partisan Offices

Candidate with Party Affiliation

Any person seeking to qualify for nomination as a candidate of any political party shall, at the time of subscribing to the oath or affirmation, state in writing: 1. The party of which the person is a member. 2. That the person has been a registered member of the political party for which they are seeking nomination as a candidate for 365 days before the beginning of qualifying preceding the general election for which the person seeks to qualify. (Note: This provision also applies to individuals seeking election to a political party executive committee office.)

(Section [99.021\(1\)\(b\) and \(2\)](#), Fla. Stat.)

Candidate with No Party Affiliation

Any person seeking to qualify for office as a candidate with no party affiliation shall, at the time of subscribing to the oath or affirmation, state in writing that he or she is registered without any party affiliation and that he or she has not been a registered member of any political party for 365 days before the beginning of qualifying preceding the general election for which the person seeks to qualify.

(Section [99.021\(1\)\(c\)](#), Fla. Stat.)

Changing the Designation of Office

A candidate may change the designation of office by filing a new [Form DS-DE 9](#) and a signed, written statement indicating the change with the filing officer. However, the candidate must notify each contributor in writing and offer to return their contribution using the following procedure:

- Within 15 days after filing the change with the filing officer the candidate, must send a written notice to all contributors.
- The candidate must offer (in the notice) to return to the contributor on a pro rata basis all contributions given in support of the original office.
- The candidate must include (with the notice) a copy of [Form DS-DE 86, Request for Return of Contribution](#).
- If the contributor returns [Form DS-DE 86](#) within 30 days of receiving the notice, the candidate must return a pro rata share of all contributions given in support of the original office.

- If the contributor does not return [Form DS-DE 86](#) within 30 days of receiving the notice, the candidate may use the contribution for the newly designated office up to the maximum of the contribution limits allowed by law. The full amount of the contribution for the original office shall count toward the contribution limits for the new office. Any amount that exceeds the contribution limits for the new office must be properly disposed of pursuant to law.

(Section [106.021\(1\)\(a\)](#), Fla. Stat.)

Pro Rata Refund

The following formula is used to determine the pro rata share:

The amount of contributions contributed to the campaign that remain in the campaign account on the date the candidate filed the change of designation,

MINUS the amount already obligated for goods or services,

DIVIDED BY the total amount of contributions contributed to the campaign,

MULTIPLIED BY the amount of the contribution contributed by the individual contributor.

Pro Rata Refund Example

The candidate received a total of \$5,000 from all contributors. Of this amount, the candidate has \$2,500 remaining in the campaign account with an outstanding amount of \$500 owed for goods and services. This leaves \$2,000 in the account to be used for pro rata refunds. One contributor gave a \$500 original contribution and wishes to have it returned.

$$\$2,500 - \$500 = \$2,000 \div \$5,000 = 40\% \times \$500 = \$200 \text{ pro rata refund to the contributor}$$

(Section [106.021\(1\)](#), Fla. Stat.)

Chapter 5: Statement of Solicitation

Who Must File a Statement of Solicitation

The Governor, Lieutenant Governor, members of the Cabinet, state legislators, or candidates for such offices who directly or indirectly solicit, cause to be solicited, or accept any contribution on behalf of an organization that is exempt from taxation under s. 527 or s. 501(c)(4) of the Internal Revenue Code, which such individuals, in whole or in part, establish, maintain, or control, must file [Form DS-DE 102](#), **Statement of Solicitation**.

The form must be filed with the Division and, at a minimum, must contain the following information:

- The name of the person acting on behalf of the organization.

Using State-Owned Aircraft or Motor Vehicle

No candidate, in the furtherance of their candidacy for nomination or election to public office in any election, shall use any state-owned aircraft or motor vehicle, as provided in [Chapter 287](#), Florida Statutes, solely for the purpose of furthering their candidacy. However, in the event a candidate uses any state-owned aircraft or motor vehicle to conduct official state business and while on such trip performs any function in the furtherance of their candidacy for nomination or election to public office in any election, the candidate shall prorate the expenses incurred and reimburse the appropriate agency for any trip not exclusively for state business and shall pay either a prorated share of all fixed and variable expenses related to the ownership, operation, and use of such aircraft or one-half of the total fixed and variable expenses related to the ownership, operation, and use of such aircraft, whichever is greater. Accepting Contributions in a Government-Owned Building

No person shall make and no person shall solicit or knowingly accept any political contribution in a building owned by a governmental entity. “Accept” means to receive a contribution by personal hand delivery from a contributor or the contributor’s agent. This prohibition does not apply when a government-owned building or any portion thereof is rented for the specific purpose of holding a campaign fund raiser.

(Section [106.15\(4\)](#), Fla. Stat.)

Making Malicious Statements

A candidate may not, with actual malice, make any false statement about an opposing candidate.

(Section [104.271](#), Fla. Stat.)

Making False Representation of Military Service

A candidate may not falsely represent that they served or is currently serving in the military, whether active duty, Reserve or National Guard.

(Section [104.2715](#), Fla. Stat.)

Certifying a False Report

Any candidate, campaign manager, campaign treasurer, or deputy treasurer who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree.

(Sections [106.07\(5\)](#) and [106.19](#), Fla. Stat.)

Limitations on Political Activity for Judicial Candidates

A candidate for judicial office shall **not**:

- Participate in any partisan political party activities, except that such candidate may register to vote as a member of any political party and may vote in any party primary for candidates for nomination of the party in which they are registered to vote.
- Campaign as a member of any political party.
- Publicly represent or advertise themselves as a member of any political party.
- Endorse any candidate.
- Make political speeches other than in the candidate's own behalf.
- Make contributions to political party funds.
- Solicit contributions for any political party.
- Accept contributions from any political party.
- Accept or retain a place on any political party committee.
- Make any contribution to any person, group, or organization for its endorsement to judicial office.
- Agree to pay all or any part of an advertisement sponsored by any person, group, or organization wherein the candidate may be endorsed for judicial office by any such person, group, or organization.

A candidate for judicial office or retention therein who violates the provisions of this section is liable for a civil fine of up to \$1,000 to be determined by the Florida Elections Commission.

(Section [105.071](#), Fla. Stat.)

Judicial Candidates and the Judicial Ethics Advisory Committee (JEAC)

The Florida Supreme Court recognizes the JEAC as the body that may render written advisory opinions concerning the conduct of judges and judicial candidates for opinions relating to elections and campaign–related topics, see:

www.jud6.org/LegalCommunity/LegalPractice/opinions/jeacopinions/subjectopinions/Elections/elections.html.

Chapter 7: Campaign Treasurers

Appointing Campaign Treasurers and Deputy Treasurers

Each candidate shall appoint a campaign treasurer by filing [Form DS-DE 9, Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates](#), with the filing officer before whom the candidate qualifies. The name and address of the campaign treasurer must be included on the form. A candidate may appoint a campaign treasurer and designate a campaign depository at any time, but no later than the date the candidate qualifies for office, and before any contributions are received, any expenditures are made, and any signatures are obtained on a candidate petition. Nothing prohibits a person from *announcing* their intention to become a candidate prior to filing [Form DS-DE 9](#), as long as no contributions are received, no expenditures are made, and no signatures are obtained on a candidate petition.

- A candidate must appoint a campaign treasurer.
- A candidate may appoint themselves as campaign treasurer or deputy campaign treasurer.
- A candidate for statewide office (Governor, Cabinet, and Supreme Court Justice) may appoint no more than 15 deputy campaign treasurers. Any other candidate may appoint no more than 3 deputy campaign treasurers.
- Deputy campaign treasurers are appointed in the same manner as the campaign treasurer by filing [Form DS-DE 9](#) with the filing officer.

[Form DS-DE 9](#) shall be filed with the filing officer:

- **Prior** to opening the campaign account.
- **Prior** to the candidate accepting any contributions or making any expenditures, or authorizing another to accept contributions or make expenditures on the person's behalf.
- **Prior** to obtaining signatures on a [DS-DE 104](#), Candidate Petition.

Note: The form is considered “filed” only when the filing officer receives the form (not upon mailing) **and** determines that the form is complete.

Duties and Responsibilities

No contribution or expenditure, including contributions or expenditures of a candidate or of the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person for nomination or election to political office in the state except through the duly appointed campaign treasurer of the candidate, subject to the following **exceptions**:

- Independent expenditures;
- Reimbursements to a candidate or any other individual for expenses incurred in connection with the campaign by a check drawn upon the campaign account and reported pursuant to Section [106.07\(4\)](#), Florida Statutes. The full name and address of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to Section [106.07\(4\)](#), Florida Statutes, together with the purpose of such payment;
- Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditure and reported pursuant to Section [106.07\(4\)\(a\)13](#), Florida Statutes; or
- Expenditures made directly by affiliated party committee or political party regulated by [Chapter 103](#), Florida Statutes, for obtaining time, space or services in or by any communications medium for the purpose of jointly endorsing three or more candidates, and any such expenditure shall not be considered a contribution or expenditure to or on behalf of any such candidate for the purposes of this chapter [\[103\]](#).

The campaign treasurer *must*:

- Keep detailed accounts of all contributions received and all expenditures made by or on behalf of the candidate. Such accounts must be kept current within not more than **two days** after the date a contribution is received or an expenditure is made.
- Deposit all funds received by the end of the **fifth business day** into the campaign depository. All deposits shall be accompanied by a bank deposit slip containing the name of each contributor and the amount of each contribution.
- Keep detailed accounts of all deposits made in any separate interest-bearing account or certificate of deposit and all withdrawals made from these accounts to the primary depository and all interest earned.

- **Preserve all accounts for a number of years equal to the term of office to which the candidate seeks election.**
- File regular reports of all contributions received and expenditures made by or on behalf of such candidate.

The campaign treasurer may be fined \$1,000 or more, or be subjected to criminal penalties, for failing to file a campaign report or filing an incomplete or inaccurate report.

Deputy campaign treasurers may exercise any of the powers and duties of the campaign treasurer when specifically authorized to do so by the campaign treasurer and candidate.

Accounts, including separate interest-bearing accounts and certificates of deposit, kept by the campaign treasurer of a candidate may be inspected under reasonable circumstances before, during, or after the election to which the accounts refer by any authorized representative of the Division of Elections or the Florida Elections Commission.

(Sections [106.021](#), [106.06](#), [106.07](#), [106.19](#), and [106.265](#), Fla. Stat.)

Resignation or Removal

When a campaign treasurer resigns or is removed by the candidate, a copy of the signed letter of resignation or removal must be filed with the filing officer.

A campaign or deputy campaign treasurer may resign or be removed by the candidate, respectively as follows:

- Written notice of *resignation* to the candidate by the campaign treasurer.
- Written notice of *removal* to the campaign treasurer by the candidate.

Note: The written notice is not effective until a *signed* copy is filed with the filing officer.

In the case of death, resignation, or removal of a campaign treasurer or deputy treasurer, the candidate shall appoint a successor by certifying the name and address to the filing officer on a new [Form DS-DE 9](#), Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates, completed in its entirety with *original* signatures.

(Section [106.021\(2\)](#), Fla. Stat.)

Chapter 8: Campaign Depositories

Primary Campaign Depository

A candidate and each individual seeking election to a political party executive committee must designate a primary campaign depository with a bank, savings and loan association, or credit union authorized to do business in the State of Florida. The campaign depository is designated at the same time as a treasurer is appointed on [Form DS-DE 9 \(Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates\)](#). A candidate who seeks to qualify by the petition process shall designate a campaign depository prior to obtaining signatures on petitions.

Note: All contributions must be deposited into such account and all expenditures must be drawn by a check on such account, except when paid with petty cash. (See [Chapter 10: Expenditures](#).)

A candidate and each individual seeking election to a political party executive committee must file the name and address of the primary campaign depository with the same officer with whom the candidate files the name of their campaign treasurer on [Form DS-DE 9](#).

The campaign account must be separate from any personal or other account and used only for depositing campaign contributions and making expenditures.

Designating a campaign depository does not mean physically opening an account. It is merely naming the financial institution where the campaign funds will be deposited. This is because most banks require an initial deposit to open a campaign account and a contribution cannot be accepted prior to the candidate filing a complete [Form DS-DE 9](#).

All funds received by the campaign treasurer shall, prior to the end of the **fifth business day** following the receipt thereof, Saturdays, Sundays, and legal holidays excluded, be deposited in a campaign depository designated pursuant to Section [106.021](#), Florida Statutes, in an account that contains the name of the candidate.

Note: All deposits must be accompanied by a bank deposit slip containing the name of each contributor and the amount contributed by each.

*(Sections [106.021\(1\)](#) and [106.05](#), Fla. Stat.;
Division of Elections Advisory Opinion [09-03](#))*

Secondary Campaign Depository

A candidate may designate one secondary depository in each county where an election is held in which the candidate participates for the sole purpose of depositing contributions for transfer into the primary depository.

A candidate must file the name and address of each secondary campaign depository with the same officer with whom the candidate files the name of their campaign treasurer on [Form DS-DE 9](#).

If a contribution is deposited in a secondary depository, the depository shall forward the full amount of the deposit, along with a copy of the deposit slip, to the primary depository prior to the end of the first business day following the deposit.

(Sections [106.021\(1\)](#) and [106.05](#), Fla. Stat.)

Separate Interest-Bearing Accounts and Certificates of Deposit

In the event funds are available in the primary campaign depository that are not currently needed for the disbursement of expenditures, the campaign treasurer or deputy campaign treasurer may deposit such funds into a separate interest-bearing account designated as "(Name of Candidate) Separate Interest-Bearing Campaign Account" or may purchase a certificate of deposit with the available funds.

Any bank, savings and loan association, or credit union authorized to transact business in Florida may be used for this purpose. The separate interest-bearing account or certificate of deposit shall be separate from any personal or other separate interest-bearing account or certificate of deposit.

Any withdrawal from a separate interest-bearing account or certificate of deposit of the principal or earned interest or any part thereof shall be made only for the purpose of transferring funds to the primary campaign account.

(Section [106.021\(1\)](#), Fla. Stat.)

Changing Depository

If changing the primary depository, a candidate must submit a new, original [Form DS-DE 9](#) to the filing officer.

Campaign Checks

Note: When issuing checks from the campaign account, the campaign treasurer or deputy treasurer shall be responsible for the completeness and accuracy of the information on such check and for ensuring that such expenditure is an authorized expenditure.

Campaign checks must contain the following information:

- The name of the campaign account of the candidate.
- Account number and name of bank.
- The exact amount of the expenditure.
- The signature of the campaign treasurer or deputy treasurer.
- The exact purpose of the expenditure.
- The name of the payee.

This information may be typed or handwritten on starter checks provided by the bank until printed checks arrive.

(Section [106.11\(1\)](#), Fla. Stat.)

Example of Campaign Check:

Credit Cards

Candidates for **statewide office (Governor, Cabinet, and Supreme Court Justice)** may obtain and use credit cards for travel-related campaign expenditures. (See [Chapter 10: Expenditures](#) for how credit cards may be used.) The credit card must:

- Be obtained from the bank which has been designated as the primary campaign depository.
- Be in the name of the candidate and reflect that the account is a campaign account.
- Expire no later than midnight of the last day of the month of the general election.

(Section [106.125](#), Fla. Stat.)

Debit Cards

A candidate may use a debit card to make campaign expenditures and is considered a bank check if:

- Obtained from the same bank that has been designated as the primary campaign depository.
- Issued in the name of the treasurer, deputy treasurer, or authorized user.
- Contains the name of the campaign account of the candidate.

No more than **three** debit cards shall be issued. (See [Chapter 10: Expenditures](#) for how debit cards may be used.)

*(Section [106.11\(2\)](#), Fla. Stat.;
Division of Elections Advisory Opinion [00-03](#))*

Chapter 9: Contributions

A **contribution** is:

- A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication. These include contributions in-kind, having an attributable monetary value in any form.
- A transfer of funds between political committees, between electioneering communications organizations, or between any combination of these groups.
- The payment, by any person other than a candidate, of compensation for the personal services of another person which are rendered to a candidate without charge to the candidate for such services.
- The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit. The term includes any interest earned on such account or certificate.

The **exceptions** are:

- Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate including, but not limited to, legal and accounting services.
- Editorial endorsements.

Note: The law provides no exceptions for reporting contribution information, regardless of the size of the contribution (e.g., the reporting requirements would be the same for a 50 cent contribution as for a \$500 contribution).

(Section [106.011\(5\)](#), Fla. Stat.)

Unauthorized Contributions

Any contribution received by a candidate with opposition in an election or by the campaign treasurer or deputy campaign treasurer **on the day of that election or less than five days prior to the day of the election** must be returned to the contributor and may not be used or expended by or on behalf of the candidate.

(Section [106.08\(3\)](#), Fla. Stat.)

Anonymous Contributions

When a candidate receives an anonymous contribution it must be reported on the candidate's campaign treasurer's report as an anonymous contribution. A letter should be submitted to the filing officer explaining the circumstances surrounding the acceptance of the anonymous contribution.

The candidate cannot spend the anonymous contribution, but at the end of the campaign, the candidate must donate the amount to an appropriate entity under Section [106.141](#), Florida Statutes.

(Division of Elections Advisory Opinion [89-02](#))

In-Kind Contributions

In-kind contributions are anything of value made for the purpose of influencing the results of an election.

The **exceptions** are:

- Money;
- Personal services provided without compensation by individual volunteers;
- Independent expenditures, as defined in Section [106.011\(12\)](#), Florida Statutes; or
- Endorsements of three or more candidates by affiliated party committees or political parties.

*(Section [106.011](#), Fla. Stat.;
Division of Elections Advisory Opinion [04-06](#))*

Note: Any person who makes an in-kind contribution shall, at the time of making the contribution, place a fair market value on the contribution. In-kind contributions are subject to contribution limitations. Travel conveyed upon private aircraft shall be valued at the actual cost of per person commercial air travel for the same or a substantially similar route.

*(Sections [106.011](#) and [106.055](#), Fla. Stat.;
Division of Elections Advisory Opinion [09-08](#) (Aircraft Travel))*

Loans

Loans are considered contributions and are subject to contribution limitations. Loans to or from each person or political committee must be reported together with names, addresses, occupations, and principal places of business, if any, of the lenders and endorsers, including the date and amount of each loan on the campaign treasurer's report.

Loans made by a candidate to their own campaign are not subject to contribution limitations. A candidate who makes a loan to their campaign and reports the loan as required by Section [106.07](#), Florida Statutes, may be repaid for the loan at any time the campaign account has sufficient funds to repay the loan and satisfy its other obligations.

All personal loans exceeding \$500 in value, made to a candidate and used for campaign purposes, and made in the twelve months preceding their election to office, must be reported on **Forms [DS-DE 73](#) and [DS-DE 73A](#), Campaign Loans Report**, and filed with the filing officer within *ten days* after being elected to office.

Any person who makes a contribution to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the campaign, may not contribute more than the amount allowed in Section [106.08\(1\)](#), Florida Statutes.

(Sections [106.011](#), [106.07](#), [106.075](#), and [106.08](#) Fla. Stat.)

Cash Contributions

A candidate may not accept an aggregate cash contribution or contribution by means of a cashier's check from the same contributor in excess of \$50 per election. A money order or traveler's check is not considered cash.

Note: Cash contributions must be reported on campaign treasurer's reports to include the full name and address of each person who gave a cash contribution during the reporting period, together with the amount and date of such cash contribution.

*(Sections [106.07\(4\)](#) and [106.09](#), Fla. Stat.;
Division of Elections Advisory Opinion [90-15](#))*

Money Order, Debit and Credit Card Contributions

A candidate may accept contributions via a credit card, debit card, or money order. These contributions are categorized as a "check" for reporting purposes.

(Division of Elections Advisory Opinions [94-02](#) and [00-03](#))

Contribution Limits for Candidates

Except for political parties or affiliated party committees, no person or political committee may, in any election, make contributions in excess of the following amounts:

1. \$3,000 to a candidate for statewide office or for retention as a justice of the Supreme Court. Candidates for the offices of Governor and Lieutenant Governor on the same ticket are considered a single candidate for the purpose of this section.
2. \$1,000 to a candidate for retention as a judge of a district court of appeal; a candidate for legislative office; a candidate for multi-county office; a candidate for countywide office or in any election conducted on less than a countywide basis; or a candidate for county court judge or circuit judge.

The primary and general elections are separate elections. (See [Glossary of Terms](#) for the definition of “person.”)

(Section [106.08\(1\)\(a\)](#), Fla. Stat.)

Note: These limits **do not apply** to contributions made by a state or county executive committee of a political party or affiliated party committee regulated by [Chapter 103](#), Florida Statutes, or to amounts contributed by a candidate to their own campaign. The contribution limits do not apply to individuals seeking election to a political party executive committee because they are not “candidates.”

A candidate may **not**:

- Accept contributions until [Form DS-DE 9](#), Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates, is filed with the filing officer;
- Accept a contribution in excess of the above limits from any one person per election, provided the candidate is an opposed candidate and the contribution is received within the timeframe applicable to each election;
- Accept contributions from family members in excess of the above limits per election;
- Accept contributions from a county executive committee of a political party whose contributions in the aggregate exceed \$50,000, or from the national or state executive committees of a political party, including any subordinate committee of such political party or affiliated party committees, whose contributions in the aggregate exceed \$50,000. Polling services, research services, cost for campaign staff, professional consulting services, and telephone calls are not contributions to be counted toward the contribution limits, but must still be reported by the candidate. All other contributions are counted toward the contribution limits;
- A candidate for statewide (Governor, Cabinet, and Supreme Court Justice) office may not accept contributions from a national, state, or county executive committee of a

political party, including any subordinate committee of a national, state, or county committee of a political party, or affiliated party committee, which contributions in the aggregate exceed \$250,000; or

- Accept contributions after the date they withdraw their candidacy, is defeated, becomes unopposed, or is elected.

(Sections [106.08](#) and [106.19](#), Fla. Stat.)

Foreign Contributions

Federal law prohibits contributions from foreign nationals to any federal, state, or local candidate, unless the foreign national possesses a green card. Further information can be accessed by contacting the Federal Election Commission at 1-800-424-9530 or on their website at www.fec.gov.

Deadlines for Accepting Contributions

Any contribution received by a candidate with opposition in an election or by the campaign treasurer or a deputy campaign treasurer of such a candidate on the day of that election or less than five days before the day of that election must be returned by them to the person or committee contributing it and may *not* be used or expended by or on behalf of the candidate. (See [Appendix C](#).)

(Section [106.08\(3\)\(a\)](#), Fla. Stat.)

Violations

Any candidate, campaign manager, campaign treasurer, or deputy treasurer of any candidate, agent or person acting on behalf of any candidate, or other person who knowingly and willfully participates in any of the following, is guilty of a misdemeanor of the first degree, punishable as provided in Section [775.082](#) or Section [775.083](#), Florida Statutes.

- Accepts a contribution in excess of the limits prescribed by Section [106.08](#), Florida Statutes;
- Fails to report any contribution required to be reported by [Chapter 106](#), Florida Statutes;
- Falsely reports or deliberately fails to include any information required by [Chapter 106](#), Florida Statutes; or
- Makes or authorizes any expenditure in violation of Section [106.11\(4\)](#), Florida Statutes, or any other expenditure prohibited by [Chapter 106](#), Florida Statutes.

(Section [106.19](#), Fla. Stat.)

Chapter 10: Expenditures

Definition

An expenditure is a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication.

(Section [106.011\(10\)](#), Fla. Stat.)

General Requirements

A candidate **shall**:

- Pay all campaign expenditures by a check drawn on the campaign account (except petty cash);
- Pay the qualifying fee by a check drawn on the campaign account;
- Pay for all expenses authorized or incurred for the purchase of goods or services upon final delivery and acceptance of the goods or services; and
- Pay for public utilities such as telephone, electric, gas, water and like services when the bill is received. Utility companies providing services to candidates must charge a deposit sufficient to meet all anticipated charges during a billing period.

Note: No candidate, campaign manager, treasurer, deputy treasurer, or any person acting on behalf of the foregoing, shall authorize any expenses, unless there are sufficient funds on deposit in the primary depository account of the candidate to pay the full amount of the authorized expense, to honor all other checks draw on such account, which checks are outstanding, and to meet all expenses previously authorized but not yet paid.

“Sufficient funds” means that the funds at issue have been delivered for deposit to the financial institution at which such account is maintained and not that such funds are available for withdrawal in accordance with the deposit rules or the funds availability policies of such financial institution.

(Section [106.11\(4\)](#), Fla. Stat.)

Checks

Note: Only a campaign treasurer or deputy campaign treasurer is allowed to sign checks drawn on the campaign account. The campaign treasurer or deputy campaign treasurer who signs a check shall be responsible for the completeness and accuracy of the information on the check and for ensuring it is an authorized expenditure. ***Candidates are prohibited from signing campaign checks unless they have appointed themselves campaign treasurer or deputy treasurer.***

A candidate or other individual may be reimbursed for expenses incurred in connection with the campaign by a check drawn on the campaign account and reported pursuant to Section [106.07\(4\)](#), Florida Statutes. The full name and address of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to Section [106.07\(4\)](#), Florida Statutes, together with the purpose of such payment.

Living Expenses

A candidate or the spouse of a candidate may not use campaign funds to defray normal living expenses for the candidate or the candidate's immediate family, other than expenses actually incurred during the campaign for transportation, meals, and lodging.

(Sections [106.011\(10\)](#), [106.021\(3\)](#), [106.14](#), and [106.1405](#), Fla. Stat.)

Petty Cash Funds

A campaign treasurer may provide a petty cash fund for the candidate. To establish a petty cash fund, the campaign treasurer must write a check drawn on the primary campaign account. Petty cash may only be used for office supplies, transportation expenses, and other necessities.

A candidate **must**:

- Spend petty cash in amounts of less than \$100;
- Report the total amount withdrawn and the total amount spent for petty cash in each reporting period;
- Keep complete records of petty cash although each expenditure does not have to be reported individually;
- Not mix cash contributions with petty cash; and
- Not use petty cash for the purchase of time, space, or services from any communications media.

Limits on Petty Cash Fund Amounts

From the day a candidate appoints their campaign treasurer until the last day a candidate can qualify for office, the campaign treasurer may withdraw from the campaign account for the purpose of providing a petty cash fund for the candidate:

- \$500 per calendar quarter.

After qualifying is over and until the election in which the candidate is eliminated or elected to office or the time in which the candidate becomes unopposed, the treasurer may withdraw:

- \$500 per week for all statewide (Governor, Cabinet, and Supreme Court Justice) candidates.
- \$100 per week for all other candidates.

(Sections [106.07](#) and [106.12](#), Fla. Stat.;
Division of Elections Advisory Opinion [06-10](#))

Independent Expenditures

An independent expenditure means an expenditure made by a person for the purpose of **expressly advocating** the election or defeat of a candidate, which expenditure is not controlled by, coordinated with, or made upon consultation with, any candidate or agent of such candidate. An expenditure for such purpose by a person having a contract with the candidate or agent of such candidate in a given election period is not an independent expenditure.

Expressly advocates means any communication which uses phrases including, but not limited to: “vote for,” “elect,” “support,” “cast your ballot for,” “Smith for Congress,” “vote against,” “defeat,” “oppose,” and “reject.”

(See Division of Elections Advisory Opinion [16-12](#))

If the independent expenditure is, in the aggregate, in the amount of \$5000 or more, the person must file reports with the candidate’s filing officer in the same manner and time as a political committee.

Political advertisements paid for by an independent expenditure must contain the following statement: *“Paid political advertisement paid for by (name and address of person paying for the advertisement) independently of any (candidate or committee).”*

However, an expenditure for the purpose of **expressly advocating** the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of a national, state, or county committee of a political party, an affiliated party committee, or by any political committee, or any other person, **is not considered an independent expenditure if the committee or person:**

1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including a pollster, media consultant,

advertising agency, vendor, advisor, or staff member concerning the preparation of, use of, or payment for, the specific expenditure or advertising campaign at issue;

2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to any general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue;
3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of a broadcast or a written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member;
4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or any agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue;
5. After the last day of the qualifying period prescribed for the candidate, there is a consultation about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign with:
 - An officer, director, employee, or agent of a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate; or
 - A person whose professional services have been retained by a national, state, or county executive committee of a political party that has made or intends to make expenditures in connection with or contributions to the candidate;
6. After the last day of the qualifying period prescribed for the candidate, retains the professional services of any person also providing those services to the candidate in connection with the candidate's pursuit of election to office; or
7. Arranges, coordinates, or directs the expenditure, in any way, with the candidate or an agent of the candidate.

(Sections [106.011\(12\)](#) and [106.071](#), Fla. Stat.)

(See [Chapter 12: Political Advertising](#) for information about applicable political disclaimers and exceptions.)

(Section [106.071\(3\)](#), Fla. Stat.)

Credit Cards

Candidates for **statewide office (Governor, Cabinet, and Supreme Court Justice)** may use a credit card, obtained pursuant to the process outlined in [Chapter 8: Campaign Depositories](#), under the following conditions:

- The card may only be used in making travel-related campaign expenditures to include transportation, lodging, meals, and other travel expenses incurred.
- A copy of the agreement or contract between the candidate and bank, along with a list of all persons authorized to use the card, must be filed with the Division **prior** to being used.
- Each statement received from the issuer of the credit card must be paid upon receipt.

(Section [106.125](#), Fla. Stat.)

Debit Cards

Debit cards obtained pursuant to the process outlined in [Chapter 8: Campaign Depositories](#) may be used in lieu of campaign checks and **are considered bank checks** if the person using the card does not receive cash as part of, or independent of, any transaction for goods or services.

*All debit card receipts **must** contain:*

- Last four digits of the debit card number.
- Exact amount of expenditure.
- Name of payee.
- Signature of campaign treasurer, deputy treasurer, or authorized user.
- Exact purpose of expenditure.

Any of the above listed information, if not included on the receipt, may be handwritten on, or attached to, the receipt by the authorized user before submitting to the campaign treasurer. The debit card user shall be responsible for the completeness and accuracy of the information and for ensuring that such expenditure is authorized.

(Section [106.11](#), Fla. Stat.)

Expenditures for Electioneering Communications

An expenditure made for, or in furtherance of, an electioneering communication shall not be considered a contribution to or on behalf of any candidate and shall not constitute an independent expenditure, nor be subject to the limitations applicable to independent expenditures.

An expenditure for an electioneering communication is made when the earliest of the following occurs:

- A person executes a contract for applicable goods or services;
- A person makes payment, in whole or in part, for the production or public dissemination of applicable goods or services; or
- The electioneering communication is publicly disseminated.

(Sections [106.011\(10\)](#) and [\(8\)](#), Fla. Stat.)

Chapter 11: Electioneering Communications

Definition

Electioneering communication means a communication publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone that:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;
2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and
3. Is targeted to the relevant electorate in the geographical area the candidate would represent if elected.

The **exceptions** are:

1. A communication disseminated through a means of communication other than a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, telephone, or statement or depiction by an organization, in existence before the time during which a candidate named or depicted qualifies for that election, made in that organization's newsletter distributed only to members of that organization;
2. A communication in a news story, commentary or editorial distributed through the facilities of any radio station, television station, cable television system, or satellite system unless the facilities are owned or controlled by a political party, political committee, or candidate. A news story distributed through the facilities owned or controlled by a political party, political committee, or candidate may nevertheless be exempt if it represents a bona fide news account communicated through a licensed broadcasting facility and the communication is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the area;

3. A communication that constitutes a public debate or forum that includes at least two opposing candidates for an office or one advocate and one opponent of an issue, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum, provided that the staging organization:
 - a. Is either a charitable organization that does not make other electioneering communications and does not otherwise support or oppose any political candidate or political party; or a newspaper, radio station, television station, or other recognized news medium; and
 - b. Does not structure the debate to promote or advance one candidate or issue position over another.

An expenditure made for, or in furtherance of, an electioneering communication is not considered a contribution to or on behalf of any candidate and shall not constitute an independent expenditure, nor be subject to the limitations applicable to independent expenditures.

(Section [106.011\(8\)](#), Fla. Stat.)

Electioneering Communication Disclaimers

Any electioneering communication, other than a telephone call, shall prominently state: *“Paid electioneering communication paid for by (Name and address of person paying for the communication).”*

(Section [106.1439](#), Fla. Stat.)

Electioneering Communication Telephone Call Disclaimer

Any electioneering communication telephone call shall identify the persons or organizations sponsoring the call by stating either: *“Paid for by (name of persons or organizations sponsoring the call)”* or *“Paid for on behalf of (name of persons or organizations authorizing call).”* This telephone disclaimer does not apply to any telephone call in which the individual making the call is not being paid and the individuals participating in the call know each other prior to the call.

(Section [106.1439](#), Fla. Stat.)

Penalty for Electioneering Communication Disclaimer Violation

Any person who fails to include the disclaimer in any electioneering communication that is required to contain such disclaimer commits a misdemeanor of the first degree, punishable as provided in Section [775.082](#) or [775.083](#), Florida Statutes.

(Section [106.1439](#), Fla. Stat.)

Chapter 12: Political Advertising

A political advertisement is a paid expression in a communications medium prescribed in Section [106.011\(4\)](#), Florida Statutes, whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue.

(Section [106.011\(15\)](#), Fla. Stat.)

Candidate Disclaimers

Except as noted below, any political advertisement that is paid for by a **candidate (except a write-in candidate)** and that is published, displayed, or circulated before, or on the day of, any election must prominently state:

“Political advertisement paid for and approved by (name of candidate), (party affiliation), for (office sought)” or “Paid by (name of candidate), (party affiliation), for (office sought).”

Any political advertisement that is paid for by a **write-in candidate** and that is published, displayed, or circulated before, or on the day of, any election must prominently state:

“Political advertisement paid for and approved by (name of candidate), write-in candidate, for (office sought)” or “Paid by (name of candidate), write-in candidate, for (office sought).”

(Section [106.143\(1\)](#), Fla. Stat.)

Also, the disclaimer language alternatives provided above must be verbatim as quoted in Section [106.143](#), Florida Statutes. Variations are prohibited by law.

Any political advertisement of a candidate running for **partisan office** shall express the name of the political party of which the candidate is seeking nomination or is the nominee.

If the **candidate for partisan office is running as a candidate with no party affiliation**, any advertisement of the candidate must state that the candidate has no party affiliation.

Candidates running for **non-partisan** office may not state the candidate’s political party affiliation in the disclaimer, or in the body of the advertisement. *Exception:* The candidate is not prohibited from stating the candidate’s partisan-related experience.

(Sections [106.143\(3\)](#) and [\(5\)](#), Fla. Stat.)

Note: A candidate running for an office that has a district, group, or seat number does not have to indicate the district, group, or seat number in the political advertisement or disclaimer.

Exceptions to Disclaimer Requirements

The disclaimer requirements in Section [106.143](#), Florida Statutes, do not apply to any campaign message or political advertisement used by a candidate and the candidate's supporters or by a political committee if the message or advertisement is:

- Designed to be worn by a person.
- Placed as a paid link on an Internet website provided the message or advertisement is no more than 200 characters in length and the link directs the user to another Internet website that complies with the disclaimer requirements in Section [106.143\(1\)](#), Florida Statutes.
- Placed as a graphic or picture link where compliance with the requirements of Section [106.143](#), Florida Statutes, is not reasonably practical due to the size of the graphic or picture link and the link directs the user to another Internet website that complies with Section [106.143\(1\)](#), Florida Statutes.
- Placed at no cost on an Internet website for which there is no cost to post content for public users.
- Placed or distributed on an unpaid profile or account which is available to the public without charge or on a social networking Internet website, as long as the source of the message or advertisement is patently clear from the content or format of the message or advertisement. A candidate or political committee may prominently display a statement indicating that the website or account is an official website or account of the candidate or political committee and is approved by the candidate or political committee. A website or account may not be marked as official without prior approval by the candidate or political committee.
- Distributed as a text message or other message via Short Message Service, provided the message is no more than 200 characters in length or requires the recipient to sign up or opt in to receive it.
- Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with Section [106.143\(1\)](#), Florida Statutes.
- Sent by a third-party user from or through a campaign or committee's website, provided the website complies with Section [106.143\(1\)](#), Florida Statutes.

- Contained in or distributed through any other technology-related item, service, or device for which compliance with Section [106.143\(1\)](#), Florida Statutes, is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with Section [106.143\(1\)](#), Florida Statutes, impracticable.

(Section [106.143\(10\)](#), Fla. Stat.)

Disclaimer requirements do not apply to individuals seeking a publicly elected position on a political party executive committee.

The candidate must notify the filing officer in writing on or before the prescribed reporting date if no funds were received or no expenditures made during the special election reporting period.

Incomplete Reports

Although the Division's [Electronic Filing System](#) will allow a candidate to file an incomplete report, an incomplete report is not in compliance with the Florida Statutes.

If a candidate or campaign treasurer files a report that is deemed incomplete, they will be notified by the filing officer by certified mail, or by another method using a common carrier that provides a proof of delivery as to why the report is incomplete. The candidate or campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after notice constitutes a violation of [Chapter 106](#), Florida Statutes.

(Section [106.07\(2\)](#), Fla. Stat.)

Reporting Total Sums

Each campaign treasurer's report required by [Chapter 106](#), Florida Statutes, shall contain the total sums of all loans, in-kind contributions, and other receipts by or for such candidate, and total sums of all expenditures made by such candidate during the reporting period. The reporting forms are designed to elicit separate totals for in-kind contributions, loans, and other receipts.

(Section [106.07](#), Fla. Stat.)

Reporting Contributions

Each report *must* contain:

1. Full name, address, specific occupation, amount, and date for each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. **The occupation or principal type of business is not required if the contribution is \$100 or less, or from a relative provided the relationship is reported.**
2. Name, address, amount, and date for each political committee making any transfer of funds.
3. Full name, address, specific occupation, principal place of business of the lender and endorser, amount, and date for each loan.

(Sections [106.07\(4\)](#) and [112.312\(21\)](#), Fla. Stat.)

Returning Contributions

Contributions ***must be returned*** to the contributor *if*:

- A candidate receives a contribution in excess of the limitations provided by law.
- A candidate with opposition in an election receives a contribution on the day of that election or less than five days prior to the date of that election.
- A candidate receives a contribution once they are elected, defeated, becomes unopposed, or withdraws their candidacy.

If the contribution to be returned has not been deposited into the campaign account, report the contribution as a contribution returned using **Form [DS-DE 2](#), Contributions Returned**.

If the contribution has been deposited into the campaign account:

1. Report the contribution; and
2. Write a check from the campaign account to the contributor for the amount of the contribution and report this on the itemized contribution report using the contribution type "Refund." This amount is reported as a negative. The candidate may also wish to submit a signed, written explanation to the filing officer.

(Section [106.08](#), Fla. Stat.)

Reporting Expenditures

Each report *must* contain:

1. Full name and address of each person to whom expenditures have been made along with the amount, date, and clear purpose of the expenditure. Name, address, and office sought by each candidate on whose behalf such expenditure was made.
2. Full name and address of each person to whom an expenditure for personal services, salary, or reimbursed authorized expenses was made along with the amount, date, and clear purpose of the expenditure.
3. Total amount withdrawn and the total amount spent from the petty cash fund. Each expenditure from the petty cash fund need not be individually reported but complete records of petty cash expenditures must be kept.
4. Transaction information for each credit card purchase. Credit cards may be used by statewide (Governor, Cabinet, and Supreme Court Justice) candidates only. (See *Division of Elections Advisory Opinion* [05-07](#).)
5. Amount and nature of debts and obligations owed by or to the candidate, which relate to the conduct of any political campaign.
6. The amount and nature of any separate interest-bearing accounts or certificates of deposit. Identification of the financial institution in which such accounts or certificates of deposit are located must be identified.
7. The primary purposes of an expenditure made indirectly through a campaign treasurer for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.
8. Total sum of expenditures during the reporting period.

(Section [106.07](#), Fla. Stat.)

Reporting Other Distributions

Every distribution should be reported during the coverage period when the distribution actually occurred, as is the case with the expenditures and contributions. The related distribution(s) and expenditure can and often do occur in different reporting periods.

Types of distributions:

- Prepaid
- Credit card purchases/payments
- Reimbursements
- In-kind

Reports *must* contain:

1. Full name and address of each person to whom payment for reimbursement was made by check drawn upon the campaign account together with the purpose of such payment.
2. Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance or other expenditures that include multiple integral components as part of the expenditure.
3. Distribution of goods and services to a candidate, committee or party.

(Section [106.07](#), Fla. Stat.)

Special Requirements for Judicial Retention Candidates

A candidate for retention as a Justice of the Supreme Court or a Judge of a District Court of Appeal who has not received any contributions or made any expenditures, may file a sworn statement on [Form DS-DE 96, Affidavit of Intention](#), at the time of qualifying that they do not anticipate receiving contributions or making expenditures in connection with their candidacy for retention to office.

Such candidate must file a final report within 90 days following the general election for which the candidate's name appeared on the ballot for retention. The candidate may use [Form DS-DE 97, Affidavit of Compliance](#), for this purpose.

A candidate for retention to judicial office who, after filing [Form DS-DE 96](#) receives any contributions or makes any expenditures in connection with their candidacy for retention must immediately file a statement to that effect with the qualifying officer and must begin filing reports as an opposed candidate pursuant to Section [106.07](#), Florida Statutes.

(Sections [105.08\(2\)](#) and [106.141](#), Fla. Stat.)

Chapter 17: Termination Reports

Once a candidate withdraws, becomes unopposed, is eliminated, or elected to office, the candidate must dispose of the funds on deposit in their campaign account and file a campaign treasurer's report (termination report) reflecting the disposition of funds. The person may **only** expend funds from the campaign account to:

- Purchase "thank you" advertising for up to 75 days after they withdraw, become unopposed, is eliminated, or elected to office.
- Pay for items which were obligated before they withdrew, became unopposed, were eliminated, or elected to office.
- Pay for expenditures necessary to close down the campaign office and to prepare final campaign reports.
- Dispose of surplus funds as provided in Section [106.141](#), Florida Statutes.

(Section [106.11\(5\)](#), Fla. Stat.)

Because individuals who seek election to a political party executive committee are not "candidates," they do not file termination reports.

Prior to Disposing of Surplus Funds

A candidate may be reimbursed by the campaign for any previously reported contributions by the candidate to the campaign, in full or in part.

A candidate who filed an oath stating that they were unable to pay the fee for verification of petition signatures without imposing an undue burden on their personal resources or on resources otherwise available to them, must reimburse the state or local government entity, whichever is applicable, for such waived fee prior to disposing of any funds under the surplus provisions contained in Section [106.141\(4\)](#), Florida Statutes.

(Section [106.141](#), Fla. Stat.)

Disposing of Surplus Funds

A candidate required to dispose of surplus funds must, at the option of the candidate, dispose of such funds within 90 days by any of the following means, or a combination thereof:

1. Return pro rata to each contributor the funds that have not been spent or obligated.
2. Donate the funds that have not been spent or obligated to a charitable organization or organizations that meet the qualifications of Section 501(c)(3) of the Internal Revenue Code.
3. Give not more than \$25,000 of the funds that have not been spent or obligated to the political party of which such candidate is a member.
4. Give the funds that have not been spent or obligated:
 - a. In the case of a candidate for state office, to the state to be deposited in the General Revenue Fund; or
 - b. In the case of a candidate for office of a political subdivision, to such political subdivision, to be deposited in the general fund thereof.
5. Transfer funds to an office account. (See [Chapter 20: Office Accounts](#).)
6. In the case of a candidate elected to state office, retain up to \$20,000 in the campaign account for re-election to the same office. (See [Chapter 21: Carryover Campaign Funds](#).)

Content of Report

The termination report *must* include:

1. The name and address of each person or unit of government to whom any of the funds were distributed and the amounts thereof;
2. The name and address of each person to whom an expenditure was made together with the amount and purpose; and
3. The amount of such funds transferred to an office account together with the name and address of the bank in which the office account is located.

If a refund check is received after all surplus funds have been disposed of, the check may be endorsed by the candidate and the refund disposed of pursuant to Section [106.141](#), Florida Statutes. An amended termination report must be filed with the filing officer.

All reports must be signed by the candidate and the campaign treasurer and certified as true and correct.

(Section [106.141](#), Fla. Stat.)

Money from Separate Interest-Bearing Account or Certificate of Deposit

A campaign treasurer of any candidate who withdraws, becomes unopposed, or is eliminated, or elected to office, and who has funds on deposit in any interest-bearing account or certificate of deposit must, within seven days, transfer such funds and accumulated interest earned thereon to the primary campaign account for disposal. However, when funds are in an account in which penalties will apply for withdrawal within the seven-day period, the campaign treasurer must transfer such funds and accumulated interest earned thereon as soon as the funds can be withdrawn without penalty, or within 90 days after the candidate becomes unopposed, withdraws their candidacy, or is elected, or eliminated, whichever comes first.

(Section [106.141](#), Fla. Stat.)

Campaign Loans Report

A person elected to office must report all loans, exceeding \$500 in value, made to them and used for campaign purposes, and made in the twelve months preceding their election to office, to the filing officer. The report must be made on **Forms [DS-DE 73](#) and [DS-DE 73A](#), Campaign Loans Report**, within ten days after being elected to office.

Any person who makes a contribution to an individual to pay all or part of a loan incurred in the twelve months preceding the election, to be used for the individual's campaign, may not contribute more than the amount which is allowed in Section [106.08\(1\)](#), Florida Statutes.

(Section [106.075](#), Fla. Stat.)

Chapter 18: Reporting for Individuals Seeking a Publicly Elected Position on a Party Executive Committee

An individual seeking a publicly elected position on a political party executive committee who receives a contribution or makes an expenditure shall file a report of all contributions received and all expenditures made.

(Section [106.0702\(1\)](#), Fla. Stat.)

Where to File

The report shall be filed with the [Supervisor of Elections](#) of the appropriate county.

When to File

The report shall be filed on the fourth day immediately preceding the primary election.

Reports shall be filed no later than 5 p.m. of the day designated; however, any report postmarked by the United States Postal Service by the day designated shall be deemed to have been filed in a timely manner. Any report received by the filing officer within five days after the designated due date shall be deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the U.S. Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due is proof of mailing in a timely manner.

The report filed must contain information of all contributions received and expenditures made as of the day preceding the designated due date. All such reports must be open to public inspection.

(Section [106.0702\(2\)](#), Fla. Stat.)

A reporting individual may submit the report required under this section through an electronic filing system, if used by the supervisor for other candidates, in order to satisfy the filing requirement. Such reports shall be completed and filed through the electronic filing system not later than midnight on the fourth day immediately preceding the primary election.

(Section [106.0702\(1\)](#), Fla. Stat.)

Termination Reports Not Required

Because individuals seeking a publicly elected position on a political party executive committee are not “candidates,” such individuals are not required to file termination reports.

Penalty for Late Filing

Any reporting individual who fails to file a report on the designated due date shall be subject to a fine of \$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater.

(Section [106.0702\(7\)](#), Fla. Stat.)

Incomplete Reports

Although the Division’s [Electronic Filing System](#) will allow a candidate to file an incomplete report, an incomplete report is not in compliance with the Florida Statutes.

If a candidate or campaign treasurer files a report that is deemed incomplete, they will be notified by the filing officer by certified mail, or by another method using a common carrier that provides a proof of delivery as to why the report is incomplete. The candidate or campaign treasurer must file an addendum to the incomplete report within seven days of notification. The addendum must include all necessary information to complete the report. Failure to file a complete report after notice constitutes a violation of [Chapter 106](#), Florida Statutes.

(Section [106.07\(2\)](#), Fla. Stat.)

Reporting Requirements

Each report *must* contain:

- Full name, address, specific occupation, amount, and date for each person making a contribution. Reports must provide as clear a description as practicable of the principal type of business conducted for corporations contributing. **The occupation or principal type of business is not required if the contribution is \$100 or less, or from a relative provided the relationship is reported.**
- Full name, address, specific occupation, principal place of business of the lender and endorser, amount, and date for each loan.

- Statement of each contribution, rebate, refund, or other receipts not listed in above.
- Full name and address of each person to whom expenditures have been made along with the amount, date, and clear purpose of the expenditure. Name, address, and office sought by the reporting individual on whose behalf such expenditure was made.
- Transaction information for each credit card purchase.
- Amount and nature of debts and obligations owed by or to the reporting individual which relate to the conduct of any political campaign.
- The amount and nature of any separate interest-bearing accounts or certificates of deposit. Identification of the financial institution in which such accounts or certificates of deposit are located must be identified.

(Sections [106.0702\(4\)](#) and [112.312\(21\)](#), Fla. Stat.)

Chapter 19: Electronic Filing of Campaign Reports

The [Electronic Filing System \(EFS\)](#) is an Internet system for recording and reporting campaign finance activity by reporting period. Each candidate required to file reports with the Division pursuant to Section [106.07](#), Florida Statutes, must do so using the Division's [EFS](#).

Reports filed:

- Must be completed and filed through the [EFS](#) not later than 12:00 midnight, Eastern Time, of the due date. Reports not filed by this time are late filed and are subject to the penalties under Section [106.07\(8\)](#) or [106.29\(3\)](#), Florida Statutes, as applicable.
- Are considered to be under oath by the candidate and treasurer, and such persons are subject to provisions of Section [106.07\(5\)](#) or [106.29\(2\)](#), Florida Statutes, as applicable.

(Sections [106.0705](#) and [106.0706](#), Fla. Stat.)

Accessing the EFS

The EFS can be accessed at efs.dos.state.fl.us. The Division provides each candidate an identification number and initial password to gain entry. After logging in using the initial password, the system will prompt the user to change it to a confidential one.

A person given a secure sign-on to the [EFS](#) is responsible for protecting the credentials from disclosure and for all filings using such credentials, unless they have notified the Division that their credentials have been compromised. Contact the Division immediately if your password has been compromised.

Creating Reports

Campaign reports must be entered, saved, reviewed, and filed via the [EFS](#) either by directly entering data into the web application or by uploading data using an approved vendor's software. The Division maintains a list of [software vendors](#) whose programs meet the file specifications for filing campaign reports.

For instructions on uploading reports, see the [Candidates User Guide - PDF \(DS-DE 110A\)](#) located on the Division's website.

Submitting Reports

Reports will be held in pending status until the report is ready to be filed. Each person eligible to file a report will receive a **PIN** (personal identification number) that allows the person to file reports via the [EFS](#). **A person's PIN is considered the same as that person's signature on a filed report.**

Electronic Receipts

The person filing a report via the [EFS](#) may print an electronic receipt verifying the report was filed with the Division. Each report filed via the [EFS](#) is considered to be under oath and such persons filing the report are subject to the provisions of [Chapter 106](#), Florida Statutes.

Chapter 20: Office Accounts

A candidate elected to office or a candidate who will be elected to office by virtue of them being unopposed may, in addition to disposing of all the funds in the campaign account in accordance with Section [106.141\(4\)](#), Florida Statutes, transfer funds from the campaign account to an office account.

Transfer Limits

- \$50,000 for a candidate for statewide office.
- \$10,000 for a candidate for multi-county office.
- \$10,000 multiplied by the number of years in the term of office for which elected, for a candidate for legislative office.
- \$5,000 multiplied by the number of years in office for which elected, for a candidate for county office or for a candidate for any election on less than a countywide basis.
- \$6,000 for a candidate for retention as a justice of the Supreme Court.
- \$3,000 for a candidate for retention as a judge of a district court of appeal.
- \$3,000 for a candidate for county court judge or circuit judge.

(Section [106.141\(5\)](#), Fla. Stat.)

Using the Office Account

The office account must be separate and apart from any other account, including any other type of “office account” such as a legislative account. Any funds so retained by a candidate must be used only for legitimate expenses in connection with the candidate’s public office, which may include:

1. Travel expenses incurred by the officer or staff member;
2. Personal taxes payable on office account funds by the candidate or elected public official;
3. Professional services provided by a certified public accountant or attorney for preparation of the election public official’s financial disclosure filing pursuant to Section [112.3144](#) or [112.3145](#), Florida Statutes;

4. Costs to prepare, print, produce, and mail holiday cards or newsletters about the elected public official's public business to constituents if such correspondence does not constitute a political advertisement, independent expenditure, or electioneering communication as provided in Section [106.011](#), Florida Statutes;
5. Fees or dues to religious, civic, or charitable organizations of which the elected public official is a member;
6. Items of modest value such as flowers, greeting cards, or personal notes given as a substitute for, or in association with, an elected public official's personal attendance at a constituent's special event or family occasion, such as the birth of a child, graduation, wedding, or funeral;
7. Personal expenses incurred by the elected public official in connection with attending a constituent meeting or event where public policy is discussed, if such meetings or events are limited to no more than once a week; or
8. Expenses incurred in the operation of the elected public official's office, including the employment of additional staff.

As the duties and responsibilities of each office are different, what are considered "legitimate expenses in connection with the candidate's public office" will vary. For additional information, please contact the legal or accounting department for your office.

If a candidate is re-elected to office or elected to another office and has funds remaining in the office account, the candidate may transfer surplus campaign funds to the office account. However, at no time may the total funds in the office account exceed the limitation imposed by Section [106.141\(5\)](#), Florida Statutes.

(Section [106.141\(5\)](#), Fla. Stat.)

Reporting Office Account Funds

A candidate is required to file a report on the tenth day following the end of each calendar quarter following the 90-day termination report until the office account is closed.

The officers required to file office account reports with the Division must file reports electronically using the [office account electronic filing system](#).

Unless the county or city has a different process, those candidates required to file with county or city filing officers must file reports using the following forms:

- [Form DS-DE 48](#), Office Account Report.
- [Form DS-DE 48A](#), Office Account Disbursement or Deposit Information.

Upon leaving office, any person who has funds in an office account shall give such funds to:

- A charitable organization or organizations that meet the requirements of Section 501(c)(3) of the Internal Revenue Code;
- In the case of a state officer, to the state to be deposited in the General Revenue Fund;
or
- In the case of an officer of a political subdivision, to the political subdivision to be deposited in the general fund thereof.

Such reports shall be signed by the candidate, certified as true and correct, and filed with the officer before whom campaign reports were filed.

Division of Elections Advisory Opinion [06-04](#))*

Chapter 21: Carryover Campaign Funds

A candidate elected to **state office** or a candidate who will be elected to state office by virtue of them being unopposed after candidate qualifying ends, may retain up to \$20,000 in their campaign account, or in an interest-bearing account or certificate of deposit, for use in their next campaign for the same office, in addition to the disposition methods provided in subsections [106.141 \(4\) and \(5\)](#), Florida Statutes. All requirements applicable to candidate campaign accounts under [Chapter 106](#), Florida Statutes, including disclosure requirements applicable to candidate campaign accounts, limitations on expenditures, and limitations on contributions, apply to any retained funds.

The term “**state office**” means Governor, Lieutenant Governor, Attorney General, Chief Financial Officer, Commissioner of Agriculture, State Senator, State Representative, Justice of the Supreme Court, District Court of Appeal Judge, Circuit Court Judge, State Attorney, and Public Defender.

The term “**same office**” with respect to *legislative office* means an office in the same legislative body, irrespective of district number or designation or geographic boundary.

If a candidate who has retained funds under this subsection does not qualify as a candidate for re-election to the same office, all retained funds shall be disposed of as otherwise required by Section [106.141](#) or [106.11\(5\)](#), Florida Statutes, within 90 days after the last day of candidate qualifying for that office. Requirements in this section applicable to the disposal of surplus funds, including reporting requirements, are applicable to the disposal of retained funds.

(Section [106.141\(6\)](#), Fla. Stat.)

(Section [106.06](#), Fla. Stat.)

(Section [106.22\(10\)](#), Fla. Stat.)

Chapter 23: Recordkeeping Tips

The Division offers the following best practices to help campaign treasurers in setting up a system to record and maintain campaign information.

- Keep a schedule of due dates for campaign treasurer's reports. The Division's website provides each candidate with a calendar of [election](#) and [reporting dates](#).
- Know what period of time each report covers and only report activity occurring during that reporting period.
- If filing with the Division, keep a copy of the electronic receipt for each report filed for your own records. If filing with the local officers, keep the certificate of mailing.
- Record all contributions when received. Make sure to include the name, address, specific occupation, or principal type of business if over \$100, amount, and date of each contribution. Keep contributions itemized by monetary, in-kind, and loans.
- Record all expenditures when they occur. List the name and address of each person to whom the expenditure was made along with the amount, date, and specific purpose.
- Keep a petty cash ledger of all expenditures. These individual listings do not have to be listed on campaign treasurer's reports. However, you must list the total amount withdrawn and total amount spent per reporting period.
- Monitor the cash flow to know how much money is available at all times in the account to avoid any possibility of authorizing an expenditure when money is not available to pay for such expenditure.
- Maintain a listing of all funds currently in the separate interest-bearing account, certificate of deposit or money market account.
- Make sure an authorization for advertising has been obtained from the candidate.

Chapter 24: Florida Elections Commission

The [Florida Elections Commission \(FEC\)](#) is a separate and independent entity from the Division. The FEC consists of nine members appointed by the Governor from lists of names submitted by legislative leaders.

Automatic Fine Appeal Process

Any candidate may appeal or dispute a fine for a late filed campaign treasurer's report. The appeal must be based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date. The candidate may request and is entitled to a hearing before the FEC, which has the authority to waive the fine in whole or in part.

The appeal must be made within 20 days of the receipt of the notice of payment due. The candidate must, within the 20-day period, notify the filing officer in writing of their intention to bring the matter before the FEC.

(Section [106.07\(8\)\(c\)](#), Fla. Stat.)

Complaint Process

Any person who has information of a violation of Chapter [104](#) or [106](#), Florida Statutes, shall file a sworn complaint with the FEC by completing a complaint form and addressing it to:

**The Florida Elections Commission
107 West Gaines Street
Suite 224, Collins Building
Tallahassee, FL 32399-1050**

A complaint form ([FEC Form 1](#)) may be obtained from the FEC or downloaded from the FEC's website at www.fec.state.fl.us. For additional information, contact the FEC at **850.922.4539**.

Appendix B: Frequently Asked Questions

Candidates

Q1. If I want to be a no party affiliation candidate, can I still be registered to vote as a Republican or Democrat?

No. Any person seeking to qualify for office as a candidate with no party affiliation shall, at the time of subscribing to the oath or affirmation, state in writing that he or she is registered without any party affiliation and that he or she has not been a registered member of any political party for 365 days before the beginning of qualifying preceding the general election for which the person seeks to qualify.

(Section [99.021\(1\)\(c\)](#), Fla. Stat.)

Q2. Do I have to designate a campaign treasurer and depository before I make public my intention to run for office?

No. A person must appoint a campaign treasurer and designate a depository prior to qualifying for office, obtaining signatures on petitions, accepting contributions or making expenditures. Nothing in the election laws prohibits a person from announcing their intention to become a candidate prior to designating a treasurer or depository as long as no contributions are received and no expenditures are made in connection with that announcement.

(Section [106.021](#), Fla. Stat.)

Q3. How do I change my campaign treasurer or other officers?

File a reappointment of campaign treasurer ([Form DS-DE 9](#)) with the filing officer along with a copy of the signed letter of resignation or removal.

Q4. How are judges elected in Florida and what are their terms?

Merit Retention

Not all judges in Florida are elected to office. Supreme Court Justices and Judges of the District Court of Appeal are always appointed by the Governor from a list of three to six candidates presented by the Judicial Nominating Commission for that court. The appointed term lasts through the next general election occurring at least one year after the date of appointment and, thereafter, must face a "yes" or "no" vote every six years as to whether they will remain in office. If a judge is not retained, the appointment process starts again. More information can be found from the Florida State Courts website (www.flcourts.org).

Elected Judges

Elected circuit judges and county court judges have six-year terms that begin on the first

Tuesday after the first Monday in January following the general election. They are on the primary and general election ballots the year before the term ends in January. If a judicial candidate receives a majority of the votes at the primary election, the candidate's name will not appear on the general election ballot unless a write-in candidate has qualified for the same office. If no candidate receives a majority of the votes at the primary election, the names of the two candidates receiving the highest number of votes will appear on the general election ballot. The candidate receiving the highest number of votes at the general election is elected to office.

Q5. Can a judicial candidate speak at a political party function?

A judicial candidate may attend and speak in their own behalf at political party functions. However, care must be exercised to ensure compliance with the election laws and the Code of Judicial Conduct. (See [Chapter 105, Florida Statutes](#), and [Division of Elections Advisory Opinion 78-34](#).) See also opinions of the [Judicial Ethics Advisory Committee](#).

Q6. I am a county court judge candidate. Where do I file and qualify?

You must file your qualifying papers with the [Supervisor of Elections](#) office in the county where you reside.

(Section [105.031](#), Fla. Stat.)

Q7. When can I start collecting signatures to qualify as a petition candidate?

Before collecting any signatures, all candidates (except federal and special district candidates) must file the Appointment of Campaign Treasurer and Designation of Campaign Depository ([Form DS-DE 9](#)) with the filing officer. Each petition must be submitted before noon of the 28th day preceding the first day of the qualifying period for the office sought to the [Supervisor of Elections](#) of the county in which such petition was circulated.

Campaign Finance

Q8. Do persons running for a political party executive committee office (e.g. precinct committeeperson) for precinct committeeperson have to file campaign reports?

Only if the person has received a contribution or made an expenditure; if applicable, the person files a single report on the 4th day before the primary election. Although, persons seeking election to political party executive committees are specifically exempt from the definition of "candidate," the political party executive office falls within the definition of "election."

(Sections [103.091](#), [106.011\(3\)](#) and [\(7\)](#), and [106.0702](#) Fla. Stat.)

Q9. May a candidate appoint themselves as campaign treasurer?

Yes.

(Section [106.021\(1\)\(c\)](#), Fla. Stat.)

Q10. Must a campaign treasurer be a registered voter in Florida?

No.

(Section [106.021\(1\)\(c\)](#), Fla. Stat.)

Q11. How many deputy treasurers may a candidate have?

Candidates for statewide office may appoint up to 15 deputy treasurers. Other candidates may appoint up to 3 deputy treasurers.

(Section [106.021\(1\)\(a\)](#), Fla. Stat.)

Q12. Can a deputy treasurer file and submit campaign reports?

Yes. A deputy treasurer may perform all of the duties of a campaign treasurer when specifically authorized to do so by the campaign treasurer.

(Section [106.021\(4\)](#), Fla. Stat.)

Q13. Who is responsible for keeping tabs on aggregate totals of campaign contributions?

The campaign treasurer is responsible for receiving and reporting all contributions.

(Section [106.06](#), Fla. Stat.)

Q14. May a candidate accept a contribution from a trust fund?

Yes. [Chapter 106](#), Florida Statutes, defines a "person" as an individual, corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term also includes a political party, affiliated party committee, or political committee.

(Section [106.011\(14\)](#), Fla. Stat.)

Q15. Do I have to itemize small contributions of \$5, \$10, \$50, etc.?

Yes. The law provides no exceptions for the reporting of contribution information, regardless of the size of the contribution. The full name and address of the contributor are also required.

(Section [106.07\(4\)\(a\)](#), Fla. Stat.)

Q16. Are in-kind contributions subject to the same limitations as monetary contributions?

Yes. In [Chapter 106](#), Florida Statutes, the definition of a "contribution" includes contributions in-kind having an attributable monetary value in any form. Therefore, in-kind contributions are subject to the same limitations set for monetary contributions.

(Sections [106.011\(5\)](#) and [106.08](#), Fla. Stat.)

Q17. How is the value of an in-kind contribution determined?

The contributor must inform the person receiving the contribution of the fair market value at the time it is given.

(Section [106.055](#), Fla. Stat.)

Q18. Can a corporation give to a candidate, political committee or political party?

Yes. A corporation is under the definition of a "person" in [Chapter 106](#), Florida Statutes.

(Section [106.011\(14\)](#), Fla. Stat.)

Q19. I am opposed in the general election, but I have no opposition in the primary election, therefore, my name will not be on the primary election ballot. Must I abide by the prohibition on accepting contributions less than five days prior to the primary election?

No. Only candidates opposed in the primary election are required to comply. However, since you are opposed and your name will appear on the general election ballot, you are required to abide by the prohibition on accepting contributions less than five days prior to the general election.

(Section [106.08\(3\)](#), Fla. Stat.)

Q20. Can I conduct a raffle to raise money for my campaign?

No. Pursuant to Section [849.09](#), Florida Statutes, it is unlawful for any person in this state to set up, promote, or conduct any lottery for money or anything of value.

Q21. I was given cash at a rally and have no information on who it is from. What do I do?

Report this contribution on your campaign report but do not spend these funds on the campaign. After the campaign is over, dispose of the funds pursuant to Section [106.141](#), Florida Statutes.

(Division of Elections Advisory Opinion [89-02](#))

Q22. What are considered "legitimate office expenses" for purposes of office accounts?

As the duties and responsibilities of each office are different, what are considered legitimate office expenses will vary. For expenses not specifically listed in Section [106.141\(5\)](#), Florida Statutes, please contact your office's legal or accounting department.

Q23. Can I use my leftover campaign funds to help fund my future re-election?

No, unless you have been elected to a state office or will be elected to state office after being unopposed after the end of the qualifying period and you seek re-election to the same office. If the exception applies to you, you may retain up to \$20,000 in your campaign account.

(Section [106.141\(6\)](#), Fla. Stat.)

Q24. I am an elected official and still have funds in my office account. I am now beginning my re-election campaign. May I place the surplus funds in the office account into my campaign account for re-election?

No. Funds retained by elected officials in their office accounts may only be used for legitimate expenses in connection with their public office.

(Section [106.141\(5\)](#), Fla. Stat.)

Q25. Do I have to file campaign reports on the [Electronic Filing System \(EFS\)](#)?

If the Division is your filing officer, you are required to file all campaign reports via the [EFS](#). If your filing officer is other than the Division, contact that office to find out its requirements.

(Section [106.0705](#), Fla. Stat.)

Q26. If my treasurer is out of town, can I have an extension to file my report?

No. The election laws do not provide for an extension under these circumstances.

(Sections [106.07\(2\)\(b\)](#) and [\(3\)](#), Fla. Stat.)

Q27. If I make a mistake on my report can I go back in and correct it on the EFS?

Once the report is submitted to the Division, the [EFS](#) will not permit you to go back and make changes. In order to correct mistakes or add and delete information, you must submit an "amendment." If you add activity to a waiver after the report due date, a fine will be imposed based upon the new filing date in accordance with Section [106.07\(8\)\(b\)](#), Florida Statutes.

Q28. If I am late submitting my report, how is my fine calculated?

\$50 per day for the first three days late and, thereafter, \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for reports immediately preceding the primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25% of the total receipts or expenditures, whichever is greater, for the period covered by the late report.

Q29. If I am late submitting my notification of no activity, is an automatic fine assessed?

No, because you had no receipts or expenditures during the reporting period. However, to avoid potential issues in the future, please note that state law (s. [106.07\(7\)](#), Fla. Stat.)

requires you to file by the dates set out also in law, either a campaign finance report or if applicable, a notification that no reportable activity occurred for the reporting period. Failure to do so may constitute a violation of Sections [106.07\(1\)](#) and [106.19\(1\)\(c\)](#), Florida Statutes. The Division is required to notify the [Florida Elections Commission](#) of any apparent violation of [Chapter 106](#), Florida Statutes, or any failure to file a report or information required by [Chapter 106](#), Florida Statutes. If a matter is referred to the [Florida Elections Commission](#), the Commission may assess a civil penalty of up to \$1,000 per violation.

Q30. How long are campaign records kept at the Division of Elections or the supervisor of elections?

Ten years from the date of receipt.

(Sections [98.015\(5\)](#) and [106.22\(4\)](#), Fla. Stat.)

Q31. Does the prohibition against accepting contributions five days prior to an election for “candidates” apply to individuals running for political party executive committee positions?

No, because the prohibition in Section [106.08\(3\)\(a\)](#), Florida Statutes, applies only to a “contribution received by a candidate” and persons running for political party executive committee positions are not “candidates.”

Q32. How can I tell if a provision in [Chapter 106](#), Florida Statutes, applies to individuals running for political party executive committee positions?

Aside from the provisions of Section [106.0702](#), Florida Statutes, expressly applying to these individuals, use the following as a general rule:

If the provision in [Chapter 106](#), Florida Statutes, applies only to a “candidate” or “candidates,” and individuals running for political party executive committee positions are not “candidates,” the provision *will not apply*. However, if the provision applies to an “election” without reference to “candidates,” and because selecting a member of a political party executive committee is included in the definition of “election,” the provision *will apply*.

(1)(a) Any person who believes that a violation of Title III of the Help America Vote Act of 2002 has occurred, is occurring, or is about to occur may file a complaint with the department.

(b) The complaint must be in writing and must be signed and sworn to before a notary by the person filing the complaint. Further, the complaint must state the alleged violation and the person or entity responsible for the violation. The department shall prescribe the form for complaints filed under this section. If the department determines that the complaint fails to allege both a violation and a person or entity responsible for the violation, or that the complaint is not properly executed, the department shall inform the complainant in writing that the complaint is legally insufficient.

(c) For purposes of this section, a violation of Title III of the Help America Vote Act of 2002 is the failure to perform an act required or the performance of an act prohibited by Title III of the Help America Vote Act of 2002 by a covered person or entity.

(d) The department shall have sole jurisdiction over complaints filed under the provisions of this section.

(e) This section provides the sole avenue of redress for alleged violations of Title III of the Help America Vote Act of 2002 and does not give rise to any other cause of action.

(f) The department may consolidate complaints filed under this section.

(g) All proceedings under this section are exempt from chapter 120.

(2)(a) When a legally sufficient complaint is filed with the department, the agency head shall designate a hearing officer who shall:

1. Provide the subject of the complaint with a copy of the complaint. The subject of the complaint shall, within 10 days after receipt of the complaint, file with the department a written, sworn response to the complaint.

2. Upon receipt of the response, the hearing officer shall review both sworn filings to determine whether a violation of Title III of the Help America Vote Act of 2002 has occurred, is occurring, or is about to occur. The complaint and the response shall constitute the official hearing record to be considered by the hearing officer. The hearing officer shall provide the complainant with a copy of the response.

3. At the hearing officer's discretion, the complainant and the respondent may be ordered by the hearing officer to provide additional sworn oral or written statements or additional documents to assist the hearing officer in making his or her determination. Further, other relevant witnesses may also be ordered by the hearing officer to give sworn testimony or to provide relevant documents to assist the hearing officer in making his or her determination. Any such statements or documents received by the hearing officer shall also become part of the official hearing record. For purposes of this section, the hearing officer is authorized to administer oaths and to issue subpoenas.

4. The hearing officer shall advise both the complainant and respondent in writing of their determination. If the hearing officer determines that no violation has occurred, is occurring, or is about to occur, the department shall dismiss the complaint and publish its determination. If the hearing officer determines that a violation of Title III of the Help America Vote Act has occurred, is occurring, or is about to occur, the department shall issue and deliver an order directing the appropriate remedy to persons responsible for effecting such remedy. The issuance of an order does not constitute agency action for which a hearing under s. 120.569 or s. 120.57 may be sought. For purposes of enforcing the order, the department may initiate a proceeding in the name of the state seeking issuance of an injunction, a writ of mandamus, or other equitable remedy against any person who violates any provision of such order.

5. The department shall make a final determination with respect to the complaint within 90 days after the date that the complaint was filed, unless the complainant consents to a longer period for making such a determination.

(3) If, after a court has entered an order or judgment that nullifies or suspends, or orders or justifies official action that is in conflict with, a provision of the Florida Election Code, the Legislature amends the general law to remove the invalidity or unenforceability, the officer, agent, official, or attorney who represents or is acting on behalf of the agency or officer bound by such order or judgment must promptly after such amendment of the general law move to dismiss or otherwise terminate any ongoing jurisdiction of such case.

The statement must further inform the applicant how to determine whether the application has been delivered.

97.0525 Online voter registration.—

(1) An applicant may submit an online voter registration application using the procedures set forth in this section.

(2) The division shall establish and maintain a secure Internet website that safeguards an applicant's information to ensure data integrity and permits an applicant to:

(a) Submit a voter registration application, including first-time voter registration applications and updates to current voter registration records.

(b) Submit information necessary to establish an applicant's eligibility to vote, pursuant to s. 97.041, which includes the information required for the uniform statewide voter registration application pursuant to s. 97.052(2).

(c) Swear to the oath required pursuant to s. 97.051.

(3)(a) The online voter registration system shall comply with the information technology security provisions of s. 282.318 and shall use a unique identifier for each applicant to prevent unauthorized persons from altering a voter's registration information.

(b) The division shall conduct a comprehensive risk assessment of the online voter registration system every 2 years. The comprehensive risk assessment must comply with the risk assessment methodology developed by the Department of Management Services for identifying security risks, determining the magnitude of such risks, and identifying areas that require safeguards. In addition, the comprehensive risk assessment must incorporate all of the following:

1. Load testing and stress testing to ensure that the online voter registration system has sufficient capacity to accommodate foreseeable use, including during periods of high volume of website users in the week immediately preceding the book-closing deadline for an election.

2. Screening of computers and networks used to support the online voter registration system for malware and other vulnerabilities.

3. Evaluation of database infrastructure, including software and operating systems, in order to fortify defenses against cyberattacks.

4. Identification of any anticipated threats to the security and integrity of data collected, maintained, received, or transmitted by the online voter registration system.

(4)(a) The online voter registration system shall compare the Florida driver license number or Florida identification number submitted pursuant to s. 97.052(2)(n) with information maintained by the Department of Highway Safety and Motor Vehicles to confirm that the name and date of birth on the application are consistent with the records of the Department of Highway Safety and Motor Vehicles.

(b) If the applicant's name and date of birth are consistent with the records of the Department of Highway Safety and Motor Vehicles, the online voter registration system shall transmit, using the statewide

voter registration system maintained pursuant to s. 98.035, the applicant's registration application, along with the digital signature of the applicant on file with the Department of Highway Safety and Motor Vehicles, to the supervisor of elections. The applicant's digital signature satisfies the signature requirement of s. 97.052(2)(q).

(c) If the applicant's name and date of birth cannot be verified by the records of the Department of Highway Safety and Motor Vehicles, or if the applicant indicated that he or she has not been issued a Florida driver license or Florida identification card, the online voter registration system shall populate the applicant's information into a printable voter registration application pursuant to s. 97.052(2) and direct the applicant to print, sign, and date the application and deliver the application to the supervisor of elections for disposition pursuant to s. 97.073.

(5) Upon submission of a completed online voter registration application, the website must generate an immediate electronic confirmation that the supervisor of elections has received the application and provide instructions regarding the ability of a registrant to check the status of the application thereafter.

(6) Except as otherwise provided in this section, the supervisor of elections shall process the application pursuant to s. 97.053.

(7) The online voter registration system must conform to nationally accepted standards for accessibility for individuals with disabilities, including s. 508 of the Rehabilitation Act of 1973, s. 255 of the Telecommunications Act of 1996, and the Web Content Accessibility Guidelines of the World Wide Web Consortium, to ensure equal access for voters with disabilities.

(8) A legal distinction may not be made between online voter registration under this section and voter registration in person, by mail, or by other methods provided by general law.

97.053 Acceptance of voter registration applications.—

(1) Voter registration applications, changes in registration, and requests for a replacement voter information card must be accepted in the office of any supervisor, the division, a driver license office, a voter registration agency, or an armed forces recruitment office when hand delivered by the applicant or a third party during the hours that office is open or when mailed.

(2) A voter registration application is complete and becomes the official voter registration record of that applicant when all information necessary to establish the applicant's eligibility pursuant to s. 97.041 is received by a voter registration official and verified pursuant to subsection (6). If the applicant fails to complete his or her voter registration application prior to the date of book closing for an election, then such applicant shall not be eligible to vote in that election.

(3) The registration date for a valid initial voter registration application that has been hand delivered is the date that the application is received by a driver license office, a voter registration agency, an armed

forces recruitment office, the division, or the office of any supervisor in the state.

(4) The registration date for a valid initial voter registration application that has been mailed to a driver license office, a voter registration agency, an armed forces recruitment office, the division, or the office of any supervisor in the state and bears a clear postmark is the date of that postmark. If an initial voter registration application that has been mailed does not bear a postmark or if the postmark is unclear, the registration date is the date the application is received by any supervisor or the division, unless it is received within 5 days after the closing of the books for an election, excluding Saturdays, Sundays, and legal holidays, in which case the registration date is the book-closing date.

(5)(a) A voter registration application is complete if it contains the following information necessary to establish the applicant's eligibility pursuant to s. 97.041, including:

1. The applicant's name.
2. The applicant's address of legal residence, including a distinguishing apartment, suite, lot, room, or dormitory room number or other identifier, if appropriate. Failure to include a distinguishing apartment, suite, lot, room, or dormitory room or other identifier on a voter registration application does not impact a voter's eligibility to register to vote or cast a ballot, and such an omission may not serve as the basis for a challenge to a voter's eligibility or reason to not count a ballot.
3. The applicant's date of birth.
4. A mark in the checkbox affirming that the applicant is a citizen of the United States.
- 5.a. The applicant's current and valid Florida driver license number or the identification number from a Florida identification card issued under s. 322.051, or
 - b. If the applicant has not been issued a current and valid Florida driver license or a Florida identification card, the last four digits of the applicant's social security number.

In case an applicant has not been issued a current and valid Florida driver license, Florida identification card, or social security number, the applicant shall affirm this fact in the manner prescribed in the uniform statewide voter registration application.

6. A mark in the checkbox affirming that the applicant has not been convicted of a felony or that, if convicted, has had his or her voting rights restored.

7. A mark in the checkbox affirming that the applicant has not been adjudicated mentally incapacitated with respect to voting or that, if so adjudicated, has had his or her right to vote restored.

8. The original signature or a digital signature transmitted by the Department of Highway Safety and Motor Vehicles of the applicant swearing or affirming under the penalty for false swearing pursuant to s. 104.011 that the information contained in the registration application is true and subscribing to the oath required by s. 3, Art. VI of the State Constitution and s. 97.051.

(b) An applicant who fails to designate party affiliation must be registered without party affiliation. The

supervisor must notify the voter by mail that the voter has been registered without party affiliation and that the voter may change party affiliation as provided in s. 97.1031.

(6) A voter registration application, including an application with a change in name, address, or party affiliation, may be accepted as valid only after the department has verified the authenticity or nonexistence of the driver license number, the Florida identification card number, or the last four digits of the social security number provided by the applicant. If a completed voter registration application has been received by the book-closing deadline but the driver license number, the Florida identification card number, or the last four digits of the social security number provided by the applicant cannot be verified, the applicant shall be notified that the number cannot be verified and that the applicant must provide evidence to the supervisor sufficient to verify the authenticity of the applicant's driver license number, Florida identification card number, or last four digits of the social security number. If the applicant provides the necessary evidence, the supervisor shall place the applicant's name on the registration rolls as an active voter. If the applicant has not provided the necessary evidence or the number has not otherwise been verified prior to the applicant presenting himself or herself to vote, the applicant shall be provided a provisional ballot. The provisional ballot shall be counted only if the number is verified by the end of the canvassing period or if the applicant presents evidence to the supervisor of elections sufficient to verify the authenticity of the applicant's driver license number, Florida identification card number, or last four digits of the social security number no later than 5 p.m. of the second day following the election.

(7) All voter registration applications received by a voter registration official shall be entered into the statewide voter registration system within 13 days after receipt. Once entered, the application shall be immediately forwarded to the appropriate supervisor of elections.

97.0535 Special requirements for certain applicants.—

(1) Each applicant who registers by mail and who has never previously voted in the state and who the department has verified has not been issued a current and valid Florida driver license, Florida identification card, or social security number shall be required to provide a copy of a current and valid identification, as provided in subsection (3), or indicate that he or she is exempt from the requirements prior to voting. Such identification or indication may be provided at the time of registering, or at any time prior to voting for the first time in the state. If the voter registration application clearly provides information from which a voter registration official can determine that the applicant meets at least one of the exemptions in subsection (4), the voter registration official shall make the notation on the registration records of the statewide voter registration

system and the applicant shall not be required to provide the identification required by this section.

(2) The voter registration official shall, upon accepting the voter registration application submitted pursuant to subsection (1), determine if the applicant provided the required identification at the time of registering. If the required identification was not provided, the supervisor shall notify the applicant that he or she must provide the identification prior to voting the first time in the state.

(3)(a) The following forms of identification shall be considered current and valid if they contain the name and photograph of the applicant and have not expired:

97.055 Registration books; when closed for an election.—

(1)(a) The registration books must be closed on the 29th day before each election and must remain closed until after that election. If an election is called and there are fewer than 29 days before that election, the registration books must be closed immediately.

(b) Except as provided in paragraph (c), when the registration books are closed for an election, updates to

a voter's name, address, and signature pursuant to ss. 98.077 and 101.045 shall be the only changes permitted for purposes of the upcoming election. New voter registration applications must be accepted but only for the purpose of subsequent elections.

(c) When the registration books are closed for an upcoming election, an update or change to a voter's party affiliation made pursuant to s. 97.1031 shall be permitted for that upcoming election unless such election is for the purpose of nominating a political party nominee, in which case the update or change shall be permitted only for the purpose of subsequent elections.

(2) In computing the 29-day period for the closing of the registration books, the day of the election is excluded and all other days are included. (b) Require a driver license examiner to inquire orally or, if the applicant is hearing impaired, inquire in writing whether the applicant wishes to register to vote or update a voter registration record during the completion of a driver license or identification card application, renewal, or change of address.

2. If the applicant declines to register to vote, update the applicant's voter registration record, or change the applicant's address by either orally declining or by failing to sign the voter registration application, the Department of Highway Safety and Motor Vehicles must note such declination on its records and shall forward the declination to the statewide voter registration system.

(3) For the purpose of this section, the Department of Highway Safety and Motor Vehicles, with the approval of the Department of State, shall prescribe:

(9) The Department of Highway Safety and Motor Vehicles shall retain complete records of voter registration information received, processed, and submitted to the statewide voter registration system by the Department of Highway Safety and Motor Vehicles. These records shall be for the explicit purpose of supporting audit and accounting controls established to ensure accurate and complete electronic transmission of records between the statewide voter registration system and the Department of Highway Safety and Motor Vehicles.

(10) The department shall provide the Department of Highway Safety and Motor Vehicles with an electronic database of street addresses valid for use as the address of legal residence as required in s. 97.053(5). The Department of Highway Safety and Motor Vehicles shall compare the address provided by the applicant against the database of valid street addresses. If the address provided by the applicant does not match a valid street address in the database, the applicant will be asked to verify the address provided. The Department of Highway Safety and Motor Vehicles shall not reject any application for voter registration for which a valid match cannot be made.

(11) The Department of Highway Safety and Motor Vehicles shall enter into an agreement with the department to match information in the statewide voter registration system with information in the database of the Department of Highway Safety and Motor Vehicles to the extent required to verify the accuracy of the driver license number, Florida identification number, or last four digits of the social security number provided on applications for voter registration as required in s. 97.053.

(a) The names of the officers of the organization and the name and permanent address of the organization.

(b) The name and address of the organization's registered agent in the state.

(c) The names, permanent addresses, and temporary addresses, if any, of each registration agent registering persons to vote in this state on behalf of the organization. This paragraph does not apply to persons who only solicit applications and do not collect or handle voter registration applications.

(2) The division or the supervisor of elections shall make voter registration forms available to third-party voter registration organizations. All such forms must contain information identifying the organization to which the forms are provided. The division shall maintain a database of all third-party voter registration organizations and the voter registration forms assigned to the third-party voter registration organization. Each supervisor of elections shall provide to the division information on voter registration forms assigned to and received from third-party voter registration organizations. The information must be provided in a format and at times as required by the division by rule. The division must update information on third-party voter registrations daily and make the information publicly available.

(3)(a) A third-party voter registration organization that collects voter registration applications serves as a fiduciary to the applicant, ensuring that any voter registration application entrusted to the organization, irrespective of party affiliation, race, ethnicity, or gender, must be promptly delivered to the division or the supervisor of elections in the county in which the applicant resides within 14 days after the application was completed by the applicant, but not after registration closes for the next ensuing election. If a voter registration application collected by any third-party voter registration organization is not promptly delivered to the division or supervisor of elections in the county in which the applicant resides, the third-party voter registration organization is liable for the following fines:

1. A fine in the amount of \$50 for each application received by the division or the supervisor of elections in the county in which the applicant resides more than 14 days after the applicant delivered the completed voter registration application to the third-party voter

registration organization or any person, entity, or agent acting on its behalf. A fine in the amount of \$250 for each application received if the third-party voter registration organization or person, entity, or agency acting on its behalf acted willfully.

2. A fine in the amount of \$100 for each application collected by a third-party voter registration organization or any person, entity, or agent acting on its behalf, before book closing for any given election for federal or state office and received by the division or the supervisor of elections in the county in which the applicant resides after the book-closing deadline for such election. A fine in the amount of \$500 for each application received if the third-party registration organization or person, entity, or agency acting on its behalf acted willfully.

A fine in the amount of \$1,000 for any application not submitted if the third-party voter registration organization or person, entity, or agency acting on its behalf acted willfully.

The aggregate fine pursuant to this paragraph which may be assessed against a third-party voter registration organization, including affiliate organizations, for violations committed in a calendar year is \$50,000.

(b) A showing by the third-party voter registration organization that the failure to deliver the voter registration application within the required timeframe is based upon force majeure or impossibility of performance shall be an affirmative defense to a violation of this subsection. The secretary may waive the fines described in this subsection upon a showing that the failure to deliver the voter registration application promptly is based upon force majeure or impossibility of performance.

(b) Identify change-of-address information from returned nonforwardable return-if-undeliverable mail sent to all registered voters in the county.

(3) Address confirmation requests sent pursuant to paragraph (2)(a) and mail sent pursuant to paragraph (b) must be addressed to the voter’s address of legal residence, not including voters temporarily residing outside the county and registered in the precinct designated by the supervisor pursuant to s. 101.045(1). If a request is returned as undeliverable, any other notification sent to the voter pursuant to subsection (5) or s. 98.0655 must be addressed to the voter’s mailing address on file, if any.

(4) A registration list maintenance program must be conducted by each supervisor, at a minimum, once each year and must be completed not later than 90 days before the date of any federal election. All list maintenance actions associated with each voter must be entered, tracked, and maintained in the statewide voter registration system.

(5)(a) If the supervisor receives change-of-address information pursuant to the activities conducted in subsection (2), from jury notices signed by the voter and returned to the courts, from the Department of Highway Safety and Motor Vehicles, or from other sources which indicates that a registered voter’s legal residence might have changed to another location within the state, the supervisor must change the registration records to reflect the new address and

must send the voter an address change notice as provided in s. 98.0655(2).

(b) If the supervisor of elections receives change-of-address information pursuant to the activities conducted in subsection (2), from jury notices signed by the voter and returned to the courts, or from other sources which indicates that a registered voter’s legal residence might have changed to a location outside the state, the supervisor of elections shall send an address confirmation final notice to the voter as provided in s. 98.0655(3).

(c) If an address confirmation request required by paragraph (2)(a) is returned as undeliverable without indication of an address change, or there is no response from the voter within 30 days, or if any other non-forwardable return-if-undeliverable mail is returned as undeliverable with no indication of an address change, the supervisor shall send an address confirmation final notice to all addresses on file for the voter.

(d) The supervisor must designate as inactive all voters who have been sent an address confirmation final notice and who have not returned the postage prepaid, preaddressed return form within 30 days or for which the final notice has been returned as undeliverable. Names on the inactive list may not be used to calculate the number of signatures needed on any petition. A voter on the inactive list may be restored to the active list of voters upon the voter updating his or her registration and confirming his or her current address of legal residence, requesting a vote-by-mail ballot and confirming his or her current address of legal residence, or appearing to vote and confirming his or her current address of legal residence. However, if the voter does not update his or her voter registration information, request a vote-by-mail ballot, or vote by the second general election after being placed on the inactive list, the voter’s name shall be removed from the statewide voter registration system and the voter shall be required to reregister to have his or her name restored to the statewide voter registration system.

(6) A notice may not be issued pursuant to this section and a voter’s name may not be removed from the statewide voter registration system later than 90 days prior to the date of a federal election. However, this section does not preclude the correction of registration records based on information submitted by the voter or removal of the name of a voter from the statewide voter registration system at any time upon the voter’s written request, by reason of the voter’s death, or upon a determination of the voter’s ineligibility as provided in s. 98.075(7).

(7)(a) No later than July 31 and January 31 of each year, the supervisor must certify to the department the list maintenance activities conducted during the first 6 months and the second 6 months of the year, respectively, including the number of address confirmation requests sent, the number of voters designated as inactive, and the number of voters removed from the statewide voter registration system.

(b) If, based on the certification provided pursuant to paragraph (a), the department determines that a supervisor has not conducted the list maintenance activities required by this section, the department shall conduct the appropriate list maintenance activities for that

county. Failure to conduct list maintenance activities as required in this section constitutes a violation of s. 104.051.

Note.—The reference to paragraph (b) was added by s. 8, ch. 2022-73; subsection (3) does not contain paragraphs. The intended reference may be to paragraph (2)(b), which appears to be relevant.

98.0655 Registration list maintenance forms.—

The department shall prescribe registration list maintenance forms to be used by the supervisors which must include:

(1) An address confirmation request that must contain:

(a) The voter's name and address of legal residence as shown on the voter registration record;

(b) A request that the voter notify the supervisor if either the voter's name or address of legal residence is incorrect;

(c) If the address confirmation request is required by s. 98.065(2)(a), a statement that if the voter has not changed his or her legal residence or has changed his or her legal residence within the state, the voter should return the form within 30 days after the date on which the notice was sent to the voter; and

(d) Information about updating voter information through the online voter registration system.

(2) An address change notice that must be sent to the newly recorded address of legal residence by forwardable mail, including a postage prepaid, preaddressed return form with which the voter may verify or correct the voter's new address information.

(3) An address confirmation final notice that must be sent to the newly recorded address of legal residence, or to all addresses on file for the voter if no indication of new address has been received, by forwardable mail and must contain a postage prepaid, preaddressed return form and a statement that:

(a) If the voter has not changed his or her legal residence or has changed his or her legal residence within the state, the voter should return the form within 30 days after the date on which the notice was sent to the voter.

(b) If the voter has changed his or her legal residence to a location outside the state:

1. The voter shall return the form, which serves as a request to be removed from the registration books; and

2. The voter shall be provided with information on how to register in the new jurisdiction in order to be eligible to vote.

(c) If the return form is not returned, the voter's name shall be designated as inactive in the statewide voter registration system, and confirmation of the voter's address of legal residence may be required before the voter is authorized to vote in an election.

History.—s. 7, ch. 2008-95; s. 9, ch. 2022-73.

98.075 Registration records maintenance activities; ineligibility determinations.—

(1) **MAINTENANCE OF RECORDS.**—The department shall protect the integrity of the electoral process by ensuring the maintenance of accurate and current voter registration records. List maintenance activities

must be uniform, nondiscriminatory, and in compliance with the Voting Rights Act of 1965, the National Voter Registration Act of 1993, and the Help America Vote Act of 2002. The department may adopt by rule uniform standards and procedures to interpret and administer this section.

(2) DUPLICATE REGISTRATION.—

(a) The department shall identify those voters who are registered more than once or those applicants whose registration applications within the state would result in duplicate registrations. The most recent application shall be deemed an update to the voter registration record.

(b)1. The department may become a member of a nongovernmental entity whose sole purpose is to share and exchange information in order to verify voter registration information. The membership of the nongovernmental entity must be composed solely of election officials of state governments, except that such membership may also include election officials of the District of Columbia. If the department intends to become a member of such a nongovernmental entity, the agreement to join the entity must require that the Secretary of State, or his or her designee, serve as a full member with voting rights on the nongovernmental entity's board of directors within 12 months after joining the entity.

2. The department may share confidential and exempt information after becoming a member of a nongovernmental entity as provided in subparagraph 1. if:

a. Each member of the nongovernmental entity agrees to maintain the confidentiality of such information as required by the laws of the jurisdiction providing the information; or

b. The bylaws of the nongovernmental entity require member jurisdictions and the entity to maintain the confidentiality of information as required by the laws of the jurisdiction providing the information.

3. The department may only become a member of a nongovernmental entity as provided in subparagraph 1. if the entity is controlled and operated by the participating jurisdictions. The entity may not be operated or controlled by the Federal Government or any other entity acting on behalf of the Federal Government. The department must be able to withdraw at any time from any such membership entered into.

4. If the department becomes a member of a nongovernmental entity as provided in subparagraph 1., the Department of Highway Safety and Motor Vehicles must, pursuant to a written agreement with the department, provide driver license or identification card information to the department for the purpose of sharing and exchanging voter registration information with the nongovernmental entity.

5. If the department becomes a member of a nongovernmental entity as provided in subparagraph 1., the department must submit a report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 1 of each year. The report must describe the terms of the nongovernmental entity membership and provide information on the total number of voters removed from the voter

registration system as a result of the membership and the reasons for their removal.

(c) Information received by the department from another state or the District of Columbia upon the department becoming a member of a nongovernmental entity as provided in subparagraph (b)1., which is confidential or exempt pursuant to the laws of that state or the District of Columbia, is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. The department shall provide such information to the supervisors to conduct registration list maintenance activities. This paragraph is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2023, unless reviewed and saved from repeal through reenactment by the Legislature.

(3) DECEASED PERSONS.—

(a)1. The department shall identify those registered voters who are deceased by comparing information received from:

a. The Department of Health as provided in s. 98.093;

b. The United States Social Security Administration, including, but not limited to, any master death file or index compiled by the United States Social Security Administration; and

c. The Department of Highway Safety and Motor Vehicles.

2. Within 7 days after receipt of such information through the statewide voter registration system, the supervisor shall remove the name of the registered voter.

(b) The supervisor shall remove the name of a deceased registered voter from the statewide voter registration system upon receipt of a copy of a death certificate issued by a governmental agency authorized to issue death certificates.

(4) ADJUDICATION OF MENTAL INCAPACITY. The department shall identify those registered voters who have been adjudicated mentally incapacitated with respect to voting and who have not had their voting rights restored by comparing information received from the clerk of the circuit court as provided in s. 98.093. The department shall review such information and make an initial determination as to whether the information is credible and reliable. If the department determines that the information is credible and reliable, the department shall notify the supervisor and provide a copy of the supporting documentation indicating the potential ineligibility of the voter to be registered. Upon receipt of the notice that the department has made a determination of initial credibility and reliability, the supervisor shall adhere to the procedures set forth in subsection (7) prior to the removal of a registered voter from the statewide voter registration system.

(5) FELONY CONVICTION.—The department shall identify those registered voters who have been convicted of a felony and whose voting rights have not been restored by comparing information received from, but not limited to, a clerk of the circuit court, the Board of Executive Clemency, the Department of Corrections, the Department of Law Enforcement, or a United States Attorney's Office, as provided in s. 98.093. The

department shall review such information and make an initial determination as to whether the information is credible and reliable. If the department determines that the information is credible and reliable, the department shall notify the supervisor and provide a copy of the supporting documentation indicating the potential ineligibility of the voter to be registered. Upon receipt of the notice that the department has made a determination of initial credibility and reliability, the supervisor shall adhere to the procedures set forth in subsection (7) prior to the removal of a registered voter's name from the statewide voter registration system.

(6) OTHER BASES FOR INELIGIBILITY.—If the department or supervisor receives information from sources other than those identified in subsections (2)-(5) that a registered voter is ineligible because he or she is deceased, adjudicated a convicted felon without having had his or her voting rights restored, adjudicated mentally incapacitated without having had his or her voting rights restored, does not meet the age requirement pursuant to s. 97.041, is not a United States citizen, is a fictitious person, or has listed a residence that is not his or her legal residence, the supervisor must adhere to the procedures set forth in subsection (7) prior to the removal of a registered voter's name from the statewide voter registration system.

(7) PROCEDURES FOR REMOVAL.—

(a) If the supervisor receives notice or information pursuant to subsections (4)-(6), the supervisor of the county in which the voter is registered shall:

1. Notify the registered voter of his or her potential ineligibility by mail within 7 days after receipt of notice or information. The notice shall include:

a. A statement of the basis for the registered voter's potential ineligibility and a copy of any documentation upon which the potential ineligibility is based. Such documentation must include any conviction from another jurisdiction determined to be a similar offense to murder or a felony sexual offense, as those terms are defined in s. 98.0751.

b. A statement that failure to respond within 30 days after receipt of the notice may result in a determination of ineligibility and in removal of the registered voter's name from the statewide voter registration system.

c. A return form that requires the registered voter to admit or deny the accuracy of the information underlying the potential ineligibility for purposes of a final determination by the supervisor.

d. A statement that, if the voter is denying the accuracy of the information underlying the potential ineligibility, the voter has a right to request a hearing for the purpose of determining eligibility.

e. Instructions for the registered voter to contact the supervisor of elections of the county in which the voter is registered if assistance is needed in resolving the matter.

f. Instructions for seeking restoration of civil rights pursuant to s. 8, Art. IV of the State Constitution and information explaining voting rights restoration pursuant to s. 4, Art. VI of the State Constitution following a felony conviction, if applicable.

2. If the mailed notice is returned as undeliverable, the supervisor shall publish notice once in a newspaper of general circulation in the county in which the voter was last registered. The notice shall contain the following:

- a. The voter's name and address.
- b. A statement that the voter is potentially ineligible to be registered to vote.
- c. A statement that failure to respond within 30 days after the notice is published may result in a determination of ineligibility by the supervisor and removal of the registered voter's name from the statewide voter registration system.
- d. An instruction for the voter to contact the supervisor no later than 30 days after the date of the published notice to receive information regarding the basis for the potential ineligibility and the procedure to resolve the matter.
- e. An instruction to the voter that, if further assistance is needed, the voter should contact the supervisor of elections of the county in which the voter is registered.

3. If a registered voter fails to respond to a notice pursuant to subparagraph 1. or subparagraph 2., the supervisor shall make a final determination of the voter's eligibility. If the supervisor determines that the voter is ineligible, the supervisor shall remove the name of the registered voter from the statewide voter registration system. The supervisor shall notify the registered voter of the supervisor's determination and action.

4. If a registered voter responds to the notice pursuant to subparagraph 1. or subparagraph 2. and admits the accuracy of the information underlying the potential ineligibility, the supervisor shall make a final determination of ineligibility and shall remove the voter's name from the statewide voter registration system. The supervisor shall notify the registered voter of the supervisor's determination and action.

5. If a registered voter responds to the notice issued pursuant to subparagraph 1. or subparagraph 2. and denies the accuracy of the information underlying the potential ineligibility but does not request a hearing, the supervisor shall review the evidence and make a final determination of eligibility. If such registered voter requests a hearing, the supervisor shall send notice to the registered voter to attend a hearing at a time and place specified in the notice. Upon hearing all evidence presented at the hearing, the supervisor shall make a determination of eligibility. If the supervisor determines that the registered voter is ineligible, the supervisor shall remove the voter's name from the statewide voter registration system and notify the registered voter of the supervisor's determination and action.

(b) The following shall apply to this subsection:

1. All determinations of eligibility shall be based on a preponderance of the evidence.
2. All proceedings are exempt from the provisions of chapter 120.
3. Any notice shall be sent to the registered voter by certified mail, return receipt requested, or other means that provides a verification of receipt or shall be published in a newspaper of general circulation where the voter was last registered, whichever is applicable.

4. The supervisor shall remove the name of any registered voter from the statewide voter registration system only after the supervisor makes a final determination that the voter is ineligible to vote.

5. Any voter whose name has been removed from the statewide voter registration system pursuant to a determination of ineligibility may appeal that determination under the provisions of s. 98.0755.

6. Any voter whose name was removed from the statewide voter registration system on the basis of a determination of ineligibility who subsequently becomes eligible to vote must reregister in order to have his or her name restored to the statewide voter registration system.

(8) CERTIFICATION.—

(a) No later than July 31 and January 31 of each year, the supervisor shall certify to the department the activities conducted pursuant to this section during the first 6 months and the second 6 months of the year, respectively. The certification shall include the number of persons to whom notices were sent pursuant to subsection (7), the number of persons who responded to the notices, the number of notices returned as undeliverable, the number of notices published in the newspaper, the number of hearings conducted, and the number of persons removed from the statewide voter registration systems and the reasons for such removals.

(b) If, based on the certification provided pursuant to paragraph (a), the department determines that a supervisor has not satisfied the requirements of this section, the department shall satisfy the appropriate requirements for that county. Failure to satisfy the requirements of this section shall constitute a violation of s. 104.051.

98.0751 Restoration of voting rights; termination of ineligibility subsequent to a felony conviction.—

(1) A person who has been disqualified from voting based on a felony conviction for an offense other than murder or a felony sexual offense must have such disqualification terminated and his or her voting rights restored pursuant to s. 4, Art. VI of the State Constitution upon the completion of all terms of his or her sentence, including parole or probation. The voting disqualification does not terminate unless a person's civil rights are restored pursuant to s. 8, Art. IV of the State Constitution if the disqualification arises from a felony conviction of murder or a felony sexual offense, or if the person has not completed all terms of sentence, as specified in subsection (2).

(2) For purposes of this section, the term:

(a) "Completion of all terms of sentence" means any portion of a sentence that is contained in the four corners of the sentencing document, including, but not limited to:

1. Release from any term of imprisonment ordered by the court as a part of the sentence;

2. Termination from any term of probation or community control ordered by the court as a part of the sentence;

b. Full payment of fines or fees ordered by the court as a part of the sentence or that are ordered by the court as a condition of any form of supervision, including, but not limited to, probation, community control, or parole.

c. The financial obligations required under sub-subparagraph a. or sub-subparagraph b. include only the amount specifically ordered by the court as part of the sentence and do not include any fines, fees, or costs that accrue after the date the obligation is ordered as a part of the sentence.

d. For the limited purpose of addressing a plea for relief pursuant to sub-subparagraph e. and notwithstanding any other statute, rule, or provision of law, a court may not be prohibited from modifying the financial obligations of an original sentence required under sub-subparagraph a. or sub-subparagraph b. Such modification shall not infringe on a defendant's or a victim's rights provided in the United States Constitution or the State Constitution.

e. Financial obligations required under sub-subparagraph a. or sub-subparagraph b. are considered completed in the following manner or in any combination thereof:

(I) Actual payment of the obligation in full.

(II) Upon the payee's approval, either through appearance in open court or through the production of a notarized consent by the payee, the termination by the court of any financial obligation to a payee, including, but not limited to, a victim, or the court.

(III) Completion of all community service hours, if the court, unless otherwise prohibited by law or the State Constitution, converts the financial obligation to community service.

A term required to be completed in accordance with this paragraph shall be deemed completed if the court modifies the original sentencing order to no longer require completion of such term. The requirement to pay any financial obligation specified in this paragraph is not deemed completed upon conversion to a civil lien.

(b) "Felony sexual offense" means any of the following:

1. Any felony offense that serves as a predicate to registration as a sexual offender in accordance with s. 943.0435;

2. Section 491.0112;

10. Section 944.35(3)(b)2.;

11. Section 951.221(1); or

12. Any similar offense committed in another jurisdiction which would be an offense listed in this paragraph if it had been committed in violation of the laws of this state.

(c) "Murder" means either of the following:

1. A violation of any of the following sections which results in the actual killing of a human being:

a. Section 775.33(4).

b. Section 782.04(1), (2), or (3).

c. Section 782.09.

2. Any similar offense committed in another jurisdiction which would be an offense listed in this paragraph if it had been committed in violation of the laws of this state.

(3)(a) The department shall obtain and review information pursuant to s. 98.075(5) related to a person who registers to vote and make an initial determination on whether such information is credible and reliable regarding whether the person is eligible pursuant to s. 4, Art. VI of the State Constitution and this section. Upon making an initial determination of the credibility and reliability of such information, the department shall forward such information to the supervisor of elections pursuant to s. 98.075.

(b) A local supervisor of elections shall verify and make a final determination pursuant to s. 98.075 regarding whether the person who registers to vote is eligible pursuant to s. 4, Art. VI of the State Constitution and this section.

(c) The supervisor of elections may request additional assistance from the department in making the final determination, if necessary.

(4) For the purpose of determining a voter registrant's eligibility, the provisions of this section shall be strictly construed. If a provision is susceptible to differing interpretations, it shall be construed in favor of the registrant.

History.—s. 25, ch. 2019-162; s. 5, ch. 2021-156.

98.0755 Appeal of determination of ineligibility.

Appeal of the supervisor's determination of ineligibility pursuant to s. 98.075(7) may be taken to the circuit court in and for the county where the person was registered. Notice of appeal must be filed within the time and in the manner provided by the Florida Rules of Appellate Procedure and acts as supersedeas. Trial in the circuit court is de novo and governed by the rules of that court. Unless the person can show that his or her name was erroneously or illegally removed from the statewide voter registration system, or that he or she is indigent, the person must bear the costs of the trial in the circuit court. Otherwise, the cost of the appeal must be paid by the supervisor of elections.

History.—s. 21, ch. 2005-278.

98.077 Update of voter signature.—

(1) A registered voter may update his or her signature on file in the statewide voter registration system at any time using a voter registration application submitted to a voter registration official.

(2) The department and supervisors of elections shall include in any correspondence, other than post-card notifications and notices relating to eligibility, sent to a registered voter information regarding when, where, and how to update the voter's signature and shall provide the voter information on how to obtain a voter registration application from a voter registration official which can be returned to update the signature.

(3) At least once during each general election year, the supervisor shall publish in a newspaper of general circulation or other newspaper in the county deemed appropriate by the supervisor a notice specifying when, where, or how a voter can update his or her signature that is on file and how a voter can obtain a voter registration application from a voter registration official.

(4) Except as authorized in ss. 101.048 and 101.68:

(a) All signature updates for use in verifying vote-by-mail and provisional ballots must be received by the appropriate supervisor before the elector's ballot is received by the supervisor or, in the case of provisional ballots, before the elector's ballot is cast.

(b) The signature on file at the time the vote-by-mail ballot is received or at the time the provisional ballot is cast is the signature that shall be used in verifying the signature on the vote-by-mail and provisional ballot certificates, respectively.

98.081 Names removed from the statewide voter registration system; restrictions on reregistering; recordkeeping; restoration of erroneously or illegally removed names.—

(1) When the name of any elector is removed from the statewide voter registration system pursuant to s. 98.065 or s. 98.075, the elector's original registration application shall be retained by the supervisor of elections having custody of the application. As alternatives, registrations removed from the statewide voter registration system may be microfilmed and such microfilms substituted for the original registration applications; or, when voter registration information, including the voter's signature, is maintained digitally or on electronic, magnetic, or optic media, such stored information may be substituted for the original registration application. Such microfilms or stored information shall be retained by the supervisor of elections having custody. In the event the original registration applications are microfilmed or maintained digitally or on electronic or other media, such originals may be destroyed in accordance with the schedule approved by the Bureau of Archives and Records Management of the Division of Library and Information Services of the department.

(2) When the name of any elector has been erroneously or illegally removed from the statewide voter registration system, the name of the elector shall be restored by a voter registration official upon satisfactory proof, even though the registration period for that election is closed.

98.093 Duty of officials to furnish information relating to deceased persons, persons adjudicated mentally incapacitated, persons convicted of a felony, and persons who are not United States citizens.—

(1) In order to identify ineligible registered voters and maintain accurate and current voter registration records in the statewide voter registration system pursuant to procedures in s. 98.065 or s. 98.075, it is necessary for the department and supervisors of elections to receive or access certain information from state and federal officials and entities in the format prescribed.

(2) To the maximum extent feasible, state and local government agencies shall facilitate provision of information and access to data to the department, including, but not limited to, databases that contain reliable criminal records and records of deceased persons. State and local government agencies that provide such data shall do so without charge if the direct cost incurred by those agencies is not significant.

(a) The Department of Health shall furnish monthly to the department a list containing the name, address, date of birth, date of death, social security number, race, and sex of each deceased person 17 years of age or older.

(b) Each clerk of the circuit court shall furnish monthly to the department:

1. A list of those persons who have been adjudicated mentally incapacitated with respect to voting during the preceding calendar month, a list of those persons whose mental capacity with respect to voting has been restored during the preceding calendar month, and a list of those persons who have returned signed jury notices during the preceding months to the clerk of the circuit court indicating a change of address. Each list shall include the name, address, date of birth, race, sex, and, whichever is available, the Florida driver license number, Florida identification card number, or social security number of each such person.

2. Information on the terms of sentence for felony convictions, including any financial obligations for court costs, fees, and fines, of all persons listed in the clerk's records whose last known address in the clerk's records is within this state and who have been convicted of a felony during the preceding month. The information may be provided directly by individual clerks of the circuit court or may be provided on their behalf through the Comprehensive Case Information System. For each felony conviction reported, the information must include:

a. The full name, last known address, date of birth, race, sex, and, if available, the Florida driver license number or Florida identification card number, as applicable, and the social security number of the person convicted.

b. The amounts of all financial obligations, including restitution and court costs, fees, and fines, and, if known, the amount of financial obligations not yet satisfied.

c. The county in which the conviction occurred.

d. The statute number violated, statute table text, date of conviction, and case number.

(c) Upon receipt of information from the United States Attorney, listing persons convicted of a felony in federal court, the department shall use such information to identify registered voters or applicants for voter registration who may be potentially ineligible based on information provided in accordance with s. 98.075.

(d) The Department of Law Enforcement shall identify those persons who have been convicted of a felony who appear in the voter registration records supplied by the statewide voter registration system, in a time and manner that enables the department to meet its obligations under state and federal law.

(e) The Florida Commission on Offender Review shall furnish at least bimonthly to the department data, including the identity of those persons granted clemency in the preceding month or any updates to prior records which have occurred in the preceding month. A person may not qualify as a write-in candidate if the person has also otherwise qualified for nomination or election to such office.

(5) At the time of qualifying for office, each candidate for a constitutional office shall file a full and public disclosure of financial interests pursuant to s. 8, Art. II of the State Constitution, which must be verified under oath or affirmation pursuant to s. 92.525(1)(a), and a candidate for any other office, including local elective office, shall file a statement of financial interests pursuant to s. 112.3145.

(6) The Department of State shall certify to the supervisor of elections, within 7 days after the closing date for qualifying, the names of all duly qualified candidates for nomination or election who have qualified with the Department of State.

(7)(a) In order for a candidate to be qualified, the following items must be received by the filing officer by the end of the qualifying period:

1. A properly executed check drawn upon the candidate's campaign account payable to the person or entity as prescribed by the filing officer in an amount not less than the fee required by s. 99.092, unless the candidate obtained the required number of signatures on petitions pursuant to s. 99.095. The filing fee for a special district candidate is not required to be drawn upon the candidate's campaign account. If a candidate's check is returned by the bank for any reason, the filing officer shall immediately notify the candidate and the candidate shall have until the end of qualifying to pay

the fee with a cashier's check purchased from funds of the campaign account. Failure to pay the fee as provided in this subparagraph shall disqualify the candidate.

2. The candidate's oath required by s. 99.021, which must contain the name of the candidate as it is to appear on the ballot; the office sought, including the district or group number if applicable; and the signature of the candidate, which must be verified under oath or affirmation pursuant to s. 92.525(1)(a).

3. If the office sought is partisan, the written statement of political party affiliation required by s. 99.021(1)(b); or if the candidate is running without party affiliation for a partisan office, the written statement required by s. 99.021(1)(c).

4. The completed form for the appointment of campaign treasurer and designation of campaign depository, as required by s. 106.021.

5. The full and public disclosure or statement of financial interests required by subsection (5). A public officer who has filed the full and public disclosure or statement of financial interests with the Commission on Ethics or the supervisor of elections prior to qualifying for office may file a copy of that disclosure at the time of qualifying.

(b) If the filing officer receives qualifying papers during the qualifying period prescribed in this section which do not include all items as required by paragraph (a) prior to the last day of qualifying, the filing officer shall make a reasonable effort to notify the candidate of the missing or incomplete items and shall inform the candidate that all required items must be received by the close of qualifying. A candidate's name as it is to appear on the ballot may not be changed after the end of qualifying.

(c) The filing officer performs a ministerial function in reviewing qualifying papers. In determining whether a candidate is qualified, the filing officer shall review the qualifying papers to determine whether all items required by paragraph (a) have been properly filed and whether each item is complete on its face, including whether items that must be verified have been properly verified pursuant to s. 92.525(1)(a). The filing officer may not determine whether the contents of the qualifying papers are accurate.

(8) Notwithstanding the qualifying period prescribed in this section, a qualifying office may accept and hold qualifying papers submitted not earlier than 14 days prior to the beginning of the qualifying period, to be processed and filed during the qualifying period.

(9) Notwithstanding the qualifying period prescribed by this section, in each year in which the Legislature apportions the state, the qualifying period for persons seeking to qualify for nomination or election to federal office shall be between noon of the 71st day prior to the primary election, but not later than noon of the 67th day prior to the primary election.

(10) The Department of State may prescribe by rule requirements for filing papers to qualify as a candidate under this section.

(11) The decision of the filing officer concerning whether a candidate is qualified is exempt from the provisions of chapter 120.

99.063 Candidates for Governor and Lieutenant Governor.—

(1) No later than 5 p.m. of the 9th day following the primary election, each candidate for Governor shall designate a Lieutenant Governor as a running mate. Such designation must be made in writing to the Department of State.

(2) No later than 5 p.m. of the 9th day following the primary election, each designated candidate for Lieutenant Governor shall file with the Department of State:

(a) The candidate's oath required by s. 99.021, which must contain the name of the candidate as it is to appear on the ballot; the office sought; and the signature of the candidate, which must be verified under oath or affirmation pursuant to s. 92.525(1)(a).

(b) If the office sought is partisan, the written statement of political party affiliation required by s. 99.021(1)(b); or if the office sought is without party affiliation, the written statement required by s. 99.021(1)(c).

(c) The full and public disclosure of financial interests pursuant to s. 8, Art. II of the State Constitution. A public officer who has filed the full and public disclosure with the Commission on Ethics prior to qualifying for office may file a copy of that disclosure at the time of qualifying.

(3) A designated candidate for Lieutenant Governor is not required to pay a separate qualifying fee or obtain signatures on petitions. Ballot position obtained by the candidate for Governor entitles the designated candidate for Lieutenant Governor, upon receipt by the Department of State of the qualifying papers required by subsection (2), to have his or her name placed on the ballot for the joint candidacy.

(4) In order to have the name of the candidate for Lieutenant Governor printed on the primary election ballot, a candidate for Governor participating in the primary must designate the candidate for Lieutenant Governor, and the designated candidate must qualify no later than the end of the qualifying period specified in s. 99.061.

(5) Failure of the Lieutenant Governor candidate to be designated and qualified by the time specified in subsection (2) shall result in forfeiture of ballot position for the candidate for Governor for the general election.

99.092 Qualifying fee of candidate; notification of Department of State.—

(1) Each person seeking to qualify for nomination or election to any office, except a person seeking to qualify by the petition process pursuant to s. 99.095 and except a person seeking to qualify as a write-in candidate, shall pay a qualifying fee, which shall consist of a filing fee and election assessment, to the officer with whom the person qualifies, and any party assessment levied, and shall attach the original or signed duplicate of the receipt for his or her party assessment or pay the same, in accordance with the provisions of s. 103.121, at the time of filing his or her other qualifying papers. The amount of the filing fee is 3 percent of the annual salary of the office. The amount of the election assessment is 1 percent of the annual salary of the office sought. The election assessment shall be transferred to the Elections Commission Trust Fund. The amount of the party assessment is 2 percent of the annual salary. The annual salary of the office for purposes of computing the filing fee, election assessment, and party assessment shall be computed by multiplying 12 times the monthly salary, excluding any special qualification pay, authorized for such office as of July 1 immediately preceding the first day of qualifying. No qualifying fee shall be returned to the candidate unless the candidate withdraws his or her candidacy before the last date to qualify. If a candidate dies prior to an election and has not withdrawn his or her candidacy before the last date to qualify, the candidate's qualifying fee shall be returned to his or her designated beneficiary, and, if the filing fee or any portion thereof has been transferred to the political party of the candidate, the Secretary of State shall direct the party to return that portion to the designated beneficiary of the candidate.

(2) The supervisor of elections shall, immediately after the last day for qualifying, submit to the Department of State a list containing the names, party affiliations, and addresses of all candidates and the offices for which they qualified.

(2) Any person seeking to qualify for nomination or election to a municipal office who is unable to pay the election assessment without imposing an undue burden on personal resources or on resources otherwise available to him or her shall, upon written certification of such inability given under oath to the qualifying officer, be exempt from paying the election assessment.

99.095 Petition process in lieu of a qualifying fee and party assessment.—

(1) A person who seeks to qualify as a candidate for any office and who meets the petition requirements of this section is not required to pay the qualifying fee or party assessment required by this chapter.

(2)(a) Except as provided in paragraph (b), a candidate must obtain the number of signatures of voters in the geographical area represented by the office sought equal to at least 1 percent of the total number of registered voters of that geographical area, as shown by the compilation by the department for the immediately preceding general election. Signatures may not be obtained until the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to s. 106.021 and are valid only for the qualifying period immediately following such filings.

(b) A candidate for a special district office shall obtain 25 signatures of voters in the geographical area represented by the office sought.

(c) The format of the petition shall be prescribed by the division and shall be used by candidates to reproduce petitions for circulation. If the candidate is running for an office that requires a group or district designation, the petition must indicate that designation and, if it does not, the signatures are not valid. A separate petition is required for each candidate.

(d) In a year of apportionment, any candidate for county or district office seeking ballot position by the petition process may obtain the required number of signatures from any registered voter in the respective county, regardless of district boundaries. The candidate shall obtain at least the number of signatures equal to 1 percent of the total number of registered voters, as shown by a compilation by the department for the immediately preceding general election, divided by the total number of districts of the office involved.

(3) Each petition must be submitted before noon of the 28th day preceding the first day of the qualifying period for the office sought to the supervisor of elections of the county in which such petition was circulated. Each supervisor shall check the signatures on the petitions to verify their status as voters in the county, district, or

other geographical area represented by the office sought. No later than the 7th day before the first day of the qualifying period, the supervisor shall certify the number of valid signatures.

(4)(a) Certifications for candidates for federal, state, multicounty district, or multicounty special district office shall be submitted to the division no later than the 7th day before the first day of the qualifying period for the office sought. The division shall determine whether the required number of signatures has been obtained and shall notify the candidate.

(b) For candidates for county, district, or special district office not covered by paragraph (a), the supervisor shall determine whether the required number of signatures has been obtained and shall notify the candidate.

(5) If the required number of signatures has been obtained, the candidate is eligible to qualify pursuant to s. 99.061.

99.0955 Candidates with no party affiliation; name on general election ballot.—

(1) Each person seeking to qualify for election as a candidate with no party affiliation shall file his or her qualifying papers and pay the qualifying fee or qualify by the petition process pursuant to s. 99.095 with the officer and during the times and under the circumstances prescribed in s. 99.061. Upon qualifying, the candidate is entitled to have his or her name placed on the general election ballot.

(2) The qualifying fee for candidates with no party affiliation shall consist of a filing fee and an election assessment as prescribed in s. 99.092. Filing fees paid to the Department of State shall be deposited into the General Revenue Fund of the state. Filing fees paid to the supervisor of elections shall be deposited into the general revenue fund of the county.

99.096 Minor political party candidates; names on ballot.—Each person seeking to qualify for election as a candidate of a minor political party shall file his or her qualifying papers with, and pay the qualifying fee and, if one has been levied, the party assessment, or qualify by the petition process pursuant to s. 99.095, with the officer and at the times and under the circumstances provided in s. 99.061.

99.09651 Signature requirements for ballot position in year of apportionment.—

(1) In a year of apportionment, any candidate for representative to Congress, state Senate, or state House of Representatives seeking ballot position by the petition process prescribed in s. 99.095 shall obtain at least the number of signatures equal to one-third of 1

percent of the ideal population for the district of the office being sought.

(2) For the purposes of this section, “ideal population” means the total population of the state based upon the most recent decennial census divided by the number of districts for representative to Congress, state Senate, or state House of Representatives. For the purposes of this section, ideal population shall be calculated as of July 1 of the year prior to apportionment. The ideal population for a state Senate district and a state representative district shall be calculated by dividing the total population of the state by 40 for a state Senate district and by dividing by 120 for a state representative district.

(3) Signatures may be obtained from any registered voter in Florida regardless of party affiliation or district boundaries.

(4) Petitions shall state the name of the office the candidate is seeking, but shall not include a district number.

(5) Except as otherwise provided in this section, all requirements and procedures relating to the petition process shall conform to the requirements and procedures in nonapportionment years.

History.—s. 3, ch. 91-107; s. 4, ch. 99-318; s. 17, ch. 2005-277.

99.097 Verification of signatures on petitions.

(1)(a) As determined by each supervisor, based upon local conditions, the checking of names on petitions may be based on the most inexpensive and administratively feasible of either of the following methods of verification:

1. A check of each petition; or
2. A check of a random sample, as provided by the Department of State, of the petitions. The sample must be such that a determination can be made as to whether or not the required number of signatures has been obtained with a reliability of at least 99.5 percent.

(b) Rules and guidelines for petition verification shall be adopted by the Department of State. Rules and guidelines for a random sample method of verification may include a requirement that petitions bear an additional number of names and signatures, not to exceed 15 percent of the names and signatures otherwise required. If the petitions do not meet such criteria or if the petitions are prescribed by s. 100.371, the use of the random sample method of verification is not available to supervisors.

(2) When a petitioner submits petitions which contain at least 15 percent more than the required number of signatures, the petitioner may require that the supervisor of elections use the random sampling verification method in certifying the petition.

(3)(a) If all other requirements for the petition are met, a signature on a petition shall be verified and counted as valid for a registered voter if, after comparing the signature on the petition and the signature of the registered voter in the voter registration system, the supervisor is able to determine that the petition signer is the same as the registered voter, even if the name on the petition is not in substantially the same form as in the voter registration system.

(b) In any situation in which this code requires the form of the petition to be prescribed by the division, no

signature shall be counted toward the number of signatures required unless it is on a petition form prescribed by the division.

(c) If a voter signs a petition and lists an address other than the legal residence where the voter is registered, the supervisor shall treat the signature as if the voter had listed the address where the voter is registered.

(4) The supervisor shall be paid in advance the sum of 10 cents for each signature checked or the actual cost of checking such signature, whichever is less, by the candidate or, in the case of a petition to have an issue placed on the ballot, by the person or organization submitting the petition. However, if a candidate, person, or organization seeking to have an issue placed upon the ballot cannot pay such charges without imposing an undue burden on personal resources or upon the resources otherwise available to such candidate, person, or organization, such candidate, person, or organization shall, upon written certification of such inability given under oath to the supervisor, be entitled to have the signatures verified at no charge. In the event a candidate, person, or organization submitting a petition to have an issue placed upon the ballot is entitled to have the signatures verified at no charge, the supervisor of elections of each county in which the signatures are verified at no charge shall submit the total number of such signatures checked in the county to the Chief Financial Officer no later than December 1 of the general election year, and the Chief Financial Officer shall cause such supervisor of elections to be reimbursed from the General Revenue Fund in an amount equal to 10 cents for each name checked or the actual cost of checking such signatures, whichever is less. In no event shall such reimbursement of costs be deemed or applied as extra compensation for the supervisor. Petitions shall be retained by the supervisors for a period of 1 year following the election for which the petitions were circulated.

(5) The results of a verification pursuant to subparagraph (1)(a)2. may be contested in the circuit court by the candidate; an announced opponent; a representative of a designated political committee; or a person, party, or other organization submitting the petition. The contestant shall file a complaint, together with the fees prescribed in chapter 28, with the clerk of the circuit court in the county in which the petition is certified or in Leon County if the petition covers more than one county within 10 days after midnight of the date the petition is certified; and the complaint shall set forth the grounds on which the contestant intends to establish his or her right to require a complete check of the petition pursuant to subparagraph (1)(a)1. In the event the court orders a complete check of the petition and the result is not changed as to the success or lack of success of the petitioner in obtaining the requisite number of valid signatures, then such candidate, unless the candidate has filed the oath stating that he or she is unable to pay such charges; announced opponent; representative of a designated political committee; or party, person, or organization submitting the petition, unless such person or organization has filed the oath stating inability to pay such charges, shall pay to the supervisor of elections of

each affected county for the complete check an amount calculated at the rate of 10 cents for each additional signature checked or the actual cost of checking such additional signatures, whichever is less.

(6)(a) If any person is paid to solicit signatures on a petition, an undue burden oath may not subsequently be filed in lieu of paying the fee to have signatures verified for that petition.

(b) If an undue burden oath has been filed and payment is subsequently made to any person to solicit signatures on a petition, the undue burden oath is no longer valid and a fee for all signatures previously submitted to the supervisor of elections and any that are submitted thereafter shall be paid by the candidate, person, or organization that submitted the undue burden oath. If contributions as defined in s. 106.011 are received, any monetary contributions must first be used to reimburse the supervisor of elections for any signature verification fees that were not paid because of the filing of an undue burden oath.

99.103 Department of State to remit part of filing fees and party assessments of candidates to state executive committee.—

(1) If more than three-fourths of the full authorized membership of the state executive committee of any party was elected at the last previous election for such members and if such party is declared by the Department of State to have recorded on the registration books of the counties, as of the first Tuesday after the first Monday in January prior to the primary election in general election years, 5 percent of the total registration of such counties when added together, such committee shall receive, for the purpose of meeting its expenses, all filing fees collected by the Department of State from its candidates less an amount equal to 15 percent of the filing fees, which amount the Department of State shall deposit in the General Revenue Fund of the state.

(2) Not later than 20 days after the close of qualifying in even-numbered years, the Department of State shall remit 95 percent of all filing fees, less the amount deposited in general revenue pursuant to subsection (1), or party assessments that may have been collected by the department to the respective state executive committees of the parties complying with subsection (1). Party assessments collected by the Department of State shall be remitted to the appropriate state executive committee, irrespective of other requirements of this section, provided such committee is duly organized under the provisions of chapter 103. The remainder of filing fees or party assessments collected by the Department of State shall be remitted to the appropriate state executive committees not later than the date of the primary election.

Reimbursement shall be based upon actual expenses as filed by the supervisor of elections with the county governing body. The Department of State shall verify the expenses of each special election and each special primary election and authorize payment for reimbursement to each county affected.

History.—s. 2, ch. 74-120; s. 12, ch. 77-175.

100.111 Filling vacancy.—

(1)(a) If any vacancy occurs in any office which is required to be filled pursuant to s. 1(f), Art. IV of the State Constitution and the remainder of the term of such office is 28 months or longer, then at the next general election a person shall be elected to fill the unexpired portion of such term, commencing on the first Tuesday after the first Monday following such general election.

(b) If such a vacancy occurs prior to the first day set by law for qualifying for election to office at such general election, any person seeking nomination or election to

the unexpired portion of the term shall qualify within the time prescribed by law for qualifying for other offices to be filled by election at such general election.

(c) If such a vacancy occurs prior to the primary election but on or after the first day set by law for qualifying, the Secretary of State shall set dates for qualifying for the unexpired portion of the term of such office. Any person seeking nomination or election to the unexpired portion of the term shall qualify within the time set by the Secretary of State. If time does not permit party nominations to be made in conjunction with the primary election, the Governor may call a special primary election to select party nominees for the unexpired portion of such term.

(2) Whenever there is a vacancy for which a special election is required pursuant to s. 100.101, the Governor, after consultation with the Secretary of State, shall fix the dates of a special primary election and a special election. Nominees of political parties shall be chosen under the primary laws of this state in the special primary election to become candidates in the special election. Prior to setting the special election dates, the Governor shall consider any upcoming elections in the jurisdiction where the special election will be held. The dates fixed by the Governor shall be specific days certain and shall not be established by the happening of a condition or stated in the alternative. The dates fixed shall provide a minimum of 2 weeks between each election. In the event a vacancy occurs in the office of state senator or member of the House of Representatives when the Legislature is in regular legislative session, the minimum times prescribed by this subsection may be waived upon concurrence of the Governor, the Speaker of the House of Representatives, and the President of the Senate. If a vacancy occurs in the office of state senator and no session of the Legislature is scheduled to be held prior to the next general election, the Governor may fix the dates for the special primary election and for the special election to coincide with the dates of the primary election and general election. If a vacancy in office occurs in any district in the state Senate or House of Representatives or in any congressional district, and no session of the Legislature, or session of Congress if the vacancy is in a congressional district, is scheduled to be held during the unexpired portion of the term, the Governor is not required to call a special election to fill such vacancy.

(a) The dates for candidates to qualify in such special election or special primary election shall be fixed by the Department of State, and candidates shall qualify not later than noon of the last day so fixed. The dates fixed for qualifying shall allow a minimum of 14 days between the last day of qualifying and the special primary election.

(b) The filing of campaign expense statements by candidates in such special elections or special primaries and by committees making contributions or expenditures to influence the results of such special primaries or special elections shall be not later than such dates as shall be fixed by the Department of State, and in fixing such dates the Department of State shall take into consideration and be governed by the practical time limitations.

(c) The dates for a candidate to qualify by the petition process pursuant to s. 99.095 in such special primary or special election shall be fixed by the Department of State. In fixing such dates the Department of State shall take into consideration and be governed by the practical time limitations. Any candidate seeking to qualify by the petition process in a special primary election shall obtain 25 percent of the signatures required by s. 99.095.

(d) The qualifying fees and party assessments of such candidates as may qualify shall be the same as collected for the same office at the last previous primary for that office. The party assessment shall be paid to the appropriate executive committee of the political party to which the candidate belongs.

(e) Each county canvassing board shall make as speedy a return of the result of such special primary elections and special elections as time will permit, and the Elections Canvassing Commission likewise shall make as speedy a canvass and declaration of the nominees as time will permit.

(3)(a) In the event that death, resignation, withdrawal, or removal should cause a party to have a vacancy in nomination which leaves no candidate for an office from such party, the filing officer before whom the candidate qualified shall notify the chair of the state and county political party executive committee of such party and:

1. If the vacancy in nomination is for a statewide office, the state party chair shall, within 5 days, call a meeting of his or her executive board to consider designation of a nominee to fill the vacancy.

2. If the vacancy in nomination is for the office of United States Representative, state senator, state representative, state attorney, or public defender, the state party chair shall, within 5 days, call a meeting of the state executive committee members residing in the affected county or counties to consider designation of a nominee to fill the vacancy.

3. If the vacancy in nomination is for a county office, the state party chair shall notify the appropriate county chair and, within 5 days, the appropriate county chair shall call a meeting of his or her executive committee to consider designation of a nominee to fill the vacancy.

The name of any person so designated shall be submitted to the filing officer before whom the candidate qualified within 7 days after notice to the chair in order that the person designated may have his or her name on the ballot of the ensuing general election. If the name of the new nominee is submitted after the certification of results of the preceding primary election, however, the ballots shall not be changed and the former party nominee's name will appear on the ballot. Any ballots cast for the former party nominee will be counted for the person designated by the political party to replace the former party nominee. If there is no opposition to the party nominee, the person designated by the political party to replace the former party nominee will be elected to office at the general election.

(b) When, under the circumstances set forth in the preceding paragraph, vacancies in nomination are

required to be filled by committee nominations, such vacancies shall be filled by party rule. In any instance in which a nominee is selected by a committee to fill a vacancy in nomination, such nominee shall pay the same filing fee and take the same oath as the nominee would have taken had he or she regularly qualified for election to such office.

(c) Any person who, at the close of qualifying as prescribed in ss. 99.061 and 105.031, was qualified for nomination or election to or retention in a public office to be filled at the ensuing general election or who attempted to qualify and failed to qualify is prohibited from qualifying as a candidate to fill a vacancy in nomination for any other office to be filled at that general election, even if such person has withdrawn or been eliminated as a candidate for the original office sought. However, this paragraph does not apply to a candidate for the office of Lieutenant Governor who applies to fill a vacancy in nomination for the office of Governor on the same ticket or to a person who has withdrawn or been eliminated as a candidate and who is subsequently designated as a candidate for Lieutenant Governor under s. 99.063.

(4) A vacancy in nomination is not created if an order of a court that has become final determines that a nominee did not properly qualify or did not meet the necessary qualifications to hold the office for which he or she sought to qualify.

(5) In the event of unforeseeable circumstances not contemplated in these general election laws concerning the calling and holding of special primary elections and special elections resulting from court order or other unpredictable circumstances, the Department of State shall have the authority to provide for the conduct of orderly elections.

(1) Whenever a special election is required to fill any vacancy in office, the Governor, after consultation with the Secretary of State, shall issue an order declaring on what day the election shall be held and deliver the order to the Department of State.

(2) The Department of State shall prepare a notice stating what offices are to be filled in the special election, the dates set for the special primary election and the special election, the dates fixed for qualifying for office, the dates fixed for qualifying by the petition process pursuant to s. 99.095, and the dates fixed for filing campaign expense statements.

The action shall be brought against the county commissioners in the case of a county or district referendum, or against the governing authority of the municipality in the case of a municipal referendum. In case any such referendum or the declaration of results thereof shall be adjudged to be illegal and void in any such suit, the judgment shall have the effect of nullifying the referendum. No suit shall be brought to test the validity of any bond referendum unless the suit shall be instituted within 60 days after the declaration of the results of the referendum. In the event proceedings shall be filed in any court to validate the bonds, which have been voted for, then any such taxpayer shall be bound to intervene in such validation suit and contest the validity of the holding of the referendum or the declaration of the results thereof, in which event the exclusive jurisdiction to determine the legality of such referendum or the declaration of the results thereof shall be vested in the court hearing and determining said validation proceedings. If said bonds in the validation proceedings shall be held valid on final hearing or an intervention by the taxpayer shall be interposed and held not to have been sustained, then the judgment in said validation proceedings shall be final and conclusive as to the legality and validity of the referendum and of the declaration of the results thereof,

100.361 Municipal recall.—

(1) **APPLICATION; DEFINITION.**—Any member of the governing body of a municipality or charter county, hereinafter referred to in this section as “municipality,” may be removed from office by the electors of the municipality. When the official represents a district and is elected only by electors residing in that district, only electors from that district are eligible to sign the petition to recall that official and are entitled to vote in the recall election. When the official represents a district and is elected at-large by the electors of the municipality, all electors of the municipality are eligible to sign the petition to recall that official and are entitled to vote in the recall election. Where used in this section, the term “district” shall be construed to mean the area or region of a municipality from which a member of the governing body is elected by the electors from such area or region. Members may be removed from office pursuant to the procedures provided in this section. This method of removing members of the governing body of a municipality is in addition to any other method provided by state law.

(2) RECALL PETITION.—

(a) *Petition content.*—A petition shall contain the name of the person sought to be recalled and a statement of grounds for recall. The statement of grounds may not exceed 200 words, and the stated grounds are limited solely to those specified in paragraph (d). If more than one member of the governing body is sought to be recalled, whether such member is elected by the electors of a district or by the electors of the municipality at-large, a separate recall petition shall be prepared for each member sought to be recalled. Upon request, the content of a petition should be, but is not required to be, provided by the proponent in alternative formats.

(b) Requisite signatures.—

1. In a municipality or district of fewer than 500 electors, the petition shall be signed by at least 50 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

2. In a municipality or district of 500 or more but fewer than 2,000 registered electors, the petition shall be signed by at least 100 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

4. In a municipality or district of 5,000 or more but fewer than 10,000 registered electors, the petition shall

be signed by at least 500 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

5. In a municipality or district of 10,000 or more but fewer than 25,000 registered electors, the petition shall be signed by at least 1,000 electors or by 10 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

6. In a municipality or district of 25,000 or more registered electors, the petition shall be signed by at least 1,000 electors or by 5 percent of the total number of registered electors of the municipality or district as of the preceding municipal election, whichever is greater.

All signatures shall be obtained, as provided in paragraph (e), within a period of 30 days, and all signed and dated petition forms shall be filed at the same time, no later than 30 days after the date on which the first signature is obtained on the petition.

(c) *Recall committee.*—Electors of the municipality or district making charges contained in the statement of grounds for recall, as well as those signing the recall petition, shall be designated as the recall committee. A specific person shall be designated in the petition as chair of the committee, and this person shall act for the committee. The recall committee and the officer being recalled are subject to the provisions of chapter 106.

(d) *Grounds for recall.*—The grounds for removal of elected municipal officials shall, for the purposes of this act, be limited to the following and must be contained in the petition:

1. Malfeasance;
 2. Misfeasance;
 3. Neglect of duty;
 4. Drunkenness;
 5. Incompetence;
 6. Permanent inability to perform official duties;
- and
7. Conviction of a felony involving moral turpitude.

(e) *Signature process.*—Only electors of the municipality or district are eligible to sign the petition. Each elector signing a petition shall sign and date his or her name in ink or indelible pencil. Each petition shall contain appropriate lines for each elector's original signature, printed name, street address, city, county, voter registration number or date of birth, and date signed. The form shall also contain lines for an oath, to be executed by a witness who is to verify the fact that the witness saw each person sign the counterpart of the petition, that each signature appearing thereon is the genuine signature of the person it purports to be, and that the petition was signed in the presence of the witness on the date indicated.

(f) *Filing of signed petitions.*—All signed petition forms shall be filed at the same time, no later than 30 days after the date on which the first signature is obtained on the petition. The person designated as chair of the committee shall file the signed petition forms with the auditor or clerk of the municipality or charter county, or his or her equivalent, hereinafter referred to as

"clerk." The petition may not be amended after it is filed with the clerk.

(g) *Verification of signatures.*—

1. Immediately after the filing of the petition forms, the clerk shall submit such forms to the county supervisor of elections. No more than 30 days after the date on which all petition forms are submitted to the supervisor by the clerk, the supervisor shall promptly verify the signatures in accordance with s. 99.097, and determine whether the requisite number of valid signatures has been obtained for the petition. The committee seeking verification of the signatures shall pay in advance to the supervisor the sum of 10 cents for each signature checked or the actual cost of checking such signatures, whichever is less.

2. Upon filing with the clerk, the petition and all subsequent papers or forms required or permitted to be filed with the clerk in connection with this section must, upon request, be made available in alternative formats by the clerk.

3. If the supervisor determines that the petition does not contain the requisite number of verified and valid signatures, the clerk shall, upon receipt of such written determination, so certify to the governing body of the municipality or charter county and file the petition without taking further action, and the matter shall be at an end. No additional names may be added to the petition, and the petition shall not be used in any other proceeding.

4. If the supervisor determines that the petition has the requisite number of verified and valid signatures, then the procedures outlined in subsection (3) must be followed.

(3) **RECALL PETITION AND DEFENSE.**—

(a) *Notice.*—Upon receipt of a written determination that the requisite number of signatures has been obtained, the clerk shall at once serve upon the person sought to be recalled a certified copy of the petition. Within 5 days after service, the person sought to be recalled may file with the clerk a defensive statement of not more than 200 words.

(b) *Content and preparation.*—Within 5 days after the date of receipt of the defensive statement or after the last date a defensive statement could have been filed, the clerk shall prepare a document entitled "Recall Petition and Defense." The "Recall Petition and Defense" shall consist of the recall petition, including copies of the originally signed petitions and counterparts. The "Recall Petition and Defense" must contain lines which conform to the provisions of paragraph (2)(e), and the defensive statement or, if no defensive statement has been filed, a statement to that effect. The clerk shall make copies of the "Recall Petition and Defense" which are sufficient to carry the signatures of 30 percent of the registered electors. Immediately after preparing and making sufficient copies of the "Recall Petition and Defense," the clerk shall deliver the copies to the person designated as chair of the committee and take his or her receipt therefor.

(c) *Requisite signatures.*—Upon receipt of the "Recall Petition and Defense," the committee may circulate them to obtain the signatures of 15 percent of the electors. All signatures shall be obtained and all signed

petition forms filed with the clerk no later than 60 days after delivery of the "Recall Petition and Defense" to the chair of the committee.

(d) *Signed petitions; request for striking name.*—The clerk shall assemble all signed petitions, check to see that each petition is properly verified by the oath of a witness, and submit such petitions to the county supervisor of elections. Any elector who signs a recall petition has the right to demand in writing that his or her name be stricken from the petition. A written demand signed by the elector shall be filed with the clerk, and, upon receipt of the demand, the clerk shall strike the name of the elector from the petition and place his or her initials to the side of the signature stricken. However, a signature may not be stricken after the clerk has delivered the "Recall Petition and Defense" to the supervisor for verification of the signatures.

(e) *Verification of signatures.*—Within 30 days after receipt of the signed "Recall Petition and Defense," the supervisor shall determine the number of valid signatures, purge the names withdrawn, and certify whether 15 percent of the qualified electors of the municipality have signed the petitions. The supervisor shall be paid by the persons or committee seeking verification the sum of 10 cents for each name checked.

(f) *Reporting.*—If the supervisor determines that the requisite number of signatures has not been obtained, the clerk shall, upon receipt of such written determination, certify such determination to the governing body and retain the petitions. The proceedings shall be terminated, and the petitions shall not again be used. If the supervisor determines that at least 15 percent of the qualified electors signed the petition, the clerk shall, immediately upon receipt of such written determination, serve notice of that determination upon the person sought to be recalled and deliver to the governing body a certificate as to the percentage of qualified electors who signed.

(4) **RECALL ELECTION.**—If the person designated in the petition files with the clerk, within 5 days after the last-mentioned notice, his or her written resignation, the clerk shall at once notify the governing body of that fact, and the resignation shall be irrevocable. The governing body shall then proceed to fill the vacancy according to the provisions of the appropriate law. In the absence of a resignation, the chief judge of the judicial circuit in which the municipality is located shall fix a day for holding a recall election for the removal of those not resigning. Any such election shall be held not less than 30 days or more than 60 days after the expiration of the 5-day period last-mentioned and at the same time as any other general or special election held within the period; but if no such election is to be held within that period, the judge shall call a special recall election to be held within the period aforesaid.

(5) **BALLOTS.**—The ballots at the recall election shall conform to the following: With respect to each person whose removal is sought, the question shall be submitted: "Shall ____ be removed from the office of ____ by recall?" Immediately following each question there shall be printed on the ballots the two propositions in the order here set forth:

"____ (name of person) should be removed from office."

"____ (name of person) should not be removed from office."

(6) FILLING OF VACANCIES; SPECIAL ELECTIONS.—

(a) If an election is held for the recall of members elected only at-large, candidates to succeed them for the unexpired terms shall be voted upon at the same election and shall be elected in the same manner as provided by the appropriate law for the election of candidates at general elections. Candidates shall not be elected to succeed any particular member. If only one member is removed, the candidate receiving the highest number of votes shall be declared elected to fill the vacancy. If more than one member is removed, candidates equal in number to the number of members removed shall be declared elected to fill the vacancies; and, among the successful candidates, those receiving the greatest number of votes shall be declared elected for the longest terms. Cases of ties, and all other matters not herein specially provided for, shall be determined by the rules governing elections generally.

(b) If an election is held for the recall of members elected only from districts, candidates to succeed them for the unexpired terms shall be voted upon at a special election called by the chief judge of the judicial circuit in which the districts are located not less than 30 days or more than 60 days after the expiration of the recall election. The qualifying period, for purposes of this section, shall be established by the chief judge of the judicial circuit after consultation with the clerk. Any candidate seeking election to fill the unexpired term of a recalled district municipal official shall reside in the district represented by the recalled official and qualify for office in the manner required by law. Each candidate receiving the highest number of votes for each office in the special district recall election shall be declared elected to fill the unexpired term of the recalled official. Candidates seeking election to fill a vacancy created by the removal of a municipal official shall be subject to the provisions of chapter 106.

(c) When an election is held for the recall of members of the governing body composed of both members elected at-large and from districts, candidates to succeed them for the unexpired terms shall be voted upon at a special election as provided in paragraph (b).

(d) However, in any recall election held pursuant to paragraph (b) or paragraph (c), if only one member is voted to be removed from office, the vacancy created by the recall shall be filled by the governing body according to the provisions of the appropriate law for filling vacancies.

(7) **EFFECT OF RESIGNATIONS.**—If the member of the governing body being recalled resigns from office prior to the recall election, the remaining members shall fill the vacancy created according to the appropriate law for filling vacancies. If all of the members of the governing body are sought to be recalled and all of the members resign prior to the recall election, the recall election shall be canceled, and a special election shall be called to fill the unexpired terms of the resigning members. If all of the members of the governing body are sought to be recalled and any of the members resign prior to the recall election, the proceedings for the recall of members not resigning and the election of

successors to fill the unexpired terms shall continue and have the same effect as though there had been no resignation.

(8) **WHEN PETITION MAY BE FILED.**—No petition to recall any member of the governing body of a municipality shall be filed until the member has served one-fourth of his or her term of office. No person removed by a recall, or resigning after a petition has been filed against him or her, shall be eligible to be appointed to the governing body within a period of 2 years after the date of such recall or resignation.

(9) **RETENTION OF PETITION.**—The clerk shall preserve in his or her office all papers comprising or connected with a petition for recall for a period of 2 years after they were filed.

(10) **OFFENSES RELATING TO PETITIONS.**—No person shall impersonate another, purposely write his or her name or residence falsely in the signing of any petition for recall or forge any name thereto, or sign any paper with knowledge that he or she is not a qualified elector of the municipality. No person shall employ or pay another to accept employment or payment for circulating or witnessing a recall petition. Any person violating any of the provisions of this section commits a misdemeanor of the second degree and shall, upon conviction, be punished as provided by law.

100.371 Initiatives; procedure for placement on ballot.—

(1) Constitutional amendments proposed by initiative shall be placed on the ballot for the general election, provided the initiative petition has been filed with the Secretary of State no later than February 1 of the year the general election is held. A petition shall be deemed to be filed with the Secretary of State upon the date the secretary determines that valid and verified petition forms have been signed by the constitutionally required number and distribution of electors under this code.

(2) The sponsor of an initiative amendment shall, prior to obtaining any signatures, register as a political committee pursuant to s. 106.03 and submit the text of the proposed amendment to the Secretary of State, with the form on which the signatures will be affixed, and shall obtain the approval of the Secretary of State of such form. The Secretary of State shall adopt rules pursuant to s. 120.54 prescribing the style and requirements of such form. Upon filing with the Secretary of State, the text of the proposed amendment and all forms filed in connection with this section must, upon request, be made available in alternative formats.

(3)(a) A person may not collect signatures or initiative petitions for compensation unless the person is registered as a petition circulator with the Secretary of State.

(b) A citizen may challenge a petition circulator's registration under this section by filing a petition in circuit court. If the court finds that the respondent is not a registered petition circulator, the court may enjoin the respondent from collecting signatures or initiative petitions for compensation until she or he is lawfully registered.

(4) An application for registration must be submitted in the format required by the Secretary of State and must include the following:

(a) The information required to be on the petition form under s. 101.161, including the ballot summary and title as approved by the Secretary of State.

(b) The applicant's name, permanent address, temporary address, if applicable, and date of birth.

(c) An address in this state at which the applicant will accept service of process related to disputes concerning the petition process, if the applicant is not a resident of this state.

(d) A statement that the applicant consents to the jurisdiction of the courts of this state in resolving disputes concerning the petition process.

(e) Any information required by the Secretary of State to verify the applicant's identity or address.

(5) All petitions collected by a petition circulator must contain, in a format required by the Secretary of State, a completed Petition Circulator's Affidavit which includes:

(a) The circulator's name and permanent address;

(b) The following statement, which must be signed by the circulator:

By my signature below, as petition circulator, I verify that the petition was signed in my presence. Under penalties of perjury, I declare that I have read the foregoing Petition Circulator's Affidavit and the facts stated in it are true.

(6) The division or the supervisor of elections shall make hard copy petition forms or electronic portable document format petition forms available to registered petition circulators. All such forms must contain information identifying the petition circulator to which the forms are provided. The division shall maintain a database of all registered petition circulators and the petition forms assigned to each. Each supervisor of elections shall provide to the division information on petition forms assigned to and received from petition circulators. The information must be provided in a format and at times as required by the division by rule. The division must update information on petition forms daily and make the information publicly available.

(7)(a) A sponsor that collects petition forms or uses a petition circulator to collect petition forms serves as a fiduciary to the elector signing the petition form, ensuring that any petition form entrusted to the petition circulator shall be promptly delivered to the supervisor of elections within 30 days after the elector signs the form. If a petition form collected by any petition circulator

is not promptly delivered to the supervisor of elections, the sponsor is liable for the following fines:

1. A fine in the amount of \$50 for each petition form received by the supervisor of elections more than 30 days after the elector signed the petition form or the next business day, if the office is closed. A fine in the amount of \$250 for each petition form received if the sponsor or petition circulator acted willfully.

2. A fine in the amount of \$500 for each petition form collected by a petition circulator which is not submitted to the supervisor of elections. A fine in the amount of \$1,000 for any petition form not submitted if the sponsor or petition circulator acted willfully.

(b) A showing by the sponsor that the failure to deliver the petition form within the required timeframe is based upon force majeure or impossibility of performance is an affirmative defense to a violation of this subsection. The fines described in this subsection may be waived upon a showing that the failure to deliver the petition form promptly is based upon force majeure or impossibility of performance.

(8) If the Secretary of State reasonably believes that a person or entity has committed a violation of this section, the secretary may refer the matter to the Attorney General for enforcement. The Attorney General may institute a civil action for a violation of this section or to prevent a violation of this section. An action for relief may include a permanent or temporary injunction, a restraining order, or any other appropriate order.

(9) The division shall adopt by rule a complaint form for an elector who claims to have had his or her signature misrepresented, forged, or not delivered to the supervisor. The division shall also adopt rules to ensure the integrity of the petition form gathering process, including rules requiring sponsors to account for all petition forms used by their agents. Such rules may require a sponsor or petition circulator to provide identification information on each petition form as determined by the department as needed to assist in the accounting of petition forms.

(10) The date on which an elector signs a petition form is presumed to be the date on which the petition circulator received or collected the petition form.

(11)(a) An initiative petition form circulated for signature may not be bundled with or attached to any other petition. Each signature shall be dated when made and shall be valid until the next February 1 occurring in an even-numbered year for the purpose of the amendment appearing on the ballot for the general election occurring in that same year, provided all other requirements of law are met. The sponsor shall submit signed and dated forms to the supervisor of elections for the county of residence listed by the person signing the form for verification of the number of valid signatures obtained. If a signature on a petition is from a registered voter in another county, the supervisor shall notify the petition sponsor of the misfiled petition. The supervisor shall promptly verify the signatures within 60 days after receipt of the petition forms and payment of a fee for the actual cost of signature verification incurred by the supervisor. However, for petition forms submitted less than 60 days before February 1 of an even-numbered

year, the supervisor shall promptly verify the signatures within 30 days after receipt of the form and payment of the fee for signature verification. The supervisor shall promptly record, in the manner prescribed by the Secretary of State, the date each form is received by the supervisor, and the date the signature on the form is verified as valid. The supervisor may verify that the signature on a form is valid only if:

1. The form contains the original signature of the purported elector.

2. The purported elector has accurately recorded on the form the date on which he or she signed the form.

3. The form sets forth the purported elector's name, address, city, county, and voter registration number or date of birth.

4. The purported elector is, at the time he or she signs the form and at the time the form is verified, a duly qualified and registered elector in the state.

5. The signature was obtained legally, including that if a paid petition circulator was used, the circulator was validly registered under subsection (3) when the signature was obtained.

The supervisor shall retain all signature forms, separating forms verified as valid from those deemed invalid, for at least 1 year following the election for which the petition was circulated.

(b) Each supervisor shall post the actual cost of signature verification on his or her website and may increase such cost, as necessary, on February 2 of each even-numbered year. The division shall also publish each county's current cost on its website. The division and each supervisor shall biennially review available technology aimed at reducing verification costs.

(c) On the last day of each month, or on the last day of each week from December 1 of an odd-numbered year through February 1 of the following year, each supervisor shall post on his or her website the total number of signatures submitted, the total number of invalid signatures, the total number of signatures processed, and the aggregate number of verified valid signatures and the distribution of such signatures by congressional district for each proposed amendment proposed by initiative, along with the following information specific to the reporting period: the total number of signed petition forms received, the total number of signatures verified, the distribution of verified valid signatures by congressional district, and the total number of verified petition forms forwarded to the Secretary of State.

(12) The Secretary of State shall determine from the signatures verified by the supervisors of elections the total number of verified valid signatures and the distribution of such signatures by congressional districts, and the division shall post such information on its website at the same intervals specified in paragraph (11)(c). Upon a determination that the requisite number and distribution of valid signatures have been obtained, the secretary shall issue a certificate of ballot position for that proposed amendment and shall assign a designating number pursuant to s. 101.161.

(13)(a) At the same time the Secretary of State submits an initiative petition to the Attorney General pursuant to s. 15.21, the secretary shall submit a copy of the initiative petition to the Financial Impact Estimating Conference. Within 75 days after receipt of a proposed revision or amendment to the State Constitution by initiative petition from the Secretary of State, the Financial Impact Estimating Conference shall complete an analysis and financial impact statement to be placed on the ballot of the estimated increase or decrease in any revenues or costs to state or local governments and the overall impact to the state budget resulting from the proposed initiative. The 75-day time limit is tolled when the Legislature is in session. The Financial Impact Estimating Conference shall submit the financial impact statement to the Attorney General and Secretary of State. If the initiative petition has been submitted to the Financial Impact Estimating Conference but the validity of signatures has expired and the initiative petition no longer qualifies for ballot placement at the ensuing general election, the Secretary of State must notify the Financial Impact Estimating Conference. The Financial Impact Estimating Conference is not required to complete an analysis and financial impact statement for an initiative petition that fails to meet the requirements of subsection (1) for placement on the ballot before the 75-day time limit, including any tolling period, expires. The initiative petition may be resubmitted to the Financial Impact Estimating Conference if the initiative petition meets the requisite criteria for a subsequent general election cycle. A new Financial Impact Estimating Conference shall be established at such time as the initiative petition again satisfies the criteria in s. 15.21(1).

(b) Immediately upon receipt of a proposed revision or amendment from the Secretary of State, the coordinator of the Office of Economic and Demographic Research shall contact the person identified as the sponsor to request an official list of all persons authorized to speak on behalf of the named sponsor and, if there is one, the sponsoring organization at meetings held by the Financial Impact Estimating Conference. All other persons shall be deemed interested parties or proponents or opponents of the initiative. The Financial Impact Estimating Conference shall provide an opportunity for any representatives of the sponsor, interested parties, proponents, or opponents of the initiative to submit information and may solicit information or analysis from any other entities or agencies, including the Office of Economic and Demographic Research.

(c) All meetings of the Financial Impact Estimating Conference shall be open to the public. The President of the Senate and the Speaker of the House of Representatives, jointly, shall be the sole judge for the interpretation, implementation, and enforcement of this subsection.

1. The Financial Impact Estimating Conference is established to review, analyze, and estimate the financial impact of amendments to or revisions of the State Constitution proposed by initiative. The Financial Impact Estimating Conference shall consist of four principals: one person from the Executive Office of

the Governor; the coordinator of the Office of Economic and Demographic Research, or his or her designee; one person from the professional staff of the Senate; and one person from the professional staff of the House of Representatives. Each principal shall have appropriate fiscal expertise in the subject matter of the initiative. A Financial Impact Estimating Conference may be appointed for each initiative.

2. Principals of the Financial Impact Estimating Conference shall reach a consensus or majority concurrence on a clear and unambiguous financial impact statement, no more than 150 words in length, and immediately submit the statement to the Attorney General. Nothing in this subsection prohibits the Financial Impact Estimating Conference from setting forth a range of potential impacts in the financial impact statement. Any financial impact statement that a court finds not to be in accordance with this section shall be remanded solely to the Financial Impact Estimating Conference for redrafting. The Financial Impact Estimating Conference shall redraft the financial impact statement within 15 days.

3. If the Supreme Court has rejected the initial submission by the Financial Impact Estimating Conference and no redraft has been approved by the Supreme Court by 5 p.m. on the 75th day before the election, the following statement shall appear on the ballot: "The impact of this measure, if any, has not been determined at this time."

(d) The financial impact statement must be separately contained and be set forth after the ballot summary as required in s. 101.161(1).

1. If the financial impact statement projects a net negative impact on the state budget, the ballot must include the statement required by s. 101.161(1)(b).

2. If the financial impact statement projects a net positive impact on the state budget, the ballot must include the statement required by s. 101.161(1)(c).

3. If the financial impact statement estimates an indeterminate financial impact or if the members of the Financial Impact Estimating Conference are unable to agree on the statement required by this subsection, the ballot must include the statement required by s. 101.161(1)(d).

(e)1. Any financial impact statement that the Supreme Court finds not to be in accordance with this subsection shall be remanded solely to the Financial Impact Estimating Conference for redrafting, provided the court's advisory opinion is rendered at least 75 days before the election at which the question of ratifying the amendment will be presented. The Financial Impact Estimating Conference shall prepare and adopt a revised financial impact statement no later than 5 p.m. on the 15th day after the date of the court's opinion.

2. If, by 5 p.m. on the 75th day before the election, the Supreme Court has not issued an advisory opinion on the initial financial impact statement prepared by the Financial Impact Estimating Conference for an initiative amendment that otherwise meets the legal requirements for ballot placement, the financial impact statement shall be deemed approved for placement on the ballot.

3. In addition to the financial impact statement required by this subsection, the Financial Impact Estimating Conference shall draft an initiative financial information statement. The initiative financial information statement should describe in greater detail than the financial impact statement any projected increase or decrease in revenues or costs that the state or local governments would likely experience if the ballot measure were approved. If appropriate, the initiative financial information statement may include both estimated dollar amounts and a description placing the estimated dollar amounts into context. The initiative financial information statement must include both a summary of not more than 500 words and additional detailed information that includes the assumptions that were made to develop the financial impacts, workpapers, and any other information deemed relevant by the Financial Impact Estimating Conference.

4. The Department of State shall have printed, and shall furnish to each supervisor of elections, a copy of the summary from the initiative financial information statements. The supervisors shall have the summary from the initiative financial information statements available at each polling place and at the main office of the supervisor of elections upon request.

5. The Secretary of State and the Office of Economic and Demographic Research shall make available on the Internet each initiative financial information statement in its entirety. In addition, each supervisor of elections whose office has a website shall post the summary from each initiative financial information statement on the website. Each supervisor shall include a copy of each summary from the initiative financial information statements and the Internet addresses for the information statements on the Secretary of State's and the Office of Economic and Demographic Research's websites in the publication or mailing required by s. 101.20.

(14) The Department of State may adopt rules in accordance with s. 120.54 to carry out the provisions of subsections (1)-(14).

(15) No provision of this code shall be deemed to prohibit a private person exercising lawful control over privately owned property, including property held open to the public for the purposes of a commercial enterprise, from excluding from such property persons seeking to engage in activity supporting or opposing initiative amendments.

101.001 Precincts and polling places; boundaries.—

(1) The board of county commissioners in each county, upon recommendation and approval of the supervisor, shall alter or create precincts for voting in the county. Each precinct shall be numbered and, as nearly as practicable, composed of contiguous and compact areas. The supervisor shall designate a polling place at a suitable location within each precinct. The precinct shall not be changed thereafter except with the consent of the supervisor and a majority of the members of the board of county commissioners. The board of county commissioners and the supervisor may have precinct boundaries conform to municipal boundaries in accordance with the provisions of s. 101.002, but, in any event, the registration books shall be maintained in such a manner that there may be determined therefrom the total number of electors in each municipality.

(2) When in any election there are fewer than 25 registered electors of the only political party having candidates on the ballot at any precinct, such precinct may be combined with other adjoining precincts upon the recommendation of the supervisor and the approval of the county commissioners. Notice of the combination of precincts shall be given in the same manner as provided in s. 101.71(2).

(3)(a) Each supervisor of elections shall maintain a suitable map drawn to a scale no smaller than 3 miles to the inch and clearly delineating all major observable features such as roads, streams, and railway lines and showing the current geographical boundaries of each precinct, representative district, and senatorial district, and other type of district in the county subject to the elections process in this code.

(b) The supervisor shall provide to the department data on all precincts in the county associated with the most recent decennial census blocks within each precinct.

(c) The department shall maintain a searchable database that contains the precincts and the corresponding most recent decennial census blocks within the precincts for each county, including a historical file

that allows the census blocks to be traced through the prior decade.

(d) The supervisor of elections shall notify the Secretary of State in writing within 10 days after any reorganization of precincts and shall furnish a copy of the map showing the current geographical boundaries and designation of each new precinct. However, if precincts are composed of whole census blocks, the supervisor may furnish, in lieu of a copy of the map, a list, in an electronic format prescribed by the Department of State, associating each census block in the county with its precinct.

(e) Any precinct established or altered under the provisions of this section shall consist of areas bounded on all sides only by census block boundaries from the most recent United States Census. If the census block boundaries split or conflict with another political boundary listed below, the boundary listed below may be used:

1. Governmental unit boundaries reported in the most recent Boundary and Annexation Survey published by the United States Census Bureau;

2. Visible features that are readily distinguishable upon the ground, such as streets, railroads, tracks, streams, and lakes, and that are indicated upon current census maps, official Department of Transportation maps, official municipal maps, official county maps, or a combination of such maps;

3. Boundaries of public parks, public school grounds, or churches; or

4. Boundaries of counties, incorporated municipalities, or other political subdivisions that meet criteria established by the United States Census Bureau for block boundaries.

(4)(a) Within 10 days after there is any change in the division, number, or boundaries of the precincts, or the location of the polling places, the supervisor of elections shall make in writing an accurate description of any new or altered precincts, setting forth the boundary lines and shall identify the location of each new or altered polling place. A copy of the document describing such changes shall be posted at the supervisor's office.

(b) Any changes in the county precinct data shall be provided to the department within 10 days after a change.

(c) Precinct data shall include all precincts for which precinct-level election results and voting history results are reported.

101.002 Use of system by municipalities.—

(1) The board of county commissioners, with the concurrence of the supervisor of elections, may arrange the boundaries of the precincts in each municipality within the county to conform to the boundaries of the municipality, subject to the concurrence of the governing body of the municipality. All binders, files, and other equipment or materials necessary for the permanent

registration system shall be furnished by the board of county commissioners.

(2) The supervisor of elections shall deliver the records required for a municipal election to the municipal elections boards or other appropriate elections officials before the election and collect them after the election. The municipality shall reimburse the county for the actual costs incurred.

(3) Any person who is a duly registered elector pursuant to this code and who resides within the boundaries of a municipality is qualified to participate in all municipal elections, the provisions of special acts or local charters notwithstanding. Electors who are not registered under the permanent registration system shall not be permitted to vote.

101.045 Electors must be registered in precinct; provisions for change of residence or name.—

(1) A person is not permitted to vote in any election precinct or district other than the one in which the person has his or her legal residence and in which the person is registered. However, a person temporarily

residing outside the county shall be registered in the precinct in which the main office of the supervisor, as designated by the supervisor, is located when the person has no permanent address in the county and it is the person's intention to remain a resident of Florida and of the county in which he or she is registered to vote. Such persons who are registered in the precinct in which the main office of the supervisor, as designated by the supervisor, is located and who are residing outside the county with no permanent address in the county shall not be registered electors of a municipality and therefore shall not be permitted to vote in any municipal election.

(2)(a) An elector who moves from the precinct in which the elector is registered may vote in the precinct to which he or she has moved his or her legal residence, if the change of residence is within the same county or the precinct to which the elector has moved his or her legal residence is within a county that uses an electronic database as a precinct register at the polling place, and the elector completes an affirmation in substantially the following form:

Change of Legal Residence of Registered Voter

Under penalties for false swearing, I, (Name of voter), swear (or affirm) that the former address of my legal residence was (Address of legal residence) in the municipality of _____, in _____ County, Florida, and I was registered to vote in the _____ precinct of _____ County, Florida; that I have not voted in the precinct of my former registration in this election; that I now reside at (Address of legal residence) in the Municipality of _____, in _____ County, Florida, and am therefore eligible to vote in the _____ precinct of _____ County, Florida; and I further swear (or affirm) that I am otherwise legally registered and entitled to vote.

(b) Except for an active uniformed services voter or a member of his or her family and except for an elector who has moved his or her legal residence to a precinct within a county that uses an electronic database as a precinct register at the polling place, an elector whose change of address is from outside the county may not change his or her legal residence at the polling place and must vote a provisional ballot.

(c) An elector whose name changes because of marriage or other legal process may be permitted to vote, provided such elector completes an affirmation in substantially the following form:

Change of Name of Registered Voter

Under penalties for false swearing, I, (New name of voter), swear (or affirm) that my name has been changed because of marriage or other legal process. My former name and address of legal residence appear on the registration records of precinct _____ as follows:

Name _____

Address _____

Municipality _____

County _____
 Florida, Zip _____
 My present name and address of legal residence are as follows:
 Name _____
 Address _____
 Municipality _____
 County _____
 Florida, Zip _____
 and I further swear (or affirm) that I am otherwise legally registered and entitled to vote.

(Signature of voter whose name has changed)

(d) Instead of the affirmation contained in paragraph (a) or paragraph (c), an elector may complete a voter registration application that indicates the change of name or change of address of legal residence.

(e) Such affirmation or application, when completed and presented at the precinct in which such elector is entitled to vote, and upon verification of the elector's registration, shall entitle such elector to vote as provided in this subsection. If the elector's eligibility to vote cannot be determined, he or she shall be entitled to vote a provisional ballot, subject to the requirements and procedures in s. 101.048. Upon receipt of an affirmation or application certifying a change in address of legal residence or name, the supervisor shall as soon as practicable make the necessary changes in the state-wide voter registration system to indicate the change in address of legal residence or name of such elector.

101.048 Provisional ballots.—

(1) At all elections, a voter claiming to be properly registered in the state and eligible to vote at the precinct in the election but whose eligibility cannot be determined, a person whom an election official asserts is not eligible, and other persons specified in the code shall be entitled to vote a provisional ballot. Once voted, the provisional ballot shall be placed in a secrecy envelope and thereafter sealed in a provisional ballot envelope. The provisional ballot shall be deposited in a ballot box. All provisional ballots shall remain sealed in their envelopes for return to the supervisor of elections. The department shall prescribe the form of the provisional ballot envelope. A person casting a provisional ballot shall have the right to present written evidence supporting his or her eligibility to vote to the supervisor of elections by not later than 5 p.m. on the second day following the election.

(2)(a) The county canvassing board shall examine each Provisional Ballot Voter's Certificate and Affirmation to determine if the person voting that ballot was entitled to vote at the precinct where the person cast a vote in the election and that the person had not already cast a ballot in the election. In determining whether a person casting a provisional ballot is entitled to vote, the county canvassing board shall review the information provided in the Voter's Certificate and Affirmation,

written evidence provided by the person pursuant to subsection (1), information provided in any cure affidavit and accompanying supporting documentation pursuant to subsection (6), any other evidence presented by the supervisor, and, in the case of a challenge, any evidence presented by the challenger. A ballot of a person casting a provisional ballot shall be canvassed pursuant to paragraph (b) unless the canvassing board determines by a preponderance of the evidence that the person was not entitled to vote.

(b) If it is determined that the person was registered and entitled to vote at the precinct where the person cast a vote in the election, the canvassing board must compare the signature on the Provisional Ballot Voter's Certificate and Affirmation or the provisional ballot cure affidavit with the signature on the voter's registration or precinct register. A provisional ballot may be counted only if:

1. The signature on the voter's certificate or the cure affidavit matches the elector's signature in the registration books or the precinct register; however, in the case of a cure affidavit, the supporting identification listed in subsection (6) must also confirm the identity of the elector; or

2. The cure affidavit contains a signature that does not match the elector's signature in the registration books or the precinct register, but the elector has submitted a current and valid Tier 1 form of identification confirming his or her identity pursuant to subsection (6).

For purposes of this paragraph, any canvassing board finding that signatures do not match must be by majority vote and beyond a reasonable doubt.

(c) Any provisional ballot not counted must remain in the envelope containing the Provisional Ballot Voter's Certificate and Affirmation and the envelope shall be marked "Rejected as Illegal."

(d) If a provisional ballot is validated following the submission of a cure affidavit, the supervisor must make a copy of the affidavit, affix it to a voter registration application, and immediately process it as a valid request for a signature update pursuant to s. 98.077.

(3) The Provisional Ballot Voter's Certificate and Affirmation shall be in substantially the following form:

(4) Notwithstanding the requirements of subsections (1), (2), and (3), the supervisor of elections may, and for persons with disabilities shall, provide the appropriate provisional ballot to the voter by electronic means that meet the requirements of s. 101.56062, as provided for by the certified voting system. Each person casting a provisional ballot by electronic means shall, prior to casting his or her ballot, complete the Provisional Ballot Voter's Certificate and Affirmation as provided in subsection (3).

(5) Each person casting a provisional ballot shall be given written instructions regarding the person's right to provide the supervisor with written evidence of his or her eligibility to vote and regarding the free access system established pursuant to subsection (7). The instructions must contain the supervisor's contact information along with information on how to access the system and the information the voter will need to provide to obtain information on his or her particular ballot. The instructions shall also include the following statement: "If this is a primary election, you should contact the supervisor of elections' office immediately to confirm that you are registered and can vote in the general election."

(6)(a) As soon as practicable, the supervisor shall, on behalf of the county canvassing board, attempt to notify an elector who has submitted a provisional ballot that does not include the elector's signature or contains a signature that does not match the elector's signature in the registration books or precinct register by:

1. Notifying the elector of the signature deficiency by e-mail and directing the elector to the cure affidavit and instructions on the supervisor's website;

2. Notifying the elector of the signature deficiency by text message and directing the elector to the cure affidavit and instructions on the supervisor's website; or

3. Notifying the elector of the signature deficiency by telephone and directing the elector to the cure affidavit and instructions on the supervisor's website.

In addition to the notification required under subparagraph 1., subparagraph 2., or subparagraph 3., the supervisor must notify the elector of the signature deficiency by first-class mail and direct the elector to the cure affidavit and instructions on the supervisor's website. Beginning the day before the election, the supervisor is not required to provide notice of the signature deficiency by first-class mail, but shall continue to provide notice as required in subparagraph 1., subparagraph 2., or subparagraph 3.

(b) Until 5 p.m. on the 2nd day after an election, the supervisor shall allow an elector who has submitted a provisional ballot with a signature deficiency to complete and submit a cure affidavit.

(c) The elector must complete a cure affidavit in substantially the following form:

PROVISIONAL BALLOT CURE AFFIDAVIT

I, _____, am a qualified voter in this election and a registered voter of _____ County, Florida. I do solemnly swear or affirm that I voted a provisional ballot and that I have not and will not vote more than one ballot in this election. I understand that if I commit or attempt any fraud in connection with voting, vote a fraudulent ballot, or vote more than once in an election, I may be convicted of a felony of the third degree, fined up to \$5,000, and imprisoned for up to 5 years. I understand that my failure to sign this affidavit will invalidate my ballot.

 (Voter's Signature)

 (Address)

(d) Instructions must accompany the cure affidavit in substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING THE AFFIDAVIT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR BALLOT NOT TO COUNT.

1. In order to cure the missing signature or the signature discrepancy on your Provisional Ballot Voter's Certificate and Affirmation, your affidavit should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 5 p.m. on the 2nd day after the election.

2. You must sign your name on the line above (Voter's Signature).

3. You must make a copy of one of the following forms of identification:

a. Tier 1 identification.—Current and valid identification that includes your name and photograph: Florida driver license; Florida identification card issued by the Department of Highway Safety and Motor Vehicles; United States passport; debit or credit card; military identification; student identification; retirement center identification; neighborhood association identification; public assistance identification; veteran health identification card issued by the United States Department of Veterans Affairs; Florida license to carry a concealed weapon or firearm; or employee identification card issued by any branch, department, agency, or entity of the Federal Government, the state, a county, or a municipality; or

b. Tier 2 identification.—ONLY IF YOU DO NOT HAVE A TIER 1 FORM OF IDENTIFICATION, identification that shows your name and current residence address: current utility bill; bank statement; government check; paycheck; or government document (excluding voter information card).

4. Place the envelope bearing the affidavit into a mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing envelope. Mail (if time permits), deliver, or have delivered the completed affidavit along with the copy of your identification to your county supervisor of elections. Be sure there is sufficient postage if mailed and that the supervisor's address is correct. Remember, your information **MUST** reach your county supervisor of elections no later than 5 p.m. on the 2nd day following the election or your ballot will not count.

5. Alternatively, you may fax or e-mail your completed affidavit and a copy of your identification to the supervisor of elections. If e-mailing, please provide these documents as attachments.

6. Submitting a provisional ballot affidavit does not establish your eligibility to vote in this election or guarantee that your ballot will be counted. The county canvassing board determines your eligibility to vote through information provided on the Provisional Ballot Voter's Certificate and Affirmation, written evidence provided by you, including information in your cure affidavit along with any supporting identification, and any other evidence presented by the supervisor of elections or a challenger. You may still be required to present additional written evidence to support your eligibility to vote.

(e) The department and each supervisor shall include the affidavit and instructions on their respective websites. The supervisor shall include his or her office mailing address, e-mail address, and fax number on the page containing the affidavit instructions, and the department's instruction page shall include the office mailing addresses, e-mail addresses, and fax numbers of all supervisors or provide a conspicuous link to such addresses.

(f) The supervisor shall attach each affidavit received to the appropriate provisional ballot envelope containing the Provisional Ballot Voter's Certificate and Affirmation.

(7)(a) Each supervisor shall establish a free access system that allows each person who casts a provisional ballot to determine whether his or her provisional ballot was counted in the final canvass of votes and, if not, the reasons why. Information regarding provisional ballots shall be available no later than 30 days following the election. The system established must restrict information regarding an individual ballot to the person who cast the ballot.

(b) Unless processed as a signature update pursuant to subsection (2), the supervisor shall mail a voter registration application to the elector to be completed indicating the elector's current signature if the signature on the voter's certificate or cure affidavit did not match the elector's signature in the registration books or precinct register.

101.049 Provisional ballots; special circumstances.—

(1) Any person who votes in an election after the regular poll-closing time pursuant to a court or other

order extending the statutory polling hours must vote a provisional ballot. Once voted, the provisional ballot shall be placed in a secrecy envelope and thereafter sealed in a provisional ballot envelope. The election official witnessing the voter's subscription and affirmation on the Provisional Ballot Voter's Certificate shall indicate whether or not the voter met all requirements to vote a regular ballot at the polls. All such provisional ballots shall remain sealed in their envelopes and be transmitted to the supervisor of elections.

(2) Separate and apart from all other ballots, the county canvassing board shall count all late-voted provisional ballots that the canvassing board determines to be valid.

(3) The supervisor shall ensure that late-voted provisional ballots are not commingled with other ballots during the canvassing process or at any other time they are statutorily required to be in the supervisor's possession.

(2)(a) Any person owning or interested in an electronic or electromechanical voting system may submit it to the Department of State for examination. The vote counting segment shall be certified after a satisfactory evaluation testing has been performed according to the standards adopted under s. 101.015(1). This testing shall include, but is not limited to, testing of all software required for the voting system’s operation; the ballot reader; the rote processor, especially in its logic and memory components; the digital printer; the fail-safe operations; the counting center environmental requirements; and the equipment reliability estimate. For the purpose of assisting in examining the system, the department shall employ or contract for services of at least one individual who is expert in one or more fields of data processing, mechanical engineering, and public administration and shall require from the individual a written report of his or her examination.

(b) The person submitting a system for approval or the board of county commissioners of any county seeking approval of a given system shall reimburse the Department of State in an amount equal to the actual costs incurred by the department in examining the system. Such reimbursement shall be made whether or not the system is approved by the department.

(c) Neither the Secretary of State nor any examiner shall have any pecuniary interest in any voting equipment.

(d) The Department of State shall approve or disapprove any voting system submitted to it within 120 days after the date of its initial submission.

(3)(a) Before the Department of State approves the electronic or electromechanical voting system, the person who submitted it for examination shall provide the department with the name, mailing address, and telephone number of a registered agent, which agent must have and continuously maintain an office in this state. Any change in the name, address, or telephone number of the registered agent shall promptly be made known to the department.

(b) Before entering into a contract for the sale or lease of a voting system approved under this section to

any county, the person entering into such contract shall provide the department with the name, mailing address, and telephone number of a registered agent, which agent must have and continuously maintain an office in this state. Any change in the name, address, or telephone number of the registered agent shall promptly be made known to the department.

(d) Within 30 days after completing the examination and upon approval of any electronic or electromechanical voting system, the Department of State shall make and maintain a report on the system, together with a written or printed description and drawings and photographs clearly identifying the system and the operation thereof. As soon as practicable after such filing, the department shall send a notice of certification and, upon request, a copy of the report to the governing bodies of the respective counties of the state. Any voting system that does not receive the approval of the department may not be adopted for or used at any election.

(e) After a voting system has been approved by the Department of State, any change or improvement in the system is required to be approved by the department prior to the adoption of such change or improvement by any county. If any such change or improvement does not comply with the requirements of this act, the department shall suspend all sales of the equipment or system in the state until the equipment or system complies with the requirements of this act.

(4) The Department of State may at any time reexamine any system, or any part thereof, which has previously been approved for the purpose of updating the certification of the system.

101.5606 Requirements for approval of systems.—No electronic or electromechanical voting system shall be approved by the Department of State unless it is so constructed that:

- (1) It permits and requires voting in secrecy.
- (2) It permits each elector to vote at any election for all persons and offices for whom and for which the elector is lawfully entitled to vote, and no others; to vote for as many persons for an office as the elector is entitled to vote for; and to vote for or against any question upon which the elector is entitled to vote.
- (3) It immediately rejects a ballot where the number of votes for an office or measure exceeds the number which the voter is entitled to cast or where the tabulating equipment reads the ballot as a ballot with no votes cast.
- (4) For systems using marksense ballots, it accepts a rejected ballot pursuant to subsection (3) if a voter chooses to cast the ballot, but records no vote for any office that has been overvoted or undervoted.
- (5) It is capable of correctly counting votes.
- (6) It permits each voter at a primary election to vote only for the candidates seeking nomination by the political party in which such voter is registered, for

any candidate for nonpartisan office, and for any question upon which the voter is entitled to vote.

(7) At presidential elections it permits each elector, by one operation, to vote for all presidential electors of a party or for all presidential electors of candidates for President and Vice President with no party affiliation.

(8) It provides a method for write-in voting.

(9) It is capable of accumulating a count of the specific number of ballots tallied for a precinct, accumulating total votes by candidate for each office, and accumulating total votes for and against each question and issue of the ballots tallied for a precinct.

(10) It is capable of tallying votes from ballots of different political parties from the same precinct, in the case of a primary election.

(11) It is capable of automatically producing precinct totals in printed form.

(12) If it is of a type which registers votes electronically, it will permit each voter to change his or her vote for any candidate or upon any question appearing on the official ballot up to the time that the voter takes the final step to register his or her vote and to have the vote computed.

(13) It is capable of providing records from which the operation of the voting system may be audited.

(14) It uses a precinct-count tabulation system.

(15) It does not use an apparatus or device for the piercing of ballots by the voter.

101.56062 Standards for accessible voting systems.—

(1) Notwithstanding anything in this chapter to the contrary, each voting system certified by the Department of State for use in local, state, and federal elections must include the capability to install accessible voter interface devices in the system configuration which will allow the system to meet the following minimum standards:

- (a) The voting system must provide a tactile input or audio input device, or both.
- (b) The voting system must provide a method by which voters can confirm any tactile or audio input by having the capability of audio output using synthetic or recorded human speech that is reasonably phonetically accurate.
- (c) Any operable controls on the input device which are needed for voters who are visually impaired must be discernible tactilely without actuating the keys.
- (d) Audio and visual access approaches must be able to work both separately and simultaneously.
- (e) If a nonaudio access approach is provided, the system may not require color perception. The system must use black text or graphics, or both, on white background or white text or graphics, or both, on black background, unless the office of the Secretary of State approves other high-contrast color combinations that do not require color perception.
- (f) Any voting system that requires any visual perception must offer the election official who programs the system, prior to its being sent to the polling place, the capability to set the font size, as it appears to the

voter, from a minimum of 14 points to a maximum of 24 points.

(g) The voting system must provide audio information, including any audio output using synthetic or recorded human speech or any auditory feedback tones that are important for the use of the audio approach, through at least one mode, by handset or headset, in enhanced auditory fashion (increased amplification), and must provide incremental volume control with output amplification up to a level of at least 97 dB SPL.

(h) For transmitted voice signals to the voter, the voting system must provide a gain adjustable up to a minimum of 20 dB with at least one intermediate step of 12 dB of gain.

(i) For the safety of others, if the voting system has the possibility of exceeding 120 dB SPL, then a mechanism must be included to reset the volume automatically to the voting system's default volume level after every use, for example when the handset is replaced, but not before. Also, universal precautions in the use and sharing of headsets should be followed.

(j) If sound cues and audible information such as "beeps" are used, there must be simultaneous corresponding visual cues and information.

(k) Controls and operable mechanisms must be operable with one hand, including operability with a closed fist, and operable without tight grasping, pinching, or twisting of the wrist.

(l) The force required to operate or activate the controls must be no greater than 5 pounds of force.

(m) Voting booths must have voting controls at a minimum height of 36 inches above the finished floor with a minimum knee clearance of 27 inches high, 30 inches wide, and 19 inches deep, or the accessible voter interface devices must be designed so as to allow their use on top of a table to meet these requirements. Tabletop installations must include adequate privacy.

(n) Any audio ballot must provide the voter with the following functionalities:

1. After the initial instructions that the system requires election officials to provide to each voter, the voter should be able to independently operate the voter interface through the final step of casting a ballot without assistance.

2. The voter must be able to determine the races that he or she is allowed to vote in and to determine which candidates are available in each race.

3. The voter must be able to determine how many candidates may be selected in each race.

4. The voter must be able to have confidence that the physical or vocal inputs given to the system have selected the candidates that he or she intended to select.

5. The voter must be able to review the candidate selections that he or she has made.

6. Prior to the act of casting the ballot, the voter must be able to change any selections previously made and confirm a new selection.

7. The system must communicate to the voter the fact that the voter has failed to vote in a race or has failed to vote the number of allowable candidates in any

race and require the voter to confirm his or her intent to undervote before casting the ballot.

8. The system must prevent the voter from over-voting any race.

9. The voter must be able to input a candidate's name in each race that allows a write-in candidate.

10. The voter must be able to review his or her write-in input to the interface, edit that input, and confirm that the edits meet the voter's intent.

11. There must be a clear, identifiable action that the voter takes to "cast" the ballot. The system must make clear to the voter how to take this action so that the voter has minimal risk of taking the action accidentally but, when the voter intends to cast the ballot, the action can be easily performed.

12. Once the ballot is cast, the system must confirm to the voter that the action has occurred and that the voter's process of voting is complete.

13. Once the ballot is cast, the system must preclude the voter from modifying the ballot cast or voting or casting another ballot.

The functionalities required in this paragraph for certification may be satisfied by either the voting device or by the entire voting system.

(2) Such voting system must include at least one accessible voter interface device installed in each polling place which meets the requirements of this section, except for paragraph (1)(d).

101.56063 Accessibility of voting systems and polling places; intent; eligibility for federal funding.

It is the intent of the Legislature that this state be eligible for any funds that are available from the Federal Government to assist states in providing or improving accessibility of voting systems and polling places for persons having a disability. Accordingly, all state laws, rules, standards, and codes governing voting systems and polling place accessibility must be maintained to ensure the state's eligibility to receive federal funds. It is the intent of the Legislature that all state requirements meet or exceed the minimum federal requirements for voting systems and polling place accessibility. This section shall take effect upon this act becoming a law.

History.—s. 13, ch. 2002-281.

101.56064 Application for federal funds under ch. 2002-281.

—The state may apply for all available federal funds to be used to pay for the costs associated with this act.

101.56065 Voting system defects; disclosure; investigations; penalties.—

(1) For purposes of this section, the term:

(a) "Defect" means:

1. Any failure, fault, or flaw in an electronic or electromechanical voting system approved pursuant to s. 101.5605 which results in nonconformance with the standards in a manner that affects the timeliness or accuracy of the casting or counting of ballots; or

2. Any failure or inability of the voting system manufacturer or vendor to make available or provide approved replacements of hardware or software to the counties that have purchased the approved voting system, the unavailability of which results in the system's nonconformance with the standards in a manner that affects the timeliness or accuracy of the casting or counting of ballots.

(b) "Standards" refers to the requirements in ss. 101.5606 and 101.56062 under which a voting system was approved for use in the state.

(c) "Vendor" means a person who submits or previously submitted a voting system that was approved by the Department of State in accordance with s. 101.5605, or a person who enters into a contract for the sale or lease of a voting system to any county, or that previously entered into such a contract that has not expired.

(2)(a) On January 1 of every odd-numbered year, each vendor shall file a written disclosure with the department identifying any known defect in the voting system or the fact that there is no known defect, the effect of any defect on the operation and use of the approved voting system, and any known corrective measures to cure a defect, including, but not limited to, advisories and bulletins issued to system users.

(b) Implementation of corrective measures approved by the department which enable a system to conform to the standards and ensure the timeliness and accuracy of the casting and counting of ballots constitutes a cure of a defect.

(c) If a vendor becomes aware of the existence of a defect, he or she must file a new disclosure with the department as provided in paragraph (a) within 30 days after the date the vendor determined or reasonably should have determined that the defect existed.

(d) If a vendor discloses to the department that a defect exists, the department may suspend all sales or leases of the voting system in the state and may suspend the use of the system in any election in the state. The department shall provide written notice of any such suspension to each affected vendor and supervisor of elections. If the department determines that the defect no longer exists, the department shall lift the suspension and provide written notice to each affected vendor and supervisor of elections.

(e) If a vendor fails to file a required disclosure for a voting system previously approved by the department, that system may not be sold, leased, or used for elections in the state until it has been submitted for examination and approval and adopted for use pursuant to s. 101.5605. The department shall provide written notice to all supervisors of elections that the system is no longer approved.

(3)(a) If the department has reasonable cause to believe a voting system approved pursuant to s. 101.5605 contains a defect either before, during, or after an election which has not been disclosed pursuant to subsection (2), the department may investigate whether the voting system has a defect.

(b) The department may initiate an investigation pursuant to paragraph (a) on its own initiative or upon the written request of the supervisor of elections of a

county that purchased or leased a voting system that contains the alleged defect.

(c) Upon initiating an investigation, the department shall provide written notice to the vendor and all of the supervisors of elections.

(4)(a) If the department determines by a preponderance of the evidence that a defect exists in the voting system, or that a vendor failed to timely disclose a defect pursuant to subsection (2), the department shall provide written notice to the affected vendor and supervisors of elections.

(b) A vendor entitled to receive notice pursuant to paragraph (a) shall, within 10 days, file a written response to the department which:

1. Denies that the alleged defect exists or existed as alleged by the department or that the vendor failed to timely disclose a defect, and sets forth the reasons for such denial; or

2. Admits that the defect exists or existed as alleged by the department or that the vendor failed to timely disclose a defect.

(c) If the defect has been cured, the vendor shall provide an explanation of how the defect was cured.

(d) If the defect has not been cured, the vendor shall inform the department whether the defect can be cured and shall provide the department with a plan for curing the defect. If the defect can be cured, the department shall establish a timeframe within which to cure the defect.

(5) If after receiving a response from the vendor, the department determines that a defect does not exist or has been cured within the timeframe established by the department, the department shall take no further action.

(6) If the department determines that: a vendor failed to timely disclose a defect; or that a defect exists and a vendor has not filed a written response or has failed to cure within the timeframe established by the department, or if the defect cannot be cured, the department shall impose a civil penalty of \$25,000 for the defect plus an amount equal to the actual costs incurred by the department in conducting the investigation.

(7) If the department finds that a defect existed:

(a) The department may suspend all sales and leases of the voting system and may suspend its use in any county in the state. The department shall provide written notice of the suspension to each affected vendor and supervisor of elections.

(b) If the department determines that a defect no longer exists in a voting system that has been suspended from use pursuant to paragraph (a), the department shall lift the suspension and authorize the sale, lease, and use of the voting system in any election in the state. The department shall provide written notice that the suspension has been lifted to each affected vendor and supervisor of elections.

(c) If the defect cannot be cured, the department may disapprove the voting system for use in elections in the state. The department shall provide written notice to all supervisors of elections that the system is no longer approved. After approval of a system has been withdrawn pursuant to this paragraph, the system may not be sold, leased, or used in elections in the state until it

has been submitted for examination and approval and adopted for use pursuant to s. 101.5605.

(d) Any vendor against whom a civil penalty was imposed under this section may not submit a voting system for approval by the Department of State in accordance with s. 101.5605 or enter into a contract for sale or lease of a voting system in the state until the civil penalties have been paid and the department provides written confirmation to the supervisors of elections of the payment.

(8) The department shall prepare a written report of any investigation conducted pursuant to this section.

(9) The authority of the department under this section is in addition to, and not exclusive of, any other authority provided by law.

(10) All proceedings under this section are exempt from chapter 120.

History.—s. 8, ch. 2013-57; s. 5, ch. 2016-10.

101.5607 Department of State to maintain voting system information; prepare software.—

(1)(a) Copies of the program codes and the user and operator manuals and copies of all software and any other information, specifications, or documentation required by the Department of State relating to an approved electronic or electromechanical voting system and its equipment must be filed with the Department of State by the supervisor of elections at the time of purchase or implementation. Any such information or materials that are not on file with and approved by the Department of State, including any updated or modified materials, may not be used in an election.

(b) Within 24 hours after the completion of any logic and accuracy test conducted pursuant to s. 101.5612, the supervisor of elections shall send by certified mail to the Department of State a copy of the tabulation program which was used in the logic and accuracy testing.

(c) The Department of State may, at any time, review the voting system of any county to ensure compliance with the Electronic Voting Systems Act.

(d) Section 119.071(1)(f) applies to all software on file with the Department of State.

(2)(a) The Department of State may develop software for use with an electronic or electromechanical voting system. The standards and examination procedures developed for software apply to all software developed by the Department of State.

(b) Software prepared by the Department of State is a public record pursuant to chapter 119 and shall be provided at the actual cost of duplication.

101.56075 Voting methods.—For the purpose of designating ballot selections, all voting must be by marksense ballot, using a marking device or a voter interface device that produces a voter-verifiable paper output and meets the voter accessibility requirements for individuals with disabilities under s. 301 of the federal Help America Vote Act of 2002 and s. 101.56062.

History.—s. 6, ch. 2007-30; s. 5, ch. 2010-167; s. 33, ch. 2011-40; s. 9, ch. 2013-57; s. 13, ch. 2019-162.

101.5608 Voting by electronic or electromechanical method; procedures.—

(1) Each elector desiring to vote shall be identified to the clerk or inspector of the election as a duly qualified elector of such election and shall sign his or her name on the precinct register or other form or device provided by the supervisor. The inspector shall compare the signature with the signature on the identification provided by the elector. If the inspector is reasonably sure that the person is entitled to vote, the inspector shall provide the person with a ballot.

(2) When an electronic or electromechanical voting system utilizes a ballot card or marksense ballot, the following procedures shall be followed:

(a) After receiving a ballot from an inspector, the elector shall, without leaving the polling place, retire to a booth or compartment and mark the ballot. After marking his or her ballot, the elector shall place the ballot in a secrecy envelope so that the ballot will be deposited in the tabulator without exposing the voter's choices.

(b) Any voter who spoils his or her ballot or makes an error may return the ballot to the election official and secure another ballot, except that in no case shall a voter be furnished more than three ballots. If the vote tabulation device has rejected a ballot, the ballot shall be considered spoiled and a new ballot shall be provided to the voter unless the voter chooses to cast the rejected ballot. The election official, without examining the original ballot, shall state the possible reasons for the rejection and shall provide instruction to the voter pursuant to s. 101.5611. A spoiled ballot shall be preserved, without examination, in an envelope provided for that purpose. The stub shall be removed from the ballot and placed in an envelope.

(c) The supervisor of elections shall prepare for each polling place at least one ballot box to contain the ballots of a particular precinct, and each ballot box shall be plainly marked with the name of the precinct for which it is intended.

(3) The Department of State shall promulgate rules regarding voting procedures to be used when an electronic or electromechanical voting system is of a type which does not utilize a ballot card or marksense ballot.

(4) In any election in which a write-in candidate has qualified for office, the supervisor of elections shall provide for write-in voting pursuant to rules adopted by the Division of Elections.

History.—s. 8, ch. 73-156; s. 21, ch. 77-175; s. 13, ch. 81-105; s. 5, ch. 82-143; s. 12, ch. 84-302; s. 579, ch. 95-147; s. 20, ch. 2001-40; s. 11, ch. 2002-17; s. 36, ch. 2005-277; s. 35, ch. 2005-278; s. 20, ch. 2008-95.

101.5610 Inspection of ballot by election board.

The election board of each precinct shall cause the voting devices to be put in order, set, adjusted, and made ready for voting when delivered to the polling places. Before the opening of the polls, the election board shall compare the ballots or the ballot information used in the voting devices with the sample ballots furnished and see that the names, numbers, and letters thereon agree and shall certify thereto on forms provided by the supervisor of elections.

History.—s. 10, ch. 73-156; s. 14, ch. 84-302; s. 4, ch. 86-200.

101.5611 Instructions to electors.—

(1) The supervisor of elections shall provide instruction at each polling place regarding the manner of voting with the system. In instructing voters, no precinct official may favor any political party, candidate, or issue. Such instruction shall show the arrangement of candidates and questions to be voted on. Additionally, the supervisor of elections shall provide instruction on the proper method of casting a ballot for the specific voting system utilized in that jurisdiction. Such instruction shall be provided at a place which voters must pass to reach the official voting booth.

(2) The supervisor of elections shall have posted at each polling place a notice that reads: "A person who commits or attempts to commit any fraud in connection with voting, votes a fraudulent ballot, or votes more than once in an election can be convicted of a felony of the third degree and fined up to \$5,000 and/or imprisoned for up to 5 years."

History.—s. 11, ch. 73-156; s. 21, ch. 77-175; s. 581, ch. 95-147; s. 12, ch. 98-129; s. 12, ch. 2002-17.

101.5612 Testing of tabulating equipment.—

(1) All electronic or electromechanical voting systems shall be thoroughly tested at the conclusion of maintenance and programming. Tests shall be sufficient to determine that the voting system is properly programmed, the election is correctly defined on the voting system, and all of the voting system input, output, and communication devices are working properly.

(2) On any day not more than 25 days before the commencement of early voting as provided in s. 101.657, the supervisor of elections shall have the automatic tabulating equipment publicly tested to ascertain that the equipment will correctly count the votes cast for all offices and on all measures. If the ballots to be used at the polling place on election day are not available at the time of the testing, the supervisor may conduct an additional test not more than 10 days before election day. Public notice of the time and place of the test shall be given at least 48 hours prior thereto by publication on the supervisor of elections' website and once in one or more newspapers of general circulation in the county or, if there is no newspaper of general circulation in the county, by posting the notice in at least four conspicuous places in the county. The supervisor or the municipal elections official may, at the time of qualifying, give written notice of the time and location of the public preelection test to each candidate qualifying with that office and obtain a signed receipt that the notice has been given. The Department of State shall give written notice to each statewide candidate at the time of qualifying, or immediately at the end of qualifying, that the voting equipment will be tested and advise each candidate to contact the county supervisor of elections as to the time and location of the public preelection test. The supervisor or the municipal elections official shall, at least 30 days before the commencement of early voting as provided in s. 101.657, send written notice by certified mail to the county party chair of each political party and to all candidates for other than statewide office whose names appear on the ballot in the county and who did not receive written notification from the supervisor or municipal elections

official at the time of qualifying, stating the time and location of the public preelection test of the automatic tabulating equipment. The canvassing board shall convene, and each member of the canvassing board shall certify to the accuracy of the test. For the test, the canvassing board may designate one member to represent it. The test shall be open to representatives of the political parties, the press, and the public. Each political party may designate one person with expertise in the computer field who shall be allowed in the central counting room when all tests are being conducted and when the official votes are being counted. The designee shall not interfere with the normal operation of the canvassing board.

(3) For electronic or electromechanical voting systems configured to tabulate vote-by-mail ballots at a central or regional site, the public testing shall be conducted by processing a preaudited group of ballots so produced as to record a predetermined number of valid votes for each candidate and on each measure and to include one or more ballots for each office which have activated voting positions in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such votes. If any error is detected, the cause therefor shall be corrected and an errorless count shall be made before the automatic tabulating equipment is approved. The test shall be repeated and errorless results achieved immediately before the start of the official count of the ballots and again after the completion of the official count. The programs and ballots used for testing shall be sealed and retained under the custody of the county canvassing board.

(4)(a)1. For electronic or electromechanical voting systems configured to include electronic or electromechanical tabulation devices which are distributed to the precincts, all or a sample of the devices to be used in the election shall be publicly tested. If a sample is to be tested, the sample shall consist of a random selection of at least 5 percent or 10 of the devices for an optical scan system, whichever is greater. For touchscreen systems used for voters having a disability, a sample of at least 2 percent of the devices must be tested. The test shall be conducted by processing a group of ballots, causing the device to output results for the ballots processed, and comparing the output of results to the results expected for the ballots processed. The group of ballots shall be produced so as to record a predetermined number of valid votes for each candidate and on each measure and to include for each office one or more ballots which have activated voting positions in excess of the number allowed by law in order to test the ability of the tabulating device to reject such votes.

2. If any tested tabulating device is found to have an error in tabulation, it shall be deemed unsatisfactory. For each device deemed unsatisfactory, the canvassing board shall take steps to determine the cause of the error, shall attempt to identify and test other devices that could reasonably be expected to have the same error, and shall test a number of additional devices sufficient to determine that all devices are satisfactory. Upon deeming any device unsatisfactory, the canvassing

board may require all devices to be tested or may declare that all devices are unsatisfactory.

3. If the operation or output of any tested tabulation device, such as spelling or the order of candidates on a report, is in error, such problem shall be reported to the canvassing board. The canvassing board shall then determine if the reported problem warrants its deeming the device unsatisfactory.

(b) At the completion of testing under this subsection, the canvassing board or its representative, the representatives of the political parties, and the candidates or their representatives who attended the test shall witness the resetting of each device that passed to a preelection state of readiness and the sealing of each device that passed in such a manner as to secure its state of readiness until the opening of the polls.

(c) The canvassing board or its representative shall execute a written statement setting forth the tabulation devices tested, the results of the testing, the protective counter numbers, if applicable, of each tabulation device, the number of the seal securing each tabulation device at the conclusion of testing, any problems reported to the board as a result of the testing, and whether each device tested is satisfactory or unsatisfactory.

(d) Any tabulating device deemed unsatisfactory shall be recoded, repaired, or replaced and shall be made available for retesting. Such device must be determined by the canvassing board or its representative to be satisfactory before it may be used in any election. The canvassing board or its representative shall announce at the close of the first testing the date, place, and time that any unsatisfactory device will be retested or may, at the option of the board, notify by telephone each person who was present at the first testing as to the date, place, and time that the retesting will occur.

(e) Records must be kept of all preelection testing of electronic or electromechanical tabulation devices used in any election. Such records are to be present and available for inspection and reference during public preelection testing by any person in attendance during such testing. The need of the canvassing board for access to such records during the testing shall take precedence over the need of other attendees to access such records so that the work of the canvassing board will not be delayed or hindered. Records of testing must include, for each device, the name of each person who tested the device and the date, place, time, and results of each test. Records of testing shall be retained as part of the official records of the election in which any device was used.

(5) Any tests involving marksense ballots pursuant to this section shall employ test ballots created by the supervisor of elections using actual ballots that have been printed for the election. If ballot-on-demand ballots will be used in the election, the supervisor shall also create test ballots using the ballot-on-demand technology that will be used to produce ballots in the election, using the same paper stock as will be used for ballots in the election.

2002-17; s. 11, ch. 2004-252; s. 37, ch. 2005-277; s. 7, ch. 2007-30; s. 6, ch. 2010-167; s. 34, ch. 2011-40; s. 11, ch. 2016-37; s. 2, ch. 2020-109.

101.5613 Examination of equipment during voting.—A member of the election board or, for purposes of early voting pursuant to s. 101.657, a representative of the supervisor of elections shall occasionally examine the face of the voting device and the ballot information to determine that the device and the ballot information have not been damaged or tampered with.

History.—s. 13, ch. 73-156; s. 21, ch. 77-175; s. 16, ch. 84-302; s. 12, ch. 2004-252.

101.5614 Canvass of returns.—

(1) As soon as the polls are closed, the election board shall secure the voting devices against further voting. The election board shall thereafter, in the presence of members of the public desiring to witness the proceedings, verify the number of voted ballots, unused ballots, provisional ballots, and spoiled ballots to ascertain whether such number corresponds with the number of ballots issued by the supervisor. If there is a difference, this fact shall be reported in writing to the county canvassing board with the reasons therefor if known. The total number of voted ballots shall be entered on the forms provided. The proceedings of the election board at the precinct after the polls have closed shall be open to the public; however, no person except a member of the election board shall touch any ballot or ballot container or interfere with or obstruct the orderly count of the ballots.

(2) The results of ballots tabulated at precinct locations may be transmitted to the main computer system for the purpose of compilation of complete returns. The security guidelines for transmission of returns shall conform to rules adopted by the Department of State pursuant to s. 101.015.

(3) For each ballot or ballot image on which write-in votes have been cast, the canvassing board shall compare the write-in votes with the votes cast on the ballot; if the total number of votes for any office exceeds the number allowed by law, such votes shall not be counted. All valid votes shall be tallied by the canvassing board.

(4)(a) If any vote-by-mail ballot is physically damaged so that it cannot properly be counted by the voting system's automatic tabulating equipment, a true duplicate copy shall be made of the damaged ballot in an open and accessible room in the presence of witnesses and substituted for the damaged ballot. Likewise, a duplicate ballot shall be made of a vote-by-mail ballot containing an overvoted race if there is a clear indication on the ballot that the voter has made a definite choice in the overvoted race or ballot measure. A duplicate shall include all valid votes as determined by the canvassing board based on rules adopted by the division pursuant to s. 102.166(4). A duplicate may be made of a ballot containing an undervoted race or ballot measure if there is a clear indication on the ballot that the voter has made a definite choice in the undervoted race or ballot measure. A duplicate may not include a vote if the voter's intent in such race or on such measure is not clear. Upon request, a physically present candidate, a political party official, a political committee official, or an

authorized designee thereof, must be allowed to observe the duplication of ballots upon signing an affidavit affirming his or her acknowledgment that disclosure of election results discerned from observing the ballot duplication process while the election is ongoing is a felony, as provided under subsection (8). The observer must be allowed to observe the duplication of ballots in such a way that the observer is able to see the markings on each ballot and the duplication taking place. All duplicate ballots must be clearly labeled "duplicate," bear a serial number which shall be recorded on the defective ballot, and be counted in lieu of the defective ballot. The duplication of ballots must happen in the presence of at least one canvassing board member. After a ballot has been duplicated, the defective ballot shall be placed in an envelope provided for that purpose, and the duplicate ballot shall be tallied with the other ballots for that precinct. If any observer makes a reasonable objection to a duplicate of a ballot, the ballot must be presented to the canvassing board for a determination of the validity of the duplicate. The canvassing board must document the serial number of the ballot in the canvassing board's minutes. The canvassing board must decide whether the duplication is valid. If the duplicate ballot is determined to be valid, the duplicate ballot must be counted. If the duplicate ballot is determined to be invalid, the duplicate ballot must be rejected and a proper duplicate ballot must be made and counted in lieu of the original.

(b) A true duplicate copy shall be made of each federal write-in absentee ballot in the presence of witnesses and substituted for the federal write-in absentee ballot. The duplicate ballot must include all valid votes as determined by the canvassing board based on rules adopted by the division pursuant to s. 102.166(4). All duplicate ballots shall be clearly labeled "duplicate," bear a serial number that shall be recorded on the federal write-in absentee ballot, and be counted in lieu of the federal write-in absentee ballot. After a ballot has been duplicated, the federal write-in absentee ballot shall be placed in an envelope provided for that purpose, and the duplicate ballot shall be tallied with other ballots for that precinct.

(5) If there is no clear indication on the ballot that the voter has made a definite choice for an office or ballot measure, the elector's ballot shall not be counted for that office or measure, but the ballot shall not be invalidated as to those names or measures which are properly marked.

(6) Vote-by-mail ballots may be counted by the voting system's automatic tabulating equipment if they have been marked in a manner which will enable them to be properly counted by such equipment.

(7) The return printed by the voting system's automatic tabulating equipment, to which has been added the return of write-in, vote-by-mail, and manually counted votes and votes from provisional ballots, shall constitute the official return of the election upon certification by the canvassing board. Upon completion of the count, the returns shall be open to the public. A copy of the returns may be posted at the central counting place or at the office of the supervisor of

elections in lieu of the posting of returns at individual precincts.

(8) Any supervisor of elections, deputy supervisor of elections, canvassing board member, election board member, election employee, or other person authorized to observe, review, or inspect ballot materials or observe canvassing who releases any information about votes cast for or against any candidate or ballot measure or any results of any election before the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

101.572 Public inspection of ballots.—

(1) The official ballots and ballot cards received from election boards and removed from vote-by-mail ballot mailing envelopes and voter certificates on such mailing envelopes shall be open for public inspection or examination while in the custody of the supervisor of elections or the county canvassing board at any reasonable time, under reasonable conditions; however, no persons other than the supervisor of elections or his or her employees or the county canvassing board shall handle any official ballot or ballot card. If the ballots are being examined prior to the end of the contest period in s. 102.168, the supervisor of elections shall make a reasonable effort to notify all candidates whose names appear on such ballots or ballot cards by telephone or otherwise of the time and place of the inspection or examination. All such candidates, or their representatives, shall be allowed to be present during the inspection or examination.

(2) A candidate, a political party official, or a political committee official, or an authorized designee thereof, shall be granted reasonable access upon request to review or inspect ballot materials before canvassing or tabulation, including voter certificates on vote-by-mail envelopes, cure affidavits, corresponding comparison signatures, duplicate ballots, and corresponding originals. Before the supervisor begins comparing signatures on vote-by-mail voter certificates, the supervisor must publish notice of the access to be provided under this section, which may be access to the documents or images thereof, and the method of requesting such access. During such review, no person granted access for review may make any copy of a signature.

101.58 Supervising and observing registration and election processes.—

(1) The Department of State may, at any time it deems fit; upon the petition of 5 percent of the registered electors; or upon the petition of any candidate, county executive committee chair, state committeeman or committeewoman, or state executive committee chair, appoint one or more deputies whose duties shall be to observe and examine the registration and election processes and the condition, custody, and operation of voting systems and equipment in any county or

municipality. The deputy shall have access to all registration books and records as well as any other records or procedures relating to the voting process. The deputy may supervise preparation of the voting equipment and procedures for election, and it shall be unlawful for any person to obstruct the deputy in the performance of his or her duty. The deputy shall file with the Department of State a report of his or her findings and observations of the registration and election processes in the county or municipality, and a copy of the report shall also be filed with the clerk of the circuit court of said county. The compensation of such deputies shall be fixed by the Department of State; and costs incurred under this section shall be paid from the annual operating appropriation made to the Department of State.

(2) Upon the written direction of the Secretary of State, any employee of the Department of State having expertise in the matter of concern to the Secretary of State shall have full access to all premises, records, equipment, and staff of the supervisor of elections.

101.591 Voting system audit.—

(1) Immediately following the certification of each election, the county canvassing board or the local board responsible for certifying the election shall conduct a manual audit or an automated, independent audit of the voting systems used in randomly selected precincts.

(2)(a) A manual audit shall consist of a public manual tally of the votes cast in one randomly selected race that appears on the ballot. The tally sheet shall include election-day, vote-by-mail, early voting, provisional, and overseas ballots, in at least 1 percent but no more than 2 percent of the precincts chosen at random by the county canvassing board or the local board responsible for certifying the election. If 1 percent of the precincts is less than one entire precinct, the audit shall be conducted using at least one precinct chosen at random by the county canvassing board or the local board responsible for certifying the election. Such precincts shall be selected at a publicly noticed canvassing board meeting.

(b) An automated audit shall consist of a public automated tally of the votes cast across every race that appears on the ballot. The tally sheet shall include election day, vote-by-mail, early voting, provisional, and overseas ballots in at least 20 percent of the precincts chosen at random by the county canvassing board or the local board responsible for certifying the election. Such precincts shall be selected at a publicly noticed canvassing board meeting.

(c) The division shall adopt rules for approval of an independent audit system which provide that the system, at a minimum, must be:

1. Completely independent of the primary voting system.

2. Fast enough to produce final audit results within the timeframe prescribed in subsection (4).

3. Capable of demonstrating that the ballots of record have been accurately adjudicated by the audit system.

(3) The canvassing board shall post a notice of the audit, including the date, time, and place, in four conspicuous places in the county and on the home page of the county supervisor of elections website.

(4) The audit must be completed and the results made public no later than 11:59 p.m. on the 7th day following certification of the election by the county canvassing board or the local board responsible for certifying the election.

(5) By December 15 of each general election year, the county canvassing board or the board responsible for certifying the election shall provide a report with the results of the audit to the Department of State in a standard format as prescribed by the department. The report must be consolidated into one report with the overvote and undervote report required under s. 101.595(1). The report shall contain, but is not limited to, the following items:

(a) The overall accuracy of audit.

(b) A description of any problems or discrepancies encountered.

(c) The likely cause of such problems or discrepancies.

(d) Recommended corrective action with respect to avoiding or mitigating such circumstances in future elections.

(6) If a manual recount is undertaken pursuant to s. 102.166, the canvassing board is not required to perform the audit provided for in this section.

101.5911 Rulemaking authority for voting system audit procedures.—Effective upon this act becoming a law, the Department of State shall adopt rules to implement the provisions of s. 101.591, as amended by s. 8, chapter 2007-30, Laws of Florida, which prescribe detailed audit procedures for each voting system, which shall be uniform to the extent practicable, along with the standard form for audit reports.

History.—s. 9, ch. 2007-30.

101.595 Analysis and reports of voting problems.—

(1) No later than December 15 of each general election year, the supervisor of elections in each county shall report to the Department of State the total number of overvotes and undervotes in the “President and Vice President” or “Governor and Lieutenant Governor” race that appears first on the ballot or, if neither appears, the first race appearing on the ballot pursuant to s. 101.151(2), along with the likely reasons for such overvotes and undervotes and other information as may be useful in evaluating the performance of the voting system and identifying problems with ballot design and instructions which may have contributed to voter confusion. This report must be consolidated into one report with the audit report required under s. 101.591(5).

(2) The Department of State, upon receipt of such information, shall prepare a public report on the

performance of each type of voting system. The report must contain, but is not limited to, the following information:

(a) An identification of problems with the ballot design or instructions which may have contributed to voter confusion;

(b) An identification of voting system design problems; and

(c) Recommendations for correcting any problems identified.

(3) The Department of State shall submit the report to the Governor, the President of the Senate, and the Speaker of the House of Representatives by February 15 of each year following a general election.

101.6101 Short title.—Sections 101.6101-101.6107 may be cited as the “Mail Ballot Election Act.”

History.—s. 1, ch. 87-364.

101.6102 Mail ballot elections; limitations.—

(1)(a) An election may be conducted by mail ballot if:

1. The election is a referendum election at which all or a portion of the qualified electors of one of the following subdivisions of government are the only electors eligible to vote:

a. Counties;

b. Cities;

c. School districts covering no more than one county; or

d. Special districts;

2. The governing body responsible for calling the election and the supervisor of elections responsible for the conduct of the election authorize the use of mail ballots for the election; and

3. The Secretary of State approves a written plan for the conduct of the election, which shall include a written timetable for the conduct of the election, submitted by the supervisor of elections.

(b) In addition, an annexation referendum which includes only qualified electors of one county may also be voted on by mail ballot election.

(2) The following elections may not be conducted by mail ballot:

(a) An election at which any candidate is nominated, elected, retained, or recalled; or

(b) An election held on the same date as another election, other than a mail ballot election, in which the qualified electors of that political subdivision are eligible to cast ballots.

(3) The supervisor of elections shall be responsible for the conduct of any election held under ss. 101.6101-101.6107.

(4) The costs of a mail ballot election shall be borne by the jurisdiction initiating the calling of the election, unless otherwise provided by law.

(5) Nothing in this section shall be construed to prohibit the use of a mail ballot election in a municipal annexation referendum requiring separate vote of the registered electors of the annexing municipality and of the area proposed to be annexed. If a mail ballot election is authorized for a municipal annexation referendum, the provisions of ss. 101.6101-101.6107

shall control over any conflicting provisions of s. 171.0413.

History.—s. 1, ch. 87-364; s. 1, ch. 89-52; s. 27, ch. 89-338; s. 18, ch. 90-315.

101.6103 Mail ballot election procedure.—

(1) Except as otherwise provided in subsection (7), the supervisor of elections shall mail all official ballots with a secrecy envelope, a return mailing envelope, and instructions sufficient to describe the voting process to each elector entitled to vote in the election within the timeframes specified in s. 101.62(4). All such ballots shall be mailed by first-class mail. Ballots shall be addressed to each elector at the address appearing in the registration records and placed in an envelope which is prominently marked “Do Not Forward.”

(2) Upon receipt of the ballot the elector shall mark the ballot, place it in the secrecy envelope, sign the return mailing envelope supplied with the ballot, and comply with the instructions provided with the ballot. The elector shall mail, deliver, or have delivered the marked ballot so that it reaches the supervisor of elections no later than 7 p.m. on the day of the election. The ballot must be returned in the return mailing envelope.

(3) The return mailing envelope shall contain a statement in substantially the following form:

VOTER’S CERTIFICATE

I, (Print Name), do solemnly swear (or affirm) that I am a qualified voter in this election and that I have not and will not vote more than one ballot in this election.

I understand that failure to sign this certificate and give my residence address will invalidate my ballot.

(Signature)

(Residence Address)

(4) If the ballot is destroyed, spoiled, lost, or not received by the elector, the elector may obtain a replacement ballot from the supervisor of elections as provided in this subsection. An elector seeking a replacement ballot shall sign a sworn statement that the ballot was destroyed, spoiled, lost, or not received and present such statement to the supervisor of elections prior to 7 p.m. on the day of the election. The supervisor of elections shall keep a record of each replacement ballot provided under this subsection.

(5) A ballot shall be counted only if:

(a) It is returned in the return mailing envelope;

(b) The elector’s signature has been verified as provided in this subsection; and

(c) It is received by the supervisor of elections not later than 7 p.m. on the day of the election.

The supervisor of elections shall verify the signature of each elector on the return mailing envelope with the signature on the elector’s registration records. Such verification may commence at any time prior to the canvass of votes. The supervisor of elections shall safely keep the ballot unopened in his or her office until the county canvassing board canvasses the vote. If the supervisor of elections determines that an elector to whom a replacement ballot has been issued under

subsection (4) has voted more than once, the canvassing board shall determine which ballot, if any, is to be counted.

(6) The canvassing board may begin the canvassing of mail ballots as provided by s. 101.68(2)(a). The criminal penalty specified in that paragraph for the release of results before 7 p.m. on election day is also applicable to canvassing conducted under this act.

(7) With respect to absent electors overseas entitled to vote in the election, the supervisor of elections shall mail an official ballot with a secrecy envelope, a return mailing envelope, and instructions sufficient to describe the voting process to each such elector on a date sufficient to allow such elector time to vote in the election and to have his or her marked ballot reach the supervisor by 7 p.m. on the day of the election.

(8) A ballot that otherwise satisfies the requirements of subsection (5) shall be counted even if the elector dies after mailing the ballot but before election day, as long as, prior to the death of the voter, the ballot was:

(a) Postmarked by the United States Postal Service;

(b) Date-stamped with a verifiable tracking number by common carrier; or

(c) Already in the possession of the supervisor of elections.

101.6104 Challenge of votes.—If any elector present for the canvass of votes believes that any ballot is illegal due to any defect apparent on the voter's certificate, the elector may, at any time before the ballot is removed from the envelope, file with the canvassing board a protest against the canvass of such ballot, specifying the reason he or she believes the ballot to be illegal. No challenge based upon any defect on the voter's certificate shall be accepted after the ballot has been removed from the return mailing envelope.

History.—s. 1, ch. 87-364; s. 586, ch. 95-147.

101.6105 Vote-by-mail voting.—The provisions of the election code relating to vote-by-mail voting and vote-by-mail ballots shall apply to elections under ss. 101.6101-101.6107 only insofar as they do not conflict with the provisions of ss. 101.6101-101.6107.

History.—s. 1, ch. 87-364; s. 15, ch. 2016-37.

101.6106 Application of other election laws.—All laws that are applicable to general elections are applicable to mail ballot elections to the extent applicable.

History.—s. 1, ch. 87-364.

101.6107 Department of State to adopt rules.—The Department of State shall adopt rules governing the procedures and forms necessary to implement ss. 101.6101-101.6107.

History.—s. 1, ch. 87-364.

101.62 Request for vote-by-mail ballots.—

(1)(a) The supervisor shall accept a request for a vote-by-mail ballot from an elector in person or in writing. One request is deemed sufficient to receive a

vote-by-mail ballot for all elections through the end of the calendar year of the next regularly scheduled general election, unless the elector or the elector's designee indicates at the time the request is made the elections within such period for which the elector desires to receive a vote-by-mail ballot. Such request may be considered canceled when any first-class mail sent by the supervisor to the elector is returned as undeliverable.

(b) The supervisor may accept a written, an in-person, or a telephonic request for a vote-by-mail ballot to be mailed to an elector's address on file in the Florida Voter Registration System from the elector, or, if directly instructed by the elector, a member of the elector's immediate family, or the elector's legal guardian. If an in-person or a telephonic request is made, the elector must provide the elector's Florida driver license number, the elector's Florida identification card number, or the last four digits of the elector's social security number, whichever may be verified in the supervisor's records. If the ballot is requested to be mailed to an address other than the elector's address on file in the Florida Voter Registration System, the request must be made in writing. A written request must be signed by the elector and include the elector's Florida driver license number, the elector's Florida identification card number, or the last four digits of the elector's social security number. However, an absent uniformed service voter or an overseas voter seeking a vote-by-mail ballot is not required to submit a signed, written request for a vote-by-mail ballot that is being mailed to an address other than the elector's address on file in the Florida Voter Registration System. For purposes of this section, the term "immediate family" has the same meaning as specified in paragraph (4)(c). The person making the request must disclose:

1. The name of the elector for whom the ballot is requested.

2. The elector's address.

3. The elector's date of birth.

4. The elector's Florida driver license number, the elector's Florida identification card number, or the last four digits of the elector's social security number, whichever may be verified in the supervisor's records.

5. The requester's name.

6. The requester's address.

7. The requester's driver license number, the requester's identification card number, or the last four digits of the requester's social security number, if available.

8. The requester's relationship to the elector.

9. The requester's signature (written requests only).

(c) Upon receiving a request for a vote-by-mail ballot from an absent voter, the supervisor of elections shall notify the voter of the free access system that has been designated by the department for determining the status of his or her vote-by-mail ballot.

(2) A request for a vote-by-mail ballot to be mailed to a voter must be received no later than 5 p.m. on the 10th day before the election by the supervisor. The supervisor shall mail vote-by-mail ballots to voters requesting

ballots by such deadline no later than 8 days before the election.

(3) For each request for a vote-by-mail ballot received, the supervisor shall record: the date the request was made; the identity of the voter's designee making the request, if any; the Florida driver license number, Florida identification card number, or last four digits of the social security number of the elector provided with a written request; the date the vote-by-mail ballot was delivered to the voter or the voter's designee or the date the vote-by-mail ballot was delivered to the post office or other carrier; the address to which the ballot was mailed or the identity of the voter's designee to whom the ballot was delivered; the date the ballot was received by the supervisor; the absence of the voter's signature on the voter's certificate, if applicable; whether the voter's certificate contains a signature that does not match the elector's signature in the registration books or precinct register; and such other information he or she may deem necessary. This information shall be provided in electronic format as provided by division rule. The information shall be updated and made available no later than 8 a.m. of each day, including weekends, beginning 60 days before the primary until 15 days after the general election and shall be contemporaneously provided to the division. This information shall be confidential and exempt from s. 119.07(1) and shall be made available to or reproduced only for the voter requesting the ballot, a canvassing board, an election official, a political party or official thereof, a candidate who has filed qualification papers and is opposed in an upcoming election, and registered political committees for political purposes only.

(4)(a) No later than 45 days before each presidential preference primary election, primary election, and general election, the supervisor of elections shall send a vote-by-mail ballot as provided in subparagraph (c)2. to each absent uniformed services voter and to each overseas voter who has requested a vote-by-mail ballot.

(b) The supervisor shall mail a vote-by-mail ballot to each absent qualified voter, other than those listed in paragraph (a), who has requested such a ballot, between the 40th and 33rd days before the presidential preference primary election, primary election, and general election. Except as otherwise provided in subsection (2) and after the period described in this paragraph, the supervisor shall mail vote-by-mail ballots within 2 business days after receiving a request for such a ballot.

(c) The supervisor shall provide a vote-by-mail ballot to each elector by whom a request for that ballot has been made by one of the following means:

1. By nonforwardable, return-if-undeliverable mail to the elector's current mailing address on file with the supervisor or any other address the elector specifies in the request.

2. By forwardable mail, e-mail, or facsimile machine transmission to absent uniformed services voters and overseas voters. The absent uniformed services voter or overseas voter may designate in the vote-by-mail ballot request the preferred method of

transmission. If the voter does not designate the method of transmission, the vote-by-mail ballot shall be mailed.

3. By personal delivery before 7 p.m. on election day to the elector, upon presentation of the identification required in s. 101.043.

4. By delivery to a designee on election day or up to 9 days before the day of an election. Any elector may designate in writing a person to pick up the ballot for the elector; however, the person designated may not pick up more than two vote-by-mail ballots per election, other than the designee's own ballot, except that additional ballots may be picked up for members of the designee's immediate family. For purposes of this section, "immediate family" means the designee's spouse or the parent, child, grandparent, grandchild, or sibling of the designee or of the designee's spouse. The designee shall provide to the supervisor the written authorization by the elector and a picture identification of the designee and must complete an affidavit. The designee shall state in the affidavit that the designee is authorized by the elector to pick up that ballot and shall indicate if the elector is a member of the designee's immediate family and, if so, the relationship. The department shall prescribe the form of the affidavit. If the supervisor is satisfied that the designee is authorized to pick up the ballot and that the signature of the elector on the written authorization matches the signature of the elector on file, the supervisor shall give the ballot to that designee for delivery to the elector.

5. Except as provided in s. 101.655, the supervisor may not deliver a vote-by-mail ballot to an elector or an elector's immediate family member on the day of the election unless there is an emergency, to the extent that the elector will be unable to go to his or her assigned polling place. If a vote-by-mail ballot is delivered, the elector or his or her designee shall execute an affidavit affirming to the facts which allow for delivery of the vote-by-mail ballot. The department shall adopt a rule providing for the form of the affidavit.

(5) If the department is unable to certify candidates for an election in time to comply with paragraph (4)(a), the Department of State is authorized to prescribe rules for a ballot to be sent to absent uniformed services voters and overseas voters.

(6) Only the materials necessary to vote by mail may be mailed or delivered with any vote-by-mail ballot.

(7) Except as expressly authorized for voters having a disability under s. 101.662, for overseas voters under s. 101.697, or for local referenda under ss. 101.6102 and 101.6103, a county, municipality, or state agency may not send a vote-by-mail ballot to a voter unless the voter has requested a vote-by-mail ballot in the manner authorized under this section.

101.64 Delivery of vote-by-mail ballots; envelopes; form.—

(1)(a) The supervisor shall enclose with each vote-by-mail ballot two envelopes: a secrecy envelope, into which the absent elector shall enclose his or her marked ballot; and a mailing envelope, into which the absent elector shall then place the secrecy envelope, which shall be addressed to the supervisor and also bear on the back side a certificate in substantially the following form:

(b) Each return mailing envelope must bear the absent elector's name and any encoded mark used by the supervisor's office.

(c) A mailing envelope or secrecy envelope may not bear any indication of the political affiliation of an absent elector.

(2) The certificate shall be arranged on the back of the mailing envelope so that the line for the signature of the absent elector is across the seal of the envelope; however, no statement shall appear on the envelope which indicates that a signature of the voter must cross the seal of the envelope. The absent elector shall execute the certificate on the envelope.

Note.—Former s. 101.04.

101.65 Instructions to absent electors.—The supervisor shall enclose with each vote-by-mail ballot separate printed instructions in substantially the following form; however, where the instructions appear in capitalized text, the text of the printed instructions must be in bold font:

**READ THESE INSTRUCTIONS CAREFULLY
BEFORE MARKING BALLOT.**

1. **VERY IMPORTANT.** In order to ensure that your vote-by-mail ballot will be counted, it should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 7 p.m. on the day of the election. However, if you are an overseas voter casting a ballot in a presidential preference primary or general election, your vote-by-mail ballot must be postmarked or dated no later than the date of the election and received by the supervisor of elections of the county in which you are registered to vote no later than 10 days after the date of the election. Note that the later you return your ballot, the less time you will have to cure any signature deficiencies, which is authorized until 5 p.m. on the 2nd day after the election.

2. Mark your ballot in secret as instructed on the ballot. You must mark your own ballot unless you are unable to do so because of blindness, disability, or inability to read or write.

3. Mark only the number of candidates or issue choices for a race as indicated on the ballot. If you are allowed to "Vote for One" candidate and you vote for more than one candidate, your vote in that race will not be counted.

4. Place your marked ballot in the enclosed secrecy envelope.

5. Insert the secrecy envelope into the enclosed mailing envelope which is addressed to the supervisor.

6. Seal the mailing envelope and completely fill out the Voter's Certificate on the back of the mailing envelope.

7. **VERY IMPORTANT.** In order for your vote-by-mail ballot to be counted, you must sign your name on the line above (Voter's Signature). A vote-by-mail ballot will be considered illegal and not be counted if the signature on the voter's certificate does not match the signature on record. The signature on file at the time the supervisor of elections in the county in which your precinct is located receives your vote-by-mail ballot is the signature that will be used to verify your signature on the voter's certificate. If you need to update your signature for this election, send your signature update on a voter registration application to your supervisor of elections so that it is received before your vote-by-mail ballot is received.

8. **VERY IMPORTANT.** If you are an overseas voter, you must include the date you signed the Voter's Certificate on the line above (Date) or your ballot may not be counted.

9. Mail, deliver, or have delivered the completed mailing envelope. Be sure there is sufficient postage if mailed. THE COMPLETED MAILING ENVELOPE CAN BE DELIVERED TO THE OFFICE OF THE SUPERVISOR OF ELECTIONS OF THE COUNTY IN WHICH YOUR PRECINCT IS LOCATED OR DROPPED OFF AT AN AUTHORIZED SECURE BALLOT INTAKE STATION, AVAILABLE AT EACH EARLY VOTING LOCATION.

10. **FELONY NOTICE.** It is a felony under Florida law to accept any gift, payment, or gratuity in exchange for your vote for a candidate. It is also a felony under Florida law to vote in an election using a false identity or false address, or under any other circumstances making your ballot false or fraudulent.

101.655 Supervised voting by absent electors in certain facilities.—

(1) The supervisor of elections of a county shall provide supervised voting for absent electors residing in any assisted living facility, as defined in s. 429.02, or nursing home facility, as defined in s. 400.021, within that county at the request of any administrator of such a facility. Such request for supervised voting in the facility shall be made by submitting a written request to the supervisor of elections no later than 28 days prior to the election for which that request is submitted. The request shall specify the name and address of the facility and the name of the electors who wish to vote by mail in that election. If the request contains the names of fewer than five voters, the supervisor of elections is not required to provide supervised voting.

(2) The supervisor of elections may, in the absence of a request from the administrator of a facility, provide for supervised voting in the facility for those persons who have requested vote-by-mail ballots. The supervisor of elections shall notify the administrator of the facility that supervised voting will occur.

(3) The supervisor of elections shall, in cooperation with the administrator of the facility, select a date and time when the supervised voting will occur.

(4) The supervisor of elections shall designate supervised voting teams to provide the services prescribed by this section. Each supervised voting team shall include at least two persons. Each supervised voting team must include representatives of more than one political party; however, in any primary election to nominate party nominees in which only one party has candidates appearing on the ballot, all supervised voting team members may be of that party. No candidate may provide supervised voting services.

(5) The supervised voting team shall deliver the ballots to the respective absent electors, and each member of the team shall jointly supervise the voting of the ballots. If any elector requests assistance in voting, the oath prescribed in s. 101.051 shall be completed and the elector may receive the assistance of two

members of the supervised voting team or some other person of the elector's choice to assist the elector in casting the elector's ballot.

(6) Before providing assistance, the supervised voting team shall disclose to the elector that the ballot may be retained to vote at a later time and that the elector has the right to seek assistance in voting from some other person of the elector's choice without the presence of the supervised voting team.

(7) If any elector declines to vote a ballot or is unable to vote a ballot, the supervised voting team shall mark the ballot "refused to vote" or "unable to vote."

(8) After the ballots have been voted or marked in accordance with the provisions of this section, the supervised voting team shall deliver the ballots to the supervisor of elections, who shall retain them pursuant to s. 101.67.

History.—s. 6, ch. 96-57; s. 5, ch. 2006-197; s. 19, ch. 2016-37; s. 21, ch. 2022-73.

101.657 Early voting.—

(1)(a) As a convenience to the voter, the supervisor of elections shall allow an elector to vote early in the main or branch office of the supervisor. The supervisor shall mark, code, indicate on, or otherwise track the voter's precinct for each early voted ballot. In order for a branch office to be used for early voting, it shall be a permanent facility of the supervisor and shall have been designated and used as such for at least 1 year prior to the election. The supervisor may also designate any city hall, permanent public library facility, fairground, civic center, courthouse, county commission building, stadium, convention center, government-owned senior center, or government-owned community center as an early voting site; however, if so designated, the sites must be geographically located so as to provide all voters in the county an equal opportunity to cast a ballot, insofar as is practicable, and must provide sufficient nonpermitted parking to accommodate the anticipated amount of voters. In addition, a supervisor may designate one early voting site per election in an area of the county that does not have any of the eligible early voting locations. Such additional early voting site must be geographically located so as to provide all voters in that area with an equal opportunity to cast a ballot, insofar as is practicable, and must provide sufficient nonpermitted parking to accommodate the anticipated amount of voters. Each county shall, at a minimum, operate the same total number of early voting sites for a general election which the county operated for the 2012 general election. The results or tabulation of votes cast during early voting may not be made before the close of the polls on election day. Results shall be reported by precinct.

(b) The supervisor shall designate each early voting site by no later than the 30th day prior to an election and shall designate an early voting area, as defined in s. 97.021, at each early voting site. The supervisor shall provide to the division no later than the 30th day before an election the address of each early voting site and the hours that early voting will occur at each site.

(c) All early voting sites in a county shall allow any person in line at the closing of an early voting site to vote.

(d) Early voting shall begin on the 10th day before an election that contains state or federal races and end on the 3rd day before the election, and shall be provided for no less than 8 hours and no more than 12 hours per day at each site during the applicable period. In addition, early voting may be offered at the discretion of the supervisor of elections on the 15th, 14th, 13th, 12th, 11th, or 2nd day before an election that contains state or federal races for at least 8 hours per day, but not more than 12 hours per day. The supervisor of elections may provide early voting for elections that are not held in conjunction with a state or federal election. However, the supervisor has the discretion to determine the hours of operation of early voting sites in those elections.

(e) Notwithstanding the requirements of s. 100.3605, municipalities may provide early voting in municipal elections that are not held in conjunction with county or state elections. If a municipality provides early voting, it may designate as many sites as necessary and shall conduct its activities in accordance with the provisions of paragraphs (a)-(c). The supervisor is not required to conduct early voting if it is provided pursuant to this subsection.

(f) Notwithstanding the requirements of s. 189.04, special districts may provide early voting in any district election not held in conjunction with county or state elections. If a special district provides early voting, it may designate as many sites as necessary and shall conduct its activities in accordance with the provisions of paragraphs (a)-(c). The supervisor is not required to conduct early voting if it is provided pursuant to this subsection.

(2) During any early voting period, each supervisor shall make available the total number of voters casting a ballot at each early voting location and the total number of vote-by-mail ballots received under s. 101.69(2) during the previous day. Each supervisor shall prepare an electronic data file listing the individual voters who cast a ballot during the early voting period. This information shall be provided in electronic format as provided by rule adopted by the division. The information shall be updated and made available no later than noon of each day and shall be contemporaneously provided to the division.

(3) The ballot of each elector voting early shall be counted even if the elector dies on or before election day.

(4)(a) The elector must provide identification and must complete an Early Voting Voter Certificate in substantially the following form:

EARLY VOTING VOTER CERTIFICATE

I, _____, am a qualified elector in this election and registered voter of _____ County, Florida. I do solemnly swear or affirm that I am the person so listed on the voter registration rolls of _____ County and that I reside at the listed address. I understand that if I commit or attempt to commit fraud in connection with voting, vote a fraudulent ballot, or vote more than once in an election I could be convicted of a felony of the third degree and both fined up to \$5,000 and imprisoned for up to 5 years.

I understand that my failure to sign this certificate invalidates my ballot.

(Voter's Signature)

(Address)

(City/State)

(b) Any elector may challenge an elector seeking to vote early under the provisions of s. 101.111. Any challenged voter must vote a provisional ballot. The canvassing board shall review the ballot and decide the validity of the ballot by majority vote.

(c) The canvass of returns for ballots cast under this subsection shall be substantially the same as votes cast by electors in precincts, as provided in s. 101.5614.

101.661 Voting vote-by-mail ballots.—All electors must personally mark or designate their choices on the vote-by-mail ballot, except:

(1) Electors who require assistance to vote because of blindness, disability, or inability to read or write, who may have some person of the elector's choice, other than the elector's employer, an agent of the employer, or an officer or agent of the elector's union, mark the elector's choices or assist the elector in marking his or her choices on the ballot.

History.—s. 18, ch. 98-129; s. 20, ch. 2016-37.

101.662 Accessibility of vote-by-mail ballots.—It is the intent of the Legislature that voting by vote-by-mail ballot be by methods that are fully accessible to all voters, including voters having a disability. The Department of State shall work with the supervisors of elections and the disability community to develop and implement procedures and technologies, as possible, which will include procedures for providing vote-by-mail ballots, upon request, in alternative formats that will allow all voters to cast a secret, independent, and verifiable vote-by-mail ballot without the assistance of another person.

History.—s. 14, ch. 2002-281; s. 21, ch. 2016-37.

101.663 Electors; change of residence to another state.—An elector registered in this state who moves his or her permanent residence to another state after the registration books in that state have closed is permitted to vote by mail in the county of his or her former residence for the offices of President and Vice President of the United States.

101.665 Administration of oaths; military personnel, federal employees, and other absentee registrants.—For the purposes of this code, oaths may be administered and attested by any commissioned officer in the active service of the Armed Forces, any member of the Merchant Marine of the United States designated for this purpose by the Secretary of

Commerce, any civilian official empowered by state or federal law to administer oaths, any supervisor of elections, deputy supervisor of elections, or employee of the supervisor of elections when designated by the supervisor of elections, or any civilian employee designated by the head of any department or agency of the United States, except when this code requires an oath to be administered and attested by another official specifically named.

Note.—Former s. 101.695; s. 97.065.

101.67 Safekeeping of mailed ballots; deadline for receiving vote-by-mail ballots.—

(1) The supervisor of elections shall safely keep in his or her office any envelopes received containing marked ballots of absent electors, and he or she shall, before the canvassing of the election returns, deliver the envelopes to the county canvassing board along with his or her file or list kept regarding said ballots.

(2) Except as provided in s. 101.6952(5), all marked absent electors' ballots to be counted must be received by the supervisor by 7 p.m. the day of the election. All ballots received thereafter shall be marked with the time and date of receipt and filed in the supervisor's office.

History.—s. 2, ch. 11824, 1927; CGL 436; s. 1, ch. 25385, 1949; s. 5, ch. 26870, 1951; s. 24, ch. 29934, 1955; s. 24, ch. 57-1; s. 35, ch. 65-380; s. 5, ch. 71-149; s. 23, ch. 77-175; s. 590, ch. 95-147; s. 14, ch. 2013-57; s. 23, ch. 2016-37.

Note.—Former s. 101.07.

101.68 Canvassing of vote-by-mail ballot.—

(1) The supervisor of the county where the absent elector resides shall receive the voted ballot, at which time the supervisor shall compare the signature of the elector on the voter's certificate with the signature of the elector in the registration books or the precinct register to determine whether the elector is duly registered in the county and must record on the elector's registration record that the elector has voted. During the signature comparison process, the supervisor may not use any knowledge of the political affiliation of the voter whose signature is subject to verification. An elector who dies after casting a vote-by-mail ballot but on or before election day shall remain listed in the registration books until the results have been certified for the election in which the ballot was cast. The supervisor shall safely keep the ballot unopened in his or her office until the county canvassing board canvasses the vote. Except as provided in subsection (4), after a vote-by-mail ballot is received by the supervisor, the ballot is deemed to have been cast, and changes or additions may not be made to the voter's certificate.

(2)(a) The county canvassing board may begin the canvassing of vote-by-mail ballots upon the completion of the public testing of automatic tabulating equipment pursuant to s. 101.5612(2), but must begin such canvassing by no later than noon on the day following the election. However, notwithstanding any such authorization to begin canvassing or otherwise processing vote-by-mail ballots early, no result shall be released until after the closing of the polls in that county on election day. Any supervisor, deputy supervisor, canvassing board member, election board member, or election employee who releases the results of a

canvassing or processing of vote-by-mail ballots prior to the closing of the polls in that county on election day commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) To ensure that all vote-by-mail ballots to be counted by the canvassing board are accounted for, the canvassing board shall compare the number of ballots in its possession with the number of requests for ballots received to be counted according to the supervisor's file or list.

(c)1. The canvassing board must, if the supervisor has not already done so, compare the signature of the elector on the voter's certificate or on the vote-by-mail ballot cure affidavit as provided in subsection (4) with the signature of the elector in the registration books or the precinct register to see that the elector is duly registered in the county and to determine the legality of that vote-by-mail ballot. A vote-by-mail ballot may only be counted if:

a. The signature on the voter's certificate or the cure affidavit matches the elector's signature in the registration books or precinct register; however, in the case of a cure affidavit, the supporting identification listed in subsection (4) must also confirm the identity of the elector; or

b. The cure affidavit contains a signature that does not match the elector's signature in the registration books or precinct register, but the elector has submitted a current and valid Tier 1 identification pursuant to subsection (4) which confirms the identity of the elector.

For purposes of this subparagraph, any canvassing board finding that an elector's signatures do not match must be by majority vote and beyond a reasonable doubt.

2. The ballot of an elector who casts a vote-by-mail ballot shall be counted even if the elector dies on or before election day, as long as, before the death of the voter, the ballot was postmarked by the United States Postal Service, date-stamped with a verifiable tracking number by a common carrier, or already in the possession of the supervisor.

3. A vote-by-mail ballot is not considered illegal if the signature of the elector does not cross the seal of the mailing envelope.

4. If any elector or candidate present believes that a vote-by-mail ballot is illegal due to a defect apparent on the voter's certificate or the cure affidavit, he or she may, at any time before the ballot is removed from the envelope, file with the canvassing board a protest against the canvass of that ballot, specifying the precinct, the voter's certificate or the cure affidavit, and the reason he or she believes the ballot to be illegal. A challenge based upon a defect in the voter's certificate or cure affidavit may not be accepted after the ballot has been removed from the mailing envelope.

5. If the canvassing board determines that a ballot is illegal, a member of the board must, without opening the envelope, mark across the face of the envelope: "rejected as illegal." The cure affidavit, if applicable, the envelope, and the ballot therein shall be preserved in the manner that official ballots are preserved.

(d) The canvassing board shall record the ballot upon the proper record, unless the ballot has been previously recorded by the supervisor. The mailing envelopes shall be opened and the secrecy envelopes shall be mixed so as to make it impossible to determine which secrecy envelope came out of which signed mailing envelope; however, in any county in which an electronic or electromechanical voting system is used, the ballots may be sorted by ballot styles and the mailing envelopes may be opened and the secrecy envelopes mixed separately for each ballot style. The votes on vote-by-mail ballots shall be included in the total vote of the county.

(3) The supervisor or the chair of the county canvassing board shall, after the board convenes, have custody of the vote-by-mail ballots until a final proclamation is made as to the total vote received by each candidate.

(4)(a) As soon as practicable, the supervisor shall, on behalf of the county canvassing board, attempt to notify an elector who has returned a vote-by-mail ballot that does not include the elector's signature or contains a signature that does not match the elector's signature in the registration books or precinct register by:

1. Notifying the elector of the signature deficiency by e-mail and directing the elector to the cure affidavit and instructions on the supervisor's website;

2. Notifying the elector of the signature deficiency by text message and directing the elector to the cure affidavit and instructions on the supervisor's website; or

3. Notifying the elector of the signature deficiency by telephone and directing the elector to the cure affidavit and instructions on the supervisor's website.

In addition to the notification required under subparagraph 1., subparagraph 2., or subparagraph 3., the supervisor must notify the elector of the signature deficiency by first-class mail and direct the elector to the cure affidavit and instructions on the supervisor's website. Beginning the day before the election, the supervisor is not required to provide notice of the signature deficiency by first-class mail, but shall continue to provide notice as required under subparagraph 1., subparagraph 2., or subparagraph 3.

(b) The supervisor shall allow such an elector to complete and submit an affidavit in order to cure the vote-by-mail ballot until 5 p.m. on the 2nd day after the election.

(c) The elector must complete a cure affidavit in substantially the following form:

VOTE-BY-MAIL BALLOT CURE AFFIDAVIT

I, _____, am a qualified voter in this election and registered voter of _____ County, Florida. I do solemnly swear or affirm that I requested and returned the vote-by-mail ballot and that I have not and will not vote more than one ballot in this election. I understand that my failure to sign this affidavit means that my vote-by-mail ballot will be invalidated.

_____(Voter's Signature)_____

_____(Address)_____

(d) Instructions must accompany the cure affidavit in substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE COMPLETING THE AFFIDAVIT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR BALLOT NOT TO COUNT.

1. In order to ensure that your vote-by-mail ballot will be counted, your affidavit should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 5 p.m. on the 2nd day after the election.

2. You must sign your name on the line above (Voter's Signature).

3. You must make a copy of one of the following forms of identification:

a. Tier 1 identification.—Current and valid identification that includes your name and photograph: Florida driver license; Florida identification card issued by the Department of Highway Safety and Motor Vehicles; United States passport; debit or credit card; military identification; student identification; retirement center identification; neighborhood association identification; public assistance identification; veteran health identification card issued by the United States Department of Veterans Affairs; a Florida license to carry a concealed weapon or firearm; or an employee identification card issued by any branch, department, agency, or entity of the Federal Government, the state, a county, or a municipality; or

b. Tier 2 identification.—**ONLY IF YOU DO NOT HAVE A TIER 1 FORM OF IDENTIFICATION**, identification that shows your name and current residence address: current utility bill, bank statement, government check, paycheck, or government document (excluding voter information card).

4. Place the envelope bearing the affidavit into a mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing envelope. Mail (if time permits), deliver, or have delivered the completed affidavit along with the copy of your identification to your county supervisor of elections. Be sure there is sufficient postage if mailed and that the supervisor's address is correct. Remember, your information **MUST** reach your county supervisor of elections no later than 5 p.m. on the 2nd day after the election, or your ballot will not count.

5. Alternatively, you may fax or e-mail your completed affidavit and a copy of your identification to the supervisor of elections. If e-mailing, please provide these documents as attachments.

(e) The department and each supervisor shall include the affidavit and instructions on their respective websites. The supervisor must include his or her office's mailing address, e-mail address, and fax number on the page containing the affidavit instructions, and the department's instruction page must include the office mailing addresses, e-mail addresses, and fax numbers

of all supervisors of elections or provide a conspicuous link to such addresses.

(f) The supervisor shall attach each affidavit received to the appropriate vote-by-mail ballot mailing envelope.

(g) If a vote-by-mail ballot is validated following the submission of a cure affidavit, the supervisor shall make a copy of the affidavit, affix it to a voter registration application, and immediately process it as a valid request for a signature update pursuant to s. 98.077.

(h) After all election results on the ballot have been certified, the supervisor shall, on behalf of the county canvassing board, notify each elector whose ballot has been rejected as illegal and provide the specific reason the ballot was rejected. In addition, unless processed as a signature update pursuant to paragraph (g), the supervisor shall mail a voter registration application to the elector to be completed indicating the elector's current signature if the signature on the voter's certificate or cure affidavit did not match the elector's signature in the registration books or precinct register.

101.69 Voting in person; return of vote-by-mail ballot.—

(1) The provisions of this code shall not be construed to prohibit any elector from voting in person at the elector's precinct on the day of an election or at an early voting site, notwithstanding that the elector has requested a vote-by-mail ballot for that election. An elector who has returned a voted vote-by-mail ballot to the supervisor, however, is deemed to have cast his or her ballot and is not entitled to vote another ballot or to have a provisional ballot counted by the county canvassing board. An elector who has received a vote-by-mail ballot and has not returned the voted ballot to the supervisor, but desires to vote in person, shall return the ballot, whether voted or not, to the election board in the elector's precinct or to an early voting site. The returned ballot shall be marked "canceled" by the board and placed with other canceled ballots. However, if the elector does not return the ballot and the election official:

(a) Confirms that the supervisor has received the elector's vote-by-mail ballot, the elector shall not be allowed to vote in person. If the elector maintains that he or she has not returned the vote-by-mail ballot or remains eligible to vote, the elector shall be provided a provisional ballot as provided in s. 101.048.

(b) Confirms that the supervisor has not received the elector's vote-by-mail ballot, the elector shall be allowed to vote in person as provided in this code. The elector's vote-by-mail ballot, if subsequently received, shall not be counted and shall remain in the mailing envelope, and the envelope shall be marked "Rejected as Illegal."

(c) Cannot determine whether the supervisor has received the elector's vote-by-mail ballot, the elector may vote a provisional ballot as provided in s. 101.048.

(2)(a) The supervisor shall allow an elector who has received a vote-by-mail ballot to physically return a voted vote-by-mail ballot to the supervisor by placing the return mail envelope containing his or her marked ballot in a secure ballot intake station. Secure ballot intake stations shall be placed at the main office of the supervisor, at each permanent branch office of the supervisor which meets the criteria set forth in s. 101.657(1)(a) for branch offices used for early voting and ¹which is open for at least the minimum ²number of hours prescribed by s. 98.015(4), and at each early voting site. Secure ballot intake stations may also be placed at any other site that would otherwise qualify as an early voting site under s. 101.657(1). Secure ballot intake stations must be geographically located so as to provide all voters in the county with an equal opportunity to cast a ballot, insofar as is practicable. Except for secure ballot intake stations at an office of the supervisor, a secure ballot intake station may only be used during the county's early voting hours of operation and must be monitored in person by an employee of the supervisor's office. A secure ballot intake station at an office of the supervisor must be continuously monitored in person by an employee of the supervisor's office when the secure ballot intake station is accessible for deposit of ballots.

(b) A supervisor shall designate each secure ballot intake station location at least 30 days before an election. The supervisor shall provide the address of each secure ballot intake station location to the division at least 30 days before an election. After a secure ballot intake station location has been designated, it may not be moved or changed except as approved by the division to correct a violation of this subsection.

(c)1. On each day of early voting, all secure ballot intake stations must be emptied at the end of early voting hours and all ballots retrieved from the secure ballot intake stations must be returned to the supervisor's office.

2. For secure ballot intake stations located at an office of the supervisor, all ballots must be retrieved before the secure ballot intake station is no longer monitored by an employee of the supervisor.

3. Employees of the supervisor must comply with procedures for the chain of custody of ballots as required by s. 101.015(4).

(3) If any secure ballot intake station is left accessible for ballot receipt other than as authorized by this section, the supervisor is subject to a civil penalty of \$25,000. The division is authorized to enforce this provision.

(1) The provisions of this section apply to voters who are subject to the provisions of s. 97.0535 and who have not provided the identification or certification

required by s. 97.0535 by the time the vote-by-mail ballot is mailed.

(2) The supervisor shall enclose with each vote-by-mail ballot three envelopes: a secrecy envelope, into which the absent elector will enclose his or her marked ballot; an envelope containing the Voter's Certificate, into which the absent elector shall place the secrecy envelope; and a mailing envelope, which shall be addressed to the supervisor and into which the absent elector will place the envelope containing the Voter's Certificate and a copy of the required identification.

(3) The Voter's Certificate shall be in substantially the following form:

I also understand that failure to sign this certificate will invalidate my ballot. I understand that unless I meet one of the exemptions below, I must provide a copy of a current and valid identification as provided in the instruction sheet to the supervisor of elections in order for my ballot to count.

I further certify that I am exempt from the requirements to furnish a copy of a current and valid identification with my ballot because of one or more of the following (check all that apply):

101.6923 Special vote-by-mail ballot instructions for certain first-time voters.—

(1) The provisions of this section apply to voters who are subject to the provisions of s. 97.0535 and who have not provided the identification or information

required by s. 97.0535 by the time the vote-by-mail ballot is mailed.

(2) A voter covered by this section shall be provided with printed instructions with his or her vote-by-mail ballot in substantially the following form:

READ THESE INSTRUCTIONS CAREFULLY BEFORE MARKING YOUR BALLOT. FAILURE TO FOLLOW THESE INSTRUCTIONS MAY CAUSE YOUR BALLOT NOT TO COUNT.

1. In order to ensure that your vote-by-mail ballot will be counted, it should be completed and returned as soon as possible so that it can reach the supervisor of elections of the county in which your precinct is located no later than 7 p.m. on the date of the election. However, if you are an overseas voter casting a ballot in a presidential preference primary or general election, your vote-by-mail ballot must be postmarked or dated no later than the date of the election and received by the supervisor of elections of the county in which you are registered to vote no later than 10 days after the date of the election.

2. Mark your ballot in secret as instructed on the ballot. You must mark your own ballot unless you are unable to do so because of blindness, disability, or inability to read or write.

3. Mark only the number of candidates or issue choices for a race as indicated on the ballot. If you are allowed to "Vote for One" candidate and you vote for more than one, your vote in that race will not be counted.

4. Place your marked ballot in the enclosed secrecy envelope and seal the envelope.

5. Insert the secrecy envelope into the enclosed envelope bearing the Voter's Certificate. Seal the envelope and completely fill out the Voter's Certificate on the back of the envelope.

a. You must sign your name on the line above (Voter's Signature).

b. If you are an overseas voter, you must include the date you signed the Voter's Certificate on the line above (Date) or your ballot may not be counted.

c. A vote-by-mail ballot will be considered illegal and will not be counted if the signature on the Voter's Certificate does not match the signature on record. The signature on file at the start of the canvass of the vote-by-mail ballots is the signature that will be used to verify your signature on the Voter's Certificate. If you need to update your signature for this election, send your signature update on a voter registration application to your supervisor of elections so that it is received before your vote-by-mail ballot is received.

6. Unless you meet one of the exemptions in Item 7., you must make a copy of one of the following forms of identification:

a. Identification which must include your name and photograph: United States passport; debit or credit card; military identification; student identification; retirement center identification; neighborhood association identification; public assistance identification; veteran health identification card issued by the United States Department of Veterans Affairs; a Florida license to carry a concealed weapon or firearm; or an employee

identification card issued by any branch, department, agency, or entity of the Federal Government, the state, a county, or a municipality; or

b. Identification which shows your name and current residence address: current utility bill, bank statement, government check, paycheck, or government document (excluding voter information card).

7. The identification requirements of Item 6. do not apply if you meet one of the following requirements:

a. You are 65 years of age or older.

b. You have a temporary or permanent physical disability.

c. You are a member of a uniformed service on active duty who, by reason of such active duty, will be absent from the county on election day.

d. You are a member of the Merchant Marine who, by reason of service in the Merchant Marine, will be absent from the county on election day.

e. You are the spouse or dependent of a member referred to in paragraph c. or paragraph d. who, by reason of the active duty or service of the member, will be absent from the county on election day.

f. You are currently residing outside the United States.

8. Place the envelope bearing the Voter's Certificate into the mailing envelope addressed to the supervisor. Insert a copy of your identification in the mailing envelope. **DO NOT PUT YOUR IDENTIFICATION INSIDE THE SECRECY ENVELOPE WITH THE BALLOT OR INSIDE THE ENVELOPE WHICH BEARS THE VOTER'S CERTIFICATE OR YOUR BALLOT WILL NOT COUNT.**

9. Mail, deliver, or have delivered the completed mailing envelope. Be sure there is sufficient postage if mailed.

10. **FELONY NOTICE.** It is a felony under Florida law to accept any gift, payment, or gratuity in exchange for your vote for a candidate. It is also a felony under Florida law to vote in an election using a false identity or false address, or under any other circumstances making your ballot false or fraudulent.

101.6925 Canvassing special vote-by-mail ballots.—

(1) The supervisor of the county where the absent elector resides shall receive the voted special vote-by-mail ballot, at which time the mailing envelope shall be opened to determine if the voter has enclosed the identification required or has indicated on the Voter's Certificate that he or she is exempt from the identification requirements.

(2) If the identification is enclosed or the voter has indicated that he or she is exempt from the identification requirements, the supervisor shall make the note on the registration records of the voter and proceed to canvass the vote-by-mail ballot as provided in s. 101.68.

(3) If the identification is not enclosed in the mailing envelope and the voter has not indicated that he or she is exempt from the identification requirements, the supervisor shall check the voter registration records to determine if the voter's identification was previously

received or the voter had previously notified the supervisor that he or she was exempt. The envelope with the Voter's Certificate shall not be opened unless the identification has been received or the voter has indicated that he or she is exempt. The ballot shall be treated as a provisional ballot until 7 p.m. on election day and shall not be canvassed unless the supervisor has received the required identification or written indication of exemption by 7 p.m. on election day.

History.—s. 24, ch. 2003-415; s. 28, ch. 2016-37.

101.694 Mailing of ballots upon receipt of federal postcard application.—

(1) Upon receipt of a federal postcard application for a vote-by-mail ballot executed by a person whose registration is in order or whose application is sufficient to register or update the registration of that person, the supervisor shall send the ballot in accordance with s. 101.62(4).

(2) Upon receipt of a federal postcard application for a vote-by-mail ballot executed by a person whose registration is not in order and whose application is insufficient to register or update the registration of that person, the supervisor shall follow the procedure set forth in s. 97.073.

(3) Vote-by-mail envelopes printed for voters entitled to vote by mail under the Uniformed and Overseas Citizens Absentee Voting Act shall meet the specifications as determined by the Federal Voting Assistance Program of the United States Department of Defense and the United States Postal Service.

(4) Cognizance shall be taken of the fact that vote-by-mail ballots and other materials such as instructions and envelopes are to be carried via air mail, and, to the maximum extent possible, such ballots and materials shall be reduced in size and weight of paper. The same ballot shall be used, however, as is used by other vote-by-mail voters.

101.6951 State write-in vote-by-mail ballot.—

(1) An overseas voter may request, not earlier than 180 days before a general election, a state write-in vote-by-mail ballot from the supervisor of elections in the county of registration. In order to receive a state write-in ballot, the voter shall state that due to military or other contingencies that preclude normal mail delivery, the voter cannot vote a vote-by-mail ballot during the normal vote-by-mail voting period. State write-in vote-by-mail ballots shall be made available to voters 90 to 180 days prior to a general election. The Department of State shall prescribe by rule the form of the state write-in vote-by-mail ballot.

(2) In completing the ballot, the overseas voter may designate his or her choice by writing in the name of the candidate or by writing in the name of a political party, in which case the ballot must be counted for the candidate of that political party, if there is such a party candidate on the ballot.

(3) Any abbreviation, misspelling, or other minor variation in the form of the name of a candidate or a political party must be disregarded in determining the

validity of the ballot if there is a clear indication on the ballot that the voter has made a definite choice.

(4) The state write-in vote-by-mail ballot shall contain all offices, federal, state, and local, for which the voter would otherwise be entitled to vote.

History.—s. 48, ch. 2001-40; s. 30, ch. 2016-37.

101.6952 Vote-by-mail ballots for absent uniformed services and overseas voters.—

(1) If an absent uniformed services voter's or an overseas voter's request for an official vote-by-mail ballot pursuant to s. 101.62 includes an e-mail address, the supervisor of elections shall:

(a) Record the voter's e-mail address in the vote-by-mail ballot record;

(b) Confirm by e-mail that the vote-by-mail ballot request was received and include in that e-mail the estimated date the vote-by-mail ballot will be sent to the voter; and

(c) Notify the voter by e-mail when the voted vote-by-mail ballot is received by the supervisor of elections.

(2)(a) An absent uniformed services voter or an overseas voter who makes timely application for but does not receive an official vote-by-mail ballot may use the federal write-in absentee ballot to vote in any federal, state, or local election.

(b)1. In an election for federal office, an elector may designate a candidate by writing the name of a candidate on the ballot. Except for a primary or special primary election, the elector may alternatively designate a candidate by writing the name of a political party on the ballot. A written designation of the political party shall be counted as a vote for the candidate of that party if there is such a party candidate in the race.

2. In a state or local election, an elector may vote in the section of the federal write-in absentee ballot designated for nonfederal races by writing on the ballot the title of each office and by writing on the ballot the name of the candidate for whom the elector is voting. Except for a primary, special primary, or nonpartisan election, the elector may alternatively designate a candidate by writing the name of a political party on the ballot. A written designation of the political party shall be counted as a vote for the candidate of that party if there is such a party candidate in the race. In addition, the elector may vote on any ballot measure presented in such election by identifying the ballot measure on which he or she desires to vote and specifying his or her vote on the measure. For purposes of this section, a vote cast in a judicial merit retention election shall be treated in the same manner as a ballot measure in which the only allowable responses are "Yes" or "No."

(c) In the case of a joint candidacy, such as for the offices of President/Vice President or Governor/Lieutenant Governor, a valid vote for one or both qualified candidates on the same ticket shall constitute a vote for the joint candidacy.

(d) For purposes of this subsection and except when the context clearly indicates otherwise, such as when a candidate in the election is affiliated with a political party whose name includes the word "Independent," "Independence," or a similar term, a voter designation of "No Party Affiliation" or "Independent,"

or any minor variation, misspelling, or abbreviation thereof, shall be considered a designation for the candidate, other than a write-in candidate, who qualified to run in the race with no party affiliation. If more than one candidate qualifies to run as a candidate with no party affiliation, the designation may not count for any candidate unless there is a valid, additional designation of the candidate's name.

(e) Any abbreviation, misspelling, or other minor variation in the form of the name of an office, the name of a candidate, the ballot measure, or the name of a political party must be disregarded in determining the validity of the ballot.

(3)(a) An absent uniformed services voter or an overseas voter who submits a federal write-in absentee ballot and later receives an official vote-by-mail ballot may submit the official vote-by-mail ballot. An elector who submits a federal write-in absentee ballot and later receives and submits an official vote-by-mail ballot should make every reasonable effort to inform the appropriate supervisor of elections that the elector has submitted more than one ballot.

(b) A federal write-in absentee ballot may not be canvassed until 7 p.m. on the day of the election. A federal write-in absentee ballot from an overseas voter in a presidential preference primary or general election may not be canvassed until the conclusion of the 10-day period specified in subsection (5). Each federal write-in absentee ballot received by 7 p.m. on the day of the election shall be canvassed pursuant to ss. 101.5614(4) and 101.68, unless the elector's official vote-by-mail ballot is received by 7 p.m. on election day. Each federal write-in absentee ballot from an overseas voter in a presidential preference primary or general election received by 10 days after the date of the election shall be canvassed pursuant to ss. 101.5614(4) and 101.68, unless the overseas voter's official vote-by-mail ballot is received by 10 days after the date of the election. If the elector's official vote-by-mail ballot is received by 7 p.m. on election day, or, for an overseas voter in a presidential preference primary or general election, no later than 10 days after the date of the election, the federal write-in absentee ballot is invalid and the official vote-by-mail ballot shall be canvassed. The time shall be regulated by the customary time in standard use in the county seat of the locality.

(4) For vote-by-mail ballots received from absent uniformed services voters or overseas voters, there is a presumption that the envelope was mailed on the date stated on the outside of the return envelope, regardless of the absence of a postmark on the mailed envelope or the existence of a postmark date that is later than the date of the election.

(5) A vote-by-mail ballot from an overseas voter in any presidential preference primary or general election which is postmarked or dated no later than the date of the election and is received by the supervisor of elections of the county in which the overseas voter is registered no later than 10 days after the date of the election shall be counted as long as the vote-by-mail ballot is otherwise proper.

History.—s. 49, ch. 2001-40; s. 6, ch. 2004-232; s. 9, ch. 2010-167; s. 1, ch. 2011-162; s. 17, ch. 2013-57; s. 1, ch. 2015-40; s. 31, ch. 2016-37; s. 9, ch. 2018-112.

101.697 Electronic transmission of election materials.—The Department of State shall determine whether secure electronic means can be established for receiving ballots from overseas voters. If such security can be established, the department shall adopt rules to authorize a supervisor of elections to accept from an overseas voter a request for a vote-by-mail ballot or a voted vote-by-mail ballot by secure facsimile machine transmission or other secure electronic means. The rules must provide that in order to accept a voted ballot, the verification of the voter must be established, the security of the transmission must be established, and each ballot received must be recorded.

History.—s. 50, ch. 2001-40; s. 51, ch. 2005-277; s. 32, ch. 2016-37.

101.698 Absentee voting in emergency situations.—If a national or local emergency or other situation arises which makes substantial compliance with the provisions of state or federal law relating to the methods of voting for overseas voters impossible or unreasonable, such as an armed conflict involving United States Armed Forces or mobilization of those forces, including state National Guard and reserve components, the Elections Canvassing Commission may adopt by emergency rules such special procedures or requirements necessary to facilitate absentee voting by those persons directly affected who are otherwise eligible to vote in the election.

History.—s. 51, ch. 2001-40.

101.71 Polling place.—

(1) There shall be in each precinct in each county one polling place which shall be accessible to the public on election day and is managed by a board of inspectors and clerk of election. Only one elector shall be allowed to enter any voting booth at a time; no one except inspectors shall be allowed to speak to the elector while casting his or her vote; and no inspector shall speak to or interfere with the elector concerning his or her voting, except to perform the duties as such inspector. Notwithstanding any other provision of this chapter, this section shall be applicable where the computer method of voting is in use, and adequate provision shall be made for the privacy of the elector while casting his or her vote.

(2) Notwithstanding the provisions of subsection (1), whenever the supervisor of elections of any county determines that the accommodations for holding any election at a polling place designated for any precinct in the county are unavailable, are inadequate for the expeditious and efficient housing and handling of voting and voting paraphernalia, or do not comply with the requirements of s. 101.715, the supervisor shall, not less than 30 days prior to the holding of an election, provide for the voting place for such precinct to be moved to another site that is accessible to the public on election day in said precinct or, if such is not available, to another site that is accessible to the public on election day in a contiguous precinct. If such action of the supervisor results in the voting place for two or more precincts being located for the purposes of an election in one building, the supervisor of elections shall provide adequate supplies, equipment, and personnel are

available to accommodate the voters for the precincts that are collocated. When any supervisor moves any polling place pursuant to this subsection, the supervisor shall, not more than 30 days or fewer than 7 days prior to the holding of an election, give notice of the change of the polling place for the precinct involved, with clear description of the voting place to which changed, at least once in a newspaper of general circulation in the county and on the supervisor of elections' website. A notice of the change of the polling place involved shall be mailed, at least 14 days prior to an election, to each registered elector or to each household in which there is a registered elector.

(3) In cases of emergency and when time does not permit compliance with subsection (2), the supervisor of elections shall designate a new polling place which shall be accessible to the public on election day and shall cause a notice to be posted at the old polling place advising the electors of the location of the new polling place.

(4) Each polling place shall be conspicuously identified by a sign, on or near the premises of the polling place, designating the polling place by precinct number. Such sign shall be large enough to be clearly visible to occupants of passing vehicular traffic on roadways contiguous to the polling place, with letters no smaller than 3 inches high, and shall be displayed at all times while the polls are open on any election day.

(5) Public, tax-supported buildings shall be made available for use as polling places upon the request of the supervisor of elections.

Note.—Former s. 99.06.

101.715 Accessibility of polling places for people having a disability.—

(1) All polling places must be accessible and usable by people with disabilities, as provided in this section.

(2) Only those polling places complying with the Florida Americans With Disabilities Accessibility Implementation Act, ss. 553.501-553.513, for all portions of the polling place or the structure in which it is located that voters traverse going to and from the polling place and during the voting process, regardless of the age or function of the building, shall be used for federal, state, and local elections.

The clerk shall be in charge of, and responsible for, seeing that the election board carries out its duties and responsibilities. Each inspector and each clerk shall take and subscribe to an oath or affirmation, which shall be written or printed, to the effect that he or she will perform the duties of inspector or clerk of election, respectively, according to law and will endeavor to prevent all fraud, deceit, or abuse in conducting the election. The oath may be taken before an officer authorized to administer oaths or before any of the persons who are to act as inspectors, one of them to swear the others, and one of the others sworn thus, in turn, to administer the oath to the one who has not been sworn. The oaths shall be returned with the poll list and the returns of the election to the supervisor. Any person whose name appears as an opposed candidate for any office shall not be eligible to serve on an election board.

(3) The supervisor shall furnish inspectors of election for each precinct with the list of registered voters for that precinct. The supervisor shall also furnish to the inspectors of election at the polling place at each precinct in the supervisor's county a sufficient number of forms and blanks for use on election day.

102.014 Poll worker recruitment and training.

(1) The supervisor of elections shall conduct training for inspectors, clerks, and deputy sheriffs prior to each primary, general, and special election for the purpose of instructing such persons in their duties and responsibilities as election officials. The Division of Elections shall develop a statewide uniform training curriculum for poll workers, and each supervisor shall use such curriculum in training poll workers. A certificate may be issued by the supervisor of elections to each person completing such training. No person shall serve as an inspector, clerk, or deputy sheriff for an election unless such person has completed the training as required. A clerk may not work at the polls unless he or she demonstrates a working knowledge of the laws and procedures relating to voter registration, voting system operation, balloting and polling place procedures, and problem-solving and conflict-resolution skills.

(2) A person who has attended previous training conducted within 2 years before the election may be appointed by the supervisor to fill a vacancy on an election board. If no person with prior training is available to fill such vacancy, the supervisor of elections may fill such vacancy in accordance with the provisions of subsection (3) from among persons who have not received the training required by this section.

(3) In the case of absence or refusal to act on the part of any inspector or clerk, the supervisor shall appoint a replacement who meets the qualifications prescribed in s. 102.012(2). The inspector or clerk so appointed shall be a member of the same political party as the clerk or inspector whom he or she replaces.

(4) Each supervisor of elections shall be responsible for training inspectors and clerks, subject to the following minimum requirements:

(a) No clerk shall be entitled to work at the polls unless he or she has had a minimum of 3 hours of training prior to each election.

(b) No inspector shall work at the polls unless he or she has had a minimum of 2 hours of training prior to each election.

(5) The Department of State shall create a uniform polling place procedures manual and adopt the manual by rule. Each supervisor of elections shall ensure that the manual is available in hard copy or electronic form in every polling place. The manual shall guide inspectors, clerks, and deputy sheriffs in the proper implementation of election procedures and laws. The manual shall be indexed by subject, and written in plain, clear, unambiguous language. The manual shall provide specific examples of common problems encountered at the polls and detail specific procedures for resolving those problems. The manual shall include, without limitation:

- (a) Regulations governing solicitation by individuals and groups at the polling place;
- (b) Procedures to be followed with respect to voters whose names are not on the precinct register;
- (c) Proper operation of the voting system;
- (d) Ballot handling procedures;
- (e) Procedures governing spoiled ballots;
- (f) Procedures to be followed after the polls close;
- (g) Rights of voters at the polls;
- (h) Procedures for handling emergency situations;
- (i) Procedures for dealing with irate voters;
- (j) The handling and processing of provisional ballots; and
- (k) Security procedures.

The Department of State shall revise the manual as necessary to address new procedures in law or problems encountered by voters and poll workers at the precincts.

(6) Supervisors of elections shall work with the business and local community to develop public-private programs to ensure the recruitment of skilled inspectors and clerks.

(7) The Department of State shall develop a mandatory, statewide, and uniform program for training poll workers on issues of etiquette and sensitivity with respect to voters having a disability. The program must be conducted locally by each supervisor of

elections, and each poll worker must complete the program before working during the current election cycle. The supervisor of elections shall contract with a recognized disability-related organization, such as a center for independent living, family network on disabilities, deaf service bureau, or other such organization, to develop and assist with training the trainers in the disability sensitivity programs. The program must include actual demonstrations of obstacles confronted by disabled persons during the voting process, including obtaining access to the polling place, traveling through the polling area, and using the voting system.

102.021 Compensation of inspectors, clerks, and deputy sheriffs.—

(1) Each inspector and each clerk of any election and each deputy sheriff serving at a precinct shall be paid for his or her services by the supervisor of elections, and each inspector who delivers the returns to the county seat shall receive such sums as the supervisor of elections shall determine.

(2) Inspectors and clerks of election and deputy sheriffs serving at the precincts may receive compensation and travel expenses, as provided in s. 112.061, for attending the poll worker training required by s. 102.014.

Note.—Former s. 99.04.

102.031 Maintenance of good order at polls; authorities; persons allowed in polling rooms and early voting areas; unlawful solicitation of voters.

(1) Each election board shall possess full authority to maintain order at the polls and enforce obedience to its lawful commands during an election and the canvass of the votes.

(2) The sheriff shall deputize a deputy sheriff for each polling place and each early voting site who shall be present during the time the polls or early voting sites are open and until the election is completed, who shall be subject to all lawful commands of the clerk or inspectors, and who shall maintain good order. The deputy may summon assistance from among bystanders to aid him or her when necessary to maintain peace and order at the polls or early voting sites.

(3)(a) No person may enter any polling room or polling place where the polling place is also a polling room, or any early voting area during voting hours except the following:

- 1. Official poll watchers;
- 2. Inspectors;
- 3. Election clerks;
- 4. The supervisor of elections or his or her deputy;
- 5. Persons there to vote, persons in the care of a voter, or persons caring for such voter;
- 6. Law enforcement officers or emergency service personnel there with permission of the clerk or a majority of the inspectors; or
- 7. A person, whether or not a registered voter, who is assisting with or participating in a simulated election for minors, as approved by the supervisor of elections.

(b) The restriction in this subsection does not apply where the polling room is in an area commonly traversed by the public in order to gain access to businesses or homes or in an area traditionally utilized as a public area for discussion.

(4)(a) No person, political committee, or other group or organization may solicit voters inside the polling place or within 150 feet of a secure ballot intake station or the entrance to any polling place, a polling room where the polling place is also a polling room, an early voting site, or an office of the supervisor where vote-by-mail ballots are requested and printed on demand for the convenience of electors who appear in person to request them. Before the opening of a secure ballot intake station location, a polling place, or an early voting site, the clerk or supervisor shall designate the no-solicitation zone and mark the boundaries.

(b) For the purpose of this subsection, the terms “solicit” or “solicitation” shall include, but not be limited to, seeking or attempting to seek any vote, fact, opinion, or contribution; distributing or attempting to distribute any political or campaign material, leaflet, or handout; conducting a poll except as specified in this paragraph; seeking or attempting to seek a signature on any petition; selling or attempting to sell any item; and engaging in any activity with the intent to influence or effect of influencing a voter. The terms “solicit” or “solicitation” may not be construed to prohibit an employee of, or a volunteer with, the supervisor from providing nonpartisan assistance to voters within the no-solicitation zone such as, but not limited to, giving items to voters, or to prohibit exit polling.

(c) Each supervisor of elections shall inform the clerk of the area within which soliciting is unlawful, based on the particular characteristics of that polling place. The supervisor or the clerk may take any reasonable action necessary to ensure order at the polling places, including, but not limited to, having disruptive and unruly persons removed by law enforcement officers from the polling room or place or from the 150-foot zone surrounding the polling place.

(d) Except as provided in paragraph (a), the supervisor may not designate a no-solicitation zone or otherwise restrict access to any person, political committee, candidate, or other group or organization for the purposes of soliciting voters. This paragraph applies to any public or private property used as a polling place or early voting site.

(e) The owner, operator, or lessee of the property on which a polling place or an early voting site is located, or an agent or employee thereof, may not prohibit the solicitation of voters by a candidate or a candidate's designee outside of the no-solicitation zone during polling hours.

(5) No photography is permitted in the polling room or early voting area, except an elector may photograph his or her own ballot.

102.071 Tabulation of votes and proclamation of results.—The election board shall post at the polls, for the benefit of the public, the results of the voting for each office or other item on the ballot as the count is completed. Upon completion of all counts in all races, a certificate of the results shall be drawn up by the inspectors and clerk at each precinct upon a form provided by the supervisor of elections which shall contain the name of each person voted for, for each office, and the number of votes cast for each person for such office; and, if any question is submitted, the certificate shall also contain the number of votes cast for and against the question. The certificate shall be signed by the inspectors and clerk and shall be delivered without delay by one of the inspectors, securely sealed, to the supervisor for immediate publication. All the ballot boxes, ballots, ballot stubs, memoranda, and papers of all kinds used in the election shall also be transmitted, after being sealed by the inspectors, to the supervisor's office. Registration books and the poll lists shall not be placed in the ballot boxes but shall be returned to the supervisor.

History.—s. 30, ch. 2021-11; s. 6, ch. 2022-4.

102.091 Duty of sheriff to watch for violations; appointment of special officers.—

(1) The sheriff shall exercise strict vigilance in the detection of any violations of the election laws and in apprehending the violators.

(2) The Governor, in consultation with the executive director of the Department of Law Enforcement, shall appoint special officers to investigate alleged violations of the election laws to see that violators of the election laws are apprehended and punished. A special officer must be a sworn special agent employed by the Department of Law Enforcement. At least one special officer must be designated in each operational region of the Department of Law Enforcement to serve as a dedicated investigator of alleged violations of the election laws. Appointment as a special officer does not preclude a sworn special agent from conducting other investigations of alleged violations of law, provided that such other investigations do not hinder or interfere with the individual's ability to investigate alleged violations of the election laws.

(2) The Elections Canvassing Commission shall meet at 9 a.m. on the 9th day after a primary election and at 9 a.m. on the 14th day after a general election to certify the returns of the election for each federal, state, and multicounty office. If a member of a county canvassing board that was constituted pursuant to s. 102.141 determines, within 5 days after the certification by the Elections Canvassing Commission, that a typographical error occurred in the official returns of the county, the correction of which could result in a change in the outcome of an election, the county canvassing board must certify corrected returns to the Department of State within 24 hours, and the Elections Canvassing Commission must correct and recertify the election returns as soon as practicable.

(3) The Division of Elections shall provide the staff services required by the Elections Canvassing Commission.

102.112 Deadline for submission of county returns to the Department of State.—

(1) The county canvassing board or a majority thereof shall file the county returns for the election of a federal or state officer with the Department of State immediately after certification of the election results. The returns must contain a certification by the canvassing board that the board has compared the number of persons who voted with the number of ballots counted and that the certification includes all valid votes cast in the election.

(2) Returns must be filed by 5 p.m. on the 7th day following a primary election and by noon on the 12th day following the general election. However, the Department of State may correct typographical errors, including the transposition of numbers, in any returns submitted to the Department of State pursuant to s. 102.111(2).

(3) If the returns are not received by the department by the time specified, such returns shall be ignored and the results on file at that time shall be certified by the department.

(4) If the returns are not received by the department due to an emergency, as defined in s. 101.732, the

Elections Canvassing Commission shall determine the deadline by which the returns must be received.

102.121 Elections Canvassing Commission to issue certificates.—

The Elections Canvassing Commission shall make and sign separate certificates of the result of the election for federal and state officers, which certificates shall be written and contain the total number of votes cast for each person for each office. The certificates, the one including the result of the election for presidential electors and representatives to Congress, and the other including the result of the election for state officers, shall be recorded in the Department of State in a book to be kept for that purpose.

102.131 Returns before canvassing commission.—

If any returns shall appear to be irregular or false so that the Elections Canvassing Commission is unable to determine the true vote for any office, nomination, constitutional amendment, or other measure presented to the electors, the commission shall so certify and shall not include the returns in its determination, canvass, and declaration. The Elections Canvassing Commission in determining the true vote shall not have authority to look beyond the county returns. The Department of State shall file in its office all the returns, together with other documents and papers received by it or the commission. The commission shall canvass the returns for presidential electors and representatives to Congress separately from their canvass of returns for state officers.

102.141 County canvassing board; duties.—

(1) The county canvassing board shall be composed of the supervisor of elections; a county court judge, who shall act as chair; and the chair of the board of county commissioners. The names of the canvassing board members must be published on the supervisor's website upon completion of the logic and accuracy test. Alternate canvassing board members must be appointed pursuant to paragraph (e). In the event any member of the county canvassing board is unable to serve, is a candidate who has opposition in the election being canvassed, or is an active participant in the campaign or candidacy of any candidate who has opposition in the election being canvassed, such member shall be replaced as follows:

(a) If no county court judge is able to serve or if all are disqualified, the chief judge of the judicial circuit in which the county is located shall appoint as a substitute member a qualified elector of the county who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed. In such event, the members of the county canvassing board shall meet and elect a chair.

(b) If the supervisor of elections is unable to serve or is disqualified, the chair of the board of county commissioners shall appoint as a substitute member a member of the board of county commissioners who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed. The supervisor, however, shall act in an advisory capacity to the canvassing board.

(c) If the chair of the board of county commissioners is unable to serve or is disqualified, the board of county commissioners shall appoint as a substitute member one of its members who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed.

(d) If a substitute member or alternate member cannot be appointed as provided elsewhere in this subsection, or in the event of a vacancy in such office, the chief judge of the judicial circuit in which the county is located shall appoint as a substitute member or alternate member a qualified elector of the county who is not a candidate with opposition in the election being canvassed and who is not an active participant in the campaign or candidacy of any candidate with opposition in the election being canvassed.

(e)1. The chief judge of the judicial circuit in which the county is located shall appoint a county court judge as an alternate member of the county canvassing board or, if each county court judge is unable to serve or is disqualified, shall appoint an alternate member who is qualified to serve as a substitute member under paragraph (a).

2. The chair of the board of county commissioners shall appoint a member of the board of county commissioners as an alternate member of the county canvassing board or, if each member of the board of county commissioners is unable to serve or is disqualified, shall appoint an alternate member who is qualified to serve as a substitute member under paragraph (d).

3. If a member of the county canvassing board is unable to participate in a meeting of the board, the chair of the county canvassing board or his or her designee shall designate which alternate member will serve as a member of the board in the place of the member who is unable to participate at that meeting.

4. If not serving as one of the three members of the county canvassing board, an alternate member may be present, observe, and communicate with the three members constituting the county canvassing board, but may not vote in the board's decisions or determinations.

(2)(a) The county canvassing board shall meet in a building accessible to the public in the county where the election occurred at a time and place to be designated by the supervisor to publicly canvass the absent electors' ballots as provided for in s. 101.68 and provisional ballots as provided by ss. 101.048, 101.049, and 101.6925. During each meeting of the county canvassing board, each political party and each candidate may have one watcher able to view directly or

on a display screen ballots being examined for signature matching and other processes. Provisional ballots cast pursuant to s. 101.049 shall be canvassed in a manner that votes for candidates and issues on those ballots can be segregated from other votes. As soon as the absent electors' ballots and the provisional ballots are canvassed, the board shall proceed to publicly canvass the vote given each candidate, nominee, constitutional amendment, or other measure submitted to the electorate of the county, as shown by the returns then on file in the office of the supervisor.

(b) Public notice of the canvassing board members, alternates, time, and place at which the county canvassing board shall meet to canvass the absent electors' ballots and provisional ballots must be given at least 48 hours prior thereto by publication on the supervisor's website and published in one or more newspapers of general circulation in the county or, if there is no newspaper of general circulation in the county, by posting such notice in at least four conspicuous places in the county. The time given in the notice as to the convening of the meeting of the county canvassing board must be specific and may not be a time period during which the board may meet.

(c) If the county canvassing board suspends or recesses a meeting publicly noticed pursuant to paragraph (b) for a period lasting more than 60 minutes, the board must post on the supervisor's website the anticipated time at which the board expects to reconvene. If the county canvassing board does not reconvene at the specified time, the board must provide at least 2 hours' notice, which must be posted on the supervisor's website, before reconvening.

(d) During any meeting of the county canvassing board, a physical notice must be placed in a conspicuous area near the public entrance to the building in which the meeting is taking place. The physical notice must include the names of the individuals officially serving as the county canvassing board, the names of any alternate members, the time of the meeting, and a brief statement as to the anticipated activities of the county canvassing board.

(3) The canvass, except the canvass of absent electors' returns and the canvass of provisional ballots, shall be made from the returns and certificates of the inspectors as signed and filed by them with the supervisor, and the county canvassing board shall not change the number of votes cast for a candidate, nominee, constitutional amendment, or other measure submitted to the electorate of the county, respectively, in any polling place, as shown by the returns. All returns shall be made to the board on or before 2 a.m. of the day following any primary, general, or other election. If the returns from any precinct are missing, if there are any omissions on the returns from any precinct, or if there is an obvious error on any such returns, the canvassing board shall order a retabulation of the returns from such precinct. Before canvassing such returns, the canvassing board shall examine the tabulation of the ballots cast in such precinct and determine whether the returns correctly reflect the votes cast. If there is a discrepancy between the returns and the tabulation of the ballots

cast, the tabulation of the ballots cast shall be presumed correct and such votes shall be canvassed accordingly.

(4)(a) The supervisor of elections shall upload into the county's election management system by 7 p.m. on the day before the election the results of all early voting and vote-by-mail ballots that have been canvassed and tabulated by the end of the early voting period. Pursuant to ss. 101.5614(8), 101.657, and 101.68(2), the tabulation of votes cast or the results of such uploads may not be made public before the close of the polls on election day.

(b) The canvassing board shall report all early voting and all tabulated vote-by-mail results to the Department of State within 30 minutes after the polls close. Thereafter, the canvassing board shall report, with the exception of provisional ballot results, updated precinct election results to the department at least every 45 minutes until all results are completely reported. The supervisor of elections shall notify the department immediately of any circumstances that do not permit periodic updates as required. Results shall be submitted in a format prescribed by the department.

(5) The canvassing board shall submit on forms or in formats provided by the division unofficial returns to the Department of State for each federal, statewide, state, or multicounty office or ballot measure no later than noon on the third day after any primary election and no later than noon on the fourth day after any general or other election. Such returns shall include the canvass of all ballots as required by subsection (2).

(6) If the county canvassing board determines that the unofficial returns may contain a counting error in which the vote tabulation system failed to count votes that were properly marked in accordance with the instructions on the ballot, the county canvassing board shall:

(a) Correct the error and retabulate the affected ballots with the vote tabulation system; or

(b) Request that the Department of State verify the tabulation software. When the Department of State verifies such software, the department shall compare the software used to tabulate the votes with the software filed with the department pursuant to s. 101.5607 and check the election parameters.

(7) If the unofficial returns reflect that a candidate for any office was defeated or eliminated by one-half of a percent or less of the votes cast for such office, that a candidate for retention to a judicial office was retained or not retained by one-half of a percent or less of the votes cast on the question of retention, or that a measure appearing on the ballot was approved or rejected by one-half of a percent or less of the votes cast on such measure, a recount shall be ordered of the votes cast with respect to such office or measure. The Secretary of State is responsible for ordering recounts in federal, state, and multicounty races. The county canvassing board or the local board responsible for certifying the election is responsible for ordering recounts in all other races. A recount need not be ordered with respect to the returns for any office, however, if the candidate or candidates defeated or eliminated from contention for such office by one-half of a percent or less of the votes

cast for such office request in writing that a recount not be made.

(a) Each canvassing board responsible for conducting a recount shall put each marksense ballot through automatic tabulating equipment and determine whether the returns correctly reflect the votes cast. If any marksense ballot is physically damaged so that it cannot be properly counted by the automatic tabulating equipment during the recount, a true duplicate shall be made of the damaged ballot pursuant to the procedures in s. 101.5614(4). Immediately before the start of the recount, a test of the tabulating equipment shall be conducted as provided in s. 101.5612. If the test indicates no error, the recount tabulation of the ballots cast shall be presumed correct and such votes shall be canvassed accordingly. If an error is detected, the cause therefor shall be ascertained and corrected and the recount repeated, as necessary. The canvassing board shall immediately report the error, along with the cause of the error and the corrective measures being taken, to the Department of State. No later than 11 days after the election, the canvassing board shall file a separate incident report with the Department of State, detailing the resolution of the matter and identifying any measures that will avoid a future recurrence of the error. If the automatic tabulating equipment used in a recount is not part of the voting system and the ballots have already been processed through such equipment, the canvassing board is not required to put each ballot through any automatic tabulating equipment again.

(b) Each canvassing board responsible for conducting a recount where touchscreen ballots were used shall examine the counters on the precinct tabulators to ensure that the total of the returns on the precinct tabulators equals the overall election return. If there is a discrepancy between the overall election return and the counters of the precinct tabulators, the counters of the precinct tabulators shall be presumed correct and such votes shall be canvassed accordingly.

(c) The canvassing board shall submit on forms or in formats provided by the division a second set of unofficial returns to the Department of State for each federal, statewide, state, or multicounty office or ballot measure. The returns shall be filed no later than 3 p.m. on the 5th day after any primary election and no later than 3 p.m. on the 9th day after any general election in which a recount was ordered by the Secretary of State. If the canvassing board is unable to complete the recount prescribed in this subsection by the deadline, the second set of unofficial returns submitted by the canvassing board shall be identical to the initial unofficial returns and the submission shall also include a detailed explanation of why it was unable to timely complete the recount. However, the canvassing board shall complete the recount prescribed in this subsection, along with any manual recount prescribed in s. 102.166, and certify election returns in accordance with the requirements of this chapter.

(d) The Department of State shall adopt detailed rules prescribing additional recount procedures for each certified voting system, which shall be uniform to the extent practicable.

(8) The canvassing board may employ such clerical help to assist with the work of the board as it deems necessary, with at least one member of the board present at all times, until the canvass of the returns is completed. The clerical help shall be paid from the same fund as inspectors and other necessary election officials.

(9) Each member, substitute member, and alternate member of the county canvassing board and all clerical help must wear identification badges during any period in which the county canvassing board is canvassing votes or engaging in other official duties. The identification badges should be worn in a conspicuous and unobstructed area, and include the name of the individual and his or her official position.

(10)(a) At the same time that the official results of an election are certified to the Department of State, the county canvassing board shall file a report with the Division of Elections on the conduct of the election. The report must describe:

1. All equipment or software malfunctions at the precinct level, at a counting location, or within computer and telecommunications networks supporting a county location, and the steps that were taken to address the malfunctions;

2. All election definition errors that were discovered after the logic and accuracy test, and the steps that were taken to address the errors;

3. All ballot printing errors or ballot supply problems, and the steps that were taken to address the errors or problems;

4. All staffing shortages or procedural violations by employees or precinct workers which were addressed by the supervisor of elections or the county canvassing board during the conduct of the election, and the steps that were taken to correct such issues;

5. All instances where needs for staffing or equipment were insufficient to meet the needs of the voters; and

6. Any additional information regarding material issues or problems associated with the conduct of the election.

(b) If a supervisor discovers new or additional information on any of the items required to be included in the report pursuant to paragraph (a) after the report is filed, the supervisor shall notify the division that new information has been discovered no later than the next business day after the discovery, and the supervisor shall file an amended report signed by the supervisor of elections on the conduct of the election within 10 days after the discovery.

(c) Such reports shall be maintained on file in the Division of Elections and shall be available for public inspection. The division shall utilize the reports submitted by the canvassing boards to determine what problems may be likely to occur in other elections and disseminate such information, along with possible solutions, to the supervisors of elections.

(11) The supervisor shall file with the department a copy of or an export file from the results database of the county's voting system and other statistical information as may be required by the department, the Legislature, or the Election Assistance Commission. The

department shall adopt rules establishing the required content and acceptable formats for the filings and time for filings.

102.151 County canvassing board to issue certificates; supervisor to give notice to Department of State.

—The county canvassing board shall make and sign duplicate certificates containing the total number of votes cast for each person nominated or elected, the names of persons for whom such votes were cast, and the number of votes cast for each candidate or nominee.

One of such certificates which relates to offices for which the candidates or nominees have been voted for in more than one county shall be immediately transmitted to the Department of State, and the second copy filed in the supervisor's office. The supervisor shall transmit to the Department of State, immediately after the county canvassing board has canvassed the returns of the election, a list containing the names of all county and district officers nominated or elected, the office for which each was nominated or elected, and the mailing address of each.

102.155 Certificate of election.—The supervisor shall give to any person the election of whom is certified by the county canvassing board a certificate of the person's election. The Department of State shall give to any person the election of whom is certified by the state canvassing board a certificate of the person's election. The certificate of election which is issued to any person shall be prima facie evidence of the election of such person.

102.166 Manual recounts of overvotes and undervotes.

(1) If the second set of unofficial returns pursuant to s. 102.141 indicates that a candidate for any office was defeated or eliminated by one-quarter of a percent or less of the votes cast for such office, that a candidate for retention to a judicial office was retained or not retained by one-quarter of a percent or less of the votes cast on the question of retention, or that a measure appearing on the ballot was approved or rejected by one-quarter of a percent or less of the votes cast on such measure, a manual recount of the overvotes and undervotes cast in the entire geographic jurisdiction of such office or ballot measure shall be ordered unless:

(a) The candidate or candidates defeated or eliminated from contention by one-quarter of 1 percent or fewer of the votes cast for such office request in writing that a recount not be made; or

(b) The number of overvotes and undervotes is fewer than the number of votes needed to change the outcome of the election.

The Secretary of State is responsible for ordering a manual recount for federal, state, and multicounty races. The county canvassing board or local board responsible for certifying the election is responsible for ordering a manual recount for all other races. A manual recount consists of a recount of marksense ballots or of digital images of those ballots by a person.

(2) Any hardware or software used to identify and sort overvotes and undervotes for a given race or ballot measure must be certified by the Department of State. Any such hardware or software must be capable of simultaneously identifying and sorting overvotes and undervotes in multiple races while simultaneously counting votes. Overvotes and undervotes must be identified and sorted while recounting ballots pursuant to s. 102.141. Overvotes and undervotes may be identified and sorted physically or digitally.

(3) Any manual recount shall be open to the public.

(4)(a) A vote for a candidate or ballot measure shall be counted if there is a clear indication on the ballot that the voter has made a definite choice.

(b) The Department of State shall adopt specific rules for the federal write-in absentee ballot and for each certified voting system prescribing what constitutes a "clear indication on the ballot that the voter has made a definite choice." The rules shall be consistent, to the extent practicable, and may not:

1. Authorize the use of any electronic or electro-mechanical reading device to review a hybrid voting system ballot that is produced using a voter interface device and that contains both machine-readable fields and machine-printed text of the contest titles and voter selections, unless the printed text is illegible;

2. Exclusively provide that the voter must properly mark or designate his or her choice on the ballot; or

3. Contain a catch-all provision that fails to identify specific standards, such as "any other mark or indication clearly indicating that the voter has made a definite choice."

(c) The rule for the federal write-in absentee ballot must address, at a minimum, the following issues:

1. The appropriate lines or spaces for designating a candidate choice and, for state and local races, the office or ballot measure to be voted, including the proximity of each to the other and the effect of intervening blank lines.

2. The sufficiency of designating a candidate's first or last name when no other candidate in the race has the same or a similar name.

3. The sufficiency of designating a candidate's first or last name when an opposing candidate has the same or a similar name, notwithstanding generational suffixes and titles such as "Jr.," "Sr.," or "III." The rule should contemplate the sufficiency of additional first names and first initials, middle names and middle initials, generational suffixes and titles, nicknames, and, in general elections, the name or abbreviation of a political party.

4. Candidate designations containing both a qualified candidate's name and a political party, including

those in which the party designated is the candidate's party, is not the candidate's party, has an opposing candidate in the race, or does not have an opposing candidate in the race.

5. Situations where the abbreviation or name of a candidate is the same as the abbreviation or name of a political party to which the candidate does not belong, including those in which the party designated has another candidate in the race or does not have a candidate in the race.

6. The use of marks, symbols, or language, such as arrows, quotation marks, or the word "same" or "ditto," to indicate that the same political party designation applies to all listed offices or the elector's approval or disapproval of all listed ballot measures.

7. Situations in which an elector designates the name of a qualified candidate for an incorrect office.

8. Situations in which an elector designates an otherwise correct office name that includes an incorrect district number.

(5) Procedures for a manual recount are as follows:

(a) The county canvassing board shall appoint as many counting teams of at least two electors as is necessary to manually recount the ballots. A counting team must have, when possible, members of at least two political parties. A candidate involved in the race shall not be a member of the counting team.

(b) Each duplicate ballot prepared pursuant to s. 101.5614(4) or s. 102.141(7) shall be compared with the original ballot to ensure the correctness of the duplicate.

(c) If a counting team is unable to determine whether the ballot contains a clear indication that the voter has made a definite choice, the ballot shall be presented to the county canvassing board for a determination.

(d) The Department of State shall adopt detailed rules prescribing additional recount procedures for each certified voting system which shall be uniform to the extent practicable. The rules shall address, at a minimum, the following areas:

1. Security of ballots during the recount process;
2. Time and place of recounts;
3. Public observance of recounts;
4. Objections to ballot determinations;
5. Record of recount proceedings;
6. Procedures relating to candidate and petitioner representatives; and

7. Procedures relating to the certification and the use of automatic tabulating equipment that is not part of a voting system.

(6) Nothing in this section precludes a county canvassing board or local board involved in the recount from comparing a digital image of a ballot to the corresponding physical paper ballot during a manual recount.

102.168 Contest of election.—

(1) Except as provided in s. 102.171, the certification of election or nomination of any person to office, or of the result on any question submitted by referendum, may be contested in the circuit court by any unsuccessful candidate for such office or nomination thereto or by any elector qualified to vote in the election related to such candidacy, or by any taxpayer, respectively.

(2) Such contestant shall file a complaint, together with the fees prescribed in chapter 28, with the clerk of the circuit court within 10 days after midnight of the date the last board responsible for certifying the results officially certifies the results of the election being contested.

(3) The complaint shall set forth the grounds on which the contestant intends to establish his or her right to such office or set aside the result of the election on a submitted referendum. The grounds for contesting an election under this section are:

(a) Misconduct, fraud, or corruption on the part of any election official or any member of the canvassing board sufficient to change or place in doubt the result of the election.

(b) Ineligibility of the successful candidate for the nomination or office in dispute.

(c) Receipt of a number of illegal votes or rejection of a number of legal votes sufficient to change or place in doubt the result of the election.

(d) Proof that any elector, election official, or canvassing board member was given or offered a bribe or reward in money, property, or any other thing of value for the purpose of procuring the successful candidate's nomination or election or determining the result on any question submitted by referendum.

(4) The canvassing board responsible for canvassing the election is an indispensable party defendant in county and local elections. The Elections Canvassing Commission is an indispensable party defendant in federal, state, and multicounty elections and in elections for justice of the Supreme Court, judge of a district court of appeal, and judge of a circuit court. The successful candidate is an indispensable party to any action brought to contest the election or nomination of a candidate.

(5) A statement of the grounds of contest may not be rejected, nor the proceedings dismissed, by the court for any want of form if the grounds of contest provided in the statement are sufficient to clearly inform the defendant of the particular proceeding or cause for which the nomination or election is contested.

(6) A copy of the complaint shall be served upon the defendant and any other person named therein in the same manner as in other civil cases under the laws of this state. Within 10 days after the complaint has been served, the defendant must file an answer admitting or denying the allegations on which the contestant relies or stating that the defendant has no knowledge or information concerning the allegations, which shall be deemed a denial of the allegations, and must state any other defenses, in law or fact, on which the defendant relies. If an answer is not filed within the time prescribed, the defendant may not be granted a hearing in court to

assert any claim or objection that is required by this subsection to be stated in an answer.

(7) Any candidate, qualified elector, or taxpayer presenting such a contest to a circuit judge is entitled to an immediate hearing. However, the court in its discretion may limit the time to be consumed in taking testimony, with a view therein to the circumstances of the matter and to the proximity of any succeeding election.

(8) In any contest that requires a review of the canvassing board's decision on the legality of a provisional or vote-by-mail ballot pursuant to s. 101.048 or s. 101.68 based upon a comparison of the signature of the elector in the registration records with the signature on the provisional or vote-by-mail voter's certificate or the provisional or vote-by-mail cure affidavit, the circuit court may not review or consider any evidence other than the signature of the elector in the registration records, the signature on the respective voter's certificate or cure affidavit, and any supporting identification that the elector submitted with the cure affidavit. The court's review of such issue shall be to determine only if the canvassing board abused its discretion in making its decision.

103.021 Nomination for presidential electors.—Candidates for presidential electors shall be nominated in the following manner:

(1) The Governor shall nominate the presidential electors of each political party. The state executive committee of each political party shall by resolution recommend candidates for presidential electors and deliver a certified copy thereof to the Governor before September 1 of each presidential election year. The Governor shall nominate only the electors recommended by the state executive committee of the respective political party. Each such elector shall be a qualified elector of the party he or she represents who has taken an oath that he or she will vote for the candidates of the party that he or she is nominated to represent. The Governor shall certify to the Department of State on or before September 1, in each presidential election year, the names of a number of electors for each political party equal to the number of senators and representatives which this state has in Congress.

(2) The names of the presidential electors shall not be printed on the general election ballot, but the names

of the actual candidates for President and Vice President for whom the presidential electors will vote if elected shall be printed on the ballot in the order in which the party of which the candidate is a nominee polled the highest number of votes for Governor in the last general election.

(3) Candidates for President and Vice President with no party affiliation may have their names printed on the general election ballots if a petition is signed by 1 percent of the registered electors of this state, as shown by the compilation by the Department of State for the last preceding general election. A separate petition from each county for which signatures are solicited shall be submitted to the supervisor of elections of the respective county no later than July 15 of each presidential election year. The supervisor shall check the names and, on or before the date of the primary election, shall certify the number shown as registered electors of the county. The supervisor shall be paid by the person requesting the certification the cost of checking the petitions as prescribed in s. 99.097. The supervisor shall then forward the certificate to the Department of State which shall determine whether or not the percentage factor required in this section has been met. When the percentage factor required in this section has been met, the Department of State shall order the names of the candidates for whom the petition was circulated to be included on the ballot and shall permit the required number of persons to be certified as electors in the same manner as party candidates.

(4)(a) A minor political party that is affiliated with a national party holding a national convention to nominate candidates for President and Vice President of the United States may have the names of its candidates for President and Vice President of the United States printed on the general election ballot by filing with the Department of State a certificate naming the candidates for President and Vice President and listing the required number of persons to serve as electors. Notification to the Department of State under this subsection shall be made by September 1 of the year in which the election is held. When the Department of State has been so notified, it shall order the names of the candidates nominated by the minor political party to be included on the ballot and shall permit the required number of persons to be certified as electors in the same manner as other party candidates. As used in this section, the term “national party” means a political party that is registered with and recognized as a qualified national committee of a political party by the Federal Election Commission.

(b) A minor political party that is not affiliated with a national party holding a national convention to nominate candidates for President and Vice President of the United States may have the names of its candidates for President and Vice President printed on the general election ballot if a petition is signed by 1 percent of the registered electors of this state, as shown by the

compilation by the Department of State for the preceding general election. A separate petition from each county for which signatures are solicited shall be submitted to the supervisors of elections of the respective county no later than July 15 of each presidential election year. The supervisor shall check the names and, on or before the date of the primary election, shall certify the number shown as registered electors of the county. The supervisor shall be paid by the person requesting the certification the cost of checking the petitions as prescribed in s. 99.097. The supervisor shall then forward the certificate to the Department of State, which shall determine whether or not the percentage factor required in this section has been met. When the percentage factor required in this section has been met, the Department of State shall order the names of the candidates for whom the petition was circulated to be included on the ballot and shall permit the required number of persons to be certified as electors in the same manner as other party candidates.

(5) When for any reason a person nominated or elected as a presidential elector is unable to serve because of death, incapacity, or otherwise, the Governor may appoint a person to fill such vacancy who possesses the qualifications required for the elector to have been nominated in the first instance. Such person shall file with the Governor an oath that he or she will support the same candidates for President and Vice President that the person who is unable to serve was committed to support.

(c) Appeal of the decision to the Florida Elections Commission. Such appeals are exempt from the confidentiality provisions of s. 106.25.

(6) The requirements of this section are retroactive for any minor political party registered with the department on July 1, 2011, and must be complied with within 180 days after the department provides notice to the minor political party of the requirements contained in this section. Failure of the minor political party to comply with the requirements within 180 days after receipt of the notice shall automatically result in the cancellation of the minor political party's registration.

History.—s. 46, ch. 2011-40.

103.101 Presidential preference primary.—

(1) Each political party other than a minor political party shall, at the presidential preference primary, elect one person to be the party's candidate for nomination for President of the United States or select delegates to the party's national nominating convention, as provided by party rule. The presidential preference primary shall be held on the third Tuesday in March of each presidential election year. Any party rule directing the vote of delegates at a national nominating convention shall reasonably reflect the results of the presidential preference primary, if one is held.

(2) By November 30 of the year preceding the presidential preference primary, each political party shall submit to the Secretary of State a list of its presidential candidates to be placed on the presidential preference primary ballot or candidates entitled to have delegates appear on the presidential preference primary ballot. The Secretary of State shall prepare and

publish a list of the names of the presidential candidates submitted not later than on the first Tuesday after the first Monday in December of the year preceding the presidential preference primary. The Department of State shall immediately notify each presidential candidate listed by the Secretary of State. Such notification shall be in writing, by registered mail, with return receipt requested.

(3) A candidate's name shall be printed on the presidential preference primary ballot unless the candidate submits to the Department of State, prior to the second Tuesday after the first Monday in December of the year preceding the presidential preference primary, an affidavit stating that he or she is not now, and does not presently intend to become, a candidate for President at the upcoming nominating convention. If a candidate withdraws pursuant to this subsection, the Department of State shall notify the state executive committee that the candidate's name will not be placed on the ballot. The Department of State shall, no later than the third Tuesday after the first Monday in December of the year preceding the presidential preference primary, certify to each supervisor of elections the name of each candidate for political party nomination to be printed on the ballot.

(4) The names of candidates for political party nominations for President of the United States shall be printed on official ballots for the presidential preference primary election and shall be marked, counted, canvassed, returned, and proclaimed in the same manner and under the same conditions, so far as they are applicable, as in other state elections. If party rule requires the delegates' names to be printed on the official presidential preference primary ballot, the name of the presidential candidates for that political party may not be printed separately, but the ballot may reflect the presidential candidate to whom the delegate is pledged. If, however, a political party has only one presidential candidate, neither the name of the candidate nor the names of the candidate's delegates shall be printed on the ballot.

(5) The state executive committee of each party, by rule adopted at least 60 days prior to the presidential preference primary election, shall determine the number, and establish procedures to be followed in the selection, of delegates and delegate alternates from among each candidate's supporters. A copy of any rule adopted by the executive committee shall be filed with the Department of State within 7 days after its adoption and shall become a public record. The Department of State shall review the procedures and shall notify the state executive committee of each political party of any ballot limitations.

(6) All names of candidates or delegates shall be listed as directed by the Department of State.

A person qualifying by this petition process is not required to pay the qualifying fee required by this chapter.

(2) The petition format shall be prescribed by the Division of Elections and shall be used by the candidate to reproduce petitions for circulation. If the candidate is running for an office that will be grouped on the ballot with two or more similar offices to be filled at the same election, the candidate's petition must indicate, prior to the obtaining of registered electors' signatures, for which group or district office the candidate is running.

(3) Each candidate for election to a judicial office or the office of school board member shall obtain the signature of a number of qualified electors equal to at least 1 percent of the total number of registered electors of the district, circuit, county, or other geographic entity represented by the office sought as shown by the compilation by the Department of State for the last preceding general election. A separate petition shall be circulated for each candidate availing himself or herself of the provisions of this section. Signatures may not be obtained until the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to s. 106.021.

(4)(a) Each candidate seeking to qualify for election to the office of circuit judge or the office of school board member from a multicounty school district pursuant to this section shall file a separate petition from each county from which signatures are sought. Each petition shall be submitted, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. Each supervisor of elections to whom a petition is submitted shall check the signatures on the petition to verify their status as electors of that county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor

shall certify the number shown as registered electors and submit such certification to the Division of Elections. The division shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and file his or her qualifying papers and oath prescribed in s. 105.031 with the Division of Elections. Upon receipt of the copy of such notice and qualifying papers, the division shall certify the name of the candidate to the appropriate supervisor or supervisors of elections as having qualified for the office sought.

(b) Each candidate seeking to qualify for election to the office of county court judge or the office of school board member from a single county school district pursuant to this section shall submit his or her petition, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. The supervisor shall check the signatures on the petition to verify their status as electors of the county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and file his or her qualifying papers and oath prescribed in s. 105.031 with the qualifying officer. Upon receipt of the copy of such notice and qualifying papers, such candidate shall be entitled to have his or her name printed on the ballot.

105.036 Initiative for method of selection for circuit or county court judges; procedures for placement on ballot.—

(1) A local option for merit selection and retention or the election of circuit or county court judges may be placed on the ballot for the general election occurring in excess of 90 days from the certification of ballot position by the Secretary of State for circuit court judges or the county supervisor of elections for county court judges. The ballot shall provide for a vote on the method for selection of judges not currently used for filling judicial offices in the county or circuit.

(2) Certification of ballot position for the method of selection of circuit court judges shall be issued when the Secretary of State has received a verification certificate from each supervisor of elections in a circuit indicating that the requisite number of valid signatures of electors in the circuit has been submitted and verified by the supervisor or supervisors of that circuit. Certification of ballot position for the method of selection of county court judges shall be issued when the supervisor of elections in a county indicates that the requisite number of signatures of electors in the county has been submitted to and verified by the supervisor. Each signature shall

be dated when made and shall be valid for a period of 2 years following such date, provided all requirements of law are complied with.

(3) The sponsor of an initiative for merit selection and retention or election of circuit or county court judges must register as a political committee pursuant to s. 106.03.

(4) The Secretary of State shall adopt rules pursuant to ss. 120.536(1) and 120.54 prescribing the style and requirements of the circuit court and county court forms for collection of signatures.

(5) No later than 5 p.m. 151 days prior to the general election at which the proposed judicial selection initiative is to be voted on, the sponsor shall submit signed and dated forms to the appropriate supervisor of elections for verification as to the number of registered electors whose valid signatures appear thereon. The supervisor shall promptly verify the signatures upon payment of the fee or filing of the undue burden oath required by s. 99.097. Verification must be completed at least 91 days prior to the general election. Upon completion of verification, the supervisor shall execute a certificate indicating the total number of signatures checked and the number of signatures verified as valid and as being of registered electors of the applicable county or circuit. This certificate must be immediately transmitted to the Secretary of State for petitions related to the method of selection of circuit court judges. The supervisor must retain the signature forms for at least 1 year following the election in which the issue appeared on the ballot or until the committee that circulated the petition is no longer seeking to obtain ballot position as determined by the Division of Elections for circuit court petitions or by the supervisor of elections for county court petitions.

(6) Upon a determination by the Secretary of State for circuit court petitions or by the supervisor of elections for county court petitions that the requisite number of valid signatures has been obtained, a certification of ballot position must be issued for the proposed method of selection of judges. A request to exercise a local option to change the method for selection of circuit or county court judges is deemed filed with the Secretary of State for circuit court judges or the supervisor of elections for county court judges upon the date of the receipt of a certificate or certificates indicating the petition has been signed by the constitutionally required number of electors.

(7) Within 10 days after each general election for which an initiative to change the method of selection of circuit or county court judges was placed on the ballot in any circuit or county in the state, the Secretary of State must notify the Chief Justice of the Supreme Court of Florida of the changed method for selection of judges for any circuit or county where the initiative passed.

(8) The Department of State shall have the authority to promulgate rules in accordance with ss. 120.536(1) and 120.54 to carry out the provisions of this section.

106.011 Definitions.—As used in this chapter, the following terms have the following meanings unless the context clearly indicates otherwise:

(1) "Campaign fund raiser" means an affair held to raise funds to be used in a campaign for public office.

(2) "Campaign treasurer" means an individual appointed by a candidate or political committee as provided in this chapter.

(3) "Candidate" means a person to whom any of the following applies:

(a) A person who seeks to qualify for nomination or election by means of the petitioning process.

(b) A person who seeks to qualify for election as a write-in candidate.

(c) A person who receives contributions or makes expenditures, or consents for any other person to receive contributions or make expenditures, with a view to bring about his or her nomination or election to, or retention in, public office.

(d) A person who appoints a treasurer and designates a primary depository.

(e) A person who files qualification papers and subscribes to a candidate's oath as required by law.

However, this definition does not include any candidate for a political party executive committee. Expenditures related to potential candidate polls as provided in s. 106.17 are not contributions or expenditures for purposes of this subsection.

(4) "Communications media" means broadcasting stations, newspapers, magazines, outdoor advertising facilities, printers, direct mail, advertising agencies, the Internet, and telephone companies; but with respect to telephones, an expenditure is deemed to be an expenditure for the use of communications media only if made for the costs of telephones, paid telephonists, or automatic telephone equipment to be used by a candidate or a political committee to communicate with potential voters but excluding the costs of telephones incurred by a volunteer for use of telephones by such volunteer; however, with respect to the Internet, an expenditure is deemed an expenditure for use of communications media only if made for the cost of creating or disseminating a message on a computer information system accessible by more than one person but excluding internal communications of a campaign or of any group.

(5) "Contribution" means:

(a) A gift, subscription, conveyance, deposit, loan, payment, or distribution of money or anything of value, including contributions in kind having an attributable monetary value in any form, made for the purpose of influencing the results of an election or making an electioneering communication.

(b) A transfer of funds between political committees, between electioneering communications organizations, or between any combination of these groups.

(c) The payment, by a person other than a candidate or political committee, of compensation for the personal services of another person which are rendered to a candidate or political committee without charge to the candidate or committee for such services.

(d) The transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, and the term includes interest earned on such account or certificate.

Notwithstanding the foregoing meanings of "contribution," the term may not be construed to include services, including, but not limited to, legal and accounting services, provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee or editorial endorsements.

(6) "Division" means the Division of Elections of the Department of State.

(7) "Election" means a primary election, special primary election, general election, special election, or municipal election held in this state for the purpose of nominating or electing candidates to public office, choosing delegates to the national nominating conventions of political parties, selecting a member of a political party executive committee, or submitting an issue to the electors for their approval or rejection.

(8)(a) "Electioneering communication" means a text message or communication that is publicly distributed by a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, or telephone which:

1. Refers to or depicts a clearly identified candidate for office without expressly advocating the election or defeat of a candidate but that is susceptible of no reasonable interpretation other than an appeal to vote for or against a specific candidate;

2. Is made within 30 days before a primary or special primary election or 60 days before any other election for the office sought by the candidate; and

3. Is targeted to the relevant electorate in the geographic area the candidate would represent if elected.

(b) The term "electioneering communication" does not include:

1. A communication disseminated through a means of communication other than a television station, radio station, cable television system, satellite system, newspaper, magazine, direct mail, telephone, or statement or depiction by an organization, in existence before the time during which a candidate named or depicted qualifies for that election, made in that organization's newsletter, which newsletter is distributed only to members of that organization.

2. A communication in a news story, commentary, or editorial distributed through the facilities of a radio station, television station, cable television system, or satellite system, unless the facilities are owned or controlled by a political party, political committee, or candidate. A news story distributed through the facilities owned or controlled by a political party, political committee, or candidate may nevertheless be exempt if it represents a bona fide news account communicated through a licensed broadcasting facility and the communication is part of a general pattern of campaign-related news accounts that give reasonably equal coverage to all opposing candidates in the area.

3. A communication that constitutes a public debate or forum that includes at least two opposing candidates for an office or one advocate and one opponent of an issue, or that solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum, provided that:

a. The staging organization is either:

(I) A charitable organization that does not make other electioneering communications and does not otherwise support or oppose any political candidate or political party; or

(II) A newspaper, radio station, television station, or other recognized news medium; and

b. The staging organization does not structure the debate to promote or advance one candidate or issue position over another.

(c) For purposes of this chapter, an expenditure made for, or in furtherance of, an electioneering communication is not considered a contribution to or on behalf of any candidate.

(d) For purposes of this chapter, an electioneering communication does not constitute an independent expenditure and is not subject to the limitations applicable to independent expenditures.

(9) "Electioneering communications organization" means any group, other than a political party, affiliated party committee, or political committee, whose election-related activities are limited to making expenditures for electioneering communications or accepting contributions for the purpose of making electioneering communications and whose activities would not otherwise require the group to register as a political party or political committee under this chapter.

(10)(a) "Expenditure" means a purchase, payment, distribution, loan, advance, transfer of funds by a campaign treasurer or deputy campaign treasurer between a primary depository and a separate interest-bearing account or certificate of deposit, or gift of money or anything of value made for the purpose of influencing the results of an election or making an electioneering communication. However, "expenditure" does not include a purchase, payment, distribution, loan, advance, or gift of money or anything of value made for the purpose of influencing the results of an election when made by an organization, in existence before the time during which a candidate qualifies or an issue is placed on the ballot for that election, for the purpose of printing or distributing such organization's newsletter, containing a statement by such organization in support of or opposition to a candidate or issue, which newsletter is distributed only to members of such organization.

(b) As used in this chapter, an "expenditure" for an electioneering communication is made when the earliest of the following occurs:

1. A person enters into a contract for applicable goods or services;

2. A person makes payment, in whole or in part, for the production or public dissemination of applicable goods or services; or

3. The electioneering communication is publicly disseminated.

(11) "Filing officer" means the person before whom a candidate qualifies or the agency or officer with whom a political committee or an electioneering communications organization registers.

(12)(a) "Independent expenditure" means an expenditure by a person for the purpose of expressly advocating the election or defeat of a candidate or the approval or rejection of an issue, which expenditure is

not controlled by, coordinated with, or made upon consultation with, any candidate, political committee, or agent of such candidate or committee. An expenditure for such purpose by a person having a contract with the candidate, political committee, or agent of such candidate or committee in a given election period is not an independent expenditure.

(b) An expenditure for the purpose of expressly advocating the election or defeat of a candidate which is made by the national, state, or county executive committee of a political party, including any subordinate committee of the political party, an affiliated party committee, a political committee, or any other person is not considered an independent expenditure if the committee or person:

1. Communicates with the candidate, the candidate's campaign, or an agent of the candidate acting on behalf of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member, concerning the preparation of, use of, or payment for, the specific expenditure or advertising campaign at issue;

2. Makes a payment in cooperation, consultation, or concert with, at the request or suggestion of, or pursuant to a general or particular understanding with the candidate, the candidate's campaign, a political committee supporting the candidate, or an agent of the candidate relating to the specific expenditure or advertising campaign at issue;

3. Makes a payment for the dissemination, distribution, or republication, in whole or in part, of a broadcast or a written, graphic, or other form of campaign material prepared by the candidate, the candidate's campaign, or an agent of the candidate, including a pollster, media consultant, advertising agency, vendor, advisor, or staff member;

4. Makes a payment based on information about the candidate's plans, projects, or needs communicated to a member of the committee or person by the candidate or an agent of the candidate, provided the committee or person uses the information in any way, in whole or in part, either directly or indirectly, to design, prepare, or pay for the specific expenditure or advertising campaign at issue;

5. After the last day of the qualifying period prescribed for the candidate, consults about the candidate's plans, projects, or needs in connection with the candidate's pursuit of election to office and the information is used in any way to plan, create, design, or prepare an independent expenditure or advertising campaign, with:

a. An officer, director, employee, or agent of a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate; or

b. A person whose professional services have been retained by a national, state, or county executive committee of a political party or an affiliated party committee that has made or intends to make expenditures in connection with or contributions to the candidate;

6. After the last day of the qualifying period prescribed for the candidate, retains the professional services of a person also providing those services to the candidate in connection with the candidate's pursuit of election to office; or

7. Arranges, coordinates, or directs the expenditure, in any way, with the candidate or an agent of the candidate.

(13) "Issue" means a proposition that is required by the State Constitution, by law or resolution of the Legislature, or by the charter, ordinance, or resolution of a political subdivision of this state to be submitted to the electors for their approval or rejection at an election, or a proposition for which a petition is circulated in order to have such proposition placed on the ballot at an election.

(14) "Person" means an individual or a corporation, association, firm, partnership, joint venture, joint stock company, club, organization, estate, trust, business trust, syndicate, or other combination of individuals having collective capacity. The term includes a political party, affiliated party committee, or political committee.

(15) "Political advertisement" means a paid expression in a communications medium prescribed in subsection (4), whether radio, television, newspaper, magazine, periodical, campaign literature, direct mail, or display or by means other than the spoken word in direct conversation, which expressly advocates the election or defeat of a candidate or the approval or rejection of an issue. However, political advertisement does not include:

(a) A statement by an organization, in existence before the time during which a candidate qualifies or an issue is placed on the ballot for that election, in support of or opposition to a candidate or issue, in that organization's newsletter, which newsletter is distributed only to the members of that organization.

(b) Editorial endorsements by a newspaper, a radio or television station, or any other recognized news medium.

(16)(a) "Political committee" means:

1. A combination of two or more individuals, or a person other than an individual, that, in an aggregate amount in excess of \$500 during a single calendar year:

a. Accepts contributions for the purpose of making contributions to any candidate, political committee, affiliated party committee, or political party;

b. Accepts contributions for the purpose of expressly advocating the election or defeat of a candidate or the passage or defeat of an issue;

c. Makes expenditures that expressly advocate the election or defeat of a candidate or the passage or defeat of an issue; or

d. Makes contributions to a common fund, other than a joint checking account between spouses, from which contributions are made to any candidate, political committee, affiliated party committee, or political party;

2. The sponsor of a proposed constitutional amendment by initiative who intends to seek the signatures of registered electors.

(b) Notwithstanding paragraph (a), the following entities are not considered political committees for purposes of this chapter:

1. National political parties, the state and county executive committees of political parties, and affiliated party committees regulated by chapter 103.

2. Corporations regulated by chapter 607 or chapter 617 or other business entities formed for purposes other than to support or oppose issues or candidates, if their political activities are limited to contributions to candidates, political parties, affiliated party committees, or political committees or expenditures in support of or opposition to an issue from corporate or business funds and if no contributions are received by such corporations or business entities.

3. Electioneering communications organizations as defined in subsection (9).

(17) "Public office" means a state, county, municipal, or school or other district office or position that is filled by vote of the electors.

(18) "Unopposed candidate" means a candidate for nomination or election to an office who, after the last day on which a person, including a write-in candidate, may qualify, is without opposition in the election at which the office is to be filled or who is without such opposition after such date as a result of a primary election or of withdrawal by other candidates seeking the same office. A candidate is not an unopposed candidate if there is a vacancy to be filled under s. 100.111(3), if there is a legal proceeding pending regarding the right to a ballot position for the office sought by the candidate, or if the candidate is seeking retention as a justice or judge.

106.021 Campaign treasurers; deputies; primary and secondary depositories.—

(1)(a) Each candidate for nomination or election to office and each political committee shall appoint a campaign treasurer. Each person who seeks to qualify for nomination or election to, or retention in, office shall appoint a campaign treasurer and designate a primary campaign depository before qualifying for office. Any person who seeks to qualify for election or nomination to any office by means of the petitioning process shall appoint a treasurer and designate a primary depository on or before the date he or she obtains the petitions. At the same time a candidate designates a campaign depository and appoints a treasurer, the candidate shall also designate the office for which he or she is a candidate. If the candidate is running for an office that will be grouped on the ballot with two or more similar offices to be filled at the same election, the candidate must indicate for which group or district office he or she is running. This subsection does not prohibit a candidate, at a later date, from changing the designation of the office for which he or she is a candidate. However, if a candidate changes the designated office for which he or she is a candidate, the candidate must notify all contributors in writing of the intent to seek a different office and offer to return pro rata, upon their request, those contributions given in support of the original office sought. This notification shall be given within 15 days

after the filing of the change of designation and shall include a standard form developed by the Division of Elections for requesting the return of contributions. The notice requirement does not apply to any change in a numerical designation resulting solely from redistricting. If, within 30 days after being notified by the candidate of the intent to seek a different office, the contributor notifies the candidate in writing that the contributor wishes his or her contribution to be returned, the candidate shall return the contribution, on a pro rata basis, calculated as of the date the change of designation is filed. Up to a maximum of the contribution limits specified in s. 106.08, a candidate who runs for an office other than the office originally designated may use any contribution that a donor does not request be returned within the 30-day period for the newly designated office, provided the candidate disposes of any amount exceeding the contribution limit pursuant to the options in s. 106.11(5)(b) and (c) or s. 106.141(4)(a)1., 2., or 4.; notwithstanding, the full amount of the contribution for the original office shall count toward the contribution limits specified in s. 106.08 for the newly designated office. A person may not accept any contribution or make any expenditure with a view to bringing about his or her nomination, election, or retention in public office, or authorize another to accept such contributions or make such expenditure on the person's behalf, unless such person has appointed a campaign treasurer and designated a primary campaign depository. A candidate for an office voted upon statewide may appoint not more than 15 deputy campaign treasurers, and any other candidate or political committee may appoint not more than 3 deputy campaign treasurers. The names and addresses of the campaign treasurer and deputy campaign treasurers so appointed shall be filed with the officer before whom such candidate is required to qualify or with whom such political committee is required to register pursuant to s. 106.03.

(b) Except as provided in paragraph (d), each candidate and each political committee shall also designate one primary campaign depository for the purpose of depositing all contributions received, and disbursing all expenditures made, by the candidate or political committee. The candidate or political committee may also designate one secondary depository in each county in which an election is held in which the candidate or committee participates. Secondary depositories shall be for the sole purpose of depositing contributions and forwarding the deposits to the primary campaign depository. Any bank, savings and loan association, or credit union authorized to transact business in this state may be designated as a campaign depository. The candidate or political committee shall file the name and address of each primary and secondary depository so designated at the same time that, and with the same officer with whom, the candidate or committee files the name of his, her, or its campaign treasurer pursuant to paragraph (a). In addition, the campaign treasurer or a deputy campaign treasurer may deposit any funds which are in the primary campaign depository and which are not then currently needed for the disbursement of expenditures into a separate interest-bearing account in any bank, savings

and loan association, or credit union authorized to transact business in this state. The separate interest-bearing account shall be designated “(name of candidate or committee) separate interest-bearing campaign account.” In lieu thereof, the campaign treasurer or deputy campaign treasurer may purchase a certificate of deposit with such unneeded funds in such bank, savings and loan association, or credit union. The separate interest-bearing account or certificate of deposit shall be separate from any personal or other account or certificate of deposit. Any withdrawal of the principal or earned interest or any part thereof shall only be made from the separate interest-bearing account or certificate of deposit for the purpose of transferring funds to the primary account and shall be reported as a contribution.

(c) Any campaign treasurer or deputy treasurer appointed pursuant to this section shall, before such appointment may become effective, have accepted appointment to such position in writing and filed such acceptance with the officer before whom the candidate is required to qualify or with the officer with whom the political committee is required to file reports. An individual may be appointed and serve as campaign treasurer of a candidate and a political committee or two or more candidates and political committees. A candidate may appoint herself or himself as campaign treasurer.

(d) Any political committee which deposits all contributions received in a national depository from which the political committee receives funds to contribute to state and local candidates shall not be required to designate a campaign depository in the state.

(2) A candidate or political committee may remove his, her, or its campaign treasurer or any deputy treasurer. In case of the death, resignation, or removal of a campaign treasurer before compliance with all obligations of a campaign treasurer under this chapter, the candidate or political committee shall appoint a successor and certify the name and address of the successor in the manner provided in the case of an original appointment. No resignation shall be effective until it has been submitted to the candidate or committee in writing and a copy thereof has been filed with the officer before whom the candidate is required to qualify or the officer with whom the political committee is required to file reports. No treasurer or deputy treasurer shall be deemed removed by a candidate or political committee until written notice of such removal has been given to such treasurer or deputy treasurer and has been filed with the officer before whom such candidate is required to qualify or with the officer with whom such committee is required to file reports.

(3) No contribution or expenditure, including contributions or expenditures of a candidate or of the candidate's family, shall be directly or indirectly made or received in furtherance of the candidacy of any person for nomination or election to political office in the state or on behalf of any political committee except through the duly appointed campaign treasurer of the candidate or political committee, subject to the following exceptions:

(a) Independent expenditures;

(b) Reimbursements to a candidate or any other individual for expenses incurred in connection with the campaign or activities of the political committee by a check drawn upon the campaign account and reported pursuant to s. 106.07(4). The full name of each person to whom the candidate or other individual made payment for which reimbursement was made by check drawn upon the campaign account shall be reported pursuant to s. 106.07(4), together with the purpose of such payment;

(c) Expenditures made indirectly through a treasurer for goods or services, such as communications media placement or procurement services, campaign signs, insurance, or other expenditures that include multiple integral components as part of the expenditure and reported pursuant to s. 106.07(4)(a)13.; or

(d) Expenditures made directly by any affiliated party committee or political party regulated by chapter 103 for obtaining time, space, or services in or by any communications medium for the purpose of jointly endorsing three or more candidates, and any such expenditure may not be considered a contribution or expenditure to or on behalf of any such candidates for the purposes of this chapter.

(4) A deputy campaign treasurer may exercise any of the powers and duties of a campaign treasurer as set forth in this chapter when specifically authorized to do so by the campaign treasurer and the candidate, in the case of a candidate, or the campaign treasurer and chair of the political committee, in the case of a political committee.

(5) For purposes of appointing a campaign treasurer and designating a campaign depository, candidates for the offices of Governor and Lieutenant Governor on the same ticket shall be considered a single candidate.

106.022 Appointment of a registered agent; duties.—

(1) Each political committee or electioneering communications organization shall have and continuously maintain in this state a registered office and a registered agent and must file with the filing officer a statement of appointment for the registered office and registered agent. The statement of appointment must:

(a) Provide the name of the registered agent and the street address and phone number for the registered office;

(b) Identify the entity for whom the registered agent serves;

(c) Designate the address the registered agent wishes to use to receive mail;

(d) Include the entity's undertaking to inform the filing officer of any change in such designated address;

(e) Provide for the registered agent's acceptance of the appointment, which must confirm that the registered agent is familiar with and accepts the obligations of the position as set forth in this section; and

(f) Contain the signature of the registered agent and the entity engaging the registered agent.

(2) An entity may change its appointment of registered agent and registered office under this section by executing a written statement of change and filing it with the filing officer. The statement must satisfy all of the requirements of subsection (1).

(3) A registered agent may resign his or her appointment as registered agent by executing a written statement of resignation and filing it with the filing officer. An entity without a registered agent may not make expenditures or accept contributions until it files a written statement of change as required in subsection (2).

106.023 Statement of candidate.—

(1) Each candidate must file a statement with the qualifying officer within 10 days after filing the appointment of campaign treasurer and designation of campaign depository, stating that the candidate has read and understands the requirements of this chapter. Such statement shall be provided by the filing officer and shall be in substantially the following form:

(Signature of candidate)

(Date)

Willful failure to file this form is a violation of ss. 106.19(1)(c) and 106.25(3), F.S.

106.025 Campaign fund raisers.—

(1)(a) No campaign fund raiser may be held unless the person for whom such funds are to be so used is a candidate for public office.

(b) All money and contributions received with respect to such a campaign fund raiser shall be deemed to be campaign contributions, and shall be accounted for, and subject to the same restrictions, as other campaign contributions. All expenditures made with respect to such a campaign fund raiser which are made or reimbursed by a check drawn on the campaign depository of the candidate for whom the funds are to be used and shall be deemed to be campaign expenditures to be accounted for, and subject to the same restrictions, as other campaign expenditures.

(c) Any tickets or advertising for a campaign fund raiser must comply with the requirements of s. 106.143.

(d) Any person or candidate who holds a campaign fund raiser, or consents to a campaign fund raiser being held, in violation of the provisions of this subsection is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Except as provided in paragraphs (a) and (b), reports shall be filed on the 10th day following the end of each calendar month from the time the campaign treasurer is appointed, except that, if the 10th day following the end of a calendar month occurs on a Saturday, Sunday, or legal holiday, the report shall be filed on the next following day that is not a Saturday, Sunday, or legal holiday. Monthly reports shall include all contributions received and expenditures made during the calendar month which have not otherwise been reported pursuant to this section.

(a) A statewide candidate or a political committee required to file reports with the division must file reports:

1. On the 60th day immediately preceding the primary election, and each week thereafter, with the last weekly report being filed on the 4th day immediately preceding the general election.

2. On the 10th day immediately preceding the general election, and each day thereafter, with the last daily report being filed the 5th day immediately preceding the general election.

(b) Any other candidate or a political committee required to file reports with a filing officer other than the division must file reports on the 60th day immediately preceding the primary election, and biweekly on each Friday thereafter through and including the 4th day immediately preceding the general election, with

additional reports due on the 25th and 11th days before the primary election and the general election.

(c) Following the last day of qualifying for office, any unopposed candidate need only file a report within 90 days after the date such candidate became unopposed. Such report shall contain all previously unreported contributions and expenditures as required by this section and shall reflect disposition of funds as required by s. 106.141.

When a special election is called to fill a vacancy in office, all political committees making contributions or expenditures to influence the results of such special election or the preceding special primary election shall file campaign treasurers' reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, suffices as proof of mailing in a timely manner. Reports other than daily reports must contain information on all previously unreported contributions received and expenditures made as of the preceding Friday, except that the report filed on the Friday immediately preceding the election must contain information on all previously unreported contributions received and expenditures made as of the day preceding that designated due date; daily reports must contain information on all previously unreported contributions received as of the preceding day. All such reports are open to public inspection.

2. This subsection does not prohibit the governing body of a political subdivision, by ordinance or resolution, from imposing upon its own officers and candidates electronic filing requirements not in conflict with s. 106.0705. Expenditure of public funds for such purpose is deemed to be for a valid public purpose.

(b)1. Any report that is deemed to be incomplete by the officer with whom the candidate qualifies must be accepted on a conditional basis. The campaign treasurer shall be notified by certified mail or by another method using a common carrier that provides a proof of delivery of the notice as to why the report is incomplete and within 7 days after receipt of such notice must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed complete upon proof of delivery of a written notice to the mailing or street address of the campaign treasurer or registered agent of record with the filing officer.

(3) Reports required of a political committee shall be filed with the agency or officer before whom such committee registers pursuant to s. 106.03(3) and shall be subject to the same filing conditions as established for candidates' reports. Incomplete reports by political committees shall be treated in the manner provided for incomplete reports by candidates in subsection (2).

(4)(a) Except for daily reports, to which only the contributions provisions below apply, and except as provided in paragraph (b), each report required by this section must contain:

1. The full name, address, and occupation, if any, of each person who has made one or more contributions to or for such committee or candidate within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less or is from a relative, as defined in s. 112.312, provided that the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which the reporting committee or the candidate received, or to which the reporting committee or candidate made, any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for campaign purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations, and principal places of business, if any, of the lender and endorser, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1. through 3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such committee or candidate during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the committee or candidate within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made. However, expenditures made from the petty cash

fund provided by s. 106.12 need not be reported individually.

7. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for authorized expenses as provided in s. 106.021(3) has been made and which is not otherwise reported, including the amount, date, and purpose of such expenditure. However, expenditures made from the petty cash fund provided for in s. 106.12 need not be reported individually. Receipts for reimbursement for authorized expenditures shall be retained by the treasurer along with the records for the campaign account.

8. The total amount withdrawn and the total amount spent for petty cash purposes pursuant to this chapter during the reporting period.

9. The total sum of expenditures made by such committee or candidate during the reporting period.

10. The amount and nature of debts and obligations owed by or to the committee or candidate, which relate to the conduct of any political campaign.

11. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the treasurer with the records for the campaign account.

12. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

13. The primary purposes of an expenditure made indirectly through a campaign treasurer pursuant to s. 106.021(3) for goods and services such as communications media placement or procurement services, campaign signs, insurance, and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

(b) Multiple uniform contributions from the same person, aggregating no more than \$250 per calendar year, collected by an organization that is the affiliated sponsor of a political committee, may be reported by the political committee in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period. The identity of each person making such uniform contribution must be reported to the filing officer as provided in subparagraph (a)1. by July 1 of each calendar year, or, in a general election year, no later than the 60th day immediately preceding the primary election.

(c) The filing officer shall make available to any candidate or committee a reporting form which the candidate or committee may use to indicate contributions received by the candidate or committee but returned to the contributor before deposit.

(5) The candidate and his or her campaign treasurer, in the case of a candidate, or the political committee chair and campaign treasurer of the committee, in the case of a political committee, shall certify as to the correctness of each report; and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any campaign treasurer,

candidate, or political committee chair who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(6) The records maintained by the campaign depository with respect to any campaign account regulated by this chapter are subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any of such records to the Division of Elections or Florida Elections Commission upon request.

(7) Notwithstanding any other provisions of this chapter, in any reporting period during which a candidate or political committee has not received funds, made any contributions, or expended any reportable funds, the filing of the required report for that period is waived. However, the next report filed must specify that the report covers the entire period between the last submitted report and the report being filed, and any candidate or political committee not reporting by virtue of this subsection on dates prescribed elsewhere in this chapter shall notify the filing officer in writing on the prescribed reporting date that no report is being filed on that date.

(8)(a) Any candidate or political committee failing to file a report on the designated due date is subject to a fine as provided in paragraph (b) for each late day, and, in the case of a candidate, such fine shall be paid only from personal funds of the candidate. The fine shall be assessed by the filing officer and the moneys collected shall be deposited:

1. In the General Revenue Fund, in the case of a candidate for state office or a political committee that registers with the Division of Elections; or

2. In the general revenue fund of the political subdivision, in the case of a candidate for an office of a political subdivision or a political committee that registers with an officer of a political subdivision.

No separate fine shall be assessed for failure to file a copy of any report required by this section.

(b) Upon determining that a report is late, the filing officer shall immediately notify the candidate or chair of the political committee as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine is \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each special primary election, special election, primary election, and general election, the fine is \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. For reports required under s. 106.141(8), the fine is \$50 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and

shall notify the candidate or chair or registered agent of the political committee. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 or other electronic filing system authorized in this section is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the filing officer. In the case of a candidate, such fine is not an allowable campaign expenditure and shall be paid only from personal funds of the candidate. An officer or member of a political committee is not personally liable for such fine.

(c) Any candidate or chair of a political committee may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(2) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the candidate or chair of the political committee shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by a candidate or political committee, the failure of a candidate or political committee to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the filing officer and as set forth in the notification. Any other alleged violations must be separately stated and reported by the division to the commission under s. 106.25(2).

A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due is proof of mailing in a timely manner. The report filed must contain information of all contributions received and expenditures made as of the day preceding the designated due date. All such reports must be open to public inspection.

(b) A reporting individual may submit the report required under this section through an electronic filing

(3)(a) A report that is deemed to be incomplete by the supervisor shall be accepted on a conditional basis. The supervisor shall send a notice to the reporting individual by certified mail or by another method using a common carrier that provides proof of delivery as to why the report is incomplete. Within 7 days after receipt of such notice, the reporting individual must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

(b) Notice is deemed complete upon proof of delivery of a written notice to the mailing or street address that is on record with the supervisor.

(4)(a) Each report required by this section must contain:

1. The full name, address, and occupation of each person who has made one or more contributions to or for the reporting individual within the reporting period, together with the amount and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporations. However, if the contribution is \$100 or less or is from a relative, as defined in s. 112.312, provided that the relationship is reported, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which the reporting individual has received, or to which the reporting individual has made, any transfer of funds within the reporting period, together with the amounts and dates of all transfers.

3. Each loan for campaign purposes from any person or political committee within the reporting period, together with the full name, address, and occupation, and principal place of business, if any, of the lender and endorser, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1.-3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such reporting individual during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the reporting individual within the reporting period; the amount, date, and purpose of each such expenditure; and the name and address of, and office sought by, each reporting individual on whose behalf such expenditure was made.

7. The amount and nature of debts and obligations owed by or to the reporting individual which relate to the conduct of any political campaign.

8. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the reporting individual.

9. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

(b) The supervisor shall make available to any reporting individual a reporting form that the reporting individual may use to indicate contributions received by the reporting individual but returned to the contributor before deposit.

(5) The reporting individual shall certify as to the correctness of the report and shall bear the responsibility for the accuracy and veracity of each report. Any reporting individual who willfully certifies the correctness of the report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(6) Notwithstanding any other provisions of this chapter, the filing of the required report is waived if the reporting individual has not received contributions or expended any reportable funds.

(7)(a) A reporting individual who fails to file a report on the designated due date is subject to a fine, and such fine shall be paid only from personal funds of the reporting individual. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater. The fine shall be assessed by the supervisor, and the moneys collected shall be deposited into the general revenue fund of the political subdivision.

(b) The supervisor shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by the supervisor;
2. When the report is postmarked;
3. When the certificate of mailing is dated;
4. When the receipt from an established courier company is dated; or
5. When the report is completed and filed through the electronic filing system, if applicable.

Such fine shall be paid to the supervisor within 20 days after receipt of the notice of payment due unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the supervisor. Such fine may not be an allowable campaign expenditure and shall be paid only from personal funds of the reporting individual.

(c) A reporting individual may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and is entitled to a hearing before the Florida Elections Commission, which has the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(2) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the reporting individual must, within 20 days after receipt

of the notice, notify the supervisor in writing of his or her intention to bring the matter before the commission.

(d) The appropriate supervisor shall notify the Florida Elections Commission of the late filing by a reporting individual, the failure of a reporting individual to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the supervisor and as set forth in the notification. Any other alleged violations must be separately stated and reported by the division to the commission under s. 106.25(2).

History.—s. 10, ch. 2013-37.

106.0703 Electioneering communications organizations; reporting requirements; certification and filing; penalties.—

(1)(a) Each electioneering communications organization shall file regular reports of all contributions received and all expenditures made by or on behalf of the organization. Except as provided in paragraphs (b) and (c), reports must be filed on the 10th day following the end of each calendar month from the time the organization is registered. However, if the 10th day following the end of a calendar month occurs on a Saturday, Sunday, or legal holiday, the report must be filed on the next following day that is not a Saturday, Sunday, or legal holiday. Monthly reports must include all contributions received and expenditures made during the calendar month that have not otherwise been reported pursuant to this section.

(b) For an electioneering communications organization required to file reports with the division, reports must be filed:

1. On the 60th day immediately preceding the primary election, and each week thereafter, with the last weekly report being filed on the 4th day immediately preceding the general election.

2. On the 10th day immediately preceding the general election, and every day thereafter excluding the 4th day immediately preceding the general election, with the last daily report being filed the day before the general election.

(c) For an electioneering communications organization required to file reports with a filing officer other than the division, reports must be filed on the 60th day immediately preceding the primary election, and bi-weekly on each Friday thereafter through and including the 4th day immediately preceding the general election, with additional reports due on the 25th and 11th days before the primary election and the general election.

(d) When a special election is called to fill a vacancy in office, all electioneering communications organizations making contributions or expenditures to influence the results of the special election shall file reports with the filing officer on the dates set by the Department of State pursuant to s. 100.111.

(e) In addition to the reports required by paragraph (a), an electioneering communications organization that is registered with the Department of State and that makes a contribution or expenditure to influence the results of a county or municipal election that is not being held at the same time as a state or federal election must

file reports with the county or municipal filing officer on the same dates as county or municipal candidates or committees for that election. The electioneering communications organization must also include the expenditure in the next report filed with the Division of Elections pursuant to this section following the county or municipal election.

(f) The filing officer shall make available to each electioneering communications organization a schedule designating the beginning and end of reporting periods as well as the corresponding designated due dates.

(2)(a) Except as provided in s. 106.0705, the reports required of an electioneering communications organization shall be filed with the filing officer not later than 5 p.m. of the day designated. However, any report postmarked by the United States Postal Service no later than midnight of the day designated is deemed to have been filed in a timely manner. Any report received by the filing officer within 5 days after the designated due date that was delivered by the United States Postal Service is deemed timely filed unless it has a postmark that indicates that the report was mailed after the designated due date. A certificate of mailing obtained from and dated by the United States Postal Service at the time of mailing, or a receipt from an established courier company, which bears a date on or before the date on which the report is due, suffices as proof of mailing in a timely manner. Reports other than daily reports must contain information on all previously unreported contributions received and expenditures made as of the preceding Friday, except that the report filed on the Friday immediately preceding the election must contain information on all previously unreported contributions received and expenditures made as of the day preceding the designated due date; daily reports must contain information on all previously unreported contributions received as of the preceding day. All such reports are open to public inspection.

(b)1. Any report that is deemed to be incomplete by the officer with whom the electioneering communications organization files shall be accepted on a conditional basis. The treasurer of the electioneering communications organization shall be notified, by certified mail or other common carrier that can establish proof of delivery for the notice, as to why the report is incomplete. Within 7 days after receipt of such notice, the treasurer must file an addendum to the report providing all information necessary to complete the report in compliance with this section. Failure to file a complete report after such notice constitutes a violation of this chapter.

2. Notice is deemed sufficient upon proof of delivery of written notice to the mailing or street address of the treasurer or registered agent of the electioneering communication organization on record with the filing officer.

(3)(a) Except for daily reports, to which only the contribution provisions below apply, each report required by this section must contain:

1. The full name, address, and occupation, if any, of each person who has made one or more contributions to or for such electioneering communications organization within the reporting period, together with the amount

and date of such contributions. For corporations, the report must provide as clear a description as practicable of the principal type of business conducted by the corporation. However, if the contribution is \$100 or less, the occupation of the contributor or the principal type of business need not be listed.

2. The name and address of each political committee from which or to which the reporting electioneering communications organization made any transfer of funds, together with the amounts and dates of all transfers.

3. Each loan for electioneering communication purposes to or from any person or political committee within the reporting period, together with the full names, addresses, and occupations and principal places of business, if any, of the lender and endorsers, if any, and the date and amount of such loans.

4. A statement of each contribution, rebate, refund, or other receipt not otherwise listed under subparagraphs 1.-3.

5. The total sums of all loans, in-kind contributions, and other receipts by or for such electioneering communications organization during the reporting period. The reporting forms shall be designed to elicit separate totals for in-kind contributions, loans, and other receipts.

6. The full name and address of each person to whom expenditures have been made by or on behalf of the electioneering communications organization within the reporting period and the amount, date, and purpose of each expenditure.

7. The full name and address of each person to whom an expenditure for personal services, salary, or reimbursement for expenses has been made and that is not otherwise reported, including the amount, date, and purpose of the expenditure.

8. The total sum of expenditures made by the electioneering communications organization during the reporting period.

9. The amount and nature of debts and obligations owed by or to the electioneering communications organization that relate to the conduct of any electioneering communication.

10. Transaction information for each credit card purchase. Receipts for each credit card purchase shall be retained by the electioneering communications organization.

11. The amount and nature of any separate interest-bearing accounts or certificates of deposit and identification of the financial institution in which such accounts or certificates of deposit are located.

12. The primary purposes of an expenditure made indirectly through an electioneering communications organization for goods and services, such as communications media placement or procurement services and other expenditures that include multiple components as part of the expenditure. The primary purpose of an expenditure shall be that purpose, including integral and directly related components, that comprises 80 percent of such expenditure.

(b) The filing officer shall make available to any electioneering communications organization a reporting form which the electioneering communications organization may use to indicate contributions received by the

electioneering communications organization but returned to the contributor before deposit.

(4) The treasurer of the electioneering communications organization shall certify as to the correctness of each report, and each person so certifying shall bear the responsibility for the accuracy and veracity of each report. Any treasurer who willfully certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(5) The electioneering communications organization depository shall provide statements reflecting deposits and expenditures from the account to the treasurer, who shall retain the records pursuant to s. 106.06. The records maintained by the depository with respect to the account shall be subject to inspection by an agent of the Division of Elections or the Florida Elections Commission at any time during normal banking hours, and such depository shall furnish certified copies of any such records to the Division of Elections or the Florida Elections Commission upon request.

(6) Notwithstanding any other provisions of this chapter, in any reporting period during which an electioneering communications organization has not received funds, made any contributions, or expended any reportable funds, the treasurer shall file a written report with the filing officer by the prescribed reporting date that no reportable contributions or expenditures were made during the reporting period.

(7)(a) Any electioneering communications organization failing to file a report on the designated due date shall be subject to a fine as provided in paragraph (b) for each late day. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited:

1. In the General Revenue Fund, in the case of an electioneering communications organization that registers with the Division of Elections; or

2. In the general revenue fund of the political subdivision, in the case of an electioneering communications organization that registers with an officer of a political subdivision.

No separate fine shall be assessed for failure to file a copy of any report required by this section.

(b) Upon determining that a report is late, the filing officer shall immediately notify the electioneering communications organization as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine shall be \$50 per day for the first 3 days late and, thereafter, \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, for the reports immediately preceding each primary and general election, the fine shall be \$500 per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the electioneering communications organization. The filing officer shall

determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 or other electronic filing system authorized in this section is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). Notice is deemed sufficient upon proof of delivery of written notice to the mailing or street address on record with the filing officer. An officer or member of an electioneering communications organization shall not be personally liable for such fine.

(c) The treasurer of an electioneering communications organization may appeal or dispute the fine, based upon, but not limited to, unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. The Florida Elections Commission must consider the mitigating and aggravating circumstances contained in s. 106.265(2) when determining the amount of a fine, if any, to be waived. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the treasurer of the electioneering communications organization shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by an electioneering communications organization, the failure of an electioneering communications organization to file a report after notice, or the failure to pay the fine imposed. The commission shall investigate only those alleged late filing violations specifically identified by the filing officer and as set forth in the notification. Any other alleged violations must be stated separately and reported by the division to the commission under s. 106.25(2).

(8) Electioneering communications organizations shall not use credit cards.

(3) Reports filed pursuant to this section shall be completed and filed through the electronic filing system not later than midnight of the day designated. Reports not filed by midnight of the day designated are late filed and are subject to the penalties under s. 106.07(8), s. 106.0703(7), or s. 106.29(3), as applicable.

(4) Each report filed pursuant to this section is considered to be under oath by the candidate and treasurer, the chair and treasurer, the treasurer under s. 106.0703, or the leader and treasurer under s. 103.092, whichever is applicable, and such persons are subject to the provisions of s. 106.07(5), s. 106.0703(4), or s. 106.29(2), as applicable. Persons given a secure sign-on to the electronic filing system are responsible for protecting such from disclosure and are responsible for all filings using such credentials, unless they have notified the division that their credentials have been compromised.

(5) The electronic filing system developed by the division must:

- (a) Be based on access by means of the Internet.
- (b) Be accessible by anyone with Internet access using standard web-browsing software.

(c) Provide for direct entry of campaign finance information as well as upload of such information from campaign finance software certified by the division.

(d) Provide a method that prevents unauthorized access to electronic filing system functions.

(6) The division shall adopt rules to administer this section and provide for the reports required to be filed pursuant to this section. Such rules shall, at a minimum, provide:

(a) Alternate filing procedures in case the division's electronic filing system is not operable.

(b) For the issuance of an electronic receipt to the person submitting the report indicating and verifying that the report has been filed.

106.071 Independent expenditures; electioneering communications; reports; disclaimers.—

(1) Each person who makes an independent expenditure with respect to any candidate or issue, and each individual who makes an expenditure for an electioneering communication which is not otherwise reported pursuant to this chapter, which expenditure, in the aggregate, is in the amount of \$5,000 or more, shall file periodic reports of such expenditures in the same manner, at the same time, subject to the same penalties, and with the same officer as a political committee supporting or opposing such candidate or issue. The report shall contain the full name and address of the person making the expenditure; the full name and address of each person to whom and for whom each such expenditure has been made; the amount, date, and purpose of each such expenditure; a description of the services or goods obtained by each such expenditure; the issue to which the expenditure relates; and the name and address of, and office sought by, each candidate on whose behalf such expenditure was made.

(2) Any political advertisement, other than a text message or a telephone call, paid for by an independent expenditure must prominently state "Paid political advertisement paid for by (Name and address of person paying for advertisement) independently of any (candidate or committee)."

(3) Subsection (2) does not apply to novelty items having a retail value of \$10 or less which support, but do not oppose, a candidate or issue.

(4) Any person who fails to include the disclaimer prescribed in subsection (2) in any political advertisement that is required to contain such disclaimer commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

106.072 Social media deplatforming of political candidates.—

(1) As used in this section, the term:

(a) "Candidate" has the same meaning as in s. 106.011(3)(e).

(b) "Deplatform" has the same meaning as in s. 501.2041.

(c) "Social media platform" has the same meaning as in s. 501.2041.

(d) "User" has the same meaning as in s. 501.2041.

(2) A social media platform may not willfully deplatform a candidate for office who is known by the social media platform to be a candidate, beginning on the date of qualification and ending on the date of the election or the date the candidate ceases to be a candidate. A social media platform must provide each user a method by which the user may be identified as a qualified candidate and which provides sufficient information to allow the social media platform to confirm the user's qualification by reviewing the website of the Division of Elections or the website of the local supervisor of elections.

(3) Upon a finding of a violation of subsection (2) by the Florida Elections Commission, in addition to the

remedies provided in ss. 106.265 and 106.27, the social media platform may be fined \$250,000 per day for a candidate for statewide office and \$25,000 per day for a candidate for other offices.

(4) A social media platform that willfully provides free advertising for a candidate must inform the candidate of such in-kind contribution. Posts, content, material, and comments by candidates which are shown on the platform in the same or similar way as other users' posts, content, material, and comments are not considered free advertising.

(5) This section may only be enforced to the extent not inconsistent with federal law and 47 U.S.C. s. 230(e)(3), and notwithstanding any other provision of state law.

(1) A person who is elected to office must report all loans, exceeding \$500 in value, made to him or her and used for campaign purposes, and made in the 12 months preceding his or her election to office, to the filing officer. The report must be made, in the manner prescribed by the Department of State, within 10 days after being elected to office.

(2) Any person who makes a contribution to an individual to pay all or part of a loan incurred, in the 12 months preceding the election, to be used for the individual's campaign, may not contribute more than the amount which is allowed in s. 106.08(1).

History.—s. 11, ch. 89-256; s. 32, ch. 90-315; s. 12, ch. 91-107; s. 641, ch. 95-147; s. 34, ch. 2013-37.

106.08 Contributions; limitations on.—

(1)(a) Except for political parties or affiliated party committees, no person or political committee may, in any election, make contributions in excess of the following amounts:

1. To a candidate for statewide office or for retention as a justice of the Supreme Court, \$3,000. Candidates for the offices of Governor and Lieutenant Governor on the same ticket are considered a single candidate for the purpose of this subparagraph.

2. To a political committee that is the sponsor of or is in opposition to a constitutional amendment proposed by initiative, \$3,000. This limitation applies only to persons who are not residents of the state and to political committees that have not registered an office under this chapter using a street address located within the state. However, the limitation on contributions to such political committees no longer applies once the Secretary of State has issued a certificate of ballot position and a designating number for the proposed amendment that the political committee is sponsoring or opposing.

3. To a candidate for retention as a judge of a district court of appeal; a candidate for legislative office; a candidate for multicounty office; a candidate for countywide office or in any election conducted on less than a countywide basis; or a candidate for county court judge or circuit judge, \$1,000.

(b) The contribution limits provided in this subsection do not apply to contributions made by a state or county executive committee of a political party or affiliated party committee regulated by chapter 103 or to amounts contributed by a candidate to his or her own campaign.

(c) The contribution limits of this subsection apply to each election. For purposes of this subsection, the primary election and general election are separate elections so long as the candidate is not an unopposed candidate as defined in s. 106.011. However, for the purpose of contribution limits with respect to candidates for retention as a justice or judge, there is only one election, which is the general election.

(2)(a) A candidate may not accept contributions from a county executive committee of a political party whose contributions in the aggregate exceed \$50,000, or from the national or state executive committees of a political party, including any subordinate committee of such political party or affiliated party committees, whose contributions in the aggregate exceed \$50,000.

(b) A candidate for statewide office may not accept contributions from national, state, or county executive committees of a political party, including any subordinate committee of the political party, or affiliated party committees, which contributions in the aggregate exceed \$250,000. Polling services, research services, costs for campaign staff, professional consulting services, and telephone calls are not contributions to be counted toward the contribution limits of paragraph (a) or this paragraph. Any item not expressly identified in this paragraph as nonallocable is a contribution in an amount equal to the fair market value of the item and must be counted as allocable toward the contribution limits of paragraph (a) or this paragraph. Nonallocable, in-kind contributions must be reported by the candidate under s. 106.07 and by the political party or affiliated party committee under s. 106.29.

(3)(a) Any contribution received by a candidate with opposition in an election or by the campaign treasurer or a deputy campaign treasurer of such a candidate on the day of that election or less than 5 days before the day of that election must be returned by him or her to the person or committee contributing it and may not be used or expended by or on behalf of the candidate.

(b) Any contribution received by a candidate or by the campaign treasurer or a deputy campaign treasurer of a candidate after the date at which the candidate withdraws his or her candidacy, or after the date the candidate is defeated, becomes unopposed, or is elected to office must be returned to the person or committee contributing it and may not be used or expended by or on behalf of the candidate.

(4) Any contribution received by the chair, campaign treasurer, or deputy campaign treasurer of a political committee supporting or opposing a candidate with opposition in an election or supporting or opposing an issue on the ballot in an election on the day of that election or less than 5 days before the day of that election may not be obligated or expended by the committee until after the date of the election.

(5)(a) A person may not make any contribution through or in the name of another, directly or indirectly, in any election.

(b) Candidates, political committees, affiliated party committees, and political parties may not solicit contributions from any religious, charitable, civic, or other causes or organizations established primarily for the public good.

(c) Candidates, political committees, affiliated party committees, and political parties may not make contributions, in exchange for political support, to any religious, charitable, civic, or other cause or organization established primarily for the public good. It is not a violation of this paragraph for:

1. A candidate, political committee, affiliated party committee, or political party executive committee to make gifts of money in lieu of flowers in memory of a deceased person;

2. A candidate to continue membership in, or make regular donations from personal or business funds to, religious, political party, affiliated party committee, civic, or charitable groups of which the candidate is a member or to which the candidate has been a regular donor for more than 6 months; or

3. A candidate to purchase, with campaign funds, tickets, admission to events, or advertisements from religious, civic, political party, affiliated party committee, or charitable groups.

(6)(a) A political party or affiliated party committee may not accept any contribution that has been specifically designated for the partial or exclusive use of a particular candidate. Any contribution so designated must be returned to the contributor and may not be used or expended by or on behalf of the candidate. Funds contributed to an affiliated party committee may not be designated for the partial or exclusive use of a leader as defined in s. 103.092.

(b)1. A political party or affiliated party committee may not accept any in-kind contribution that fails to provide a direct benefit to the political party or affiliated party committee. A "direct benefit" includes, but is not limited to, fundraising or furthering the objectives of the political party or affiliated party committee.

2.a. An in-kind contribution to a state political party may be accepted only by the chairperson of the state political party or by the chairperson's designee or designees whose names are on file with the division in a form acceptable to the division before the date of the written notice required in sub-subparagraph b. An in-kind contribution to a county political party may be accepted only by the chairperson of the county political party or by the county chairperson's designee or designees whose names are on file with the supervisor of elections of the respective county before the date of the written notice required in sub-subparagraph b. An in-kind contribution to an affiliated party committee may be accepted only by the leader of the affiliated party committee as defined in s. 103.092 or by the leader's designee or designees whose names are on file with the division in a form acceptable to the division before the date of the written notice required in sub-subparagraph b.

b. A person making an in-kind contribution to a state or county political party or affiliated party committee must provide prior written notice of the contribution to a person described in sub-subparagraph a. The prior written notice must be signed and dated and may be provided by an electronic or facsimile message. At no time may the funds in the office account exceed the limitation imposed by this subsection. Upon leaving public office, any person who has funds in an office account pursuant to this subsection remaining on deposit shall use such funds to pay for professional services provided by a certified public

accountant or attorney for preparation of the elected public official's final financial disclosure filing pursuant to s. 112.3144 or s. 112.3145, or give such funds to a charitable organization that meets the requirements of s. 501(c)(3) of the Internal Revenue Code or, in the case of a state officer, to the state to be deposited in the General Revenue Fund or, in the case of an officer of a political subdivision, to the political subdivision to be deposited in the general fund thereof.

(6)(a) For purposes of this subsection, the term "same office" with respect to legislative office means an office in the same legislative body, irrespective of district number or designation or geographic boundary.

(b) A candidate elected to state office or a candidate who will be elected to state office by virtue of his or her being unopposed after candidate qualifying ends, may retain up to \$20,000 in his or her campaign account, or in an interest-bearing account or certificate of deposit, for use in his or her next campaign for the same office, in addition to the disposition methods provided in subsections (4) and (5). All requirements applicable to candidate campaign accounts under this chapter, including disclosure requirements applicable to candidate campaign accounts, limitations on expenditures, and limitations on contributions, apply to any retained funds.

(c) If a candidate who has retained funds under this subsection does not qualify as a candidate for reelection to the same office, all retained funds shall be disposed of as otherwise required by this section or s. 106.11(5) within 90 days after the last day of candidate qualifying for that office. Requirements in this section applicable to the disposal of surplus funds, including reporting requirements, are applicable to the disposal of retained funds.

(7) Before disposing of funds pursuant to subsection (4), transferring funds into an office account pursuant to subsection (5), or retaining funds for reelection pursuant to subsection (6), any candidate who filed an oath stating that he or she was unable to pay the fee for verification of petition signatures without imposing an undue burden on his or her personal resources or on resources otherwise available to him or her shall reimburse the state or local governmental entity, whichever is applicable, for such waived fee. If there are insufficient funds in the account to pay the full amount of the fee, the remaining funds shall be disbursed in the above manner until no funds remain. All funds disbursed pursuant to this subsection shall be remitted to the qualifying officer. Any reimbursement for petition verification costs which are reimbursable by the state shall be forwarded by the qualifying officer to the state for deposit in the General Revenue Fund.

(8)(a) Any candidate required to dispose of campaign funds pursuant to this section shall do so within the time required by this section and, on or before the date by which such disposition is to have been made, shall file with the officer with whom reports are required to be filed pursuant to s. 106.07 a form prescribed by the Division of Elections listing:

1. The name and address of each person or unit of government to whom any of the funds were distributed and the amounts thereof;

2. The name and address of each person to whom an expenditure was made, together with the amount thereof and purpose therefor;

3. The amount of such funds transferred to an office account by the candidate, together with the name and address of the bank, savings and loan association, or credit union in which the office account is located; and

4. The amount of such funds retained pursuant to subsection (6), together with the name and address of the bank, savings and loan association, or credit union in which the retained funds are located.

Such report shall be signed by the candidate and the campaign treasurer and certified as true and correct pursuant to s. 106.07.

(b) The filing officer shall notify each candidate at least 14 days before the date the report is due.

(c) Any candidate failing to file a report on the designated due date shall be subject to a fine as provided in s. 106.07 for submitting late termination reports.

(9) Any candidate elected to office who transfers surplus campaign funds into an office account pursuant to subsection (5) shall file a report on the 10th day following the end of each calendar quarter until the account is closed. Such reports shall contain the name and address of each person to whom any disbursement of funds was made, together with the amount thereof and the purpose therefor, and the name and address of any person from whom the elected candidate received any refund or reimbursement and the amount thereof. Such reports shall be on forms prescribed by the Division of Elections, signed by the elected candidate, certified as true and correct, and filed with the officer with whom campaign reports were filed pursuant to s. 106.07(2).

(10) Any candidate, or any person on behalf of a candidate, who accepts contributions after such candidate has withdrawn his or her candidacy, after the candidate has become an unopposed candidate, or after the candidate has been eliminated as a candidate or elected to office commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(11) Any candidate who is required by the provisions of this section to dispose of funds in his or her campaign account and who fails to dispose of the funds in the manner provided in this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

106.143 Political advertisements circulated prior to election; requirements.—

(1)(a) Any political advertisement that is paid for by a candidate, except a write-in candidate, and that is published, displayed, or circulated before, or on the day of, any election must prominently state:

1. “Political advertisement paid for and approved by (name of candidate), (party affiliation), for (office sought)”; or

2. “Paid by (name of candidate), (party affiliation), for (office sought).”

(b) Any political advertisement that is paid for by a write-in candidate and that is published, displayed, or circulated before, or on the day of, any election must prominently state:

1. “Political advertisement paid for and approved by (name of candidate), write-in candidate, for (office sought)”; or

2. “Paid by (name of candidate), write-in candidate, for (office sought).”

(c) Any other political advertisement published, displayed, or circulated before, or on the day of, any election must prominently:

1. Be marked “paid political advertisement” or with the abbreviation “pd. pol. adv.”

2. State the name and address of the persons paying for the advertisement.

3. State whether the advertisement and the cost of production is paid for or provided in kind by or at the expense of the entity publishing, displaying, broadcasting, or circulating the political advertisement.

(d) Any political advertisement made pursuant to s. 106.021(3)(d) must prominently state the name and address of the political committee or political party paying for the advertisement.

(2) Political advertisements made as in-kind contributions from a political party must prominently state: “Paid political advertisement paid for in-kind by (name of political party). Approved by (name of person, party affiliation, and office sought in the political advertisement).”

(3) Any political advertisement of a candidate running for partisan office shall express the name of the political party of which the candidate is seeking nomination or is the nominee. If the candidate for partisan office is running as a candidate with no party affiliation, any political advertisement of the candidate must state that the candidate has no party affiliation. A political advertisement of a candidate running for nonpartisan office may not state the candidate’s political party affiliation. This section does not prohibit a political advertisement from stating the candidate’s partisan-related experience. A candidate for nonpartisan office is prohibited from campaigning based on party affiliation.

(4) It is unlawful for any candidate or person on behalf of a candidate to represent that any person or organization supports such candidate, unless the person or organization so represented has given specific approval in writing to the candidate to make such representation. However, this subsection does not apply to:

(a) Editorial endorsement by any newspaper, radio or television station, or other recognized news medium.

(b) Publication by a party committee advocating the candidacy of its nominees.

(5)(a) Any political advertisement not paid for by a candidate, including those paid for by a political party or affiliated party committee, other than an independent expenditure, offered on behalf of a candidate must be approved in advance by the candidate. Such political

advertisement must expressly state that the content of the advertisement was approved by the candidate, unless the political advertisement is published, displayed, or circulated in compliance with subparagraph (1)(a)2., and must state who paid for the advertisement. The candidate shall provide a written statement of authorization to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution.

(b) Any person who makes an independent expenditure for a political advertisement shall provide a written statement that no candidate has approved the advertisement to the newspaper, radio station, television station, or other medium for each such advertisement submitted for publication, display, broadcast, or other distribution. The advertisement must also contain a statement that no candidate has approved the advertisement.

(6) No political advertisement of a candidate who is not an incumbent of the office for which the candidate is running shall use the word "re-elect." Additionally, such advertisement must include the word "for" between the candidate's name and the office for which the candidate is running, in order that incumbency is not implied. This subsection does not apply to bumper stickers or items designed to be worn by a person.

(7) Political advertisements paid for by a political party or an affiliated party committee may use names and abbreviations as registered under s. 103.081 in the disclaimer.

(8) This section does not apply to novelty items having a retail value of \$10 or less which support, but do not oppose, a candidate or issue.

(9) Any political advertisement which is published, displayed, or produced in a language other than English may provide the information required by this section in the language used in the advertisement.

(10) This section does not apply to any campaign message or political advertisement used by a candidate and the candidate's supporters or by a political committee if the message or advertisement is:

- (a) Designed to be worn by a person.
- (b) Placed as a paid link on an Internet website, provided the message or advertisement is no more than 200 characters in length and the link directs the user to another Internet website that complies with subsection (1).
- (c) Placed as a graphic or picture link where compliance with the requirements of this section is not reasonably practical due to the size of the graphic or picture link and the link directs the user to another Internet website that complies with subsection (1).

(d) Placed at no cost on an Internet website for which there is no cost to post content for public users.

(e) Placed or distributed on an unpaid profile or account which is available to the public without charge or on a social networking Internet website, as long as the source of the message or advertisement is patently clear from the content or format of the message or advertisement. A candidate or political committee may prominently display a statement indicating that the website or account is an official website or account of

the candidate or political committee and is approved by the candidate or political committee. A website or account may not be marked as official without prior approval by the candidate or political committee.

(f) Connected with or included in any software application or accompanying function, provided that the user signs up, opts in, downloads, or otherwise accesses the application from or through a website that complies with subsection (1).

(g) Sent by a third-party user from or through a campaign or committee's website, provided the website complies with subsection (1).

(h) Contained in or distributed through any other technology-related item, service, or device for which compliance with subsection (1) is not reasonably practical due to the size or nature of such item, service, or device as available, or the means of displaying the message or advertisement makes compliance with subsection (1) impracticable.

(11) Any person who willfully violates any provision of this section is subject to the civil penalties prescribed in s. 106.265.

106.1435 Usage and removal of political campaign advertisements.—

(1) Each candidate, whether for a federal, state, county, or district office, shall make a good faith effort to remove all of his or her political campaign advertisements within 30 days after:

- (a) Withdrawal of his or her candidacy;
- (b) Having been eliminated as a candidate; or
- (c) Being elected to office.

However, a candidate is not expected to remove those political campaign advertisements which are in the form of signs used by an outdoor advertising business as provided in chapter 479. The provisions herein do not apply to political campaign advertisements placed on motor vehicles or to campaign messages designed to be worn by persons.

(2) If political campaign advertisements are not removed within the specified period, the political subdivision or governmental entity has the authority to remove such advertisements and may charge the candidate the actual cost for such removal. Funds collected for removing such advertisements shall be deposited to the general revenue of the political subdivision.

(3) Pursuant to chapter 479, no political campaign advertisements shall be erected, posted, painted, tacked, nailed, or otherwise displayed, placed, or located on or above any state or county road right-of-way.

(4) The officer before whom a candidate qualifies for office shall notify the candidate, in writing, of the provisions in this section.

(5) This provision does not preclude municipalities from imposing additional or more stringent requirements

on the usage and removal of political campaign advertisements.

106.1437 Miscellaneous advertisements.—Any advertisement, other than a political advertisement, independent expenditure, or electioneering communication, on billboards, bumper stickers, radio, or television, or in a newspaper, a magazine, or a periodical, intended to influence public policy or the vote of a public official, shall clearly designate the sponsor of such advertisement by including a clearly readable statement of sponsorship. If the advertisement is broadcast on television, the advertisement shall also contain a verbal statement of sponsorship. This section does not apply to an editorial endorsement. For purposes of this chapter, an expenditure made for, or in furtherance of, a miscellaneous advertisement is not considered to be a contribution to or on behalf of a candidate, and does not constitute an independent expenditure. Such expenditures are not subject to the limitations applicable to independent expenditures.

106.1439 Electioneering communications; disclaimers.—

(1) Any electioneering communication, other than a text message or a telephone call, must prominently state: “Paid electioneering communication paid for by (Name and address of person paying for the communication).”

(2) Any person who fails to include the disclaimer prescribed in this section in any electioneering communication that is required to contain such disclaimer commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

106.147 Text message and telephone solicitation; disclosure requirements; prohibitions; exemptions; penalties.—

(1)(a) Any text message or telephone call supporting or opposing a candidate, an elected public official, or a ballot measure, and any electioneering text message or telephone call, must include the phrase “Paid for by,” followed by the name of the persons or organizations sponsoring the message or call or, in the case of a text message, a working hyperlink or a uniform resource locator (URL) to a website containing the required disclosure.

(b) A candidate’s text message or telephone call must include the phrase “Paid for by,” followed by the name of the candidate, then followed by the word “For,” and the name of the elective office sought.

(c) A website that is hyperlinked, or identified by URL, in a text message must remain online and available to the public for at least 30 days after the date of the election in which the candidate or ballot measure that the advertisement supported or opposed was voted on.

(d)1. If an exchange consists of a sequence of multiple text messages sent on the same day, the

sponsorship disclaimer is only required to be included with the first text message.

2. A person or an organization is deemed to be in compliance with this subsection if the sponsorship disclaimer required by this subsection is included in the text message in the form in which the person or organization intended it to be sent, regardless of the form the carrier relayed it to the recipient.

3. If a person or an organization includes a working hyperlink or URL in the text message as part of the required disclaimer, the person or organization is deemed to be in compliance with this subsection even if the recipient’s device is incapable of accessing the referenced website.

(e) This subsection does not apply to any:

1. Telephone call:

a. In which both the individual making the call is not being paid and the individuals participating in the call know each other before the call; or

b. That is a part of a series of like telephone calls consisting of fewer than 1,000 completed calls averaging more than 2 minutes in duration which are conducted for the purpose of polling respondents regarding a candidate or an elected public official.

2. Text message:

a. In which both the individual sending the text message is not being paid and the text is individually sent without the assistance of mass distribution technology, including a text messaging platform; or

b. That requires the recipient to sign up or opt in to receive it.

(2) A text message or a telephone call may not state or imply that the caller:

(a) Represents any person or organization unless the person or organization so represented has given specific approval in writing to make such representation; or

(b) Represents a nonexistent person or organization.

(3) Any text message or telephone call, not conducted by independent expenditure, which expressly advocates for or against a candidate or ballot measure requires prior written authorization by the candidate or sponsor of the ballot measure that the text message or telephone call supports. A copy of such written authorization must be placed on file with the qualifying officer by the candidate or sponsor of the ballot measure before the time the text messages or telephone calls commence.

(4)(a) Any person who willfully violates this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(b) For purposes of paragraph (a), the term “person” includes any individual or organization making an independent expenditure; any candidate; any officer of any political committee, affiliated party committee, or political party executive committee; any officer, partner, attorney, or other representative of a corporation, partnership, or other business entity; and any agent or other person acting on behalf of any candidate, political committee, affiliated party committee, political

Such registered agent must be an individual who is a resident of this state, a domestic corporation, or a foreign corporation authorized to do business in this state. However, this subsection does not apply to any person or organization already lawfully registered to conduct business in this state.

(2) For purposes of this section, conducting business in this state as specified in subsection (1) includes both sending text messages or placing telephone calls from a location in this state and sending text messages or placing telephone calls from a location outside this state to individuals located in this state.

However, in the event a candidate uses any state-owned aircraft or motor vehicle to conduct official state business and while on such trip performs any function in the furtherance of his or her candidacy for nomination or election to public office in any election, the candidate shall prorate the expenses incurred and reimburse the appropriate agency for any trip not exclusively for state business and shall pay either a prorated share of all

fixed and variable expenses related to the ownership, operation, and use of such aircraft or one-half of the total fixed and variable expenses related to the ownership, operation, and use of such aircraft, whichever is greater. The reimbursement shall be made from the campaign account of the candidate.

(3) A candidate may not, in the furtherance of his or her candidacy for nomination or election to public office in any election, use the services of any state, county, municipal, or district officer or employee during working hours.

(4) No person shall make and no person shall solicit or knowingly accept any political contribution in a building owned by a governmental entity. State and county executive committees of a political party or an affiliated party committee may authorize and conduct political polls for the purpose of determining the viability of potential candidates. If the disqualification of such candidate results in a vacancy in nomination, such vacancy shall be filled by a person other than such candidate in the manner provided by law.

(3) No certificate of election shall be granted to any candidate until all preelection reports required by s. 106.07 have been filed in accordance with the provisions of such section. (4) Except as otherwise expressly stated, the failure by a candidate to comply with the requirements of this chapter has no effect upon whether the candidate has qualified for the office the candidate is seeking.

Any signature gathered on an authorized form for an initiative petition by a paid petition circulator which has been submitted prior to the effective date of this act may be kept and counted, if otherwise valid, and that form is not required to have the name and address of the paid petition circulator, nor is any such signature affected by the prohibition against filing an undue burden oath in lieu of paying the fee to have signatures verified, as provided by this act. However, any signature gathered on or after the effective date of this act is subject to the provisions of this act and, if payment is made to any person to solicit signatures after the effective date of this act, an undue burden oath may not be filed in lieu of paying the fee to have signatures verified. In addition, any initiative petition form approved by the Secretary of State prior to the effective date of this act may continue to be circulated.

106.23 Powers of the Division of Elections.—

(1) In order to carry out the responsibilities prescribed by s. 106.22, the Division of Elections is empowered to subpoena and bring before its duly authorized representatives any person in the state, or any person doing business in the state, or any person who has filed or is required to have filed any application, document, papers, or other information with an office or agency of this state or a political subdivision thereof and to require the production of any papers, books, or other records relevant to any investigation, including the records and accounts of any bank or trust company doing business in this state. Duly authorized representatives of the division are empowered to administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear before them concerning any relevant matter. Should any witness fail to respond to the lawful subpoena of the division or, having responded, fail to answer all lawful inquiries or to turn over evidence that has been subpoenaed, the division may file a complaint before any circuit court of the state setting up such failure on the part of the witness. On the filing of such complaint, the court shall take jurisdiction of the witness and the subject matter of said complaint and shall direct the witness to respond to all lawful

questions and to produce all documentary evidence in the witness's possession which is lawfully demanded. The failure of any witness to comply with such order of the court shall constitute a direct and criminal contempt of court, and the court shall punish said witness accordingly. However, the refusal by a witness to answer inquiries or turn over evidence on the basis that such testimony or material will tend to incriminate such witness shall not be deemed refusal to comply with the provisions of this chapter.

(2) The Division of Elections shall provide advisory opinions when requested by any supervisor of elections, candidate, local officer having election-related duties, political party, affiliated party committee, political committee, or other person or organization engaged in political activity, relating to any provisions or possible violations of Florida election laws with respect to actions such supervisor, candidate, local officer having election-related duties, political party, affiliated party committee, committee, person, or organization has taken or proposes to take. Requests for advisory opinions must be submitted in accordance with rules adopted by the Department of State. A written record of all such opinions issued by the division, sequentially numbered, dated, and indexed by subject matter, shall be retained. A copy shall be sent to said person or organization upon request. Any such person or organization, acting in good faith upon such an advisory opinion, shall not be subject to any criminal penalty provided for in this chapter. The opinion, until amended or revoked, shall be binding on any person or organization who sought the opinion or with reference to whom the opinion was sought, unless material facts were omitted or misstated in the request for the advisory opinion.

106.24 Florida Elections Commission; membership; powers; duties.—

(1)(a) There is created within the Department of Legal Affairs, Office of the Attorney General, a Florida Elections Commission, hereinafter referred to as the commission. The commission shall be a separate budget entity and the agency head for all purposes. The commission shall not be subject to control, supervision, or direction by the Department of Legal Affairs or the Attorney General in the performance of its duties, including, but not limited to, personnel, purchasing transactions involving real or personal property, and budgetary matters.

(b) The commission shall be composed of nine members. The President of the Senate, the Speaker of the House of Representatives, the minority leader of the Senate, and the minority leader of the House of Representatives shall each provide a list of six nominees to the Governor for initial appointment to the commission. The Governor may appoint two members to the commission from each list. If the Governor refuses to appoint two members from any of the respective lists, the Governor shall so inform the nominating officer and the nominating officer shall submit a new list of six nominees within 30 days. The new list must contain at least three nominees not

included on the prior nominating list. The ninth commission member, who shall serve as chair of the commission, shall be appointed by the Governor. Each member of the commission is subject to confirmation by the Senate. The chair of the commission shall serve for a maximum term of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed. Other members of the commission shall serve for 4-year terms and until their successors are appointed. An individual who is a lobbyist at the state or local government level may not serve as a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term. A member of the commission is prohibited from lobbying state or local government while he or she is a member of the commission, except that this prohibition shall not apply to an individual who is a member of the commission on July 1, 2002, until the expiration of his or her current term.

(c) As the terms of members expire, excluding the chair, successors shall be appointed to 4-year terms and shall serve until their successors are appointed. Six months prior to the expiration of a commission member's term, the ranking officer of the political party in the respective house originally nominating the commission member shall submit a list of three nominees to the Governor. The Governor may appoint one of the listed nominees to the commission. If no nominee is selected from the list, the Governor shall so inform the nominating officer, who shall submit a list of three different nominees to the Governor within 30 days. Vacancies on the commission shall expeditiously be filled for the unexpired terms in the same manner.

(d) As the term of the chair of the commission expires or becomes vacant, a successor shall be appointed in the manner of the original appointment, and shall serve for a maximum of 4 years, such term to run concurrently with the term of the appointing Governor and until a future successor is appointed.

(e) In no event may any member of the commission serve more than two full terms. Members of the commission shall be paid travel and per diem as provided in s. 112.061 while in performance of their duties and in traveling to, from, and upon same. Of the nine members of the commission, no more than five members shall be from the same political party at any one time.

(2) No member of the commission shall be a member of any county, state, or national committee of a political party; be an officer in any partisan political club or organization; or hold, or be a candidate for, any other public office. No person shall be appointed as a member of the commission who has held an elective public office or office in a political party within the year immediately preceding his or her appointment.

(3) The commission shall convene at the call of its chair or at the request of a majority of the members of the commission. The presence of five members is required to constitute a quorum, and the affirmative vote of the majority of the members present is required

for any action or recommendation by the commission. The commission may meet in any city of the state.

(4) The commission shall appoint an executive director, who shall serve under the direction, supervision, and control of the commission. The executive director, with the consent of the commission, shall employ such staff as are necessary to adequately perform the functions of the commission, within budgetary limitations. All employees, except the executive director and attorneys, are subject to part II of chapter 110. The executive director shall serve at the pleasure of the commission and be subject to part III of chapter 110, except that the commission shall have complete authority for setting the executive director's salary. Attorneys employed by the commission shall be subject to part V of chapter 110.

(5) Hearings shall be held before the commission, except that the chair may direct that any hearing be held before one member of the commission or a panel of less than the full commission. The commission shall adopt rules to provide for the filing of a report when hearings are held by a single commissioner or a panel, which rules shall prescribe the time for filing the report and the contents of the report.

(6) There is established in the State Treasury an Elections Commission Trust Fund to be used by the Florida Elections Commission in order to carry out its duties pursuant to ss. 106.24-106.28. The trust fund may also be used by the Secretary of State, pursuant to his or her authority under s. 97.012(15), to provide rewards for information leading to criminal convictions related to voter registration fraud, voter fraud, and vote scams.

(7) The commission shall develop a budget request pursuant to chapter 216 annually. The budget is not subject to change by the Department of Legal Affairs or the Attorney General, but it shall be submitted by the Department of Legal Affairs to the Governor for transmittal to the Legislature.

(8) The commission is authorized to contract or consult with appropriate agencies of state government for such professional assistance as may be needed in the discharge of its duties.

106.25 Reports of alleged violations to Florida Elections Commission; disposition of findings.—

(1) Jurisdiction to investigate and determine violations of this chapter and chapter 104 is vested in the Florida Elections Commission; however, nothing in this section limits the jurisdiction of any other officers or agencies of government empowered by law to investigate, act upon, or dispose of alleged violations of this code.

(2) The commission shall investigate all violations of this chapter and chapter 104, but only after having received either a sworn complaint or information reported to it under this subsection by the Division of Elections. Such sworn complaint must be based upon personal information or information other than hearsay. Any person, other than the division, having information

of any violation of this chapter or chapter 104 shall file a sworn complaint with the commission. The commission shall investigate only those alleged violations specifically contained within the sworn complaint. If any complainant fails to allege all violations that arise from the facts or allegations alleged in a complaint, the commission shall be barred from investigating a subsequent complaint from such complainant that is based upon such facts or allegations that were raised or could have been raised in the first complaint. If the complaint includes allegations of violations relating to expense items reimbursed by a candidate, committee, or organization to the campaign account before a sworn complaint is filed, the commission shall be barred from investigating such allegations. Such sworn complaint shall state whether a complaint of the same violation has been made to any state attorney. Within 5 days after receipt of a sworn complaint, the commission shall transmit a copy of the complaint to the alleged violator. The respondent shall have 14 days after receipt of the complaint to file an initial response, and the executive director may not determine the legal sufficiency of the complaint during that time period. If the executive director finds that the complaint is legally sufficient, the respondent shall be notified of such finding by letter, which sets forth the statutory provisions alleged to have been violated and the alleged factual basis that supports the finding. All sworn complaints alleging violations of the Florida Election Code over which the commission has jurisdiction shall be filed with the commission within 2 years after the alleged violations. The period of limitations is tolled on the day a sworn complaint is filed with the commission. The complainant may withdraw the sworn complaint at any time prior to a probable cause hearing if good cause is shown. Withdrawal shall be requested in writing, signed by the complainant, and witnessed by a notary public, stating the facts and circumstances constituting good cause. The executive director shall prepare a written recommendation regarding disposition of the request which shall be given to the commission together with the request. "Good cause" shall be determined based upon the legal sufficiency or insufficiency of the complaint to allege a violation and the reasons given by the complainant for wishing to withdraw the complaint. If withdrawal is permitted, the commission must close the investigation and the case. No further action may be taken. The complaint will become a public record at the time of withdrawal.

(3) For the purposes of commission jurisdiction, a violation shall mean the willful performance of an act prohibited by this chapter or chapter 104 or the willful failure to perform an act required by this chapter or chapter 104. The commission may not by rule determine what constitutes willfulness or further define the term "willful" for purposes of this chapter or chapter 104. Willfulness is a determination of fact; however, at the request of the respondent at any time after probable cause is found, willfulness may be considered and determined in an informal hearing before the commission.

(4) The commission shall undertake a preliminary investigation to determine if the facts alleged in a sworn

complaint or a matter initiated by the division constitute probable cause to believe that a violation has occurred.

(a) When the investigator's report is completed, the executive director shall notify the respondent that the report is completed and shall send to the respondent a copy of the investigator's report. The investigatory file and main complaint file shall be open for inspection by the respondent and the respondent's counsel at that time, and copies may be obtained at no more than cost.

(b) The respondent shall be given not less than 14 days from the date of mailing of the investigator's report to file with the commission a written response to the investigator's report. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission so long as reasonable notice under the circumstances is given.

(c) Counsel for the commission shall review the investigator's report and shall make a written recommendation to the commission for the disposition of the complaint. If the counsel for the commission recommends that the commission find probable cause, the recommendation shall include a statement of what charges shall be at issue. A copy of the recommendation shall be furnished to the respondent. The respondent shall be given not less than 14 days from the date of mailing of the recommendation of counsel for the commission to file with the commission a written response to the recommendation. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission, so long as the recommendation is furnished to the respondent within a reasonable period of time under the circumstances.

(d) The respondent and each complainant, their counsel, and the counsel for the commission shall be permitted to attend the hearing at which the probable cause determination is made. Notice of the hearing shall be sent to the respondent, each complainant, and counsel for the commission at least 14 days before the hearing. This time period may be shortened with the consent of the respondent, or without the consent of the respondent when the passage of time could reasonably be expected to render moot the ultimate disposition of the matter by the commission, so long as the notice is furnished within a reasonable period of time under the circumstances.

(e) The probable cause determination is the conclusion of the preliminary investigation. The respondent and the counsel for the commission shall be permitted to make brief oral statements in the nature of oral argument to the commission, based on the investigator's report, before the probable cause determination. The commission's determination shall be based upon the investigator's report, the recommendation of counsel for the commission, the complaint, and staff recommendations, as well as any written statements submitted by the respondent and any oral statements

made at the hearing. No testimony or other evidence will be accepted at the hearing.

(f) At its meeting to determine probable cause, the commission may continue its determination to allow further investigation; may order the issuance of a public report of its investigation if it finds no probable cause to believe that there has been a violation of this chapter or chapter 104, concluding the matter before it; may order a final, public hearing of the complaint if it finds probable cause to believe that there has been a violation of this chapter or chapter 104; or may take such other action as it deems necessary to resolve the complaint, consistent with due process of law. In making its determination, the commission may consider:

1. The sufficiency of the evidence against the respondent, as contained in the investigator's report;
2. The admissions and other stipulations of the respondent, if any;
3. The nature and circumstances of the respondent's actions;
4. The expense of further proceedings; and
5. Such other factors as it deems material to its decision.

If the commission finds probable cause, the commission shall determine what charges shall be at issue.

(g) If no probable cause is found, the commission shall dismiss the case and the case shall become a matter of public record, except as otherwise provided in this section, together with a written statement of the findings of the preliminary investigation and a summary of the facts which the commission shall send to the complainant and the alleged violator. A finding of no probable cause by the commission is a full adjudication of all such matters. The commission may not charge a respondent in a subsequent complaint alleging violations based upon the same actions, nonactions, or circumstances wherein the commission found no probable cause.

(h) If probable cause is found, the commission shall so notify the complainant and the alleged violator in writing. All documents made or received in the disposition of the complaint shall become public records upon a finding by the commission.

(i)1. Upon a commission finding of probable cause, the counsel for the commission shall attempt to reach a consent agreement with the respondent. At any time, the commission may enter into a consent order with a respondent without requiring the respondent to admit to a violation of law within the jurisdiction of the commission.

2. A consent agreement is not binding upon either party unless and until it is signed by the respondent and by counsel for the commission upon approval by the commission.

3. Nothing herein shall be construed to prevent the commission from entering into a consent agreement with a respondent prior to a commission finding of probable cause if a respondent indicates in writing a desire to enter into negotiations directed towards reaching such a consent agreement. Any consent agreement reached under this subparagraph is subject to the provisions of subparagraph 2. and shall have the

same force and effect as a consent agreement reached after the commission finding of probable cause.

(j) If a consent agreement is reached between the commission and the respondent, counsel for the commission shall send a copy of the signed agreement to both complainant and respondent.

In a case where probable cause is found, the commission shall make a preliminary determination to consider the matter or to refer the matter to the state attorney for the judicial circuit in which the alleged violation occurred. Notwithstanding any other provisions of this section, the commission may, at its discretion, dismiss any complaint at any stage of disposition if it determines that the public interest would not be served by proceeding further, in which case the commission shall issue a public report stating with particularity its reasons for the dismissal.

(5) A person alleged by the Elections Commission to have committed a violation of this chapter or chapter 104 may elect, as a matter of right, within 30 days after the date of the filing of the commission's allegations, to have a formal administrative hearing conducted by an administrative law judge in the Division of Administrative Hearings. The administrative law judge in such proceedings shall enter a final order, which may include the imposition of civil penalties, subject to appeal as provided in s. 120.68. If the person does not elect to have a hearing by an administrative law judge and does not elect to resolve the complaint by a consent order, the person is entitled to a formal or informal hearing conducted before the commission.

(6) It is the duty of a state attorney receiving a complaint referred by the commission to investigate the complaint promptly and thoroughly; to undertake such criminal or civil actions as are justified by law; and to report to the commission the results of such investigation, the action taken, and the disposition thereof. The failure or refusal of a state attorney to prosecute or to initiate action upon a complaint or a referral by the commission shall not bar further action by the commission under this chapter.

(7) Every sworn complaint filed pursuant to this chapter with the commission, every investigation and investigative report or other paper of the commission with respect to a violation of this chapter or chapter 104, and every proceeding of the commission with respect to a violation of this chapter or chapter 104 is confidential, is exempt from the provisions of ss. 119.07(1) and 286.011, and is exempt from publication in the Florida Administrative Register of any notice or agenda with respect to any proceeding relating to such violation, except under the following circumstances:

- (a) As provided in subsection (6);
- (b) Upon a determination of probable cause or no probable cause by the commission; or
- (c) For proceedings conducted with respect to appeals of fines levied by filing officers for the late filing of reports required by this chapter.

However, a complainant is not bound by the confidentiality provisions of this section. In addition, confidentiality may be waived in writing by the person against whom

the complaint has been filed or the investigation has been initiated. If a finding of probable cause in a case is entered within 30 days prior to the date of the election with respect to which the alleged violation occurred, such finding and the proceedings and records relating to such case shall not become public until noon of the day following such election. When two or more persons are being investigated by the commission with respect to an alleged violation of this chapter or chapter 104, the commission may not publicly enter a finding of probable cause or no probable cause in the case until a finding of probable cause or no probable cause for the entire case has been determined. However, once the confidentiality of any case has been breached, the person or persons under investigation have the right to waive the confidentiality of the case, thereby opening up the proceedings and records to the public. Any person who discloses any information or matter made confidential by the provisions of this subsection commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(8) Any person who files a complaint pursuant to this section while knowing that the allegations contained in such complaint are false or without merit commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

(9) The commission shall maintain a database of all final orders and agency actions. Such database shall be available to the public and shall be maintained in such a manner as to be searchable, at a minimum, by issue, statutes, individuals, or entities referenced.

106.26 Powers of commission; rights and responsibilities of parties; findings by commission.

(1) The commission shall, pursuant to rules adopted and published in accordance with chapter 120, consider all sworn complaints filed with it and all matters reported to it by the Division of Elections. In order to carry out the responsibilities prescribed by this chapter, the commission is empowered to subpoena and bring before it, or its duly authorized representatives, any person in the state, or any person doing business in the state, or any person who has filed or is required to have filed any application, document, papers, or other information with an office or agency of this state or a political subdivision thereof and to require the production of any papers, books, or other records relevant to any investigation, including the records and accounts of any bank or trust company doing business in this state. Duly authorized representatives of the commission are empowered to administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear before them concerning any relevant matter. Should any witness fail to respond to the lawful subpoena of the commission or, having responded, fail to answer all lawful inquiries or to turn over evidence that has been subpoenaed, the commission may file a complaint in the circuit court where the witness resides setting up such failure on the part of the witness. On the filing of such complaint, the court shall take jurisdiction of the witness

and the subject matter of said complaint and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in the witness's possession which is lawfully demanded. The failure of any witness to comply with such order of the court shall constitute a direct and criminal contempt of court, and the court shall punish said witness accordingly. However, the refusal by a witness to answer inquiries or turn over evidence on the basis that such testimony or material will tend to incriminate such witness shall not be deemed refusal to comply with the provisions of this chapter. The sheriffs in the several counties shall make such service and execute all process or orders when required by the commission. Sheriffs shall be paid for these services by the commission as provided for in s. 30.231. Any person who is served with a subpoena to attend a hearing of the commission also shall be served with a general statement informing him or her of the subject matter of the commission's investigation or inquiry and a notice that he or she may be accompanied at the hearing by counsel of his or her own choosing.

(2) All witnesses summoned before the commission, other than on the request of the subject of a hearing, shall receive reimbursement for travel expenses and per diem at the rates provided in s. 112.061. However, the fact that such reimbursement is not tendered at the time the subpoena is served shall not excuse the witness from appearing as directed therein.

(3) Upon request of any person having business before the commission, and with the approval of a majority of the commission, the chair or, in the chair's absence, the vice chair shall instruct all witnesses to leave the hearing room and retire to a designated place. The witness will be instructed by the chair or, in the chair's absence, the vice chair not to discuss his or her testimony or the testimony of any other person with anyone until the hearing has been adjourned and the witness discharged by the chair. The witness shall be further instructed that should any person discuss or attempt to discuss the matter under investigation with him or her after receiving such instructions the witness shall bring such matter to the attention of the commission. No member of the commission or representative thereof may discuss any matter or matters pertinent to the subject matter under investigation with witnesses to be called before the commission from the time that these instructions are given until the hearing has been adjourned and the witness discharged by the chair.

(4) The commission, when interrogating witnesses as provided herein, shall cause a record to be made of all proceedings in which testimony or other evidence is demanded or adduced. This record shall include rulings of the chair, questions of the commission and its counsel, testimony or responses of witnesses, sworn written statements submitted to the commission, and all other pertinent matters. A witness at a hearing, upon his or her advance request and at his or her own expense, shall be furnished a certified transcript of all testimony taken at the hearing.

(5) Before or during a hearing, any person noticed to appear before the commission, or the person's counsel, may file with the commission, for incorporation into the

record of the hearing, sworn written statements relevant to the purpose, subject matter, and scope of the commission's investigation or inquiry. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(6) Any person whose name is mentioned or who is otherwise identified during a hearing being conducted by the commission and who, in the opinion of the commission, may be adversely affected thereby may, upon his or her request or upon the request of any member of the commission, appear personally before the commission and testify on his or her own behalf or, with the commission's consent, file a sworn written statement of facts or other documentary evidence for incorporation into the record of the hearing. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(7) Upon the consent of a majority of its members, the commission may permit any other person to appear and testify at a hearing or submit a sworn written statement of facts or other documentary evidence for incorporation into the record thereof. No request to appear, appearance, or submission shall limit in any way the commission's power of subpoena. Any such person shall, however, prior to filing such statement, consent to answer questions from the commission regarding the contents of the statement.

(8) Any person who appears before the commission pursuant to this section shall have all the rights, privileges, and responsibilities of a witness appearing before a court of competent jurisdiction.

(9) If the commission fails in any material respect to comply with the requirements of this section, any person subject to subpoena or subpoena duces tecum who is injured by such failure shall be relieved of any requirement to attend the hearing for which the subpoena was issued or, if present, to testify or produce evidence therein; and such failure shall be a complete defense in any proceeding against such person for contempt or other punishment.

(10) Whoever willfully affirms or swears falsely in regard to any material matter or thing before the commission shall be guilty of a felony of the third degree and punished as provided by s. 775.082, s. 775.083, or s. 775.084.

(11) At the conclusion of its hearings concerning an alleged violation, the commission shall immediately begin deliberations on the evidence presented at such hearings and shall proceed to determine by affirmative vote of a majority of the members present whether a violation of this chapter or chapter 104 has occurred. Such determination shall promptly be made public. The order shall contain a finding of violation or no violation, together with brief findings of pertinent facts, and the assessment of such civil penalties as are permitted by this chapter or no such assessment and shall bear the signature or facsimile signature of the chair or vice chair.

(12) The commission by rule may determine violations which constitute minor offenses that can be resolved without further investigation by means of a plea of nolo contendere and payment of a fine.

(13) The commission may not issue advisory opinions and must, in all its deliberations and decisions, adhere to statutory law and advisory opinions of the division.

(1) The commission or, in cases referred to the Division of Administrative Hearings pursuant to s. 106.25(5), the administrative law judge is authorized upon the finding of a violation of this chapter or chapter 104 to impose civil penalties in the form of fines not to exceed \$1,000 per count, or, if applicable, to impose a civil penalty as provided in s. 104.271 or s. 106.19.

(2) In determining the amount of such civil penalties, the commission or administrative law judge shall consider, among other mitigating and aggravating circumstances:

(3) If any person, political committee, affiliated party committee, electioneering communications organization, or political party fails or refuses to pay to the commission any civil penalties assessed pursuant to the provisions of this section, the commission shall be responsible for collecting the civil penalties resulting from such action.

(4) Any civil penalty collected pursuant to the provisions of this section shall be deposited into the General Revenue Fund.

(5) Any fine assessed pursuant to this chapter shall be deposited into the General Revenue Fund.

(6) In any case in which the commission determines that a person has filed a complaint against another person with a malicious intent to injure the reputation of the person complained against by filing the complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations of fact material to a violation of this chapter or chapter 104, the complainant shall be liable for costs and reasonable attorney's fees incurred in the defense of the person complained against, including the costs and reasonable attorney's fees incurred in proving entitlement to and the amount of costs and fees. If the complainant fails to pay such costs and fees voluntarily within 30 days following such finding by the commission, the commission shall forward such information to the Department of Legal Affairs, which shall bring a civil action in a court of competent jurisdiction to recover the amount of such costs and fees awarded by the commission.

Upon a proper showing that such person, political committee, affiliated party committee, or political party has engaged, or is about to engage, in prohibited acts or practices, a permanent or temporary injunction, restraining order, or other order shall be granted without bond by such court, and the civil fines provided by this chapter may be imposed.

(3) Civil actions may be brought to enjoin temporarily the issuance of certificates of election to successful candidates who are alleged to have violated the provisions of this chapter or chapter 104. Such injunctions shall issue upon a showing of probable cause that such violation has occurred. 106.29 Reports by political parties and affiliated party committees; restrictions on contributions and expenditures; penalties.—

(1) The state executive committee and each county executive committee of each political party and any affiliated party committee regulated by chapter 103 shall file regular reports of all contributions received and all expenditures made by such committee. However, the reports shall not include contributions and expenditures that are reported to the Federal Election Commission. In addition, when a special election is called to fill a vacancy in office, each state executive committee, each affiliated party committee, and each county executive committee making contributions or expenditures to influence the results of the special election or the preceding special primary election must file campaign treasurers' reports on the dates set by the Department of State pursuant to s. 100.111. Such reports shall contain the same information as do reports required of

candidates by s. 106.07 and shall be filed on the 10th day following the end of each calendar quarter, except that, during the period from the last day for candidate qualifying until the general election, such reports shall be filed on the Friday immediately preceding each special primary election, special election, primary election, and general election. In addition to the reports filed under this section, the state executive committee, each county executive committee, and each affiliated party committee shall file a copy of each prior written acceptance of an in-kind contribution given by the committee during the preceding calendar quarter as required under s. 106.08(6). Each state executive committee and affiliated party committee shall file its reports with the Division of Elections. Each county executive committee shall file its reports with the supervisor of elections in the county in which such committee exists. Any state or county executive committee or affiliated party committee failing to file a report on the designated due date shall be subject to a fine as provided in subsection (3). No separate fine shall be assessed for failure to file a copy of any report required by this section.

(2) The chair and treasurer of each state or county executive committee shall certify as to the correctness of each report filed by them on behalf of such committee. The leader and treasurer of each affiliated party committee under s. 103.092 shall certify as to the correctness of each report filed by them on behalf of such committee. Any committee chair, leader, or treasurer who certifies the correctness of any report while knowing that such report is incorrect, false, or incomplete commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(3)(a) Any state or county executive committee or affiliated party committee failing to file a report on the designated due date shall be subject to a fine as provided in paragraph (b) for each late day. The fine shall be assessed by the filing officer, and the moneys collected shall be deposited in the General Revenue Fund.

(b) Upon determining that a report is late, the filing officer shall immediately notify the chair of the executive committee or the leader of the affiliated party committee as defined in s. 103.092 as to the failure to file a report by the designated due date and that a fine is being assessed for each late day. The fine shall be \$1,000 for a state executive committee, \$1,000 for an affiliated party committee, and \$50 for a county executive committee, per day for each late day, not to exceed 25 percent of the total receipts or expenditures, whichever is greater, for the period covered by the late report. However, if an executive committee or an affiliated party committee fails to file a report on the Friday immediately preceding the special election or general election, the fine shall be \$10,000 per day for each day a state executive committee is late, \$10,000 per day for each day an affiliated party committee is late, and \$500 per day for each day a county executive committee is late. Upon receipt of the report, the filing officer shall determine the amount of the fine which is due and shall notify the chair or leader as defined in s. 103.092.

Notice is deemed complete upon proof of delivery of written notice to the mailing or street address on record with the filing officer. The filing officer shall determine the amount of the fine due based upon the earliest of the following:

1. When the report is actually received by such officer.
2. When the report is postmarked.
3. When the certificate of mailing is dated.
4. When the receipt from an established courier company is dated.
5. When the electronic receipt issued pursuant to s. 106.0705 is dated.

Such fine shall be paid to the filing officer within 20 days after receipt of the notice of payment due, unless appeal is made to the Florida Elections Commission pursuant to paragraph (c). An officer or member of an executive committee shall not be personally liable for such fine.

(c) The chair of an executive committee or the leader of an affiliated party committee as defined in s. 103.092 may appeal or dispute the fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the Florida Elections Commission, which shall have the authority to waive the fine in whole or in part. Any such request shall be made within 20 days after receipt of the notice of payment due. In such case, the chair of the executive committee or the leader of the affiliated party committee as defined in s. 103.092 shall, within the 20-day period, notify the filing officer in writing of his or her intention to bring the matter before the commission.

(d) The appropriate filing officer shall notify the Florida Elections Commission of the repeated late filing by an executive committee or affiliated party committee, the failure of an executive committee or affiliated party committee to file a report after notice, or the failure to pay the fine imposed.

(4) Any contribution received by a state or county executive committee or affiliated party committee less than 5 days before an election shall not be used or expended in behalf of any candidate, issue, affiliated party committee, or political party participating in such election.

(5) No state or county executive committee or affiliated party committee, in the furtherance of any candidate or political party, directly or indirectly, shall give, pay, or expend any money, give or pay anything of value, authorize any expenditure, or become pecuniarily liable for any expenditure prohibited by this chapter. However, the contribution of funds by one executive committee to another or to established party organizations for legitimate party or campaign purposes is not prohibited, but all such contributions shall be recorded and accounted for in the reports of the contributor and recipient.

(6)(a) The national, state, and county executive committees of a political party and affiliated party committees may not contribute to any candidate any amount in excess of the limits contained in s. 106.08(2), and all contributions required to be reported under s. 106.08(2) by the national executive committee of a

political party shall be reported by the state executive committee of that political party.

(b) A violation of the contribution limits contained in s. 106.08(2) is a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. A civil penalty equal to three times the amount in excess of the limits contained in s. 106.08(2) shall be assessed against any executive committee found in violation thereof.

106.295 Leadership fund.—

(1) For purposes of this section:

(a) “Leadership fund” means accounts comprised of any moneys contributed to a political party, directly or indirectly, which are designated to be used at the partial or total discretion of a leader.

(b) “Leader” means the President of the Senate, the Speaker of the House of Representatives, the majority leader and the minority leader of each house, and any person designated by a political caucus of members of either house to succeed to any such position.

(2) Leadership funds are prohibited in this state. No leader shall accept any leadership funds.

(3) This section applies to leadership funds in existence on or after January 1, 1990.

History.—s. 24, ch. 89-256.

106.30 Short title.—Sections 106.30-106.36 may be cited as the “Florida Election Campaign Financing Act.”

History.—s. 1, ch. 86-276.

106.31 Legislative intent.—The Legislature finds that the costs of running an effective campaign for statewide office have reached a level which tends to discourage persons from becoming candidates and to limit the persons who run for such office to those who are independently wealthy, who are supported by political committees representing special interests which are able to generate substantial campaign contributions, or who must appeal to special interest groups for campaign contributions. The Legislature further finds that campaign contributions generated by such political committees are having a disproportionate impact vis-a-vis contributions from unaffiliated individuals, which leads to the misperception of government officials unduly influenced by those special interests to the detriment of the public interest. Furthermore, it is the intent of the Legislature that the purpose of public campaign financing is to make candidates more responsive to the voters of the State of Florida and as insulated as possible from special interest groups. The Legislature intends ss. 106.30-106.36 to alleviate these factors, dispel the misperception, and encourage qualified persons to seek statewide elective office who would not, or could not otherwise do so and to protect the effective competition by a candidate who uses public funding.

History.—s. 1, ch. 86-276; s. 67, ch. 2001-40.

106.32 ¹Election Campaign Financing Trust Fund.—

(1) There is hereby established in the State Treasury an ¹Election Campaign Financing Trust Fund to be utilized by the Department of State as provided in ss. 106.30-106.36. If necessary, each year in which a general election is to be held for the election of the Governor and Cabinet, additional funds shall be transferred to the ¹Election Campaign Financing Trust Fund from general revenue in an amount sufficient to fund qualifying candidates pursuant to the provisions of ss. 106.30-106.36.

(2) Proceeds from filing fees pursuant to ss. 99.092, 99.093, and 105.031 shall be deposited into the ¹Election Campaign Financing Trust Fund as designated in those sections.

(3) Proceeds from assessments pursuant to ss. 106.07 and 106.29 shall be deposited into the ¹Election Campaign Financing Trust Fund as designated in those sections.

History.—s. 1, ch. 86-276; s. 19, ch. 91-107; s. 26, ch. 2013-37.

¹**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.33 Election campaign financing; eligibility.

Each candidate for the office of Governor or member of the Cabinet who desires to receive contributions from the ¹Election Campaign Financing Trust Fund, upon qualifying for office, shall file a request for such contributions with the filing officer on forms provided by the Division of Elections. If a candidate requesting contributions from the fund desires to have such funds distributed by electronic fund transfers, the request shall include information necessary to implement that procedure. For the purposes of ss. 106.30-106.36, the respective candidates running for Governor and Lieutenant Governor on the same ticket shall be considered as a single candidate. To be eligible to receive contributions from the fund, a candidate may not be an unopposed candidate as defined in s. 106.011 and must:

(1) Agree to abide by the expenditure limits provided in s. 106.34.

(2)(a) Raise contributions as follows:

1. One hundred fifty thousand dollars for a candidate for Governor.

2. One hundred thousand dollars for a candidate for Cabinet office.

(b) Contributions from individuals who at the time of contributing are not state residents may not be used to meet the threshold amounts in paragraph (a). For purposes of this paragraph, any person validly registered to vote in this state shall be considered a state resident.

(3) Limit loans or contributions from the candidate's personal funds to \$25,000 and contributions from national, state, and county executive committees of a political party to \$250,000 in the aggregate, which loans or contributions do not qualify for meeting the threshold amounts in subsection (2).

(4) Submit to a postelection audit of the campaign account by the division.

History.—s. 1, ch. 86-276; s. 40, ch. 90-315; s. 20, ch. 91-107; s. 68, ch. 2001-40; s. 47, ch. 2005-278; s. 27, ch. 2013-37.

¹**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.34 Expenditure limits.—

(1) Any candidate for Governor and Lieutenant Governor or Cabinet officer who requests contributions from the ¹Election Campaign Financing Trust Fund shall limit his or her total expenditures as follows:

(a) Governor and Lieutenant Governor: \$2.00 for each Florida-registered voter.

(b) Cabinet officer: \$1.00 for each Florida-registered voter.

(2) The expenditure limit for any candidate with primary election opposition only shall be 60 percent of the limit provided in subsection (1).

(3) For purposes of this section, "Florida-registered voter" means a voter who is registered to vote in Florida as of June 30 of each odd-numbered year. The Division of Elections shall certify the total number of Florida-registered voters no later than July 31 of each odd-numbered year. Such total number shall be calculated by adding the number of registered voters in each county as of June 30 in the year of the certification date.

(4) For the purposes of this section, the term "expenditure" does not include the payment of compensation for legal and accounting services rendered on behalf of a candidate.

History.—s. 1, ch. 86-276; s. 41, ch. 90-315; s. 21, ch. 91-107; s. 654, ch. 95-147; s. 48, ch. 2005-278; s. 7, ch. 2018-110.

¹**Note.**—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.35 Distribution of funds.—

(1) The division shall review each request for contributions from the ¹Election Campaign Financing Trust Fund and certify whether the candidate is eligible for such contributions. Notice of the certification decision shall be provided to the candidate. An adverse decision may be appealed to the Florida Elections Commission. The division shall adopt rules providing a procedure for such appeals.

(2)(a) Each candidate who has been certified to receive contributions from the ¹Election Campaign Financing Trust Fund shall be entitled to distribution of funds as follows:

1. For qualifying matching contributions making up all or any portion of the threshold amounts specified in s. 106.33(2), distribution shall be on a two-to-one basis.

2. For all other qualifying matching contributions, distribution shall be on a one-to-one basis.

(b) Qualifying matching contributions are those of \$250 or less from an individual, made after September 1 of the calendar year prior to the election. Any contribution received from an individual who is not a state resident at the time the contribution is made shall not be considered a qualifying matching contribution. For purposes of this paragraph, any person validly registered to vote in this state shall be considered a state resident. Aggregate contributions from an individual in excess of \$250 will be matched only up to \$250. A contribution from an individual, if made by check, must

be drawn on the personal bank account of the individual making the contribution, as opposed to any form of business account, regardless of whether the business account is for a corporation, partnership, sole proprietorship, trust, or other form of business arrangement. For contributions made by check from a personal joint account, the match shall only be for the individual who actually signs the check.

(3)(a) Certification and distribution of funds shall be based on contributions to the candidate reported to the division for such purpose. The division shall review each report and verify the amount of funds to be distributed prior to authorizing the release of funds. The division may prescribe separate reporting forms for candidates for Governor and Cabinet officer.

(b) Notwithstanding the provisions of s. 106.11, a candidate who is eligible for a distribution of funds based upon qualifying matching contributions received and certified to the division on the report due on the 4th day prior to the election, may obligate funds not to exceed the amount which the campaign treasurer's report shows the candidate is eligible to receive from the ¹Election Campaign Financing Trust Fund without the funds actually being on deposit in the campaign account.

(4) Distribution of funds shall be made beginning on the 32nd day prior to the primary and every 7 days thereafter.

(5) The division shall adopt rules providing for the weekly reports and certification and distribution of funds pursuant thereto required by this section. Such rules shall, at a minimum, provide specifications for electronically transmitted campaign treasurer's reports outlining communication parameters and protocol, data record formats, and provisions for ensuring security of data and transmission.

History.—s. 1, ch. 86-276; s. 25, ch. 89-256; s. 42, ch. 90-315; s. 22, ch. 91-107; s. 69, ch. 2001-40; s. 49, ch. 2007-30; s. 74, ch. 2011-40.

Note.—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.353 Candidates voluntarily abiding by election campaign financing limits but not requesting public funds; irrevocable statement required; penalty.—

(1) Not later than qualifying for office, each candidate for the office of Governor or member of the Cabinet who has not made a request to receive contributions from the ¹Election Campaign Financing Trust Fund, but who wishes to voluntarily abide by the applicable expenditure limit set forth in s. 106.34 and the contribution limits on personal and party funds set forth in s. 106.33, shall file an irrevocable statement to that effect with the Secretary of State.

(2) Any candidate who files such a statement and subsequently exceeds such limits shall pay to the

¹Election Campaign Financing Trust Fund an amount equal to the amount of the excess contributions or expenditures. Such penalty shall not be an allowable campaign expense and shall be paid from personal funds of the candidate. However, if a nonparticipating candidate exceeds the expenditure limit as described in s. 106.355, a candidate signing the statement pursuant to this section may exceed the applicable expenditure limit to the extent the nonparticipating candidate exceeded the limit without being subject to a penalty.

History.—s. 23, ch. 91-107.

Note.—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.355 Nonparticipating candidate exceeding limits.—Whenever a candidate for the office of Governor or member of the Cabinet who has elected not to participate in election campaign financing under the provisions of ss. 106.30-106.36 exceeds the applicable expenditure limit provided in s. 106.34, all opposing candidates participating in such election campaign financing are, notwithstanding the provisions of s. 106.33 or any other provision requiring adherence to such limit, released from such expenditure limit to the extent the nonparticipating candidate exceeded the limit, are still eligible for matching contributions up to such limit, and shall not be required to reimburse any matching funds provided pursuant thereto. In addition, the Department of State shall, within 7 days after a request by a participating candidate, provide such candidate with funds from the ¹Election Campaign Financing Trust Fund equal to the amount by which the nonparticipating candidate exceeded the expenditure limit, not to exceed twice the amount of the maximum expenditure limits specified in s. 106.34(1)(a) and (b), which funds shall not be considered matching funds.

History.—s. 24, ch. 91-107.

Note.—The trust fund expired, effective November 4, 1996, by operation of s. 19(f), Art. III of the State Constitution.

106.36 Penalties; fines.—In addition to any other penalties which may be applicable under the election code, any candidate who receives contributions from the ¹Election Campaign Financing Trust Fund and who exceeds the applicable expenditure limit, except as authorized in ss. 106.353 and 106.355, or falsely reports qualifying matching contributions and thereby receives contributions from the ¹Election Campaign Financing Trust Fund to which the candidate was not entitled shall be fined an amount equal to three times the amount at issue, which shall be deposited in the ¹Election Campaign Financing Trust Fund.

History.—s. 1, ch. 86-276; s. 11, ch. 90-338; s. 25, ch. 91-107; s. 655, ch. 95-147.

INSTRUCTIONS FOR CAMPAIGN TREASURER'S REPORT – ITEMIZED CONTRIBUTIONS

- (1) Candidate's full name or name of the political committee (PC), electioneering communications organizations (ECO) or party executive committee (PTY).
- (2) The identification number assigned by the filing officer.
- (3) Cover period dates (e.g., 1/1/15 through 1/31/15). (See filing officer's reporting dates calendar for appropriate year and cover periods.)
- (4) Page numbers (e.g., 1 of 3).
- (5) Date contribution was RECEIVED (Month/Day/Year).
- (6) **Sequence Number** – Each detail line shall have a sequence number assigned to it. Sequence numbers are to be assigned within each reporting period and for each type of detail line. Thus the report type, detail line type, and sequence number will combine to uniquely identify a specific contribution, expenditure, distribution or fund transfer. This method of unique identification is required for responding to requests from the filing officer and for reporting amendments.
For example, a M1 report having 75 contributions would use sequence numbers 1 through 75. The next report (M2), comprised of 40 contributions would use sequence numbers 1 through 40. Contributions on amended M1 reports would begin with sequence number 76 and on amended M2 reports would begin with sequence number 41. See the *Amendment Type* instructions below.
- (7) Type full name and address of contributor (including city, state and zip code).
- (8) Enter the type of contributor using one of the following codes:
Occupation of contributor for **contributions over \$100 only**. (If a business, please indicate nature of business.)

I	Individual	
B	Business	(also includes corporations, organizations, groups, etc.)
E	Electioneering Communications Organizations	
F	Political Committee	(federal or state)
P	Political Parties	(includes federal, state and county executive committees)
O	Other	(e.g., candidate surplus funds to party, etc.)
S	Candidate to Self	

- (9) Enter Contribution Type using one of the following codes:
NOTE: Cash includes cash and cashier's checks.

Code	Description

- (10) Type the description of any in-kind contribution received.
Candidate's Only – If in-kind contribution is from a party executive committee and is allocable toward the contribution limits, type an "A" in this box. If contribution is not allocable, type an "N".
- (11) **Amendment Type** (required on amended reports) – To add a new (previously unreported) contribution for the reporting period being amended, enter "ADD" in amendment type on a line with ALL of the required data.
The sequence number for contributions with amendment type "ADD" will start at one plus the number of contributions in the original report. For example, amending an original M1 report that had 75 contributions means the sequence number of the first contribution having amendment type "ADD" will be 76; the second "ADD" contribution would be 77, etc. When amending an original M2 report that had 40 contributions, the sixth "ADD" contribution would have sequence number 46.
To correct a previously submitted contribution use the following drop/add procedure. Enter "DEL" in amendment type on a line with the sequence number of the contribution to be corrected. In combination with the report number being amended, this sequence number will identify the contribution to be dropped from your active records. On the next line enter "ADD" in amendment type and ALL of the required data with the necessary corrections thus replacing the dropped data. Assign the sequence number as described above.
- (12) Type amount of contribution received. **Political Committees ONLY**: Multiple uniform contributions from the same person, aggregating NMT \$250 per calendar year, collected by an organization that is the affiliated sponsor of a PC, may be reported by the PC in an aggregate amount listing the number of contributors together with the amount contributed by each and the total amount contributed during the reporting period.
